Chairperson Diane Gutierrez-Scaccetti called the next order of business regarding the approval of the resolution authorizing the Sixth Supplemental Program Bond Resolution which, she stated, authorizes the issuance of one or more Series of Transportation Program Bonds in an aggregate principal amount not exceeding \$1,000,000,000 to pay State Transportation System Costs. It provides that the true interest cost on each Series of Bonds shall not exceed six and a half percent (6.50%) per annum and the Resolution also authorizes a negotiated sale of the Bonds with Wells Fargo Bank, National Association as Manager, and other matters in connection therewith, including the distribution of a Preliminary Official Statement and final Official Statement and the execution and delivery of a Bond Purchase Contract and a Continuing Disclosure Agreement. Chairperson Diane Gutierrez-Scaccetti then asked Tricia Gasparine, Esq., Bond Counsel to the Authority if she had any further comments. Ms. Gasparine added that in addition, the Sixth Supplemental Program Bond Resolution authorizes an authorized Authority Officer to amend the Authority's post issuance tax compliance procedures and to execute documents in connection with such procedures. Ms. Gasparine stated she would be happy to answer any questions.

Robert Briant Jr. stated that in the paperwork with the resolution he noticed that for the first nine years, the payments are interest-only payments. Payments to the principal does not begin until year ten. Mr. Briant asked if someone could explain the benefits of doing that. David Moore explained they are trying to keep the TTFA debt service flat over the years and this can be accomplished given the current interest rate environment. Chairperson Gutierrez-Scaccetti questioned what happens in the tenth year and David Moore stated that the payment of principal and interest would be made. Michael Kanef described the goal of front-loading interest payments is to minimize the total aggregate amount of payments and since the penalty for pushing out the principal payment is extremely small, it is beneficial from a financial standpoint to undertake this strategy.

Chairperson Diane Gutierrez-Scaccetti asked if there were any questions or further discussion. Hearing none, she suggested that going forward staff should work with the Office of Public Finance to develop a full agenda package that will describe the projects that the bond proceeds are intended to fund. She stated that she realizes that bond proceeds fund the Capital Program, but felt that funding information would provide more transparency to the public.

After the board's discussion on this resolution, Chairperson Gutierrez-Scaccetti requested a motion to adopt the resolution entitled: "Approval of Sixth Supplemental Transportation Program Bond Resolution," Michael Kanef moved to adopt the Resolution (which is appended to these minutes).

The motion was seconded by Gregory Lalevee and adopted on a call of roll as follows:

Chairperson Diane Gutierrez-Scaccetti declared said motion carried and said resolution adopted.

For the next order of business, Chairperson Diane Gutierrez-Scaccetti stated that Tricia Gasparine, Esq., Bond Counsel to the Authority, would lead the discussion regarding the approval of the Seventh Supplemental Program Bond Resolution. Ms. Gasparine stated that the Seventh Supplemental Program Bond resolution authorizes the conversion and remarketing of the Authority's \$150,000,000 Transportation Program Notes (SIFMA Index Multimodal Notes) 2014 Series BB-1. It provides that the true interest cost on the remarketed Program Notes shall not exceed six and a half percent (6.50%) per annum. The Resolution authorizes the conversion and remarketing of the Program Notes with Wells Fargo Bank, National Association as Remarketing Agent, and other matters in connection therewith, including the distribution of a Preliminary Remarketing Circular and a final Remarketing Circular, and the execution and delivery of a Remarketing and Placement Agreement and an Amended and Restated Continuing Disclosure Agreement. This resolution also corrects a defect and inconsistency in the original series certificate executed in connection with the Program Notes in 2014. These are not refunding bonds. It is a conversion and remarketing. Ms. Gasparine stated she would be happy to answer any questions

Chairperson Gutierrez-Scaccetti asked what the benefit of converting and remarketing these securities would be. David Moore explained that the remarketing of the \$150 million in notes is beneficial because the notes have a put feature which will require the TTFA to repay the notes in full if we do not remarket them. Remarketing the notes into a fixed rate mode also allows the TTFA to take advantage of the current low interest rate environment.

Chairperson Diane Gutierrez-Scaccetti then asked if there would be any further discussion. Hearing none, then requested a motion to adopt the resolution entitled: "Approval of Seventh Supplemental Transportation Program Bond Resolution," Robert Briant Jr. moved to adopt the Resolution (which is appended to these minutes).

The motion was seconded by Gregory Lalevee and adopted on a call of roll as follows:

AYE: 6

NAY: 0

ABSTAIN: 0

ABSENT: 0

For the next order of business, Chairperson Diane Gutierrez-Scaccetti asked David Moore, Deputy Director, Office of Public Finance, New Jersey Department of the Treasury, to lead the discussion regarding the resolution authorizing the payment of expenses that are expected to be incurred in connection with the issuance of the Transportation Program Bonds, 2019 Series BB, pursuant to the Sixth Supplemental Transportation Program Bond Resolution, and the payment of expenses that are expected to be incurred in connection with the conversion and remarketing of the Transportation Program Notes (Fixed Rate), 2014 Series BB-1, pursuant to the Seventh Supplemental Transportation Program Bond Resolution.

David Moore stated that the costs with this resolution are the normal costs of bonds and in line with the typical offerings of this size and nature and that he would be happy to answer any questions. Chairperson Diane Gutierrez-Scaccetti then asked if there would be any further discussion. Hearing none, then requested a motion to adopt the resolution entitled: "Approval of Costs of Issuance Resolution," Michael Kanef moved to adopt the Resolution (which is appended to these minutes).

The motion was seconded by Gregory Lalevee and adopted on a call of roll as follows:

AYE: 6

NAY: 0

ABSTAIN: 0

ABSENT: 0

Chairperson Gutierrez-Scaccetti noted there was one other issue that she wanted to address regarding the frequency of when the Authority meets. She stated she would like the Authority to hold quarterly meetings whether there is a bond issue or not. The general consensus was that this was a good idea. Accordingly, staff would work to set up quarterly meetings to provide the type of information that the Members would need to help them to proactively support and advocate the Capital Program and related policies required to effectively manage the Program.

There being no further business coming from the Authority, Chairperson Diane Gutierrez-Scaccetti requested a motion to adjourn the meeting. Gregory Lalevee moved that the September 5, 2019 meeting of the New Jersey Transportation Trust Fund Authority be adjourned. Robert Briant Jr. seconded the motion, which was carried by unanimous vote.

The September 5, 2019 meeting of the New Jersey Transportation Trust Fund Authority ended at approximately 11:34 AM.

Respectfully Submitted,

Jackie Brown

Assistant Secretary of the Authority

*New Jersey Transportation Trust Fund Authority
Office of the Executive Director*

September 5, 2019

1. What action is being requested of the New Jersey Transportation Trust Fund Authority (“NJTTFA” or the “Authority”) Board at today’s meeting?

The NJTTFA Board is being asked to approve the proposed issuance of up to \$1 billion Transportation Program Bonds, 2019 Series BB.

2. For what purpose will the proceeds of the bonds be used? Will the proceeds be sufficient to fund the TTFA through the end of FY 2020?

Together with other available resources, the proceeds of the bonds will be used to fund the FY 2020 cash expenses of the TTFA. The NJTTFA is expected to end FY 2020 with a surplus.

3. Please describe the proposed transaction. What is the proposed structure of this sale?

The proposed transaction will be composed of up to \$1 billion of tax-exempt Transportation Program Bonds, 2019 Series BB (the “2019 Bonds”). The 2019 Bonds will be structured as fixed rate current interest bonds. The 2019 Bonds will amortize on June 15th of each year from 2029 through 2050. Debt service on the 2019 Bonds will be structured as level in each fiscal year. Based on market conditions as of August 28, 2019, an estimated “Sources and Uses of Funds” schedule for the transaction is provided below:

Sources of Funds*		(in millions)
Par Amount		\$1,000,000,000.00
Original Issue Premium		123,218,074.20
Original Issue Discount		--
Total Sources of Funds		\$1,123,218,074.20
Uses of Funds*		
Project Fund Deposit		\$1,119,364,352.73
Costs of Issuance/Underwriter’s Discount*		3,853,721.47
Total Uses of Funds		\$1,123,218,074.20

*Preliminary, subject to change.

4. How will the issuance of the 2019 Bonds affect the Authority’s Statutory Debt Issuance Limit for Transportation Program Bonds?

The Act, as most recently amended by L. 2016, c. 56, enacted on October 14, 2016 (the “2016 Legislation”), authorizes the issuance of new money Transportation Program Bonds for the State fiscal years 2017 through 2024 in an amount not in excess of \$12.0 billion. Pursuant to the 2016 Legislation, premium received in connection with the issuance of the 2019 Bonds will count against the limitation as to the amount of new money Transportation Program Bonds the Authority may issue during the referenced period. Thus, the aggregate principal amount of the 2019 Bonds plus any original issue premium received from the sale of the 2019 Bonds will count against this limit.

5. When will the 2019 Bonds be sold?

It is expected that the 2019 Bonds will be sold to investors on September 24, 2019.

6. Has a bond counsel, financial advisor, and underwriter been selected? If yes, who are they and how were they selected?

Chiesa Shahinian & Giantomasi PC, Bond Counsel, was selected by the Attorney General's Office through a competitive RFQ/RFP process. Wells Fargo Bank, National Association has been recommended to the Authority as the Senior Managing Underwriter pursuant to Treasury's competitive RFP process conducted in accordance with Executive Order No. 26. There is no financial advisor for this transaction.

7. Has a bond trustee been selected? If yes, who are they and how were they selected?

U.S. Bank National Association currently serves as Trustee for NJTTFA's Transportation Program Bonds. They were selected for the inaugural 2012 Series AA Bonds pursuant to a competitive RFP process.

8. In general, how are the current financial markets expected to impact our sale of these bonds? What type of interest rates do we expect?

The municipal bond market has seen unprecedented investor demand characterized by 33 consecutive weeks of net inflows totaling \$61 billion YTD through August 21, 2019. Demand has far outweighed supply, as issuance is up only 4.5% YTD versus 2018. Given signs of economic weakness in the global economy and the economic impact of the ongoing trade dispute between the U.S. and China, the FOMC announced a 25bps reduction in the target range for the Fed Funds rate at its last meeting on July 31, 2019. Since then, the market has begun to price in further Federal Funds rate cuts, including a high probability of a 25bps cut at the next FOMC meeting on September 18th. Combined, these factors have pushed borrowing rates to new all-time lows across much of the yield curve.

UST Treasury (UST) and tax-exempt rates are near historic lows across much of the yield curve, with the 30-year UST at 1.97% and the 30-year MMD Municipal Market Data (MMD) Index at 1.83%. This represents all-time lows for both 30-year UST and 30-year MMD. In comparison, 30-year MMD was at 3.02% on January 9, 2019, the date the Authority priced its last transaction – 2019 Series AA. Estimated interest rate yields on the transaction as of the market close on August 28, 2019, range from 2.29% in 2029 to 3.33% in 2050. While these rates provided by the Senior Managing Underwriter represent current market estimates, the final rates will be limited so as to comply with the “not to exceed” true interest cost which will be included in the final NJTTFA Board-approved Bond Resolution.

9. What is the estimated annual debt service on the proposed 2019 Bonds?

Please see the proposed estimated debt service schedule attached hereto.

10. Will there be any projected change in the NJTTFA credit rating as a result of this sale?

The existing credit ratings for the NJTTFA Transportation Program bonds are Baa1/BBB+/A-/A from Moody's, S&P, Fitch and Kroll, respectively. We expect the current NJTTFA long-term ratings to be affirmed prior to sale of the 2019 Bonds.

2.10. Redemption.

Each Series of the 2019 Series Bonds may be subject to redemption prior to maturity as provided in the applicable Series Certificate.

2.11. Book-Entry Only System.

1. Except as provided in subparagraph (3) of this Section 2.11, the registered Holder of all of the 2019 Series Bonds shall be, and the 2019 Series Bonds shall be registered in

the name of, Cede & Co., as nominee of DTC. With respect to the 2019 Series Bonds for which Cede & Co. shall be the registered Holder, payment of interest on such 2019 Series Bonds shall be made by wire transfer of same day funds to the account of Cede & Co. on the Interest Payment Dates for the 2019 Series Bonds at the address indicated for Cede & Co. in the registration books of the Authority kept by the Trustee, as Bond Registrar.

2. The 2019 Series Bonds of each Series shall be initially issued in the form of a separate fully registered bond in the amount of each separate maturity. Upon initial issuance, the ownership of each such 2019 Series Bond shall be registered on the registration books of the Authority kept by the Trustee in the name of Cede & Co. With respect to 2019 Series Bonds so registered in the name of Cede & Co., the Authority and the Trustee shall have no responsibility or obligation to any DTC participant, indirect DTC participant, or any beneficial owner of a 2019 Series Bond. Without limiting the immediately preceding sentence, the Authority and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC participant or indirect DTC participant with respect to any beneficial ownership interest in a 2019 Series Bond, (ii) the delivery to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any notice with respect to a 2019 Series Bond, or (iii) the payment to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any amount with respect to the principal of, redemption premium, if any, or interest on a 2019 Series Bond. The Authority and the Trustee may treat DTC as, and deem DTC to be, the absolute registered Holder of each 2019 Series Bond for the purpose of (i) payment of the principal of, redemption premium, if any, and interest on each such 2019 Series Bond, (ii) giving notices with respect to the 2019 Series Bond, (iii) registering transfers with respect to a 2019 Series Bond and (iv) for all other purposes whatsoever. The Trustee shall pay the principal of, redemption premium, if any, and interest on each 2019 Series Bond only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to such principal and interest to the extent of the sum or sums so paid. No person other than DTC shall receive a 2019 Series Bond evidencing the obligation of the Authority to make payments of principal and interest thereon pursuant to this Sixth Supplemental Resolution. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions hereof, the words "Cede & Co." in this Sixth Supplemental Resolution shall refer to such new nominee of DTC.

3. (a) DTC may determine to discontinue providing its services with respect to a particular Series of the 2019 Series Bonds at any time by giving written notice to the Authority and discharging its responsibilities with respect thereto under applicable law. Upon receipt of such notice, the Authority shall promptly deliver a copy of same to the Trustee.

(b) The Authority, (i) in its sole discretion and without the consent of any other person, may discontinue the use of book-entry-only transfer through DTC (or a successor securities depository) with respect to a particular Series of the 2019 Series Bonds, in which event certificates for such 2019 Series Bonds shall be printed and delivered to DTC, and (ii) shall terminate the services of DTC with respect to a particular Series of the 2019 Series Bonds upon receipt by the Authority and the Trustee of written notice from DTC to the effect that DTC has received written notice from DTC participants or indirect DTC participants having

interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding 2019 Series Bonds of such Series to the effect, that (A) DTC is unable to discharge its responsibilities with respect to such 2019 Series Bonds or (B) a continuation of the requirement that all of the Outstanding 2019 Series Bonds of such Series be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the 2019 Series Bonds of such Series.

(c) Upon the termination of the services of DTC with respect to the 2019 Series Bonds of a Series pursuant to subsection 2.11(3)(b)(ii)(A) hereof, or upon the discontinuance or termination of the services of DTC with respect to the 2019 Series Bonds of such Series pursuant to subsection 2.11(3)(a) or 2.11(3)(b)(ii)(B) hereof, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority, is willing and able to undertake such functions upon reasonable and customary terms, such 2019 Series Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Holders of such 2019 Series Bonds transferring or exchanging such 2019 Series Bonds shall designate, in accordance with the provisions of the Resolution. Upon the determination by any party authorized herein that the 2019 Series Bonds of such Series shall no longer be limited to book-entry only form, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such 2019 Series Bonds from such book-entry only form to a fully registered form.

4. Notwithstanding any other provision of this Sixth Supplemental Resolution to the contrary, so long as any 2019 Series Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, redemption premium, if any, and interest on, and all notices with respect to, such 2019 Series Bond shall be made and given, respectively, to DTC as provided in the Letter of Representations of the Authority and the Trustee, addressed to DTC, with respect to the applicable Series of 2019 Series Bonds.

5. In connection with any notice or other communication to be provided to Holders of the 2019 Series Bonds of any Series pursuant to the Resolution by the Authority or the Trustee with respect to any consent or other action to be taken by such Holders, the Authority or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

6. The Authority hereby authorizes the Treasurer, by and on behalf of the Authority, and in consultation with an Authorized Authority Official, to determine from time to time, subject to confirmation and ratification by the Authority, whether or not it is advisable for the Authority to continue the book-entry system or to replace DTC with another qualified securities depository as successor to DTC.

2.12. Application of Proceeds of the 2019 Series Bonds.

The proceeds of each Series of 2019 Series Bonds shall be applied as set forth in the applicable Series Certificate with respect to such Series, subject to the following provisions:

(a) In the event an Authorized Authority Official determines to purchase one or more policies of municipal bond insurance and/or commitments for municipal bond insurance as authorized pursuant to Section 2.8(f) of this Sixth Supplemental Resolution, there shall be sent by wire transfer directly from the Manager to the provider of such policy or policies of municipal bond insurance, an amount as shall be specified in the applicable Series Certificate constituting the premium for such policy or policies; and

(b) There is hereby established a special subaccount to be known as the “2019 Series BB Bonds Transportation Program Improvement Proceeds Subaccount” in the Proceeds Account of the Transportation Program Improvement Fund established under the Resolution, and separate special subaccounts shall be established in the Proceeds Account of the Transportation Program Improvement Fund for each other Series of 2019 Series Bonds issued pursuant to this Sixth Supplemental Resolution, if any, as shall be specified in the applicable Series Certificate. There shall be deposited in such subaccount such amount as may be designated by an Authorized Authority Official to be applied to the payment of State Transportation System Costs, including the costs of issuance of the applicable Series of the 2019 Series Bonds, as specified in the applicable Series Certificate. Amounts in such subaccount may be combined with any other moneys in the Transportation Program Improvement Fund for purposes of investment.

The Act provides for certain payments to be made from the Transportation Trust Fund Account (as defined in the Act) in the State General Fund to the Authority subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature (the "State Legislature") for such purpose. The parties hereto agree and acknowledge that the failure by the Manager to comply with the provisions of this paragraph will not void the sale hereunder of the 2019 Series Bonds.

Executive Order No. 9 (Codey 2004) Compliance. Pursuant to Executive Order No. 9 (Codey 2004) ("Executive Order No. 9"), dated and effective as of December 6, 2004, it is the policy of the State that in all cases where bond underwriting services are or may be required by the State or any of its departments, agencies or independent authorities, such department, agency or independent authority shall deal directly with the principals of the underwriting firms or their registered lobbyists. The department, agency or independent authority shall not discuss, negotiate or otherwise interact with any third-party consultant, other than the principals of the underwriting firms and their registered lobbyists, with respect to the possible engagement of the firm to provide bond underwriting services. Compliance with Executive Order No. 9 is a material term and condition of this Purchase Contract and binding upon the parties hereto, including the Underwriters.

Compliance with L. 2005, c. 271. The Manager hereby acknowledges for itself, and, based upon the representations and warranties received by the Manager from the other Underwriters under the AAU, for the other Underwriters, that each Underwriter has been advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission (the "ELEC") pursuant to N.J.S.A. 19:44A-20.13 (L. 2005, c. 271, section 3) if such Underwriter enters into agreements or contracts, such as this Purchase Contract, with a public entity, such as the Authority, and receives compensation or fees in excess of \$50,000 or more in the aggregate from public entities, such as the Authority, in a calendar year. It is the Underwriters' responsibility to determine if filing is necessary. Failure to do so can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

2. Good Faith Deposit. The Manager has, on or prior to the date hereof, delivered to the Authority, as a good faith deposit, one or more corporate checks payable to the order of the Authority in the aggregate amount of \$_____ (the "Good Faith Deposit"). In the event the Authority does not accept this offer, the Good Faith Deposit checks shall be immediately returned to the Manager. Said checks shall be held uncashed by the Authority, subject to the provisions of the last paragraph of this Section 2. No interest shall be deemed earned by or payable to the Underwriters on the Good Faith Deposit. Concurrently with the delivery of and payment for the 2019 Series Bonds at the Closing, the Good Faith Deposit checks shall be returned uncashed to the Manager.

