General Information

The DEP Bulletin is an information service provided by the New Jersey Department of Environmental Protection. In compliance with the Rules and Regulations Governing 90 Day Construction Permits (NJAC 7:1C-1.1 et seq.) this semi-monthly publication contains a list of construction permit applications recently filed or acted upon by the DEP. Using the Application Milestone Codes located on the inside front cover, interested persons can determine the status of Coastal Area Facility Review Act (CAFRA) permits, Federal Consistency Activity permits, Freshwater Wetlands Individual and Statewide General permits, General Groundwater Petroleum Products Cleanup permits, Open Water Fill permits, Solid Waste Facility permits (SWF), Stream Encroachment (SE) permits, Tidal Wetlands permits, Waterfront Development permits and Treatment Works Approvals (TWA).

In addition, a calendar of Events of Interest and a Schedule of Public Hearings is provided. The public hearings listed does not, however, constitute an official notice. Environmental Impact Statements acted upon during the period are also shown. Additional information concerning the permit applications can be obtained by calling the project manager at the appropriate office listed inside the back cover.

Public Hearings are held for the purpose of obtaining input and reaction to a proposed rule, regulation, or new program. Some hearings may be mandated by law. Generally their scope of impact is statewide or of broad general interest and open to the public.

Contested Case Hearings are held between the State and a particular party involving an application, enforcement violation or an appeal. Interest in these hearings is generally limited to those directly involved.

DEP Events of Public Interest include public hearings, council meetings, workshops, public information meetings, and exams.

PUBLIC HEARING NOTICE

DIVISION OF PARKS AND FORESTRY

Notice of Public Hearings

Proposed Sale of Lands

Comprising Part of the Bakers Basin Properties

Take notice that the State of New Jersey, Department of Environmental Protection by the Division of Parks and Forestry, will hold two public hearings to seek comments on the proposed conveyance in fee of the following state owned lands:

Lands located within the Township of Lawrence, County of Mercer in Block 4201, Lot 32 and a portion of each of Lots 30 and 33 totaling 82.7 acres more or less.

These lands were acquired in 1940, 1941 and 1942 to be used as an airport for forest fire fighting purposes. The Division of Parks and Forestry has evaluated the property and determined that it is not now nor has it for some time been suitable for the purposes for which it was originally acquired. It has concluded that the property should be disposed of and the proceeds from the sale used to acquire lands needed for Forest Fire Service purposes.

Lot 32, 18.668 acres, fronts on Route 1 and is zoned highway commercial. Lot 30, 26.388 acres lies directly south of and does not include the Bakers Basin Motor Vehicle Inspection Station. It is zoned Education/Government. Lot 33, 56.873 acres lies south of Lot 32 and Lot 30; and is zoned Environmental Protection/Office Industrial.

Persons wishing to make oral presentation are asked to limit their comments to a five minute time period. Presenters should bring a copy of their comments to the hearing for use by the Department. The hearing records will be kept open for a period of seven days following the date of the public hearing so that additional written comments can be received.

The first public hearing will be held on:

**Thursday, April 3, 1997 at 3:00p.m. in the
Lawrence Township First Floor Court Room located at
2207 Lawrence Road, Lawrenceville, New Jersey**

The hearing record will close on April 14, 1997. Interested persons may obtain information from Jeanne M. Donlon in the Department at the address below and may submit written comments to Ms. Donlon until the close of business on April 14, 1997.

The second public hearing will be held on:

**Thursday, April 17, 1997 at 4:00p.m. in the
Public Hearing Room on the First Floor located at
401 E. State Street, Trenton, NJ**

The hearing record will close on April 28, 1997. Interested persons may obtain information from Jeanne M. Donlon in the Department at the address below and may submit written comments to Ms. Donlon until the close of business on April 28, 1997.

**NEW JERSEY'S DRAFT CZM 309 ASSESSMENT AND STRATEGY
AVAILABLE FOR REVIEW**

The New Jersey Department of Environmental Protection, Office of Environmental Planning, would like your comments on New Jersey's **DRAFT SECTION 309 ASSESSMENT and PROPOSED STRATEGY**.

The federal Coastal Zone Management Act (CZMA) includes a voluntary Coastal Zone Enhancement Grant Program which encourages federally-approved state coastal management programs, to seek to achieve one or more of nine coastal management enhancement objectives. The states are encouraged to achieve these objectives through changes to their coastal management programs.

As a first step in this process, the Office of Environmental Planning has drafted an assessment of the State's previous Section 309 achievements and a draft proposal for the strategy to be addressed through the next Section 309 Enhancement Grant Program, October 1997 through September 2000.

Copies of the **Draft Assessment and Draft Proposed Strategy** are being sent out to individuals who receive the Coastal newsletter. Copies are also available upon request from the NJDEP, Office of Environmental Planning, 609-292-2113.

Please provide written comments to the address below by March 26, 1997.
