Interagency Council on Climate Resilience

Through [Executive Order No. 89](#) ^(pdf), the Interagency Council on Climate Resilience (Interagency Council), was established to develop short- and long-term action plans that will promote the long-term mitigation, adaptation, and resilience of New Jersey’s economy, communities, infrastructure, and natural resources. In addition to these coordinated efforts, the Interagency Council will support the development and implementation of the [Climate Change Resilience Strategy](#) ^(pdf) that will guide and inform State actions to address the impacts of climate change.