Upon the Authority's failure to deliver the 2019 Series Bonds at the Closing, or if the conditions to the obligations of the Underwriters contained in this Purchase Contract are not satisfied or waived by the Manager, or if such obligations shall be terminated for any reason permitted by this Purchase Contract, the Good Faith Deposit checks shall be immediately returned to the Manager, and such return shall constitute a full release and discharge of all claims and rights hereunder of the Underwriters against the Authority.

In the event that the Underwriters fail (other than for a reason permitted under this Purchase Contract) to accept and pay for the 2019 Series Bonds at the Closing, the Good Faith Deposit checks shall be retained by the Authority as and for full liquidated damages for such failure and as and for all defaults hereunder on the part of the Underwriters, and thereupon all the Authority's claims and rights hereunder against the Underwriters shall be fully released and discharged.

3. Offering and Delivery of the 2019 Series Bonds. The Underwriters hereby agree to make a bona fide public offering of all of the 2019 Series Bonds at prices no higher than, or yields no lower than, those shown in the Official Statement, but the Underwriters reserve the right to lower such initial prices or increase such yields as they shall deem necessary in connection with the marketing of the 2019 Series Bonds. The Underwriters may offer and sell the 2019 Series Bonds to certain dealers (including dealers depositing the 2019 Series Bonds into investment trusts) and others at prices lower than the initial public offering price or prices shown in the Official Statement. The Underwriters also reserve the right: (i) to over-allot or effect transactions which stabilize or maintain the market price of the 2019 Series Bonds at levels above those which might otherwise prevail in the open market, and (ii) to discontinue such stabilizing, if commenced, at any time without prior notice. The Manager, at or prior to the Closing (as defined herein), shall deliver to the Authority a certificate signed by an authorized representative of the Manager, substantially in the form set forth in **Exhibit F** hereto, in final form and substance satisfactory to Chiesa Shahinian & Giantomasi PC (the "Bond Counsel"), stating the "issue price" of the 2019 Series Bonds, as such term is defined in the Internal Revenue Code of 1986, as amended (the "Code"), and such other information reasonably requested by Bond Counsel. The Manager hereby acknowledges for itself, and based upon the representations and warranties received by the Manager from the other Underwriters in the AAU, for the other Underwriters, that

each such Underwriter understands and acknowledges that the Authority will rely on such certificate in issuing the 2019 Series Bonds.

Delivery of the 2019 Series Bonds in definitive registered form, duly executed and authenticated, bearing CUSIP numbers without coupons with one 2019 Series Bond for each stated maturity of each series registered in the name of The Depository Trust Company, New York, New York ("DTC"), or its nominee, Cede & Co., shall be made to the Trustee as custodian for DTC at the Closing. The delivery of related documentation shall be made at the Closing at the offices of Bond Counsel in West Orange, New Jersey.

Payment of the purchase price for the 2019 Series Bonds shall be made in Federal Reserve Funds or other immediately available funds by 10:00 a.m. prevailing Eastern time, on _____, 2019, or such other time or date as shall be mutually agreed upon by the Authority and the Manager. The delivery of and payment for the 2019 Series Bonds are herein called the "Closing." In addition, the Authority and the Underwriters agree that there shall be a preliminary closing held at the offices of Bond Counsel commencing at least one (1) day prior to the Closing.

The Authority has previously authorized the distribution of the Preliminary Official Statement, dated _____, 2019, relating to the 2019 Series Bonds (the "Preliminary Official Statement"), which, by execution of this Purchase Contract, it "deems final" within the meaning of Rule 15c2-12 promulgated under the provisions of the Securities Exchange Act of 1934, as amended (the "Rule"). The Authority will provide, within seven (7) business days after the date of this Purchase Contract (but in no event later than the date of the Closing), an electronic copy, subject to customary disclaimers regarding the transmission of electronic copies, of the final Official Statement (the "Official Statement") to the Underwriters in the currently required designated format stated in MSRB Rule G-32 and the EMMA Dataport Manual (as hereinafter defined). The Official Statement shall be substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Authority and the Underwriters and as are permitted by the Rule. By acceptance of this Purchase Contract, the Authority authorizes the use by the Underwriters of the Official Statement in connection with the public offering and sale of the 2019 Series Bonds. Within one (1) business day after the receipt of the Official Statement from the Authority, but in no event later than the date of the Closing, the Underwriters shall, at their own expense, submit the Official Statement to EMMA (as hereinafter defined). The Underwriters will comply with the provisions of MSRB Rule G-32 as in effect on the date hereof, including without limitation the submission of Form G-32 and the Official Statement and notify the Authority of the date on which the Official Statement has been filed with EMMA.

"EMMA" shall mean the MSRB's Electronic Municipal Market Access system, or any other electronic municipal securities information access system designated by the MSRB for collecting and disseminating primary offering documents and information.

“EMMA Dataport Manual” shall mean the document(s) designated as such published in the MSRB from time to time setting forth the processes and procedures with respect to submissions to be made to the primary market disclosure service of EMMA by underwriters under MSRB Rule G-32.

In addition, the Underwriters will provide to the Authority a copy of the notice sent to all purchasers of the 2019 Series Bonds from the Underwriters advising them as to the manner pursuant to which such purchasers can obtain a copy of the Official Statement from EMMA and indicating to them that a printed copy of the Official Statement will be provided to them upon their request. The Authority agrees to provide the Underwriters with an amount of printed Official Statements in such quantities that the Underwriters may reasonably request, provided, that the number of copies, the cost for which the Authority is responsible, will not exceed 200 copies. Should the Underwriters require additional copies of the Official Statement, the Authority agrees to cooperate with the Underwriters in obtaining such copies, the cost of such additional copies to be borne by the Underwriters.

4. Establishment of Issue Price.

(a) The Manager, on behalf of the Underwriters, agrees to assist the Authority in establishing the issue price of the 2019 Series Bonds and shall execute and deliver to the Authority at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as **Exhibit F**, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Manager, the Authority and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

[Except for the maturities set forth in **Schedule 4** attached hereto,] the Authority will treat the first price at which 10% of each maturity of the 2019 Series Bonds (the “10% test”) is sold to the public as the issue price of that maturity. [If, as of the date hereof, the 10% test has not been satisfied as to any maturity of the 2019 Series Bonds, the Manager agrees to promptly report to the Authority the prices at which 2019 Series Bonds of that maturity or maturities have been sold by the Underwriters to the public. That reporting obligation shall continue until either (i) all 2019 Series Bonds of that maturity have been sold or (ii) the 10% test has been satisfied as to the 2019 Series Bonds of that maturity, provided that, the Underwriters’ reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Manager, the Authority or bond counsel.] For purposes of this Section, if 2019 Series Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the 2019 Series Bonds.]

(b) The Manager confirms that the Underwriters have offered the 2019 Series Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Schedule 4 attached hereto and in the final Official Statement. Schedule 4 also sets

forth, as of the date of this Purchase Contract, the maturities, if any, of the 2019 Series Bonds for which the 10% test has not been satisfied and for which the Authority and the Manager, on behalf of the Underwriters, agree that the restrictions set forth in the next sentence shall apply (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the 2019 Series Bonds, the Underwriters will neither offer nor sell unsold 2019 Series Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriters have sold at least 10% of that maturity of the 2019 Series Bonds to the public at a price that is no higher than the initial offering price to the public.

The Manager will advise the Authority promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the 2019 Series Bonds to the public at a price that is no higher than the initial offering price to the public.

(c) The Manager confirms that:

(i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the Manager is a party) relating to the initial sale of the 2019 Series Bonds to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A)(i) to report the prices at which it sells to the public the unsold 2019 Series Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all 2019 Series Bonds of that maturity allocated to it have been sold or it is notified by the Manager that the 10% test has been satisfied as to the 2019 Series Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Manager, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Manager and as set forth in the related pricing wires, and

(B) to promptly notify the Manager of any sales of 2019 Series Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the 2019 Series Bonds to the public (each such term being used as defined below),

(C) to acknowledge that, unless otherwise advised by the Underwriter, dealer or broker-dealer, the Manager shall assume that each order

submitted by the Underwriter, dealer or broker-dealer is a sale to the public.

(ii) any agreement among underwriters or selling group agreement relating to the initial sale of the 2019 Series Bonds to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the 2019 Series Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold 2019 Series Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all 2019 Series Bonds of that maturity allocated to it have been sold or it is notified by the Manager or such Underwriter or dealer that the 10% test has been satisfied as to the 2019 Series Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Manager or such Underwriter or dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Manager or the Underwriter or the dealer and as set forth in the related pricing wires.

The Authority acknowledges that, in making the representation set forth in this subsection, the Manager will rely on (i) the agreement of each Underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the 2019 Series Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an Underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the 2019 Series Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The Authority further acknowledges that each Underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no Underwriter shall be liable for the failure of any other Underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the 2019 Series Bonds.

The Underwriters acknowledge that sales of any 2019 Series Bonds to any person that is a related party to an underwriter participating in the initial sale of the 2019 Series Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) “public” means any person other than an underwriter or a related party,

- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Authority (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the 2019 Series Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the 2019 Series Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the 2019 Series Bonds to the public),
- (iii) a purchaser of any of the 2019 Series Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date of execution of this Purchase Contract by all parties.

5. Representations and Agreements of the Authority. By its acceptance hereof the Authority hereby represents to, and agrees with, the Underwriters that:

(e) All approvals, consents and orders of any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to the performance by the Authority of its obligations hereunder and under the Resolution, the State Contract, the Continuing Disclosure Agreement and the 2019 Series Bonds have been obtained or will have been obtained as of the date of the Closing;

material fact or omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading;

(k) In order to enable the Underwriters to comply with the requirements of the Rule, the State Treasurer, the Authority and the Trustee, as Dissemination Agent, have agreed to execute and deliver the Continuing Disclosure Agreement in substantially the form annexed to the Preliminary Official Statement.

6. Representations, Warranties and Agreements of the Manager. The Manager represents and warrants to the Authority that:

Re: New Jersey Transportation Trust Fund Authority
Transportation Program Bonds, 2019 Series BB

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance of \$_____ aggregate principal amount of Transportation Program Bonds, 2019 Series BB (the "2019 Series Bonds"), by the New Jersey Transportation Trust Fund Authority (the "Authority"), a public body corporate and politic organized and existing under the laws of the State of New Jersey (the "State") created pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, constituting Chapter 73 of the Laws of New Jersey of 1984, as amended and supplemented (the "Act").

The 2019 Series Bonds are being issued under and pursuant to the Act, and under and pursuant to the Authority's 2012 Transportation Program Bond Resolution, adopted on October 26, 2012 (the "Bond Resolution"), as amended and supplemented, including as supplemented by the Sixth Supplemental Transportation Program Bond Resolution adopted by the Authority on September 5, 2019 (the "Sixth Supplemental Resolution"), and a Series Certificate of the Authority, dated _____, 2019 (the "Series Certificate"). The Bond Resolution, as amended and supplemented, including as supplemented by the Sixth Supplemental Resolution, and, together with the Series Certificate, is referred to collectively herein as the "Resolution." Capitalized terms used herein and not otherwise defined have the meaning given to such terms in the Resolution or the Bond Purchase Contract relating to the 2019 Series Bonds, dated _____, 2019 (the "Purchase Contract"), between the Authority and Wells Fargo Bank, National Association, as Manager, acting on behalf of itself and the other Underwriters named therein.

The 2019 Series Bonds are being issued for the purposes of (i) paying State Transportation System Costs and (ii) paying costs of issuance of the 2019 Series Bonds.

The Act provides for certain payments to be made from the Transportation Trust Fund Account in the State General Fund to the Authority, subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature for such purpose. Pursuant to the Act, the Authority has entered into an agreement entitled "Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds," dated as of January 9, 2019, which amends and restates in its entirety the "Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds" dated as of December 4, 2012 (as amended and restated, the "State Contract"), with the State Treasurer and the Commissioner of the New Jersey Department of Transportation (the "Commissioner") to implement such payments and other arrangements provided for in the Act.

In rendering the opinions set forth below, we have examined such matters of law and documents, certificates, records and other instruments as we have deemed necessary or appropriate to express the opinions set forth below, including, without limitation, the Act, original counterparts or certified copies of the Resolution, the State Contract, the Purchase Contract, the Continuing Disclosure Agreement and the other documents, certifications, instruments, opinions and records delivered in connection with the issuance of the 2019 Series Bonds. In rendering the opinions set forth below, we have assumed and relied upon, with your permission, the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies. As to any facts material to our opinions we have relied, with your permission, upon the truthfulness, completeness and accuracy of the aforesaid instruments, certificates, opinions (other than the Attorney General's opinion), records and other documents without any independent investigation thereof.

Based on the foregoing, we are of the opinion that:

(1) The Purchase Contract and the Continuing Disclosure Agreement have been duly authorized, executed and delivered by the Authority and constitute legal, valid and binding obligations of the Authority, enforceable against the Authority in accordance with their respective terms, except as the enforcement thereof may be affected by applicable bankruptcy, insolvency, moratorium or other similar laws or legal principles relating to the enforcement of creditors' rights generally from time to time in effect and to the scope of equitable remedies which may be available.

(2) The Continuing Disclosure Agreement has been duly executed and delivered by the State Treasurer and constitutes a legal, valid and binding obligation of the State Treasurer, enforceable against the State Treasurer in accordance with its terms, except as the enforcement thereof may be affected by applicable bankruptcy, insolvency, moratorium or other similar laws or legal principles relating to the

enforcement of creditors' rights generally from time to time in effect and to the scope of equitable remedies which may be available.

(3) The information in the sections of the Official Statement (except for the financial, tabular and other statistical information included therein) entitled "INTRODUCTION," "DESCRIPTION OF THE 2019 SERIES BB BONDS," "SOURCES OF PAYMENT AND SECURITY FOR THE 2019 SERIES BB BONDS," "STATUTORY DEBT ISSUANCE LIMITATIONS," "PLAN OF FINANCE," "ESTIMATED SOURCES AND USES OF FUNDS", "THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY - Legal Authority and Responsibilities," THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY - Powers of the Authority," "LEGALITY FOR INVESTMENT," and "CONTINUING DISCLOSURE" (other than the last three paragraphs in the section entitled CONTINUING DISCLOSURE, as to which no opinion is expressed) was, as of the date of the Official Statement, and is, as of the date hereof, a true and accurate summary and description in all material respects of the information summarized or described therein. The copies of the Resolution and State Contract attached to the Official Statement as Appendices II and III, respectively, were, as of the date of the Official Statement, and are, as of the date hereof, true and accurate copies of such documents, and the forms of Continuing Disclosure Agreement and Opinion of Bond Counsel attached to the Official Statement as Appendices IV and V, respectively, were, as of the date of the Official Statement, and are, as of the date hereof, true and accurate forms of such documents. The statements on the front cover and contained in the section of the Official Statement entitled "TAX MATTERS," insofar as such statements purport to summarize certain provisions of Federal and State tax law, regulations and rulings, are true and accurate summaries in all material respects of the provisions so summarized.

(4) The Authority has duly authorized the execution, delivery, and distribution of the Official Statement.

(5) The 2019 Series Bonds are not required to be registered under the Securities Act of 1933, as amended, and the Resolution is not required to be qualified under the Trust Indenture Act of 1939, as amended.

(6) All approvals, consents and orders of any governmental authority, board, agency or commission having jurisdiction (other than any Blue Sky or other state securities laws approvals) which constitute a condition precedent to the performance by the Authority of its obligations under the Purchase Contract and the 2019 Series Bonds, and its obligations under the Resolution and the State Contract relating to the 2019 Series Bonds, have been obtained and are in full force and effect.

In accordance with our understanding with you, we have participated in the preparation of the Official Statement and in that connection have participated in conferences with officers and representatives of the Authority, the State Treasurer, the Attorney General of the State, the Underwriters, and Counsel to the Underwriters. Based upon our participation in the preparation of the Official Statement and without having undertaken to determine independently the accuracy or completeness of the statements contained in the Official Statement other than as set forth in Paragraph 3

The opinions expressed herein are based upon, and limited to, the laws and judicial decisions of the State, exclusive of conflicts of law provisions, and the federal laws and judicial decisions of the United States as of the date hereof and are subject to any amendment, repeal or other modification of the applicable laws or judicial decisions that served as the basis for our opinions, or laws or judicial decisions hereafter enacted or rendered. Our engagement by the Authority with respect to the opinions expressed herein does not require, and shall not be construed to constitute, a continuing obligation on our part to notify or otherwise inform the addressees hereof of the amendment, repeal or other modification of the applicable laws or judicial decisions that served as the basis for this opinion letter or of laws or judicial decisions hereafter enacted or rendered which impact on this opinion letter.

This opinion is furnished by us as bond counsel to the Authority and may be relied upon only by the addressees hereto in connection with the issuance and sale of the 2019 Series Bonds. This opinion letter is being furnished solely to the parties to whom it is addressed and may not be relied upon by any other person, although a copy of this opinion may be included in the closing transcript relating to the 2019 Series Bonds. We have acted as counsel to the State of New Jersey (the "State") and the New Jersey Transportation Trust Fund Authority (the "Authority") in connection with the sale and issuance of the above-referenced obligations (the "Bonds"). The Bonds are being issued in accordance with the provisions of New Jersey Transportation Trust Fund Authority Act of 1984, L. 1984, c.73, as amended (the "Act").

We have examined executed copies of: (i) the Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds," dated as of January 9, 2019 (the "State Contract"), by and among the State Treasurer, the Authority and the Commissioner of the New Jersey Department of Transportation; (ii) the 2012 Transportation Program Bond Resolution adopted by the Authority on October 26, 2012, as amended and supplemented (the "Bond Resolution"), including as amended and supplemented by the Sixth Supplemental Transportation Program Bond Resolution adopted by the Authority on September 5, 2019 (the "Sixth Supplemental Resolution"), and a Series Certificate executed by an Authorized Authority Official, dated _____, 2019 (the "Series Certificate") (collectively, the Bond Resolution, the Sixth Supplemental Resolution and the Series Certificate are the "Resolution"); (iii) the Bond Purchase Contract, dated _____, 2019 (the "Bond Purchase Contract"), between Wells Fargo Bank, National Association, the manager on behalf of the underwriters listed on Schedule I to the Bond Purchase Contract, and the Authority; (iv) the Official Statement, dated _____, 2019 (the "Official Statement"); and (v) the Continuing Disclosure Agreement, dated _____ (the "Continuing Disclosure Agreement"), among the Authority, the State Treasurer and U.S. Bank National Association, as Dissemination Agent.

In connection with the opinions set forth below, we have examined such other documents, records of the Authority, and other instruments, including original counterparts or certified copies of the State Contract, the Bond Resolution, the Sixth Supplemental Resolution, the Series Certificate, the Bond Purchase Contract, the Continuing Disclosure Agreement, the Official Statement and the other documents listed in the closing memorandum relating to the Bonds and such matters of law and other proofs, as we deemed necessary to enable us to express the opinions set forth below. Capitalized terms used herein not otherwise defined herein shall have the meanings ascribed to them in the Resolution.

Based upon the foregoing, we are of the opinion that:

1. Based on such inquiry and investigation as we have deemed sufficient, except as otherwise set forth in the Official Statement, there is no litigation or other proceeding pending in any court or in any State agency or other administrative body which would affect the adoption of the Bond Resolution and the Sixth Supplemental Resolution or would restrain or enjoin the execution and delivery by the Authority of the Series Certificate, State Contract, the Continuing Disclosure Agreement, the Bond Purchase Contract or the Bonds or would have a materially adverse effect on the ability of the Authority to carry out its obligations under such documents or in any way questioning the validity of any of the provisions of the Bond Resolution, the Sixth Supplemental Resolution, the Series Certificate, the Continuing Disclosure Agreement, the Bond Purchase Contract or the State Contract or the validity of the Bonds, nor do we have direct personal knowledge that any such litigation or proceeding is threatened.

2. The adoption of the Bond Resolution and the Sixth Supplemental Resolution, the execution and delivery of the State Contract, the Bond Purchase Contract, the Continuing Disclosure Agreement and the Series Certificate and compliance with the provisions thereof under the circumstances contemplated thereby, do not or did not, as applicable, and will not in any material respect conflict with or constitute on the part of the Authority a breach of or default under any regulation, court order or consent decree to which the Authority is subject.

