## Explanatory Notes

The Department of Human Services Division of Family Development provides basic income and an opportunity to achieve self-sufficiency for individuals and families served by the Division's programs. The Division provides leadership, direction and supervision to those public agencies responsible for administering those programs and plans for and develops policies to promote self-sufficiency.

**WORK FIRST NEW JERSEY (WFNJ)** - Fully implemented July 1, 1997, this is New Jersey's welfare reform program which responds to the requirements of the Federal Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996. PRWORA establishes Temporary Assistance to Needy Families (**TANF**) as the replacement for AFDC cash assistance. WFNJ includes two segments, WFNJ/TANF for families with children, and WFNJ/GA (General Assistance) for single adults and couples without dependent children. The emphasis is on achieving self-sufficiency and limits lifetime receipt of financial assistance to a total of five years.
