#### **Governor to Herald Passage of Public Question No. 1 on Preservation of Open Space, Break Ground for Atlantic City Tunnel**

Gov. Christie Whitman today will publicly thank voters who Tuesday passed an historic referendum to change the state constitution and dedicate \$98 million each year for ten years in order to preserve 1 million acres of open space and farmland throughout the state.

The Governor will also break ground for the Atlantic City-Brigantine Connector. The Connector will link the Atlantic City Expressway with the city's Marina District and improve the traffic flow from Atlantic City to Brigantine.