3. No additional or further approval, consent or authorization of any governmental or public agency or authority or any institution not already obtained is required for the adoption and execution by the Authority and performance of its obligations under the Bond Resolution, the Sixth Supplemental Resolution, the Series Certificate, the State Contract, the Bond Purchase Contract or the Continuing Disclosure Agreement, with the exception that the offer and sale of the Bonds in certain jurisdictions may be subject to the provisions of the securities or "Blue Sky" laws of such jurisdictions.

4. Based upon such inquiry and investigation as we have deemed sufficient, except as otherwise set forth in the Official Statement, there is no litigation or other proceeding in any court or in any State agency or other administrative body which would restrain or enjoin the execution and delivery by the State Treasurer of the

State Contract or the Continuing Disclosure Agreement or would have an adverse effect on the State Treasurer's power to make the payments under the State Contract or in any way questioning the validity of any of the provisions of the State Contract or the Continuing Disclosure Agreement, nor do we have direct personal knowledge that any such litigation or proceeding is threatened.

5. No approval or other action by any governmental body, authority or agency is required in connection with the execution or performance by the Treasurer of the obligations under the State Contract or the Continuing Disclosure Agreement which has not already been obtained or taken; provided, however, that any payments under the State Contract are subject to, and dependent upon appropriation by the State Legislature.

6. To the best of our knowledge, the statements appearing under the caption "LITIGATION" in the Official Statement are accurate and complete in all material respects as of the date of the Official Statement and as of the date hereof.

In addition, we wish to advise you that no opinion is being rendered as to the availability of any particularly remedy under any of the documents set forth above. This opinion is given as of the date of delivery hereof and no opinion is expressed as to any matter not explicitly set forth herein. This opinion is rendered solely in connection with the issuance of the Bonds by the Authority and may not be relied upon by any person other than the addressees hereof.

Sincerely yours,

GURBIR S. GREWAL
ATTORNEY GENERAL OF NEW JERSEY

FORM OF OPINION OF COUNSEL TO UNDERWRITERS

Wells Fargo Bank, National Association,
as Representative
123 South Broad Street, 15th Floor
Philadelphia, PA 19109

Re: \$_____ New Jersey Transportation Trust Fund Authority
Transportation Program Bonds, 2019 Series BB

We have acted as your counsel in connection with the offering and sale of the above-captioned bonds (the "Bonds") as contemplated under a Bond Purchase Contract dated _____, 2019 (the "Bond Purchase Contract"), by and between the New Jersey Transportation Trust Fund Authority (the "Authority") and Wells Fargo Bank, National Association, as representative, acting for and on behalf of itself and the other underwriters identified therein (together, the "Underwriters"). Unless otherwise defined herein, capitalized terms have the meanings ascribed to them in the Bond Purchase Contract.

In connection with our engagement, we have examined originals or copies, certified or otherwise identified to our satisfaction as being true copies, of the documents delivered on this date pursuant to the Bond Purchase Contract, and such other matters and law as we deemed necessary. We have also reviewed, and believe you may reasonably rely upon, the opinions (other than the opinion of the New Jersey Attorney General) delivered to you today pursuant to the Bond Purchase Contract, including the opinion delivered to you today by Chiesa Shahinian & Giantomasi PC, Bond Counsel.

Based upon the foregoing, we are of the opinion that:

1. The offer and sale of the Bonds is exempt from registration under the Securities Act of 1933, as amended, and the Resolution is not required to be qualified under the Trust Indenture Act of 1939, as amended.
2. The Continuing Disclosure Agreement complies with the requirements of paragraph (b)(5) of Rule 15c2-12 promulgated pursuant to the Securities Exchange Act of 1934, as amended, in effect as of the date hereof.

We are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of any of the statements in the Preliminary Official Statement and the Official Statement and make no representation that we have independently verified the accuracy, completeness or fairness of any such statements. However, to assist the Underwriters in their investigation concerning the Preliminary Official Statement and the Official Statement, certain of our lawyers responsible for this matter have reviewed certain documents and have participated in teleconferences with you, officers, agents, and employees of the Authority and the Treasurer, Bond Counsel, and with the Office of the Attorney General of the State of New Jersey, as counsel to the Authority and the Treasurer, in which the contents of the Preliminary Official Statement and the Official Statement and related matters were discussed. During the course of our work on this matter, nothing has come to our attention that causes us to believe that the Preliminary Official Statement, as of its date, or the Official Statement, as of its date or the date hereof, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements made in the Preliminary Official Statement and the Official Statement, in light of the circumstances under which they were made, not misleading; provided, however, we express no opinion as to (a) expressions of opinion, assumptions, projections, financial statements, or other financial, numerical, economic, demographic, statistical or accounting data, or information or assessments of or reports on the effectiveness of internal control over financial reporting contained in the Preliminary Official Statement and the Official Statement or in any Appendices thereto, (b) any information or statements relating to the book-entry-only system and The Depository Trust Company, or (c) Appendices I through VI of the Preliminary Official Statement and the Official Statement.

Reference in this letter to “our lawyers responsible for this matter” refers only to those lawyers now with this firm who rendered legal services in connection with our representation of you in this matter.

We are furnishing this letter to you solely for your benefit. We disclaim any obligation to update this letter. This letter is not to be used, circulated, quoted or otherwise referred to or relied upon by any other person. This letter is not intended to, and may not, be relied upon by holders of the Bonds or any party who is not one of the Underwriters.

Notwithstanding anything to the contrary contained herein, we acknowledge that this opinion is a government record subject to release under the Open Public Records Act (N.J.S.A. 47:1A-1 et seq.).

Very truly yours,

Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.]

3. **Defined Terms.**

[(a) *General Rule Maturities* means those Maturities of the Bonds listed in Schedule A hereto as the “General Rule Maturities.”]

[(b) *Hold-the-Offering-Price Maturities* means those Maturities of the Bonds listed in Schedule A hereto as the “Hold-the-Offering-Price Maturities.”]

[(c) *Holding Period* means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date ([DATE]), or (ii) the date on which the [SHORT NAME OF UNDERWRITER][the Underwriters] [has][have] sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at a price that is no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.]

(d) *Issuer* means the New Jersey Transportation Trust Fund Authority.

(e) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(f) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(g) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is [DATE].

(h) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the Public).

4. **Weighted Average Maturity.** Bond Counsel has instructed us to calculate the weighted average maturity of the Bonds using the following formula: The weighted average maturity of the Bonds equals the sum of the products of the issue price of each maturity and years to maturity from delivery date (and by taking into

account mandatory redemptions) divided by the aggregate issue price of the Bonds; as so calculated, the weighted average maturity of the Bonds is ____ years. We have been advised by Bond Counsel that we may assume that the “issue price” of the Bonds is the aggregate of their initial offering prices and that the methodology described in this paragraph is appropriate.

5. **Underwriters’ Fees.** Based on our experience in similar transactions, the amount paid as underwriters’ fees or discount in connection with the sale and issuance of the Bonds is reasonable and customary under the circumstances.

6. **Market Based Premium.** The amount of the premium included in the pricing of the Bonds is reasonable to efficiently market the Bonds.

We understand that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate and by Chiesa Shahinian & Giantomasi PC in connection with rendering its opinion to the Issuer that the interest on the Bonds is not includable in gross income of the owners thereof for federal income tax purposes. The undersigned is certifying only as to facts in existence on the date hereof. Nothing herein represents the undersigned's interpretation of any laws; in particular the regulations under the Internal Revenue Code of 1986, as amended, or the application of any laws to these facts. The certifications contained herein are not necessarily based on personal knowledge, but may instead be based on either inquiry deemed adequate by the undersigned or institutional knowledge (or both) regarding the matters set forth herein and, in certain cases, the Representative may be relying on representations made by other members of the Underwriting Group. Although certain information furnished in this Certificate has been derived from other purchasers, bond houses and brokers and cannot be independently verified by us, we have no reason to believe it to be untrue in any material respect.

Very truly yours,

INTRODUCTION

The purpose of this Official Statement (which includes the cover page, the inside cover page and the Appendices hereto) is to set forth certain information concerning the New Jersey Transportation Trust Fund Authority (the “Authority”) and the Authority’s \$ _____ * Transportation Program Bonds, 2019 Series BB (the “2019 Series BB Bonds”). The Authority is issuing the 2019 Series BB Bonds for the purposes of: (i) paying State Transportation System Costs (as defined herein) and (ii) paying the costs of issuance of the 2019 Series BB Bonds. See “PLAN OF FINANCE” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Authority was created by the State of New Jersey (the “State”) in 1984 pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, as amended and supplemented, constituting N.J.S.A. 27:1B-1 et seq. (the “Act”), to provide a stable, predictable funding mechanism for transportation system improvements undertaken by the New Jersey Department of Transportation (the “Department”). Transportation system improvements financed by the Authority include expenditures for the planning, acquisition, engineering, construction, repair, maintenance and rehabilitation of public facilities for ground, water or air transportation of people or goods. The Authority also finances State aid to counties and municipalities for transportation system improvements.

The Authority is governed by seven members, including the Commissioner of the New Jersey Department of Transportation (the “Commissioner”) and the Treasurer of the State (the “State Treasurer”), both of whom serve as ex-officio members.

The Act, among other things, provides for (i) the funding of transportation projects and (ii) the issuance of bonds, notes or other obligations, including subordinated obligations, by the Authority. The Act, as most recently amended by L. 2016, c. 56, enacted on October 14, 2016 (the “2016 Legislation”), authorizes the issuance of new money Transportation Program Bonds for the period commencing on the day that Assembly Concurrent Resolution No. 1 of 2015, an amendment to Article VIII, Section II, paragraph 4 of the New Jersey Constitution, took effect (December 8, 2016), and ending June 30, 2024 in an amount not in excess of \$12,000,000,000. The issuance of bonds, notes or other obligations, including subordinated obligations, of the Authority for refunding purposes is not subject to the foregoing limit; except that, any premiums received in connection with the issuance of Transportation Program Bonds shall count against any limitation as to the amount of Transportation Program Bonds the Authority may issue during the period described above. See “STATUTORY DEBT ISSUANCE LIMITATIONS” herein.

The Act, as amended by L. 2012, c. 13, effective on June 29, 2012 (the “2012 Legislation”), provides that the payment of debt service on Transportation Program Bonds and any agreement securing such Transportation Program Bonds shall be paid solely from revenues dedicated pursuant to the New Jersey State Constitution (the “State Constitution”), including Article VIII, Section II, paragraph 4 (the “Constitutionally Dedicated Revenues”), and deposited into the Transportation Trust Fund Account –

* Preliminary, subject to change.

Subaccount for Debt Service for Transportation Program Bonds (the “Subaccount for Debt Service for Transportation Program Bonds”) established pursuant to the Act. See “SOURCES OF PAYMENT AND SECURITY FOR THE 2019 SERIES BB BONDS – Constitutional Dedication of Certain State Revenues” herein.

To implement the financing arrangement provided for by the 2012 Legislation, the Authority adopted its 2012 Transportation Program Bond Resolution (the “2012 Transportation Program Bond Resolution”) on October 26, 2012, and the Authority, the State Treasurer and the Commissioner entered into the “Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with respect to Transportation Program Bonds”, dated as of December 4, 2012, as amended and restated in its entirety by an agreement entitled “Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds,” dated as of January 9, 2019, as may be further amended from time to time (as amended and restated, the “State Contract”).

The 2019 Series BB Bonds are being issued pursuant to the Act and the 2012 Transportation Program Bond Resolution, as amended and supplemented, including by the Sixth Supplemental Transportation Program Bond Resolution, adopted on September 5, 2019 (the “Sixth Supplemental Resolution”) and a series certificate of the Authority to be dated as of the date of sale of the 2019 Series BB Bonds (the “Series Certificate”). The Authority’s 2012 Transportation Program Bond Resolution, as amended and supplemented, including by the Sixth Supplemental Resolution and the Series Certificate, and as the same may be amended and supplemented from time to time, is collectively referred to herein as the “Resolution” or “Program Bond Resolution.” Bonds issued under the Resolution are, pursuant to the Resolution, designated as “Transportation Program Bonds.” U.S. Bank National Association, Edison, New Jersey, has been appointed as trustee (the “Trustee”) and paying agent (the “Paying Agent”) by the Authority for obligations issued under the Resolution, including the 2019 Series BB Bonds.

The Resolution constitutes a contract between the Authority and the holders of the bonds issued and outstanding thereunder. All such bonds issued pursuant to the Resolution, including the 2019 Series BB Bonds, are referred to collectively as the “Bonds.” All capitalized terms used but not defined in this Official Statement shall have the meanings given to them in the Resolution. See “APPENDIX II — COPY OF THE 2012 TRANSPORTATION PROGRAM BOND RESOLUTION.”

The 2019 Series BB Bonds offered hereby are the ____ Series of Bonds (or notes, as applicable), to be issued under the Resolution and will be secured on a parity with the Authority’s Transportation Program Bonds, 2012 Series AA issued on December 11, 2012, Transportation Program Bonds, 2013 Series AA issued on August 24, 2013, Transportation Program Bonds, 2014 Series AA issued on November 25, 2014, Transportation Program Notes, Series 2014 BB issued on November 25, 2014, Transportation Program Bonds, 2015 Series AA issued on December 2, 2015, and Transportation Program Bonds, 2019 Series AA issued on January 16, 2019 (collectively, the “Prior Program Bonds”) and with all Bonds to be issued from time to time under the Resolution. As of _____, 2019, the aggregate principal amount of Prior Program Bonds Outstanding is \$_____. After the issuance of the 2019 Series BB Bonds, the Authority will have Outstanding \$_____ in aggregate principal amount of Bonds issued under the Resolution.

The 2019 Series BB Bonds are secured by the Pledged Property (as defined in the Resolution) which consists primarily of revenues received by the Authority from the State pursuant to the Act and the State Contract (as defined herein). The payment of all such revenues to the Authority is subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature (the “State Legislature”). However, the State Legislature has no legal obligation to make any such appropriations. The 2019 Series BB Bonds will be secured on parity with all Bonds issued and to be issued from time to time under the Resolution. See “SOURCES OF PAYMENT AND SECURITY FOR THE

2019 SERIES BB BONDS - Property Pledged to the 2019 Series BB Bonds; the State Contract; the Act; the Resolution” herein.

As of _____, 2019, the Authority had outstanding \$_____ in aggregate principal amount of its Transportation System Bonds (the “Prior Bonds”) issued under its 1995 Transportation System Bond Resolution, as amended and supplemented (the “Prior Bond Resolution”). All Prior Bonds are payable from the Constitutionally Dedicated Revenues, which are also the source of payment for the Transportation Program Bonds, and the Prior Bonds also benefit from certain statutorily dedicated revenues which may not be used to pay debt service on Transportation Program Bonds. It is anticipated that no further bonds will be issued under the Prior Bond Resolution other than Refunding Bonds (as such term is defined therein). Bonds issued by the Authority to finance future State Transportation System Costs are expected to be issued as (i) Transportation Program Bonds under the Program Bond Resolution, and (ii) Federal Highway Reimbursement Notes.

Concurrently with the issuance of the 2019 Series BB Bonds, the Authority is remarketing its \$150,000,000 Transportation Program Bonds, 2014 Series BB-1 (the “2014 Series BB-1 Notes”) issued under the Resolution. The 2014 Series BB-1 Notes will be converted from a variable rate interest period to a fixed rate period, will be subject to mandatory tender and remarketed on such mandatory tender date. The 2014 Series BB-1 Notes are not being remarketed pursuant to this Official Statement.

All references in this Official Statement to the Act and the Resolution are qualified in their entirety by reference to the complete text of the Act and the Resolution, copies of which are available from the Authority, and all references to the 2019 Series BB Bonds are qualified in their entirety by reference to the definitive forms thereof and the provisions with respect thereto contained in the Resolution. SEE “APPENDIX II – COPY OF THE 2012 TRANSPORTATION PROGRAM BOND RESOLUTION” and “APPENDIX III – COPY OF THE STATE CONTRACT” herein.

DESCRIPTION OF THE 2019 SERIES BB BONDS

General

The Resolution, the State Contract and all provisions thereof are incorporated by reference in the text of the 2019 Series BB Bonds. Copies of the Resolution, including the full text of the form of the 2019 Series BB Bonds, and the State Contract are on file at the principal corporate trust office of the Trustee and are available there for inspection and copying. The following is a summary of certain provisions of the 2019 Series BB Bonds and is qualified by reference thereto.

The 2019 Series BB Bonds

The 2019 Series BB Bonds will be dated their date of delivery, and will mature on the dates and in the principal amounts shown on the inside cover of this Official Statement. The 2019 Series BB Bonds will be issued in denominations of \$5,000 or any integral multiple thereof (an “Authorized Denomination”) and will bear interest at the rates shown on the inside cover of this Official Statement, payable initially on December 15, 2019, and semiannually thereafter on June 15 and December 15 in each year, until maturity or prior redemption. Interest will be payable by the Trustee to those registered owners of the applicable 2019 Series BB Bonds whose names appear on the bond register as of the fifteenth (15th) day next preceding each June 15 and December 15 (the “Record Date”). Interest on the 2019 Series BB Bonds will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The principal and redemption price of the 2019 Series BB Bonds will be payable upon presentation and surrender of the 2019 Series BB Bonds at the corporate trust office of the Trustee designated by the

Trustee. Interest on the 2019 Series BB Bonds will be payable by check mailed to the registered owners thereof. However, interest on the 2019 Series BB Bonds will be paid to any owner of \$1,000,000 or more in aggregate principal amount of 2019 Series BB Bonds of each series by wire transfer to a wire transfer address within the continental United States upon the written request of such owner received by the Trustee not less than five (5) days prior to the Record Date.

The Depository Trust Company, New York, New York (“DTC”), will act as securities depository for the 2019 Series BB Bonds. So long as DTC or its nominee is the registered owner of the 2019 Series BB Bonds, payments of the principal of and interest on the 2019 Series BB Bonds will be made by the Paying Agent directly to DTC or its nominee, Cede & Co., which will in turn remit such payments to DTC Participants, which will in turn remit such payments to the Beneficial Owners of the 2019 Series BB Bonds. See “APPENDIX VI - BOOK-ENTRY ONLY SYSTEM.”

The 2019 Series BB Bonds will be issued in the form of a fully registered certificate for each maturity and, if applicable, interest rate within a maturity of the 2019 Series BB Bonds, with such certificates being in the aggregate principal amount of the 2019 Series BB Bonds, and when issued, will be registered in the name of Cede & Co., as nominee of DTC. See “APPENDIX VI - BOOK-ENTRY ONLY SYSTEM.”

Redemption Provisions

Optional Redemption. The 2019 Series BB Bonds maturing on or after June 15, 2029 are subject to optional redemption prior to maturity at the option of the Authority, at any time on or after December 15, 2028, either in whole or in part, from maturities, and, where applicable, interest rates within maturities, selected by the Authority at a Redemption Price equal to 100% of the principal amount of the 2019 Series BB Bonds being redeemed, plus accrued interest thereon to the redemption date.

Mandatory Sinking Fund Redemption. The 2019 Series BB Bonds maturing on June 15, 20__ are subject to mandatory sinking fund redemption prior to maturity, in part, on June 15 in each of the years and in the respective principal amounts set forth below, at a Redemption Price equal to 100% of the principal amount being redeemed, plus accrued interest, if any, to the date of redemption, from Mandatory Sinking Fund Installments:

<u>Redemption Year</u>	<u>Principal Amount</u>
	\$
*	

* Final Maturity

The 2019 Series BB Bonds maturing on June 15, 20__ are subject to mandatory sinking fund redemption prior to maturity, in part, on June 15 in each of the years and in the respective principal amounts set forth below, at a Redemption Price equal to 100% of the principal amount being redeemed, plus accrued interest, if any, to the date of redemption, from Mandatory Sinking Fund Installments:

<u>Redemption Year</u>	<u>Principal Amount</u>
	\$

*

* Final maturity

The 2019 Series BB Bonds may be purchased by the Authority to satisfy the above Sinking Fund Installments from amounts on deposit in the Program Debt Service Fund or from other available funds of the Authority.

Selection of 2019 Series BB Bonds to be Redeemed. If less than all 2019 Series BB Bonds are called for redemption, the Authority will select the maturity or maturities of the 2019 Series BB Bonds to be redeemed. If less than all of the 2019 Series BB Bonds of like maturity shall be called for prior redemption, the particular 2019 Series BB Bonds or portions of 2019 Series BB Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate. However, the portion of any 2019 Series BB Bond to be redeemed shall be in the principal amount of \$5,000 or any multiple thereof, and in selecting 2019 Series BB Bonds for redemption, the Trustee is required to treat each such 2019 Series BB Bond as representing that number of 2019 Series BB Bonds which is obtained by dividing the principal amount of such 2019 Series BB Bond by \$5,000. While the 2019 Series BB Bonds are in book-entry only form, DTC's practice is to determine by lot the amount of the interest of each Direct Participant (as such term is defined in APPENDIX VI) to be redeemed.

Adjustment of Sinking Fund Installments Upon Redemption of Bonds. Upon any purchase or redemption (other than mandatory sinking fund redemption) of the 2019 Series BB Bonds of any maturity for which sinking fund redemption provisions shall have been established, there shall be credited toward each such sinking fund installment thereafter to become due, unless otherwise directed by the Authority, an amount bearing the same ratio to such sinking fund installment as the total principal amount of such Bonds so purchased or redeemed bears to the total amount of all such sinking fund installments to be so credited.

Notice of Redemption

When the Trustee shall receive notice from the Authority of its election or direction to redeem 2019 Series BB Bonds, and when redemption of 2019 Series BB Bonds is authorized or required, the Trustee shall give notice, in the name of the Authority, of the redemption of such 2019 Series BB Bonds, which notice shall specify the Series and maturities (and, if applicable, interest rate within a maturity) of the 2019 Series BB Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the 2019 Series BB Bonds of any like Series and maturity are to be redeemed, the letters and numbers or other distinguishing marks of such 2019 Series BB Bonds so to be redeemed, and, in the case of 2019 Series BB Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2019 Series BB Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of 2019 Series BB Bonds to be redeemed in part only, together with interest accrued to

the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be mailed by the Trustee, postage prepaid, not less than twenty-five (25) days prior to the redemption date, to the registered owners of any 2019 Series BB Bonds or portions of 2019 Series BB Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books. Failure of the registered owner of any 2019 Series BB Bonds which are to be redeemed to receive any notice shall not affect the validity of the proceedings for the redemption of the 2019 Series BB Bonds.

If at the time of the mailing of notice of redemption, the Authority shall not have deposited with the Trustee or the Paying Agent, as applicable, moneys sufficient to redeem all the 2019 Series BB Bonds called for redemption, such notice shall state that it is conditional and subject to the deposit of the redemption moneys with the Trustee or the Paying Agent, as applicable, on the Redemption Date, and such notice shall be of no effect unless such moneys are so deposited.

So long as DTC is acting as securities depository for the 2019 Series BB Bonds, all notices of redemption required to be given to the registered owners of the 2019 Series BB Bonds will be given to DTC.

Mandatory Tender for Purchase in Lieu of Optional Redemption

Whenever any 2019 Series BB Bonds are subject to redemption at the option of the Authority, the Authority may, upon written notice to the Trustee and the delivery of an opinion of Bond Counsel that such action will not adversely affect the tax-exempt status of any Outstanding 2019 Series BB Bonds, elect to call such 2019 Series BB Bonds for mandatory tender for purchase in lieu of optional redemption at a purchase price equal to the then applicable Redemption Price of such 2019 Series BB Bonds. The Authority shall give written notice to the Trustee of its election not less than two (2) Business Days prior to the date on which the Trustee is required to give notice of such mandatory tender for purchase to the Bondholders (or such shorter period as shall be acceptable to the Trustee). The provisions of the Resolution or any Supplemental Resolution or Series Certificate applicable to the redemption of 2019 Series BB Bonds at the option of the Authority shall also apply to a mandatory tender for purchase of such 2019 Series BB Bonds in lieu of optional redemption at the Authority's election.

Book-Entry Only System

The information in APPENDIX VI - BOOK-ENTRY ONLY SYSTEM concerning DTC and DTC's book-entry system has been obtained from sources that the Authority believes to be reliable, but the Authority takes no responsibility for the accuracy thereof.

Neither the DTC Participants nor the Beneficial Owners (as such terms are defined in APPENDIX VI – BOOK-ENTRY ONLY SYSTEM) should rely on such information with respect to such matters but should instead confirm the same with DTC or the DTC Participants, as the case may be.

THE AUTHORITY, THE TRUSTEE, AND THE PAYING AGENT CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC WILL DISTRIBUTE TO THE DIRECT PARTICIPANTS OR THAT THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE 2019 SERIES BB BONDS, (I) PAYMENTS OF PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE 2019 SERIES BB BONDS, (II) CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTEREST IN 2019 SERIES BB BONDS OR (III) NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE HOLDER OF THE 2019 SERIES BB BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN APPENDIX VI TO THIS OFFICIAL STATEMENT. NEITHER THE AUTHORITY, THE TRUSTEE NOR THE PAYING

AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DIRECT PARTICIPANTS, ANY PERSON CLAIMING A BENEFICIAL OWNERSHIP INTEREST IN THE 2019 SERIES BB BONDS UNDER OR THROUGH DTC OR ANY DIRECT PARTICIPANT, OR ANY OTHER PERSON WHICH IS NOT SHOWN ON THE BOND REGISTER OF THE AUTHORITY KEPT BY THE TRUSTEE AS BEING A 2019 SERIES BB BONDHOLDER.

NEITHER THE AUTHORITY, THE TRUSTEE NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION, EITHER SINGULARLY OR JOINTLY, TO DTC PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DTC PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2019 SERIES BB BONDS UNDER THE RESOLUTION; (III) THE SELECTION BY DTC OR ANY DTC PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE 2019 SERIES BB BONDS; (IV) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE 2019 SERIES BB BONDS; (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF 2019 SERIES BB BONDS; OR (VI) ANY OTHER MATTER.

SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF ALL OF THE 2019 SERIES BB BONDS, REFERENCES HEREIN TO THE OWNERS, HOLDERS, OR REGISTERED OWNERS OF THE 2019 SERIES BB BONDS (OTHER THAN UNDER THE CAPTION “TAX MATTERS” HEREIN) SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE 2019 SERIES BB BONDS.

In the event that the 2019 Series BB Bonds are no longer subject to the book-entry only system, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such 2019 Series BB Bonds from such book-entry only form to a fully registered form. Thereafter, bond certificates will be printed and delivered as described in the Resolution and Beneficial Owners will become the registered owners of the 2019 Series BB Bonds.

SOURCES OF PAYMENT AND SECURITY FOR THE 2019 SERIES BB BONDS

Property Pledged to the 2019 Series BB Bonds; the State Contract; the Act; the Resolution

The 2019 Series BB Bonds are payable and secured under the Resolution on parity with the Prior Program Bonds and all other Bonds to be issued from time to time thereunder. All Bonds issued under the Resolution are special obligations of the Authority payable solely from the property pledged to their payment as hereinafter described. Pursuant to the Resolution, all of such property is pledged and assigned as security for the payment of the principal of and interest on the Bonds as well as (i) the Authority’s reimbursement obligations or scheduled swap payments with respect to any Financing Facility (which include Swap Agreements and reimbursement agreements for credit facilities) which it may obtain in connection with the issuance of any Series of Bonds and (ii) any Subordinated Debt which may be issued under the Resolution. Currently, there is no Subordinated Debt or Financing Facilities outstanding under the Resolution. The Resolution provides that all Pledged Property shall immediately become subject to the lien of said pledge without any physical delivery thereof or further act, and that such lien shall be valid and binding against all persons having claims of any kind in tort, contract or otherwise against the Authority. See “APPENDIX II — COPY OF THE 2012 TRANSPORTATION PROGRAM BOND RESOLUTION — Section 501 – The Pledge Effected by the Resolution” herein.

Pursuant to the Resolution, the “Pledged Property” consists of:

(i) with respect to the Bond Payment Obligations and, to the extent provided in any Supplemental Resolution or Series Certificate authorizing a Series which is to be secured, in whole or in part, by, or payable, in whole or in part, from, a Financing Facility, the applicable Financing Facility Payment Obligations, the State Contract, the Revenues and Funds, other than the Program Rebate Fund and the Proceeds Account of the Transportation Program Improvement Fund, including Investment Securities held in any such Fund under the Resolution, together with all proceeds and revenues of the foregoing and all of the Authority’s right, title and interest in and to the foregoing, and all other moneys, securities or funds pledged for the payment of the Bonds in accordance with the terms and provisions of the Resolution,

(ii) with respect to any Series of Bonds in connection with which the Authority has obtained a Financing Facility, and to the extent provided in the applicable Supplemental Resolution or Series Certificate, the applicable Financing Facility and Financing Facility Revenues and all moneys from time to time held in any applicable subaccount within the Program Debt Service Fund, and

(iii) with respect to any Subordinated Debt, the amounts, if any, on deposit from time to time in the Program Subordinated Debt Fund and available for such payment.

Under the Resolution, “Revenues” means: (i) all amounts appropriated and paid to the Authority from the State Transportation Trust Fund Account - Subaccount for Debt Service for Transportation Program Bonds in the State General Fund pursuant to the Act, (ii) all amounts appropriated and paid to the Authority by the State Treasurer pursuant to the State Contract, (iii) all Swap Revenues, and (iv) interest received or to be received on any moneys or securities held pursuant to the Resolution and paid or required to be paid into the Transportation Program Improvement Fund – Non Proceeds Account; provided, however, that the term “Revenues” does not include Financing Facility Revenues, which are all amounts received by the Authority or the Trustee pursuant to any Financing Facility, or “Revenues” as defined in any other resolution of the Authority. “Funds” constituting the Pledged Property are any Funds established pursuant to the Resolution, including any moneys or Investment Securities held therein, other than the Program Rebate Fund and the Proceeds Account of the Transportation Program Improvement Fund.

Pursuant to the Act, the Authority, the State Treasurer and the Commissioner entered into the State Contract. The State Contract implements the financing and funding arrangements contemplated by the Act with respect to the Authority’s Transportation Program Bonds. See “APPENDIX III — COPY OF THE STATE CONTRACT” herein.

All payments by the State to the Authority are subject to and dependent upon appropriations being made from time to time by the State Legislature for the purposes of the Act. See APPENDIX I attached hereto for a summary of certain financial and other information relating to the State. The State Legislature has always made appropriations in previous Fiscal Years in amounts sufficient to pay debt service on the Bonds, the Prior Bonds and all other obligations of the Authority issued under the Resolution or the Prior Bond Resolution. However, the State Contract does not legally obligate the State Legislature to appropriate moneys sufficient to pay amounts when due on the 2019 Series BB Bonds or otherwise due under the State Contract. Thus, although the Resolution provides for the remedy of specific performance to require the Authority to perform its covenants in the Resolution (including its covenants to enforce the terms of the State Contract), there are no remedies available to the Bondholders in the event that the State Legislature does not appropriate sufficient funds to make payments when due under the State Contract.

Event of Non-Appropriation

An “Event of Non-Appropriation” shall be deemed to have occurred under the Resolution if the State Legislature shall fail to appropriate funds to the Authority for any Fiscal Year in an amount sufficient to pay when due the Authority’s Bond Payment Obligations and Financing Facility Payment Obligations coming due in such Fiscal Year.

The Resolution provides that, notwithstanding anything contained therein to the contrary, a failure by the Authority to pay when due any Bond Payment Obligations, Swap Payment Obligations or Financing Facility Payment Obligations required to be made under the Resolution or the Bonds, or a failure by the Authority to observe and perform any covenant, condition or agreement on its part to be observed or performed under the Resolution or the Bonds, resulting from the occurrence of an Event of Non-Appropriation shall not constitute an Event of Default under the Resolution.

Upon the occurrence of an Event of Non-Appropriation (or the failure by the Authority to pay the principal or Redemption Price of and interest on any Series of Bonds or notes resulting from such Event of Non-Appropriation), the Trustee on behalf of the Holders of the applicable Series of Bonds or notes has no remedies. The Trustee may not accelerate Bonds or notes. The Authority has no obligation to pay any Bond Payment Obligations or Financing Facility Payment Obligations with respect to which an Event of Non-Appropriation has occurred. However, the Authority would remain obligated to pay such Bond Payment Obligations and Financing Facility Payment Obligations, with interest thereon at the rate in effect with respect to the applicable Series of Bonds or notes, and all future Bond Payment Obligations and Financing Facility Payment Obligations, to the extent State appropriations are subsequently made for such purposes.

If an Event of Non-Appropriation shall occur and be continuing, and provided that there shall not have occurred and then be continuing any Event of Default, the Trustee shall apply the Pledged Property, including all moneys, securities, funds and Revenues received by the Trustee pursuant to any right given or action taken under the provisions of the Resolution, together with all Funds held by the Trustee under the Resolution (other than the Program Rebate Fund and the Proceeds Account of the Transportation Program Improvement Fund), as follows and in the following order of priority:

- (i) to the payment of the reasonable and proper fees (including reasonable attorney’s fees), charges, expenses and liabilities of the Fiduciaries;
- (ii) to the payment of the interest and principal or Redemption Price then due on the Bonds and Financing Facility Payment Obligations, as follows:

First: To the payment of interest then due on the Bonds and Parity Financing Facility Obligations in the order of the maturity of the installments thereof then due, and, if the amount available shall not be sufficient to pay in full any installment or installments of interest or Parity Financing Facility Obligations maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, without priority or preference of any Bond or Parity Financing Facility Obligation over any other;

Second: To the payment of the unpaid principal or Redemption Price of any Bonds and Parity Financing Facility Obligations which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all Bonds or Parity Financing Facility Obligations due on any date, then to the payment thereof ratably, according to the amounts due in respect of each Bond or Parity Financing Facility Obligation, without any priority or preference over any other; and

Third: To the payment to any Financing Facility Provider of any Subordinated Financing Facility Payment Obligation then due and, if the amounts available are insufficient to pay in full all Subordinated Financing Facility Payment Obligations, then to the payment thereof ratably, without preference or priority of any Subordinated Financing Facility Payment Obligation over any other.

Notwithstanding the foregoing, to the extent provided in the applicable Supplemental Resolution or Series Certificate, Financing Facility Revenues shall be applied to the payment of principal or Redemption Price of, and interest on, the Bonds to which such Financing Facility relate, and amounts which would otherwise be paid to the holders of such Bonds shall be paid to the applicable Financing Facility Provider.

Statutory Dedication of Certain State Revenues

The Act, as amended by Section 5 of the 2016 Legislation, provides that during each Fiscal Year in which the Authority has Bonds outstanding, the State Treasurer shall, to the extent appropriated by the State Legislature, credit to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, a portion of the revenues derived from the following as determined by the State Treasurer:

(a) an amount equivalent to all revenue derived from the collection of the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes (the “Motor Fuels Tax”), as provided in Article VIII, Section II, Paragraph 4 of the New Jersey State Constitution, plus

(b) an amount equivalent to the revenue derived from the tax imposed on the sale of petroleum products pursuant to L. 1990, c. 42 (C. 54:15B-1 et seq.), as provided in Article VIII, Section II, paragraph 4 of the State Constitution, plus

(c) an amount equivalent to the revenue derived from the tax imposed under the “Sales and Use Tax Act,” L. 1966, c. 30 (C. 54:32B-1 et seq.) on the sale of new motor vehicles, provided that such amount shall not be less than \$200,000,000 for any Fiscal Year, as provided in Article VIII, Section II, paragraph 4 of the State Constitution.

The Act further provides that, subject to appropriations being made from time to time by the State Legislature for the purposes of the Act, the State Treasurer shall pay to the Authority, no later than the fifth (5th) business day of the month following the month in which a credit has been made, the amounts credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, and further provided that the revenues deposited into the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds shall consist solely of revenues which are dedicated pursuant to the State Constitution, including Article VIII, Section II, paragraph 4, and paragraphs (a), (b) and (c) above.

In accordance with the Act, the Authority, the State Treasurer and the Commissioner entered into the State Contract, which provides for the payments of these revenues to the Authority, subject to appropriations being made by the State Legislature for the purposes of the Act. The State Contract further provides that in addition to all other amounts to be credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, there shall be credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds in each Fiscal Year any additional amounts from the Sales and Use Tax necessary to secure and provide for the payment of the Transportation Program Bonds, notes or other obligations issued under the Resolution. See “SOURCES OF PAYMENT AND SECURITY FOR THE 2019 SERIES BB BONDS – Constitutional

Dedication of Certain State Revenues” below and “APPENDIX III - COPY OF THE STATE CONTRACT” hereto.

Constitutional Dedication of Certain State Revenues

Assembly Concurrent Resolution No. 1 of 2015, which was passed by the State General Assembly and State Senate on January 11, 2016 and approved by the voters of the State in the November 2016 general election, amended Article VIII, Section II, Paragraph 4 of the New Jersey State Constitution to provide as follows:

There shall be credited to a special account in the General Fund the following:

A. for each State Fiscal Year commencing on and after July 1, 2007 through the State Fiscal Year commencing on July 1, 2015, an amount equivalent to the revenue derived from \$0.105 per gallon from the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes, and for each State fiscal year thereafter, an amount equivalent to all revenue derived from the collection of the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes or any other subsequent law of similar effect;

B. for the State Fiscal Year 2001 an amount not less than \$100,000,000 derived from the State revenues collected from the tax on the gross receipts of the sale of petroleum products imposed pursuant to L. 1990, c. 42 (C. 54:15B-1 et seq.), as amended and supplemented, or any other subsequent law of similar effect, for each State Fiscal Year from State Fiscal Year 2002 through State Fiscal Year 2016 an amount not less than \$200,000,000 derived from those revenues, and for each State Fiscal Year thereafter, an amount equivalent to all revenue derived from the collection of the tax on the gross receipts of the sale of petroleum products imposed pursuant to P.L.1990, c.42 (C.54:15B-1 et seq.) as amended and supplemented, or any other subsequent law of similar effect; and

C. for the State Fiscal Year 2002 an amount not less than \$80,000,000 from the State revenue collected from the State tax imposed under the “Sales and Use Tax Act,” pursuant to L. 1966, c. 30 (C. 54:32B-1 et seq.), as amended and supplemented, or any other subsequent law of similar effect, for the State Fiscal Year 2003 an amount not less than \$140,000,000 from those revenues, and for each State Fiscal Year thereafter an amount not less than \$200,000,000 from those revenues; provided, however, the dedication and use of such revenues as provided in this paragraph shall be subject and subordinate to (i) all appropriations of revenues from such taxes made by laws enacted on or before December 7, 2006 in accordance with Article VIII, Section II, paragraph 3 of the State Constitution in order to provide the ways and means to pay the principal and interest on bonds of the State presently outstanding or authorized to be issued under such laws or (ii) any other use of those revenues enacted into law on or before December 7, 2006.

These amounts shall be appropriated from time to time by the State Legislature, only for the purposes of paying or financing the cost of planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of the transportation system in the State and it shall not be competent for the State Legislature to borrow, appropriate or use these amounts or any part thereof for any other purpose, under any pretense whatsoever. (Article VIII, Section II, Paragraph 4 of the New Jersey State Constitution).

The above provision of the New Jersey State Constitution does not require that the constitutionally dedicated amounts be appropriated to the Authority and any such amounts not appropriated to the Authority can be used by the State to pay the costs of various transportation system related projects in the State,

including the payment of debt service on any indebtedness issued to finance the costs of such projects. However, pursuant to the Act, any contract, such as the State Contract, providing for the payment of Transportation Program Bonds and securing such Transportation Program Bonds, shall provide that such payment shall be made solely from revenues dedicated pursuant to Article VIII, Section II, paragraph 4 of the State Constitution. Pursuant to the State Contract, the State Treasurer must, subject to appropriation by the State Legislature, credit to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds and pay to the Authority, a portion of an amount equivalent to the revenues derived from the dedicated amount of the Motor Fuels Tax and a portion of the dedicated amounts of the other taxes described in clauses B and C above.

For information about the amount of revenues derived from these constitutionally dedicated sources, see APPENDIX I - “FINANCIAL RESULTS AND ESTIMATES - Revenues.”

State Appropriations and Legislation

Although the State Legislature has always made appropriations to the Authority in each Fiscal Year in amounts sufficient to timely pay the debt service on all of the Authority’s outstanding indebtedness coming due in such Fiscal Year under the Resolution and the Prior Bond Resolution, the State Legislature, in several Fiscal Years, has made appropriations to the Authority which were less than the minimum amounts specified for such Fiscal Year in the “Second Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act,” dated as of June 1, 2006 (as amended and restated by the “Third Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act”, dated as of December 4, 2012, as amended and restated by the “Fourth Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act,” dated as of October 3, 2018) with respect to Transportation System Bonds, by and among the Authority, the State Treasurer and the Commissioner.

For Fiscal Year 2020 which began on July 1, 2019, the State Legislature appropriated \$_____ to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds and \$_____ to the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds. The combined amount is expected to be sufficient to pay the debt service on all of the outstanding indebtedness under the Program Bond Resolution and under the Prior Bond Resolution coming due in such Fiscal Year.

There can be no assurance that, in the event the State experiences financial difficulty, or the adoption of the annual appropriations act is delayed or is subsequently amended, or for any other reason, the State Legislature will appropriate sufficient funds in the future to enable the Authority to timely pay the principal of or interest on the Outstanding Transportation Program Bonds of the Authority, including the 2019 Series BB Bonds. In addition, any appropriation is subject to the availability of funds. See APPENDIX I – “STATE FINANCES – Budget and Appropriation Process.”

As noted in Footnote 1 to the table under the heading “DEBT SERVICE SCHEDULE – PRIOR BONDS,” the debt service payable on the New Jersey Economic Development Authority’s Transportation Project Sublease Revenue Refunding Bonds (New Jersey Transit Corporation Light Rail Transit System Project) 2008 Series A, Transportation Project Sublease Revenue Bonds (New Jersey Transit Corporation Projects) 2017 Series A, and Transportation Project Sublease Revenue Refunding Bonds (New Jersey Transit Corporation Projects) 2017 Series B, is also payable from funds appropriated to the Authority and the Transportation Trust Fund Account -- Subaccount for Capital Reserves.

Statutes concerning taxes, including the sales and use tax, motor fuels taxes and petroleum products gross receipts taxes, which are appropriated to pay principal of and interest on the Authority’s Bonds are

subject to amendment or repeal by the State Legislature at any time. In addition, Section 14(h) of L. 2016, c. 57 (“Chapter 57”) provides that a portion of the petroleum products gross receipts tax imposed pursuant to L. 1990, c. 42 (C. 54:15B-1 et seq.) (the “Petroleum Products Gross Receipts Tax”) may not be imposed following a certification by a review council (which review council has not yet been convened), consisting of the State Treasurer, the Legislative Budget and Finance Officer, and a third public member, that the scheduled implementation of Chapter 57 has been impeded, which certification shall be made within five days of any Legislative action that halts, delays or reverses the implementation of those sections contained in Chapter 57 on the date of enactment of Chapter 57.

Pursuant to N.J.S.A. 54:15B-3(a)(2)(a), the Petroleum Products Gross Receipts Tax is imposed on the gross receipts from the first sale of gasoline, blended fuel that contains gasoline or is intended for use as gasoline, liquefied petroleum gas and aviation fuel at a rate of 4.0 cents per gallon, which rate is fixed and is not subject to adjustment (the “Gasoline PPGR Tax”). Pursuant to N.J.S.A. 54:15B-3(a)(2)(b), the Petroleum Products Gross Receipts Tax is imposed on the gross receipts from the first sale of diesel fuel, blended fuel that contains diesel fuel or is intended for use as diesel fuel, and kerosene, other than aviation grade kerosene, at a rate of 4.0 cents per gallon, before July 1, 2017 (the “Original Diesel Fuel PPGR Tax,” and together with the Gasoline PPGR Tax, the “Original PPGR Tax”) and at rate of 8.0 cents per gallon on and after July 1, 2017 (the “Diesel Fuel PPGR Tax”), which rate is fixed and is not subject to adjustment.

Chapter 57, which was adopted in October 2016 and amended N.J.S.A. 54:15B-1 et seq., imposed a new separate tax on “highway fuel” (the “Highway Fuels PPGR Tax”), which became a component of the Petroleum Products Gross Receipts Tax, of 22.6 cents per gallon on gasoline and 22.7 cents per gallon on diesel fuel. For purposes of Chapter 57, “highway fuel” is defined to mean gasoline, blended fuel that contains gasoline or is intended for use as gasoline, liquefied petroleum gas, diesel fuel, blended fuel that contains diesel fuel or is intended for use as diesel fuel, and kerosene, other than aviation grade kerosene. Chapter 57 also provides that, for Fiscal Year 2018 and each Fiscal Year thereafter through and including Fiscal Year 2026, the rate at which the Highway Fuels PPGR Tax is imposed is required to be adjusted annually so that total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax in each such Fiscal Year will not exceed a capped amount, as adjusted, determined in accordance with the provisions of Chapter 57 (the “Cap Amount”). In order to implement such annual adjustment of the Highway Fuels PPGR Tax rate, on or before August 15 of each Fiscal Year following Fiscal Year 2017, the State Treasurer and the Legislative Budget and Finance Officer are required to determine the total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected in the prior Fiscal Year (the “Prior Year Total Revenues”). On the basis of such Prior Year Total Revenues, and in consultation with the Legislative Budget and Finance Officer, the State Treasurer then determines the Highway Fuels PPGR Tax rate to be imposed in the current Fiscal Year which is expected to result in the total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected in such current Fiscal Year being equal to the Cap Amount. Pursuant to Chapter 57, the Highway Fuels PPGR Tax rate so determined by the State Treasurer, in consultation with the Legislative Budget and Finance Officer, becomes effective on October 1 of the then current Fiscal Year, without the need for any further legislative action. Additionally, if the amount of the Prior Year Total Revenues for any prior Fiscal Year exceeds the Cap Amount for such prior Fiscal Year, the Cap Amount for the succeeding Fiscal Year shall be decreased by the amount of such excess for the purposes of establishing the Highway Fuels PPGR Tax rate for such succeeding Fiscal Year. If the amount of the Prior Year Total Revenues for any prior Fiscal Year is less than the Cap Amount for such prior Fiscal Year, the Cap Amount for the succeeding Fiscal Year shall be increased by the amount of such shortfall for the purposes of establishing the Highway Fuels PPGR Tax rate for such succeeding Fiscal Year.

In accordance with the provisions of Chapter 57 relating to the annual adjustment of the Highway Fuels PPGR Tax rate described above, on August 30, 2018, the State Treasurer announced that, as a result

of a shortfall in revenues collected from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax in each of the two prior Fiscal Years, the Cap Amount for Fiscal Year 2019 would be \$2,073,100,000 and that, in order to generate sufficient revenue to reach such Cap Amount assuming stable motor fuels consumption, the Highway Fuels PPGR Tax rate for Fiscal Year 2019, which became effective on October 1, 2018, would be 26.9 cents per gallon, an increase of 4.3 cents per gallon over the then current Fiscal Year 2019 rate.

On August 29, 2019, the State Treasurer announced that there will be no increase in the Highway Fuels Tax rate for Fiscal Year 2020.

The following chart is a summary of the cents per gallon tax rate for the Motor Fuels Tax, the Gasoline PPGR Tax, the Diesel Fuel PPGR Tax and the Highway Fuels PPGR Tax as of [October 1, 2018]:

State General Taxing Power Not Pledged

Pursuant to the Act and the Resolution, the 2019 Series BB Bonds shall be special obligations of the Authority and shall not be in any way a debt or liability of the State or any political subdivision thereof (other than the Authority to the limited extent set forth in the Resolution) and shall not create or constitute any indebtedness, liability or obligation of the State or of any political subdivision thereof (other than the Authority to the limited extent set forth in the Resolution) or be or constitute a pledge of the faith and credit of the State or of any political subdivision thereof. The Authority has no taxing power. All bonds, notes or other obligations of the Authority issued under the Resolution, unless funded or refunded by bonds, notes or other obligations of the Authority, shall be payable solely from the Pledged Property under the Resolution.

Flow of Funds

Pursuant to the Resolution, all Revenues are required to be promptly deposited by the Authority as received into the Non Proceeds Account of the Transportation Program Improvement Fund. The Authority is required to pay, transfer or credit to the Trustee, for deposit in the following Funds and Accounts, on the following dates and in the following order of priority the amounts set forth below, but only to the extent the amount in the Non Proceeds Account of the Transportation Program Improvement Fund shall be sufficient therefor:

(1) On or before each Payment Date with respect to each Series of Bonds, for deposit in the Program Debt Service Fund, the amount, if any, required so that the balance in said Fund shall equal the amounts of Debt Service on all Series of Bonds coming due on such Payment Date.

(2) On or before the due dates thereof, for deposit in the Program Debt Service Fund, the amount of any Financing Facility Payment Obligations.

(3) On or before the due dates thereof, and subject and subordinate at all times to the payments, credits or transfers required as described in paragraphs 1 and 2 above, for deposit in the Program Subordinated Debt Fund, the amount of any principal, prepayment or Redemption Price, interest or other amounts payable in connection with any Subordinated Debt, including swap termination payments, if any.

Certain Covenants of the State and the Authority

Pursuant to the Act, the State has covenanted (i) that it will not limit or alter the rights or powers of the Authority in any way that would jeopardize the interests of the holders of the bonds, notes or other obligations of the Authority, (ii) that it will not inhibit or prevent performance or fulfillment by the Authority of the terms of any agreements made with the holders of the bonds, notes or other obligations of the Authority, and (iii) that it will not prevent the Authority from obtaining sufficient revenues which, together with other available funds, shall be sufficient to meet all expenses of the Authority and fulfill the terms of any agreement made with the holders of the bonds, notes or other obligations of the Authority, together with the interest thereon, interest on any unpaid installments of interest and all costs and expenses in connection with any action or proceeding by or on behalf of the holders of the bonds, notes or other obligations of the Authority, until the bonds, notes or other obligations of the Authority, together with interest thereon, are fully met and discharged or provided for. However, the Act further provides that the failure of the State to appropriate moneys for any purpose of the Act shall not be deemed or construed to be a violation of these covenants.

Under the Resolution, the Authority has covenanted with the Bondholders that it will collect and forthwith cause to be deposited with a Depository in the Non Proceeds Account of the Transportation Program Improvement Fund all amounts, if any, payable to it pursuant to the State Contract and that it will not consent or agree to or permit any amendment, change or modification to the State Contract which would reduce the amounts payable to the Authority or extend the times when such payments are to be made thereunder. In addition, the Resolution provides that the Trustee, as the assignee of the Authority, shall enforce the provisions of the State Contract and agreements thereunder. The Authority has also covenanted to pay, but solely from the Pledged Property, the Debt Service coming due on the Bonds in each year in which Bonds issued by the Authority are outstanding.

Refunding Bonds

One or more series of Refunding Bonds may be issued at any time, in accordance with the requirements of the Act, to refund any or all Outstanding Bonds. Such Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make the deposits in the Funds and Accounts under the Resolution required by the provisions of the Supplemental Resolution authorizing such Refunding Bonds. The Act provides that no Refunding Bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal of and interest on the refunding bonds is less than the present value of the aggregate principal of and interest on the outstanding bonds to be refinanced, with present value to be computed using a discount rate equal to the yield of those Refunding Bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those Refunding Bonds. Any decision by the Authority to issue Refunding Bonds must be

approved by the Joint Budget Oversight Committee (the “JBOC”) of the State Legislature. See “STATUTORY DEBT ISSUANCE LIMITATIONS” herein and “APPENDIX II — COPY OF THE 2012 TRANSPORTATION PROGRAM BOND RESOLUTION.”

Prior Bonds

As of _____, 2019, the Authority had outstanding \$_____ in aggregate principal amount of its Prior Bonds issued under the Prior Bond Resolution. All Prior Bonds are payable from the Constitutionally Dedicated Revenues, which are also the source of payment for the Transportation Program Bonds, as well as certain statutorily dedicated revenues which may not be used to pay debt service on Transportation Program Bonds.

Amendments to the Resolution

Pursuant to the Program Bond Resolution, any modification or amendment of the Resolution and of the rights and obligations of the Authority and of the Holders of the Bonds thereunder, in any particular, may be made by a Supplemental Resolution with the written consent of (a) at least a majority in principal amount of the Bonds Outstanding at the time such consent is given who are affected by the proposed modification or amendment; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds and (b) any Financing Facility Provider the consent of which is required by the applicable Financing Facility. For the purpose of this provision, a Series shall be deemed to be affected by a modification or amendment of the Resolution if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series. In the case of amendments or modifications to the Resolution which are to take effect simultaneously with the issuance or remarketing of Bonds of one or more Series and which amendments or modifications are disclosed in the official statement or other offering document for such Series, purchasers of such Bonds shall be deemed to have consented to such amendments or modifications by virtue of their having purchased such Bonds and the written consents of such purchasers shall not be required. In addition, brokers, dealers and municipal securities dealers that purchase Bonds with a view to distribution may vote the Bonds which they purchase if, and only if, the official statements or other offering documents for all existing Bonds at the time Outstanding under the Resolution expressly disclosed that brokers, dealers and municipal securities dealers that purchase Bonds with a view to distribution may vote the Bonds which they purchase.

Notwithstanding the foregoing, no modification or amendment of the Resolution shall permit a change in the terms of redemption (including sinking fund installment) or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto, or shall permit a change in the terms of redemption or prepayment of any Subordinated Debt or the payment of interest thereon or any other amount payable in connection therewith without the consent of the holder of such Subordinated Debt.

STATUTORY DEBT ISSUANCE LIMITATIONS

Transportation Program Bonds – New Money Bonds

The Act, as amended by the 2016 Legislation, authorizes the issuance of new money Transportation Program Bonds during the period that commenced on the day that Assembly Concurrent Resolution No. 1

of 2015, a constitutional amendment to Article VIII, Section II, paragraph 4 of the New Jersey Constitution, took effect (December 8, 2016) and ending June 30, 2024 in an amount not in excess of \$12,000,000,000. Any premiums received in connection with the issuance of Transportation Program Bonds shall count against any limitation as to the amount of new money Transportation Program Bonds the Authority may issue during the period described above.

Transportation Program Bonds - Refunding Bonds

The issuance of bonds, notes or other obligations, including subordinated obligations of the Authority under the Resolution, for refunding purposes is not subject to the limitations described in the preceding paragraphs except that, any premiums received in connection with the issuance of Transportation Program Bonds issued to refund Transportation Program Bonds shall count against the limitations described in the preceding paragraph. However, the Act provides that no refunding bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the Outstanding Bonds to be refinanced, with present value computed using a discount rate equal to the yield of those refunding bonds, and yield computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those refunding bonds. The Act further provides that upon the decision by the Authority to issue refunding bonds, and prior to the sale of those refunding bonds, the Authority shall transmit to JBOC a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the Authority relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the Authority to issue and sell the refunding bonds at public or private sale and the reasons therefor.

Prior Bonds

As of the date hereof, there is no remaining unused statutory debt cap under the Act, as amended by L. 2006, c. 3, for the Prior Bonds (except for a nominal amount representing the amount thereof in excess of the nearest integral multiple of \$5,000). Accordingly, under the Act, only refunding bonds may be issued under the Prior Bond Resolution.

PLAN OF FINANCE

Pursuant to the Act and the Resolution, the Authority is issuing the 2019 Series BB Bonds for the purposes of: (a) paying State Transportation System Costs, and (b) paying certain costs of issuance of the 2019 Series BB Bonds. A portion of the proceeds of the 2019 Series BB Bonds will be deposited into the Proceeds Account of the Transportation Program Improvement Fund established under the Resolution and applied to the payment of State Transportation System Costs. See “THE TRANSPORTATION SYSTEM IMPROVEMENTS” herein for a description of Transportation System Improvements.

THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY

Legal Authority and Responsibilities

The Authority is a public body corporate and politic, with corporate succession, constituted as an instrumentality of the State organized and existing under and pursuant to the Act. For the purpose of complying with Article V, Section IV, Paragraph 1 of the State Constitution, the Authority is allocated within, but is independent of any supervision or control by, the Department. The purpose of the Authority is to provide the payment for and financing of all or a portion of the costs incurred by the Department for the planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of the State's transportation system, including, without limitation, (i) the State's share (which may include State advances with respect to any Federal share) under Federal aid highway laws of the costs of planning, acquisition, engineering, construction, reconstruction, repair, resurfacing and rehabilitation of public highways, (ii) the State's share (which may include State advances with respect to any Federal share) of the costs of planning, acquisition, engineering, construction, reconstruction, repair, permitted maintenance and rehabilitation of public transportation projects and other transportation projects in the State, and (iii) State aid to counties and municipalities for transportation projects (collectively, the "State Transportation System Costs").

Under the Act, the Commissioner is also authorized to enter into agreements with public or private entities for the loan of federal funds appropriated to the Department for the purpose of financing all, or a portion of, the costs incurred for the planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of a transportation project by that public or private entity.

Pursuant to the Act, the Commissioner may from time to time (but not more frequently than monthly) certify to the Authority an amount necessary to fund payments made, or anticipated to be made, by or on behalf of the Department from legislative appropriations to the Department of Authority funds. Under the Act, the Authority is obligated to provide such amount from its revenues or other funds, including proceeds of Bonds. The Act directs the Authority, within fifteen (15) days of receipt of the Commissioner's certificate, to transfer funds to the State Treasurer for deposit in a special fund maintained by the State Treasurer (the "Special Transportation Fund") in an amount equal to the amount so certified by the Commissioner. Expenditures from the Special Transportation Fund may be made on behalf of the Department only pursuant to project-specific legislative appropriations. The Department currently provides such certificates on a monthly basis, when cash is necessary for disbursements for transportation system improvements, to attempt to minimize the amounts maintained in the Special Transportation Fund. The Special Transportation Fund is not pledged as security for obligations issued by the Authority under the Resolution.

Membership and Officers of the Authority

The Act provides that the Authority shall consist of seven members as follows: the Commissioner and the State Treasurer, who are members ex-officio, and five public members. Three of the public members are appointed by the Governor of the State (the "Governor"), with the advice and consent of the State Senate, one of whom must represent the interests of trade unions that work on the construction of public highways and another of whom must represent the interests of owners of firms that are eligible to submit bids for the construction of public highways. The two remaining public members also are appointed by the Governor, one upon the recommendation of the President of the State Senate and the other upon the recommendation of the Speaker of the State General Assembly. The public members serve a four-year term; provided, however, that the public member appointed by the Governor upon recommendation of the Speaker of the State General Assembly serves a two-year term. Each public member holds office for the term of the member's appointment and until a successor has been appointed and qualified. A member shall be eligible for reappointment. No more than four members of the Authority may be of the same political party. All members of the Authority serve without compensation but may be reimbursed for their actual expenses necessarily incurred in the discharge of their official duties.

The Act provides that the Commissioner shall serve as Chairperson of the Authority and that the members of the Authority annually shall elect one of their members as Vice Chairperson. The members of the Authority also elect a secretary and a treasurer who need not be members of the Authority, and the same person may be elected to serve as both secretary and treasurer.

The present members of the Authority are:

Diane Gutierrez-Scaccetti: *ex-officio*, Chairperson; Commissioner of the New Jersey Department of Transportation.

Elizabeth Maher Muoio: *ex-officio*; Treasurer of the State of New Jersey.

Greg Lalevee: Vice Chairperson; Statutory Representative of Interest of Trade Unions; Public Member.

Robert A. Briant, Jr.: Chief Executive Officer of the Utility and Transportation Contractors Association; Statutory Representative of Interest of Firm Owners; Public Member.

Nelson Ferreira: President & Chief Executive Officer of Ferreira Construction Company, Inc., Statutory Representative of a Transportation Firm; Public Member.

John J. Duthie: Treasurer/Administrator at the Eastern Region of the Laborers Union of North America; Public Member.

There is currently one vacancy among the Public Members of the Authority.

The officers of the Authority are:

Samuel Braun: Comptroller; Division of Budget, New Jersey Department of Transportation.

_____: Secretary; New Jersey Department of Transportation.

Jackie Brown: Assistant Secretary; New Jersey Department of Transportation.

Powers of the Authority

Under the terms of the Act, the powers of the Authority are vested in the members thereof in office and four members of the Authority shall constitute a quorum at any meeting thereof. No vacancy in the membership of the Authority shall impair the right of a quorum of the members to exercise all the powers and perform all the duties of the Authority. Action may be taken and motions adopted by the Authority at any meeting thereof by the affirmative vote of at least four members of the Authority. No action taken by the Authority at any meeting shall have force or effect until fifteen (15) days after a true copy of the minutes of such meeting has been delivered by and under the certification of the secretary of the Authority to the Governor, unless during such fifteen (15) day period the Governor (i) vetoes such action, in which case such action shall not become effective, or (ii) approves in writing the same or any part thereof, in which case the action becomes effective upon such approval.

In addition to the power to enter into the contracts with the State described under the heading “SOURCES OF PAYMENT AND SECURITY FOR THE 2019 SERIES BB BONDS — Property Pledged to the 2019 Series BB Bonds; the State Contract; the Act; the Resolution” herein, the Authority has (among others) the following powers:

- (i) to borrow money and issue its bonds, notes and other obligations and to secure the same by its revenues and other funds and to otherwise provide for and secure the payment thereof, and to provide for the refunding thereof;
- (ii) to issue subordinated indebtedness and to enter into revolving credit agreements, lines of credit, letters of credit, reimbursement agreements, interest rate exchange agreements, insurance contracts, surety bonds, bond purchase agreements and other security agreements;
- (iii) subject to any agreements with holders of its bonds, notes or other obligations, to invest any moneys not required for immediate use, including proceeds from the sale of bonds, notes or other obligations, at the discretion of the Authority, in such obligations, securities and other investments as the Authority shall deem prudent;
- (iv) in its own name, or in the name of the State or, in the name of New Jersey Transit Corporation (“NJ Transit”), to apply for and receive and accept appropriations or grants of property, money, services or reimbursements for money previously spent and other assistance made available to it by or from any person, government agency, public authority or any public or private entity whatever for any lawful corporate purpose of the Authority;
- (v) subject to any agreement with holders of its bonds, notes or other obligations, to purchase bonds, notes or other obligations of the Authority out of any funds or moneys of the Authority available therefor, and to hold, cancel or resell the bonds, notes or other obligations; and
- (vi) to acquire, lease as lessee or lessor, hold and dispose of real and personal property or any interest therein in the exercise of its powers and the performance of its duties under the Act.

No resolution or other action of the Authority providing for the issuance of the bonds, refunding bonds or other obligations shall be adopted by the Authority, or otherwise made effective, without prior written approval of the Governor and the State Treasurer. Any decision by the Authority to issue refunding bonds must be approved by JBOC.

THE TRANSPORTATION SYSTEM IMPROVEMENTS

The transportation system (which includes but is not limited to highways, roads, bridges, public transit facilities, pedestrian and bicycle trails, railroad rights-of-way, airports and intermodal facilities) of the State is among the most heavily used in the United States. The Department is implementing transportation system improvements which are expected to enable the State to construct, modernize, reconstruct, rehabilitate and maintain a safe, balanced, sound and efficient transportation system necessary for the well-being of the State's citizens. The State's commitment to the payment for and the financing of the transportation system improvements in a stable fashion is intended to ensure a predictable and continuing public investment in the State's transportation system.

Pursuant to the Act, the transportation system improvements encompass the planning, acquisition, engineering, construction, reconstruction, repair, capital maintenance assistance, maintenance, operations, resurfacing and rehabilitation and improvement of, and acquisition of easements and rights-of-way with respect to, the transportation system, and any equipment, facility or property useful and related to the provision of any ground, waterborne or air transportation for the movement of people and goods. The transportation system improvements also include State aid to counties and municipalities for local transportation system improvements.

Improvements undertaken by the Department are to be funded primarily by a combination of Federal moneys, Authority funds and funds from the Port Authority of New York and New Jersey and from the New Jersey Turnpike Authority. Pursuant to legislative directive, the Authority is responsible for funding that portion of the State's share of these improvements which are not provided by other sources. Pursuant to the Act, the Authority is required to minimize debt incurrence by first relying on appropriations and other revenues available to the Authority before incurring debt to meet its statutory purposes.

THE NEW JERSEY DEPARTMENT OF TRANSPORTATION

The State Transportation System

New Jersey's transportation system consists of 2,321 center line miles of state highways maintained by the Department and approximately 36,575 center line miles maintained by independent state toll road authorities, county governments, and municipal governments. Approximately 6,750 bridges are located throughout the State, of which 2,386 are owned by the Department, 109 are maintained by NJ Transit, 1,313 are owned by independent state toll road authorities, 2,702 are owned by counties and municipalities and the remainder are owned by other private and public entities.

The State's transportation system also consists of commuter rail, light rail, and bus lines in the State, which are principally operated by NJ Transit. Covering a service area of 5,325 square miles, NJ Transit is one of the nation's largest providers of bus, rail and light rail transit, linking major points in New Jersey, New York and Philadelphia. NJ Transit operates a fleet of over 2,254 buses, 1,282 locomotives and rail cars, and 21 light rail vehicles. NJ Transit also provides more than 823 buses for routes operated by other carriers. Riders took over 264 million unlinked trips in State Fiscal Year 2018 on 251 bus routes, 12 heavy rail lines, and three light rail lines .

NJ Transit also provides connections to other transit systems. At New York's Penn Station, connections are available from NJ Transit lines to Amtrak, the Long Island Railroad and the New York City subway lines. In Trenton, riders can transfer to Southeastern Pennsylvania Transportation Authority ("SEPTA") and Amtrak trains. Hoboken Terminal and Newark Penn Station are transfer points to the Port Authority Trans-Hudson ("PATH") trains to Jersey City and New York City. At Lindenwold in Camden County, the Atlantic City Rail Line operated by NJ Transit connects with New Jersey-Pennsylvania Port

Authority Transportation Company (“PATCO”) rapid transit services to Camden and Philadelphia and with Amtrak trains.

Organization

The State has an integrated approach to all transportation needs. The Department’s responsibilities have steadily changed since its establishment in 1966, with emphasis shifting from primarily highway-related programs to a balanced concern for highways and the preservation and improvement of rail and bus transportation. The Department is responsible for the maintenance and improvement of all State highways and bridges, the provision of assistance to counties and municipalities and the overall planning and coordination of the State’s transportation system. The Department also reviews the operations of NJ Transit. Although NJ Transit is self-regulating as to fares and levels of service which it operates or supports, with the exception of interstate bus service, the Department retains certain regulatory control over safety and maintenance. The Department’s mission is to provide for the movement of people and goods with a commitment to safety, excellence, efficiency, the environment and its customers-the citizens of the State.

The Department is headed by a Commissioner appointed by and directly responsible to the Governor for fulfilling the purposes and supervising the activities of the Department. The Commissioner is responsible for all policies and directives of the Department and serves as Chairperson of the Authority and of NJ Transit. A Deputy Commissioner, a Chief of Staff, and several Assistant Commissioners assist the Commissioner in managing the Department.

The Deputy Commissioner is responsible for the day-to-day operations of the Department, enabling the Commissioner to better balance his or her time in his or her roles as Chief Executive Officer of the Department, Chairperson of the Authority and of NJ Transit, and an *ex-officio* member of each of the State transportation authorities.

The Chief of Staff is responsible for legislative relations, communications, and customer advocacy, as well as human resource management, employee safety, training and development, civil rights and affirmative action programs.

The Assistant Commissioner for Finance and Administration also serves as the Department’s Chief Financial Officer. The Assistant Commissioner’s areas of responsibility include budget, accounting and external auditing, information systems, procurement, and capital investments and program coordination. The Assistant Commissioner provides general oversight of the Department’s financial affairs, ensures that financial transactions are in compliance with State and Federal regulations and implements sound financial management principles. He also assesses opportunities to improve transportation facilities and services that factors into the development of a Statewide Transportation Capital Investment Strategy, the Annual Capital Program and the Statewide Transportation Improvement Program. In addition, as the Chief Financial Officer, he also acts as Executive Director of the Authority.

The Assistant Commissioner for Planning, Multimodal and Grant Administration is responsible for planning services across all modes of transportation, including the State’s public use airports, rail freight infrastructure, and the maritime industry. The Assistant Commissioner also administers State and federal aid programs related to municipal and county governments, operates a research and technology effort that investigates and demonstrates new transportation technologies, and develops an asset management program to optimize investment in the State’s existing transportation infrastructure.

The Assistant Commissioner for Capital Program Management (“CPM”) is responsible for the development and delivery of the Department’s annual Capital Program to ensure that program objectives, project commitments and schedules are met. CPM is comprised of six divisions: Construction Services and

Materials, Project Management, Right of Way and Access Management, Capital Program Support, Highway and Traffic Design, and Bridge Engineering and Infrastructure Management. This includes oversight of all aspects of: project management, environmental services, property acquisition, design, quality assurance, and construction management for all active projects. CPM is also responsible for a number of other engineering functions that are ancillary to the delivery of the Capital Program including: pavement management, the “Good Neighbor” landscaping program, railroad grade crossing safety programs, the New Jersey Major Access Permit Program, the Wireless Communications License Program, and statewide compliance with National Bridge Inspection Standards.

The Assistant Commissioner for Transportation Operations Systems and Support is responsible for maintenance and operation of the State highway system, including snow and ice removal, emergency patrols, intelligent transportation systems and the equipment fleet and regional maintenance yards. The Assistant Commissioner coordinates the traffic operations centers and incident management services provided by the Department and the State’s independent toll road authorities. The Assistant Commissioner is also responsible for the Department’s physical plant facilities.

NJ Transit maintains its own financial management and accounting systems, in accordance with its statutory powers and in conformity with general State practices and Federal requirements. As a general practice, NJ Transit draws funds appropriated by the State on a periodic basis and administers its own investments and disbursements. NJ Transit’s finances are audited annually by an independent auditor and are reported to the State Legislature.

LEGALITY FOR INVESTMENT

The Act provides that the State and all public officers, governmental units and agencies thereof, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds or notes issued pursuant to the Act, and such bonds or notes shall be authorized security for any and all public deposits.

LITIGATION

There is no litigation of any nature now pending, or, to the knowledge of the Authority, threatened, restraining or enjoining the issuance, sale, execution or delivery of the 2019 Series BB Bonds, or the contemplated uses of the proceeds of the 2019 Series BB Bonds, or in any way contesting or affecting the validity of the 2019 Series BB Bonds, the State Contract, the Act or any proceedings of the Authority or the State taken with respect to the issuance, sale, execution or delivery thereof, or the pledge or application of any moneys or security provided for the payment of the 2019 Series BB Bonds or the existence or powers of the Authority or the State Contract or the title of any officers or members of the Authority to their respective positions.

CERTAIN LEGAL MATTERS

Legal matters related to the authorization, execution, issuance and delivery of the 2019 Series BB Bonds are subject to the approval of Chiesa Shahinian & Giantomasi PC, West Orange, New Jersey, Bond Counsel. The opinion of Bond Counsel will be delivered with the 2019 Series BB Bonds substantially in the form included in this Official Statement as APPENDIX V. Certain legal matters in connection with the 2019 Series BB Bonds will be passed upon for the Authority by the Attorney General of the State, and for the Underwriters by their counsel, Ballard Spahr LLP, Cherry Hill, New Jersey.

TAX MATTERS

Federal Tax Matters

The Internal Revenue Code of 1986, as amended (the “Code”), establishes certain requirements which must be met subsequent to the issuance and delivery of the 2019 Series BB Bonds in order that interest on the 2019 Series BB Bonds be and remain excluded from the gross income of the owners thereof for Federal income tax purposes. In its Tax Regulatory Agreement (the “Tax Certificate”) executed by the Authority in connection with the issuance of the 2019 Series BB Bonds (but which does not constitute a covenant under the Resolution), the Authority represents that the Authority expects and intends to be able to comply with and will, to the extent permitted by law, comply with the provisions and procedures set forth in the Tax Certificate and do and perform all acts and things necessary or desirable in order to assure that, under the Code as presently in effect, interest on the 2019 Series BB Bonds will, for purposes of Federal income taxation, be and remain excluded from the gross income of the recipients thereof. Failure of the Authority to comply with the requirements of the Code may cause interest on the 2019 Series BB Bonds to be included in gross income of the owners thereof retroactive to the date of issuance of the 2019 Series BB Bonds. In the opinion of Chiesa Shahinian & Giantomasi PC, bond counsel (“Bond Counsel”), to be delivered at the time of original issuance of the 2019 Series BB Bonds, assuming continuing compliance with the applicable provisions of the Tax Certificate, pursuant to the applicable provisions of the Code and related regulations, rulings and judicial decisions, interest on the 2019 Series BB Bonds is not included in the gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Code and is not an item of tax preference under Section 57 of the Code for purposes of computing the alternative minimum tax.

Bond Counsel is also of the opinion that the difference between the principal amount of the 2019 Series BB Bonds maturing on June 15 in the years __, __, __ and __ (the “Discount Bonds”) and their respective initial offering prices to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers), at which prices a substantial amount of such Discount Bonds of the same maturity was sold, constitutes original issue discount which is excluded from gross income for federal income tax purposes to the same extent as interest on the Discount Bonds. Further, such original issue discount accrues actuarially on a constant interest rate basis over the term of each Discount Bond, and such original issue discount is added to the adjusted basis of each such Discount Bond for purposes of determining taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of each such Discount Bond.

Under Section 171(a)(2) of the Code, no deduction is allowed for the amortizable bond premium (determined in accordance with Section 171(b) of the Code) on tax-exempt bonds. Under Section 1016(a)(5) of the Code, however, an adjustment must be made to the owner’s basis in such bond to the extent of any amortizable bond premium that is disallowable as a deduction under Section 171(a)(2) of the Code.

State Taxation

In the opinion of Bond Counsel, interest on the 2019 Series BB Bonds and any gain on the sale thereof are not includable in gross income under the New Jersey Gross Income Tax Act, as amended.

Certain Federal Tax Consequences Relating to the 2019 Series BB Bonds

Although interest on the 2019 Series BB Bonds is excluded from gross income for federal income tax purposes, the accrual or receipt of interest on the 2019 Series BB Bonds may otherwise affect the federal income tax liability of the recipient. The nature and extent of these other tax consequences will depend

upon the recipient's particular tax status and other items of income or deduction. Prospective purchasers of the 2019 Series BB Bonds should consult their tax advisors with respect to all other tax consequences (including, but not limited to, those listed above) of holding the 2019 Series BB Bonds.

The Internal Revenue Service has an ongoing program of auditing state and local government obligations, which may include selecting bond issues at random for audit, to determine whether interest paid to the holders thereof is properly excludable from gross income for federal income tax purposes. It cannot be predicted whether the 2019 Series BB Bonds will be audited. If an audit is commenced, under current Internal Revenue Service procedures the holders of the 2019 Series BB Bonds may not be permitted to participate in the audit process, and the value and liquidity of the 2019 Series BB Bonds may be adversely affected.

Future Events

Tax legislation, administrative action taken by tax authorities, and court decisions, at the federal level, may adversely affect the exclusion from gross income of interest on the 2019 Series BB Bonds for federal income tax purposes, and tax legislation, administrative action taken by tax authorities and court decisions at the State level may adversely affect the exclusion of interest on and any gain realized on the sale of the 2019 Series BB Bonds under the existing New Jersey Gross Income Tax Act, and any such legislation, administrative action or court decisions could adversely affect the market price or marketability of the 2019 Series BB Bonds. Bond Counsel is rendering its opinion under existing law as of the issue date and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise.

EACH PURCHASER OF THE 2019 SERIES BB BONDS SHOULD CONSULT HIS OR HER OWN ADVISOR REGARDING ANY CHANGES IN THE STATUS OF PENDING OR PROPOSED FEDERAL OR NEW JERSEY STATE TAX LEGISLATION, ADMINISTRATIVE ACTION TAKEN BY TAX AUTHORITIES, OR COURT DECISIONS.

ALL POTENTIAL PURCHASERS OF THE 2019 SERIES BB BONDS SHOULD CONSULT WITH THEIR TAX ADVISORS AS TO THE TAX CONSEQUENCES OF PURCHASING THE 2019 Series BB BONDS.

See APPENDIX V to this Official Statement for the complete text of the proposed form of Bond Counsel's legal opinion with respect to the 2019 Series BB Bonds.

CONTINUING DISCLOSURE

Upon the issuance and delivery of the 2019 Series BB Bonds, the Authority and the State Treasurer will enter into an agreement (the "Continuing Disclosure Agreement") with the Trustee, as dissemination agent, for the benefit of the holders of the 2019 Series BB Bonds, to comply with the secondary market disclosure requirements of the United States Securities and Exchange Commission's Rule 15c2-12. Pursuant to the Continuing Disclosure Agreement, the State Treasurer will covenant to provide certain financial information and operating data relating to the State, to the Municipal Securities Rulemaking Board ("MSRB"). Further, the Authority will covenant to provide notices of the occurrence of certain enumerated events. The Trustee shall file such information on behalf of the State Treasurer and such notices on behalf of the Authority with the MSRB. The Trustee may meet the continuing disclosure filing requirements described above by providing such information to the MSRB or by complying with any other procedure that may be authorized by the United States Securities and Exchange Commission. The form of the Continuing Disclosure Agreement is set forth in APPENDIX IV hereto.

[CONFIRM/UPDATE] [In addition, the continuing disclosure agreements relating to the Authority's outstanding Transportation System Bonds, 1999 Series A and 2004 Series A provide that the Authority will provide the Authority's annual report, consisting of the Authority's audited financial statements for each Authority Fiscal Year ending June 30 (the "Authority's Annual Report"). The Authority's Annual Report is required to be filed by the March 15 next following the end of each Fiscal Year. The continuing disclosure agreements for all subsequent issues of the Authority's Transportation System Bonds and Transportation Program Bonds do not require, and the Continuing Disclosure Agreement for the 2019 Series BB Bonds will not require, that the Authority provide the Authority's Annual Report.

The State Treasurer recently became aware that the Treasurer's Annual Reports and the State's Comprehensive Annual Financial Reports for State Fiscal Year 2014 were filed after the date specified in the continuing disclosure agreement for the New Jersey Economic Development Authority's 1996 Liberty State Park Lease Rental Refunding Bonds. Such bonds were redeemed in full in December 2015, and are no longer outstanding.

The State Treasurer and the Authority have become aware of certain facts that they do not consider to be material but that are disclosed below for the benefit of the holders and Beneficial Owners of its Bonds.

Some information that was made available in a timely manner on EMMA may not have been linked to all relevant CUSIP numbers. In addition, filings with respect to certain bond insurer ratings changes were either posted late or the filings were not posted at all. The State Treasurer and the Authority are not always made aware of or may not have received notices from the rating agencies or the bond insurers of changes in the bond insurers' ratings. Such bond insurer ratings changes may or may not have had an effect on the ratings of the Bonds.]

UNDERWRITING

The 2019 Series BB Bonds are being purchased by Wells Fargo Bank, National Association as representative (the "Representative") of the underwriters listed on the cover page hereof (the "Underwriters"). The Underwriters have agreed, subject to certain conditions, to purchase all of the 2019 Series BB Bonds at an aggregate purchase price of \$_____ (representing the aggregate principal amount of the 2019 Series Bonds, plus original issue premium of \$_____, less original issue discount of \$_____, less an Underwriters' discount of \$_____) (the "Purchase Price"). The initial public offering prices of the 2019 Series BB Bonds set forth on the inside cover page of this Official Statement may be changed without notice by the Underwriters. The Underwriters may offer and sell the 2019 Series BB Bonds to certain dealers (including dealers depositing 2019 Series BB Bonds into investment trusts, certain of which may be sponsored or managed by the Underwriters) and others at prices or yields lower than the offering prices or yields set forth on the inside cover page hereof.

Wells Fargo Bank, National Association, acting through its Municipal Products Group ("WFBNA"), the Representative of the Underwriters of the 2019 Series BB Bonds, has provided the two paragraphs below for inclusion in this Official Statement.

Wells Fargo Securities is the trade name for certain securities-related capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Wells Fargo Bank, National Association, which conducts its municipal securities sales, trading and underwriting operations through the Wells Fargo Bank, NA Municipal Products Group, a separately identifiable department of Wells Fargo Bank, National Association, registered with the Securities and Exchange Commission as a municipal securities dealer pursuant to Section 15B(a) of the Securities Exchange Act of 1934.

WFBNA has entered into an agreement (the “WFA Distribution Agreement”) with its affiliate, Wells Fargo Clearing Services, LLC (which uses the trade name “Wells Fargo Advisors”) (“WFA”), for the distribution of certain municipal securities offerings, including the 2019 Series BB Bonds. Pursuant to the WFA Distribution Agreement, WFBNA will share a portion of its underwriting or remarketing agent compensation, as applicable, with respect to the 2019 Series BB Bonds with WFA. WFBNA has also entered into an agreement (the “WFSLLC Distribution Agreement”) with its affiliate Wells Fargo Securities, LLC (“WFSLLC”), for the distribution of municipal securities offerings, including the 2019 Series BB Bonds. Pursuant to the WFSLLC Distribution Agreement, WFBNA pays a portion of WFSLLC’s expenses based on its municipal securities transactions. WFBNA, WFSLLC, and WFA are each wholly-owned subsidiaries of Wells Fargo & Company.

The Authority has not been furnished with any documents relating to the WFA Distribution Agreement or WFSLLC Distribution Agreement and makes no representations of any kind with respect thereto. The Authority is not a party to the WFA Distribution Agreement or the WFSLLC Distribution Agreement and has not entered into any agreement or arrangement with WFA or with WFSLLC with respect to the offering and sale of the 2019 Series BB Bonds.

RATINGS

Fitch Ratings (“Fitch”), Kroll Bond Rating Agency (“KBRA”), Moody’s Investors Service, Inc. (“Moody’s”) and S&P Global Ratings, acting through Standard & Poor’s Financial Services LLC (“S&P”) have assigned municipal bond ratings of “___,” “___,” “___” and “___” respectively, to the 2019 Series BB Bonds.

Such ratings reflect only the views of each organization, and an explanation of the significance of such ratings can only be obtained from Fitch, KBRA, Moody’s and S&P. There is no assurance that these ratings will remain in effect for any given period of time or that they will not be revised downward or withdrawn entirely by Fitch, KBRA, Moody’s and S&P if, in the judgment of these rating agencies, circumstances so warrant. Any such downgrade revision or withdrawal of such ratings may have an adverse effect on the market price of the 2019 Series BB Bonds.

FORM OF OPINION OF BOND COUNSEL

APPENDIX VI
BOOK-ENTRY ONLY SYSTEM

The information in this Appendix VI concerning The Depository Trust Company (“DTC”) and DTC’s book-entry only system has been provided by DTC. Accordingly, the Authority takes no responsibility for the accuracy or completeness of such information and neither the DTC Participants nor the Beneficial Owners should rely on such information with respect to such matters but should instead confirm the same with DTC or the DTC Participants, as the case may be.

DTC will act as Securities Depository for the 2019 Series BB Bonds. The 2019 Series BB Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered certificate will be issued for each maturity and, if applicable, interest rate within a maturity of the 2019 Series BB Bonds in the aggregate principal amount of each such maturity and, if applicable, interest rate within the 2019 Series BB Bonds, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC is rated AA+ by Standard & Poor’s. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of 2019 Series BB Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2019 Series BB Bonds on DTC’s records. The ownership interest of each actual purchaser of each 2019 Series BB Bond (“Beneficial Owner”) is in turn to be recorded on the Direct Participants’ and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2019 Series BB Bonds are to be accomplished by entries made on the books of Direct Participants and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in 2019 Series BB Bonds, except in the event that use of the book-entry system for the 2019 Series BB Bonds is discontinued.

To facilitate subsequent transfers, all 2019 Series BB Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2019 Series BB Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in

beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2019 Series BB Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2019 Series BB Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the 2019 Series BB Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2019 Series BB Bonds, such as redemptions, tenders, defaults and proposed amendments to the 2019 Series BB Bonds documents. For example, Beneficial Owners of the 2019 Series BB Bonds may wish to ascertain that the nominee holding the 2019 Series BB Bonds for their benefit has agreed to obtain and transmit notices to the Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the 2019 Series BB Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to 2019 Series BB Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts 2019 Series BB Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and principal and interest payments on the 2019 Series BB Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the 2019 Series BB Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, 2019 Series BB Bond certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, 2019 Series BB Bond certificates will be printed and delivered to DTC.

NONE OF THE AUTHORITY, THE TRUSTEE OR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION, EITHER SINGULARLY OR JOINTLY, TO DTC

Each Treasurer's Annual Report provided to the Dissemination Agent by the Treasurer shall comply with the requirements of Section 4 of this Disclosure Agreement but may be submitted as a single document or as separate documents comprising a package. No amendment to this Disclosure Agreement shall change or modify the rights or obligations of the Dissemination Agent without its written assent thereto.

SECTION 8. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Treasurer or the Authority from disseminating any other information,

Prepared by:

*New Jersey Transportation Trust Fund Authority
Office of the Executive Director*

September 5, 2019

1. What action is being requested of the New Jersey Transportation Trust Fund Authority (“NJTTFA” or the “Authority”) Board at today’s meeting?

The NJTTFA Board is being asked to approve the proposed conversion and remarketing of \$150 million tax-exempt Transportation Program Notes (SIFMA Index Multimodal Notes), 2014 Series BB-1 (the “2014 Notes”).

2. Why are the 2014 Notes being converted to fixed rate?

The 2014 Notes were originally issued as SIFMA Index Notes with a mandatory tender on 12/15/2019, which will require the Authority to remarket the 2014 Notes by that date. Given the historically low long-term interest rate environment, and the inversion at the front-end of the yield curve this is an opportune time to lock in attractive fixed rates for the remaining life of the bonds.

3. Please describe the proposed transaction. What is the proposed structure of this sale?

The proposed transaction will be composed of the conversion and remarketing of the 2014 Notes. It is anticipated that the 2014 Notes will be converted from a SIFMA Index Rate Period to a Fixed Rate Period on the conversion/mandatory tender date. In connection with the conversion and remarketing, the 2014 Notes will be re-designated as the Transportation Program Notes (Fixed Rate), 2014 Series BB-1. On the mandatory tender date, the 2014 Notes will be structured as fixed rate current interest notes that will carry a fixed rate of interest through maturity. The 2014 Notes will amortize on June 15th of each year from 2029 through 2034. Debt service on the 2014 Notes will be structured as level in each fiscal year. Any premium generated as a result of the remarketing will be applied by the Authority toward State Transportation Costs and cost of issuance.

4. How will the remarketing of the 2014 Notes affect the Authority’s Statutory Debt Issuance Limit for Transportation Program Bonds?

The Act, as most recently amended by L. 2016, c. 56, enacted on October 14, 2016 (the “2016 Legislation”), authorizes the issuance of new money Transportation Program Bonds for the State fiscal years 2017 through 2024 in an amount not in excess of \$12.0 billion. Pursuant to the 2016 Legislation, any premium received in connection with the remarketing of the 2014 Notes will count against the limitation as to the amount of new money Transportation Program Bonds the Authority may issue during the referenced period. Thus, any premium received from the remarketing of the 2014 Notes will count against this limit. We estimate the premium on the remarketing of the 2014 Notes to be approximately \$29,418,000.

5. When will the 2014 Notes be sold?

It is expected that the 2014 Notes will be remarketed and sold to investors on September 24, 2019.

6. Has a bond counsel, financial advisor, and underwriter been selected? If yes, who are they and how were they selected?

Chiesa Shahinian & Giantomasi PC, Bond Counsel, was selected by the Attorney General’s Office through a competitive RFQ/RFP process. Wells Fargo Bank, National Association has

been recommended to the Authority as the Remarketing Agent pursuant to Treasury's competitive RFP process conducted in accordance with Executive Order No. 26. There is no financial advisor for this transaction.

7. Has a bond trustee been selected? If yes, who are they and how were they selected?

U.S. Bank National Association currently serves as Trustee for NJTTFA's Transportation Program Bonds, including the 2014 Notes. They were selected for the inaugural 2012 Series AA Bonds pursuant to a competitive RFP process.

8. In general, how are the current financial markets expected to impact our sale of these notes? What type of interest rates do we expect?

The municipal bond market has seen unprecedented investor demand characterized by 33 consecutive weeks of net inflows totaling \$61 billion YTD through August 21, 2019.

Demand has far outweighed supply, as issuance is up only 4.5% YTD versus 2018. Given signs of economic weakness in the global economy and the economic impact of the ongoing trade dispute between the U.S. and China, the FOMC announced a 25bps reduction in the target range for the Fed Funds rate at its last meeting on July 31, 2019. Since then, the market has begun to price in further Federal Funds rate cuts, including a high probability of a 25bps cut at the next FOMC meeting on September 18th. Combined, these factors have pushed borrowing rates to new all-time lows across much of the yield curve.

US Treasury ("UST") and tax-exempt rates are at historic lows across much of the yield curve, with the 30-year UST at 1.97% and the 30-year Municipal Market Data ("MMD") Index at 1.83% as of August 28, 2019. This represents all-time lows for both 30-year UST and 30-year MMD. In comparison, 30-year MMD was at 3.02% on January 9, 2019, the date the Authority priced its last transaction—2019 Series AA. Estimated interest rate yields on the transaction based on rates as of August 28, 2019, range from 2.29% in 2029 to 2.59% in 2034. While these rates provided by the Senior Managing Underwriter represent current market estimates, the final rates will be limited so as to comply with the "not to exceed" true interest cost which will be included in the final NJTTFA Board-approved Bond Resolution.

9. What is the estimated annual debt service on the proposed 2014 Notes?

Please see the proposed estimated debt service schedule attached hereto.

10. Will there be any projected change in the NJTTFA credit rating as a result of this sale?

The existing credit ratings for the NJTTFA Transportation Program bonds are Baa1/BBB+/A-/A- from Moody's, S&P, Fitch and Kroll, respectively. We expect the current NJTTFA long-term ratings to be affirmed prior to sale of the 2014 Notes.

(d) The adoption of the Resolution and the execution and delivery of the State Contract, the Series Certificate, the 2014 Series Notes, the Continuing Disclosure Agreement and this Placement Agreement, and compliance by the Authority with the provisions thereof and hereof, under the circumstances contemplated thereby and hereby, do not and will not in any material respect conflict with or constitute on the part of the Authority a breach of or default by the Authority under any indenture, deed of trust, mortgage, agreement or other instrument to which the Authority is a party, or conflict with, violate or result in a breach of any existing applicable law, public administrative rule or regulation, judgment, court order or consent decree to which the Authority is subject;

(e) All approvals, consents and orders of any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to the performance by the Authority of its obligations hereunder and under the Resolution, the State Contract, the Continuing Disclosure Agreement and the 2014 Series Notes have been obtained or will have been obtained as of the date of the Closing;

(f) The statements and information relating to the Authority contained in the Remarketing Circular under the captions "THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY," "THE TRANSPORTATION SYSTEM IMPROVEMENTS," "THE NEW JERSEY DEPARTMENT OF TRANSPORTATION" and "LITIGATION" do not, as of the date hereof, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements and information therein, in light of the circumstances under which they were made, not misleading;

(g) If the Remarketing Circular is supplemented or amended pursuant to Section 8 hereof, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to Section 8 hereof) at all times during the period from the date of such supplement or amendment to and including twenty-five (25) days following the end of the underwriting period for the 2014 Series Notes (as determined in accordance with Section 8 hereof), the statements and information contained under the captions "THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY," "THE TRANSPORTATION SYSTEM IMPROVEMENTS," "THE NEW JERSEY DEPARTMENT OF TRANSPORTATION" and "LITIGATION" in the Remarketing Circular as so supplemented or amended will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading;

(h) As of the date hereof, except as disclosed in the Remarketing Circular, there is not any action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending against the Authority, and the Authority has no knowledge of any such action, suit, proceeding, or investigation, at law or in equity before any court, public board or body in any other jurisdiction, and, to the knowledge of the Authority, no such action is threatened against the Authority, in any way contesting or questioning the due organization and lawful existence of the Authority or the title of any of the officers or members of the Authority to their offices, or seeking to restrain or to enjoin the reoffering, sale or delivery of the 2014 Series Notes, or pledging of revenues and other funds of the Authority referred to in the Resolution thereto, or in any way contesting or affecting the validity or enforceability of the 2014 Series Notes, the Resolution, the Continuing Disclosure Agreement, the State Contract or this Placement Agreement or contesting in any way the completeness or accuracy of the Remarketing Circular, or contesting the powers of the Authority or its authority with respect to the 2014 Series Notes, the Resolution, the State Contract, the Continuing Disclosure Agreement or this Placement Agreement;

The Remarketing Agent agrees to execute and deliver at Closing a "L. 2005, c. 51 and Executive Order No. 117 Certification of No Change" in the form attached hereto as **Exhibit C**, and the Remarketing Agent has agreed to continue to comply with the provisions of L. 2005, c. 51 and Executive Order No. 117 during the term of this Placement Agreement and for so long as the Remarketing Agent has any obligation under this Placement Agreement;

(f) In accordance with Executive Order No. 9, dated and effective as of December 6, 2004, the Remarketing Agent certifies that it has not employed or retained, directly or indirectly, any consultant who will be paid on a contingency basis if the Authority engages such firm to provide such remarketing and placement services in connection with the 2014 Series Notes;

The Authority agrees to reasonably cooperate with the Remarketing Agent and counsel to the Remarketing Agent in any endeavor to qualify the 2014 Series Notes for reoffering and sale under the securities or "Blue Sky" laws of such states as the Remarketing Agent may request and will assist, if necessary, in continuing the effectiveness of such qualification so long as required for the remarketing of the 2014 Series Notes. The Authority consents to the use of the Remarketing Circular by the Remarketing Agent in obtaining such qualification; provided, however, the Authority shall not be required to consent to service of process or to file a written consent to suit or service of process. The Authority's failure to consent to service of process or to file a written consent to suit or service of process shall not relieve the Remarketing Agent of its obligation to purchase and remarket the 2014 Series Notes under this Placement Agreement.

7. Conditions to the Remarketing Agent's Obligations. The Remarketing Agent's obligations hereunder shall be subject to the due performance by the Authority of its obligations and agreements to be performed hereunder at or prior to the Closing and to the accuracy of and compliance with the Authority's representations and warranties contained herein, as of the date hereof and as of the Closing, and are also subject to the following conditions:

Resolution, the State Contract and the Continuing Disclosure Agreement shall be fully enforceable in accordance with their terms.

(b) The Remarketing Agent shall not have elected to cancel its obligations hereunder to purchase the 2014 Series Notes, which election may be made by written notice by the Remarketing Agent to the Authority only if between the date hereof and the Closing: (i) legislation shall be enacted by the Congress of the United States or any legislation, ordinance, rule or regulation shall be enacted by any governmental body, department or agency of the State or a final decision by a federal court (including the Tax Court of the United States) or a court of the State shall be rendered, or a final ruling, regulation or release or official statement by or on behalf of, the Treasury Department of the United States, the Internal Revenue Service or other federal or State agency shall be made, with respect to federal or State taxation upon revenues or other income of the general character of interest on the 2014 Series Notes, or which would have the effect of changing directly or indirectly the federal or State income tax consequences of interest on bonds of the general character of the 2014 Series Notes in the hands of the holders thereof, and which in the Remarketing Agent's reasonable opinion, materially adversely affects the marketability of the 2014 Series Notes; (ii) a stop order, ruling or regulation by, or on behalf of, the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall be issued or made (which is beyond the control of the Remarketing Agent or the Authority to prevent or avoid) to the effect that the reoffering or sale of the 2014 Series Notes, as contemplated by this Placement Agreement or by the Remarketing Circular, or any document relating to the reoffering or sale of the 2014 Series Notes, is in violation or would be in violation of any provision of the Securities Act of 1933, as amended, or the registration provisions of the Securities Exchange Act of 1934, as amended, or of the Trust Indenture Act of 1939, as amended as of the Closing; (iii) legislation shall be enacted by the Congress of the United States of America, or a final decision by a court of the United States of America shall be rendered, that has the effect of requiring the 2014 Series Notes to be registered under the Securities Act of 1933, as amended and as then in effect, or the Securities Exchange Act of 1934, as amended and as then in effect, or requiring the Resolution to be qualified under the Trust Indenture Act of 1939, as amended, and as then in effect; (iv) any event shall have occurred that, in the reasonable judgment of the Remarketing Agent, either (A) makes untrue or incorrect in any material respect any statement or information contained in the Remarketing Circular, or (B) is not reflected in the Remarketing Circular but should be reflected therein in order to make the statements and information contained therein, in light of the circumstances under which they were made, not misleading in any materially adverse respect, and, such event in the reasonable judgment of the Remarketing Agent, materially adversely affects (x) the marketability of the 2014 Series Notes or (y) the ability of the Remarketing Agent to enforce confirmations of or contracts for the sale of the 2014 Series Notes; (v) a general banking moratorium shall have been declared by federal or State authorities and be in force; (vi) since the date of this Placement Agreement, there shall have occurred any new outbreak of hostilities or other national or international crisis or calamity, the effect of which on the financial markets of the United States of America, in the reasonable judgment of the Remarketing Agent, is such as to materially and adversely affect the ability of the Remarketing Agent to enforce

confirmations of or contracts for the sale of the 2014 Series Notes; or (vii) there shall be in force a general suspension of trading on the New York Stock Exchange, the effect of which on the financial markets is such as to materially and adversely affect the marketability of the 2014 Series Notes.

at the time the Remarketing Circular is delivered to the Remarketing Agent, not misleading. For the purpose of this Section 8, the Authority will furnish such information with respect to itself or the State as the Remarketing Agent may from time to time reasonably request. The cost of any copies of such amendment or supplement to the Remarketing Circular in excess of 200 shall be borne by the Remarketing Agent. Re: New Jersey Transportation Trust Fund Authority
Conversion and Remarketing of
Transportation Program Notes (Fixed Rate), 2014 Series BB-1

Ladies and Gentlemen:

We have acted as bond counsel to the New Jersey Transportation Trust Fund Authority (the "Authority"), a public body corporate and politic organized and existing under the laws of the State of New Jersey (the "State") created pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, constituting Chapter 73 of the Laws of New Jersey of 1984, as amended and supplemented (the "Act"), in connection with the conversion and remarketing by the Authority of its \$150,000,000 Transportation Program Notes (Fixed Rate), 2014 Series BB-1 (the "2014 Series Notes"). This opinion is being delivered pursuant to Section 7(c)(ii) of the Remarketing and Placement Agreement, dated _____, 2019 (the "Placement Agreement") between the Authority and Wells Fargo Bank, National Association, as Remarketing Agent. Capitalized terms used but not defined herein shall have the meanings given them in the Placement Agreement or in the Remarketing Circular, dated _____, 2019 (the "Remarketing Circular") for the remarketing of the 2014 Series Notes.

The 2014 Series Notes were originally issued on November 25, 2014 in accordance with the provisions of New Jersey Transportation Trust Fund Authority Act of 1984, L. 1984, c. 73, as amended (the "Act"), and the Authority's 2012 Transportation Program Bond Resolution, adopted on October 26, 2012, as amended and supplemented (the "General Bond Resolution"), including as supplemented by the Third Supplemental Transportation Program Bond Resolution adopted by the Authority on October 22, 2014 (the "Third Supplemental Resolution"), and a Series Certificate of the Authority, dated as of November 13, 2014 (the "2014 Series Certificate"). The 2014

Series Notes are being converted and remarketed at a Fixed Rate for a Fixed Rate Period effective until the Maturity Date of the 2014 Series Notes (as so converted and remarketed, the 2014 Series Notes are referred to herein as the "Remarketed Notes") pursuant to the provisions of the Act and the General Bond Resolution, as amended and supplemented, including by the Third Supplemental Resolution, the 2014 Series Certificate, the Seventh Supplemental Transportation Program Bond Resolution adopted by the Authority on September 5, 2019 (the "Seventh Supplemental Resolution"), and a Series Certificate of the Authority, dated as of _____, 2019 (the "Conversion and Remarketing Series Certificate"). The General Bond Resolution, as amended and supplemented, including by the Third Supplemental Resolution, the 2014 Series Certificate, the Seventh Supplemental Resolution and the Conversion and Remarketing Series Certificate is collectively referred to herein as the "Resolution."

The Act provides for certain payments to be made from the Transportation Trust Fund Account in the State General Fund to the Authority, subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature for such purpose. Pursuant to the Act, the Authority has entered into an agreement entitled "Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds," dated as of January 9, 2019, which amends and restates in its entirety the "Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds" dated as of December 4, 2012 (as amended and restated, the "State Contract"), with the State Treasurer and the Commissioner of the New Jersey Department of Transportation to implement such payments and other arrangements provided for in the Act.

In rendering the opinions set forth below, we have examined such matters of law and documents, certificates, records and other instruments as we have deemed necessary or appropriate to express the opinions set forth below, including, without limitation, the Act, original counterparts or certified copies of the Resolution, the State Contract, the Placement Agreement, the Continuing Disclosure Agreement and the other documents, certifications, instruments, opinions and records delivered in connection with the conversion and remarketing of the Remarketed Notes. In rendering the opinions set forth below, we have assumed and relied upon, with your permission, the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies. As to any facts material to our opinions we have relied, with your permission, upon the truthfulness, completeness and accuracy of the aforesaid instruments, certificates, opinions (other than the Attorney General's opinion), records and other documents without any independent investigation thereof.

Based on the foregoing, we are of the opinion that:

(1) The Placement Agreement and the Continuing Disclosure Agreement have been duly authorized, executed and delivered by the Authority and constitute legal, valid and binding obligations of the Authority, enforceable against the Authority in accordance with their respective terms, except as the enforcement thereof

may be affected by applicable bankruptcy, insolvency, moratorium or other similar laws or legal principles relating to the enforcement of creditors' rights generally from time to time in effect and to the scope of equitable remedies which may be available.

(2) The Continuing Disclosure Agreement has been duly executed and delivered by the State Treasurer and constitutes a legal, valid and binding obligation of the State Treasurer, enforceable against the State Treasurer in accordance with its terms, except as the enforcement thereof may be affected by applicable bankruptcy, insolvency, moratorium or other similar laws or legal principles relating to the enforcement of creditors' rights generally from time to time in effect and to the scope of equitable remedies which may be available.

(3) The information in the sections of the Remarketing Circular (except for the financial, tabular and other statistical information included therein) entitled "INTRODUCTION," "PLAN OF REMARKETING," "SOURCES OF PAYMENT AND SECURITY FOR THE 2014 SERIES BB-1 NOTES," "STATUTORY DEBT ISSUANCE LIMITATIONS," "PRIOR BONDS," "DESCRIPTION OF THE 2014 SERIES BB-1 NOTES" (except for the information under the caption "Book-Entry Only System"), "THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY - Legal Authority and Responsibilities," "THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY - Powers of the Authority," "LEGALITY FOR INVESTMENT," and "CONTINUING DISCLOSURE" (other than the [last three paragraphs] in the section entitled CONTINUING DISCLOSURE, as to which no opinion is expressed) was, as of the date of the Remarketing Circular, and is, as of the date hereof, a true and accurate summary and description in all material respects of the information summarized or described therein. The statements on the front cover and contained in the section of the Remarketing Circular entitled "TAX MATTERS," insofar as such statements purport to summarize certain provisions of Federal and State tax law, regulations and rulings, are true and accurate summaries in all material respects of the provisions so summarized.

(4) The Authority has duly authorized the execution, delivery, and distribution of the Remarketing Circular.

(5) The Remarketed Notes are not required to be registered under the Securities Act of 1933, as amended, and the Resolution is not required to be qualified under the Trust Indenture Act of 1939, as amended.

(6) All approvals, consents and orders of any governmental authority, board, agency or commission having jurisdiction (other than any Blue Sky or other state securities laws approvals) which constitute a condition precedent to the performance by the Authority of its obligations under the Placement Agreement and the Remarketed

In accordance with our understanding with you, we have participated in the preparation of the Remarketing Circular and in that connection have participated in conferences with officers and representatives of the Authority, the State Treasurer, the Attorney General of the State, the Remarketing Agent, and Counsel to the Remarketing Agent. Based upon our participation in the preparation of the Remarketing Circular and without having undertaken to determine independently the accuracy or completeness of the statements contained in the Remarketing Circular other than as set forth in Paragraph 3 above, we have no reason to believe that, as of the date of the Remarketing Circular and as of the date hereof, the Remarketing Circular (except for the financial, tabular and other statistical information included therein, information with respect to DTC and the book-entry system for the Remarketed Notes and the information contained in the sections therein entitled "LITIGATION" and in Appendices I and V thereto, as to all of which no view is expressed) contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The opinions expressed herein are based upon, and limited to, the laws and judicial decisions of the State, exclusive of conflicts of law provisions, and the federal laws and judicial decisions of the United States as of the date hereof and are subject to any amendment, repeal or other modification of the applicable laws or judicial decisions that served as the basis for our opinions, or laws or judicial decisions hereafter enacted or rendered. Our engagement by the Authority with respect to the opinions expressed herein does not require, and shall not be construed to constitute, a continuing obligation on our part to notify or otherwise inform the addressees hereof of the amendment, repeal or other modification of the applicable laws or judicial decisions that served as the basis for this opinion letter or of laws or judicial decisions hereafter enacted or rendered which impact on this opinion letter.

This opinion is furnished by us as bond counsel to the Authority and may be relied upon only by the addressees hereto in connection with the conversion and remarketing of the Remarketed Notes. Re: New Jersey Transportation Trust Fund Authority
Conversion and Remarketing of
Transportation Program Notes (Fixed Rate), 2014 Series BB-1

Dear State Treasurer and Members of the Authority:

We have acted as counsel to the State of New Jersey (the "State") and the New Jersey Transportation Trust Fund Authority (the "Authority") in connection with the conversion and remarketing of the above-referenced obligations (the "2014 Series Notes"). The 2014 Series Notes were originally issued on November 25, 2014 in accordance with the provisions of New Jersey Transportation Trust Fund Authority Act of 1984, L. 1984, c.73, as amended (the "Act"), and the Authority's 2012 Transportation Program Bond Resolution, adopted on October 26, 2012, as amended and supplemented (the "General Bond Resolution"), including as supplemented by the Third Supplemental Transportation Program Bond Resolution adopted by the Authority on October 22, 2014 (the "Third Supplemental Resolution"), and a Series Certificate of the Authority, dated as of November 13, 2014 (the "2014 Series Certificate").

The 2014 Series Notes are being converted and remarketed at a Fixed Rate for a Fixed Rate Period effective until the Maturity Date of the 2014 Series Notes (as so converted and remarketed, the 2014 Series Notes are referred to herein as the "Remarketed Notes") pursuant to the provisions of the Act and the General Bond Resolution, as amended and supplemented, including by the Third Supplemental Resolution, the 2014 Series Certificate, the Seventh Supplemental Transportation Program Bond Resolution adopted by the Authority on September 5, 2019 (the "Seventh Supplemental Resolution"), and a Series Certificate of the Authority, dated as of _____, 2019 (the "Conversion and Remarketing Series Certificate"). The General Bond Resolution, as amended and supplemented, including by the Third Supplemental Resolution, the 2014 Series Certificate, the Seventh Supplemental Resolution and the Conversion and Remarketing Series Certificate, is collectively referred to herein as the "Resolution."

We have examined executed copies of: (i) the “Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds,” dated as of January 9, 2019 (the “State Contract”), by and among the State Treasurer, the Authority and the Commissioner of the New Jersey Department of Transportation; (ii) the Resolution; (iii) the Remarketing and Placement Agreement, dated _____, 2019 (the “Placement Agreement”), between Wells Fargo Bank, National Association, as the Remarketing Agent, and the Authority; (iv) the Remarketing Circular, dated _____, 2019 (the “Remarketing Circular”); and (v) the Amended and Restated Continuing Disclosure Agreement, dated _____, 2019 (the “Continuing Disclosure Agreement”), by and among the Authority, the State Treasurer and U.S. Bank National Association, as Dissemination Agent.

In connection with the opinions set forth below, we have examined such other documents, records of the Authority, and other instruments, including original counterparts or certified copies of the State Contract, the General Bond Resolution, the Third Supplemental Resolution, the 2014 Series Certificate, the Seventh Supplemental Resolution, the Conversion and Remarketing Series Certificate, the Placement Agreement, the Continuing Disclosure Agreement, the Remarketing Circular and the other documents listed in the closing memorandum relating to the Remarketed Notes and such matters of law and other proofs, as we deemed necessary to enable us to express the opinions set forth below. Capitalized terms used herein not otherwise defined herein shall have the meanings ascribed to them in the Resolution.

Based upon the foregoing, we are of the opinion that:

1. Based on such inquiry and investigation as we have deemed sufficient, except as otherwise set forth in the Remarketing Circular, there is no litigation or other proceeding pending in any court or in any State agency or other administrative body which would affect the adoption of the General Bond Resolution, the Third Supplemental Resolution or the Seventh Supplemental Resolution, or that would restrain or enjoin the execution and delivery by the Authority of the 2014 Series Certificate, the Conversion and Remarketing Series Certificate, the State Contract, the Continuing Disclosure Agreement, the Placement Agreement or the Remarketed Notes or would have a materially adverse effect on the ability of the Authority to carry out its obligations under such documents or in any way questioning the validity of any of the provisions of the General Bond Resolution, the Third Supplemental Resolution, the 2014 Series Certificate, the Seventh Supplemental Resolution, the Conversion and Remarketing Series Certificate, the Continuing Disclosure Agreement, the Placement Agreement or the State Contract or the validity of the Remarketed Notes, nor do we have direct personal knowledge that any such litigation or proceeding is threatened.

2. The adoption of the General Bond Resolution, the Third Supplemental Resolution, and the Seventh Supplemental Resolution, and the execution and delivery of the 2014 Series Certificate, the State Contract, the Placement Agreement, the Continuing Disclosure Agreement and the Conversion and Remarketing Series Certificate and compliance with the provisions thereof under the

circumstances contemplated thereby, do not or did not, as applicable, and will not in any material respect conflict with or constitute on the part of the Authority a breach of or default under any regulation, court order or consent decree to which the Authority is subject.

3. No additional or further approval, consent or authorization of any governmental or public agency or authority or any institution not already obtained is required for the adoption and execution by the Authority and performance of its obligations under the General Bond Resolution, the Third Supplemental Resolution, the 2014 Series Certificate, the Seventh Supplemental Resolution, the Conversion and Remarketing Series Certificate, the State Contract, the Placement Agreement or the Continuing Disclosure Agreement, with the exception that the offer and sale of the Remarketed Notes in certain jurisdictions may be subject to the provisions of the securities or "Blue Sky" laws of such jurisdictions.

4. Based upon such inquiry and investigation as we have deemed sufficient, except as otherwise set forth in the Remarketing Circular, there is no litigation or other proceeding in any court or in any State agency or other administrative body which would restrain or enjoin the execution and delivery by the State Treasurer of the State Contract or the Continuing Disclosure Agreement or would have an adverse effect on the State Treasurer's power to make the payments under the State Contract or in any way questioning the validity of any of the provisions of the State Contract or the Continuing Disclosure Agreement, nor do we have direct personal knowledge that any such litigation or proceeding is threatened.

5. No approval or other action by any governmental body, authority or agency is required in connection with the execution or performance by the Treasurer of the obligations under the State Contract or the Continuing Disclosure Agreement which has not already been obtained or taken; provided, however, that any payments under the State Contract are subject to, and dependent upon appropriation by the State Legislature.

6. To the best of our knowledge, the statements appearing under the caption "LITIGATION" in the Remarketing Circular are accurate and complete in all material respects as of the date of the Remarketing Circular and as of the date hereof.

In addition, we wish to advise you that no opinion is being rendered as to the availability of any particularly remedy under any of the documents set forth above. This opinion is given as of the date of delivery hereof and no opinion is expressed as to any matter not explicitly set forth herein. This opinion is rendered solely in connection with the issuance of the Remarketed Notes by the Authority and may not be relied upon by any person other than the addressees hereof.

Sincerely yours,

GURBIR S. GREWAL
ATTORNEY GENERAL OF NEW JERSEY

FORM OF OPINION OF COUNSEL TO REMARKETING AGENT

_____, 2019

Wells Fargo Bank, National Association

Philadelphia, PA 19109

Re: \$150,000,000 New Jersey Transportation Trust Fund Authority
Transportation Program Notes (Fixed Rate), 2014 Series BB-1

We have acted as your counsel in connection with the conversion and remarketing of the above-captioned notes (the “Notes”) as contemplated under a Remarketing and Placement Agreement dated _____, 2019 (the “Placement Agreement”), by and between the New Jersey Transportation Trust Fund Authority (the “Authority”) and Wells Fargo Bank, National Association (the “Remarketing Agent”). Unless otherwise defined herein, capitalized terms have the meanings ascribed to them in the Placement Agreement.

In connection with our engagement, we have examined originals or copies, certified or otherwise identified to our satisfaction as being true copies, of the documents delivered on this date pursuant to the Placement Agreement, and such other matters and law as we deemed necessary. We have also reviewed, and believe you may reasonably rely upon, the opinions (other than the opinion of the New Jersey Attorney General) delivered to you today pursuant to the Placement Agreement, including the opinion delivered to you today by Chiesa Shahinian & Giantomasi PC, Bond Counsel.

Based upon the foregoing, we are of the opinion that:

1. The reoffering and sale of the Notes is exempt from registration under the Securities Act of 1933, as amended, and the Resolution is not required to be qualified under the Trust Indenture Act of 1939, as amended.
2. The Continuing Disclosure Agreement complies with the requirements of paragraph (b)(5) of Rule 15c2-12 promulgated pursuant to the Securities Exchange Act of 1934, as amended, in effect as of the date hereof.

We are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of any of the statements in the Preliminary Remarketing Circular and the Remarketing Circular and make no representation that we have independently verified the accuracy, completeness or fairness of any such statements. However, to assist the Remarketing Agent in its investigation concerning the Preliminary

Remarketing Circular and the Remarketing Circular, certain of our lawyers responsible for this matter have reviewed certain documents and have participated in teleconferences with you, officers, agents, and employees of the Authority and the Treasurer, Bond Counsel, and with the Office of the Attorney General of the State of New Jersey, as counsel to the Authority and the Treasurer, in which the contents of the Preliminary Remarketing Circular and the Remarketing Circular and related matters were discussed. During the course of our work on this matter, nothing has come to our attention that causes us to believe that the Preliminary Remarketing Circular, as of its date, or the Remarketing Circular, as of its date or the date hereof, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements made in the Preliminary Remarketing Circular and the Remarketing Circular, in light of the circumstances under which they were made, not misleading; provided, however, we express no opinion as to (a) expressions of opinion, assumptions, projections, financial statements, or other financial, numerical, economic, demographic, statistical or accounting data, or information or assessments of or reports on the effectiveness of internal control over financial reporting contained in the Preliminary Remarketing Circular and the Remarketing Circular or in any Appendices thereto, (b) any information or statements relating to the book-entry-only system and The Depository Trust Company, or (c) Appendices I through VII of the Preliminary Remarketing Circular and the Remarketing Circular.

Reference in this letter to “our lawyers responsible for this matter” refers only to those lawyers now with this firm who rendered legal services in connection with our representation of you in this matter.

We are furnishing this letter to you solely for your benefit. We disclaim any obligation to update this letter. This letter is not to be used, circulated, quoted or otherwise referred to or relied upon by any other person. This letter is not intended to, and may not, be relied upon by holders of the Notes or any party who is not the Remarketing Agent.

Notwithstanding anything to the contrary contained herein, we acknowledge that this opinion is a government record subject to release under the Open Public Records Act (N.J.S.A. 47:1A-1 et seq.).

Very truly yours,

This Remarketing Circular has been prepared by the New Jersey Transportation Trust Fund Authority (the “Authority”) in connection with the remarketing of its \$150,000,000 Transportation Program Notes, (Fixed Rate), 2014 Series BB-1 (the “2014 Series BB-1 Notes”) in connection with the conversion of the interest rate on the 2014 Series BB-1 Notes to Fixed Rate (as described herein) for a Fixed Rate Period ending on the earlier of the date of redemption or the final maturity date of the 2014 Series BB-1 Notes.

Tax Matters:

*On the issue date of the 2014 Series BB-1 Notes, DeCotiis, FitzPatrick & Cole, LLP, Teaneck, New Jersey, as bond counsel to the Authority (“Original Bond Counsel”), delivered an opinion (the “Original Opinion”) with respect to the 2014 Series BB-1 Notes which stated that, pursuant to the applicable provisions of the Internal Revenue Code of 1986, as amended (the “Code”) and related rulings, regulations and judicial decisions, and assuming compliance by the Authority with the Tax Certificate delivered on the date of issuance of the 2014 Series BB-1 Notes, interest on the 2014 Series BB-1 Notes is not included in gross income for federal income tax purposes and is not an item of tax preference for purposes of calculating the alternative minimum tax imposed on individuals and corporations; however, interest on the 2014 Series BB-1 Notes held by corporate taxpayers is included in the relevant income computation for calculation of the federal alternative minimum tax imposed on corporations as a result of the inclusion of interest on the 2014 Series BB-1 Notes in “adjusted current earnings.” The Original Opinion also stated that interest on and any gain from the sale of the 2014 Series BB-1 Notes are not includable as gross income under the New Jersey Gross Income Tax Act. **The Original Opinion is not required to be, and has not been, updated or reissued in connection with the conversion and remarketing of the 2014 Series BB-1 Notes and speaks only as of its date.** On the Mandatory Purchase Date, specified below, Chiesa Shahinian & Giantomasi PC, West Orange, New Jersey, Bond Counsel to the Authority (“Bond Counsel”), will deliver an opinion to the effect that the conversion and remarketing of the 2014 Series BB-1 Notes will not adversely affect any exclusion from gross income for federal income tax purposes of interest on the 2014 Series BB-1 Notes. In the opinion of Bond Counsel, interest on the 2014 Series BB-1 Notes and any gain on the sale thereof are not includable in gross income under the existing New Jersey Gross Income Tax Act. See “TAX MATTERS” herein.*

Redemption:

The 2014 Series BB-1 Notes are subject to redemption prior to maturity as described herein. See “DESCRIPTION OF THE 2014 SERIES BB-1 NOTES” herein.

THE OBLIGATION OF THE STATE TO MAKE PAYMENTS UNDER THE STATE CONTRACT IS SUBJECT TO AND DEPENDENT UPON APPROPRIATIONS BEING MADE FROM TIME TO TIME BY THE NEW JERSEY STATE LEGISLATURE (THE “STATE LEGISLATURE”) FOR SUCH PURPOSE. THE STATE LEGISLATURE HAS NO LEGAL OBLIGATION TO MAKE ANY SUCH APPROPRIATIONS. See “SOURCES OF PAYMENT AND SECURITY FOR THE 2014 SERIES BB-1 NOTES” herein.

The 2014 Series BB-1 Notes shall not, in any way, be a debt or liability of the State or of any political subdivision thereof (other than the Authority to the limited extent set forth in the Resolution (as defined herein)) and shall not create or constitute an indebtedness, liability or obligation of the State or of any political subdivision thereof (other than the Authority to the limited extent set forth in the Resolution) or be or constitute a pledge of the faith and credit of the State or any political subdivision thereof. The Authority has no taxing power.

Interest Rates:

The 2014 Series BB-1 Notes will be remarketed to bear interest at the interest rates set forth on the inside cover and will continue to bear interest at such rates until the earlier of the date of redemption or the final maturity date thereof.

REMARKETING CIRCULAR
relating to
\$150,000,000
NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY
TRANSPORTATION PROGRAM NOTES
(FIXED RATE), 2014 SERIES BB-1

INTRODUCTION

On November 25, 2014, the New Jersey Transportation Trust Fund Authority (the “Authority”) issued its Transportation Program Notes (SIFMA Index Multimodal Notes) 2014 Series BB-1 in the original aggregate principal amount of \$150,000,000. In connection with the conversion and remarketing described herein, the Authority has re-designated such obligations as the Transportation Program Notes (Fixed Rate), 2014 Series BB-1 (the “2014 Series BB-1 Notes”).

This Remarketing Circular is provided to furnish information regarding the remarketing of the 2014 Series BB-1 Notes in accordance with the provisions of the Third Supplemental Resolution, the 2014 Series Certificate, the Seventh Supplemental Resolution and the Series Certificate (each as defined below), in connection with the conversion of the Interest Period of the 2014 Series BB-1 Notes from a SIFMA Index Rate Period to a Fixed Rate Period. After the Mandatory Purchase Date (as hereinafter defined), the 2014 Series BB-1 Notes shall continue to accrue interest in the Fixed Rate Period until the earlier of the date of redemption or final maturity.

The Authority was created by the State of New Jersey (the “State”) in 1984 pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, as amended and supplemented, constituting N.J.S.A. 27:1B-1 et seq. (the “Act”), to provide a stable, predictable funding mechanism for transportation system improvements undertaken by the New Jersey Department of Transportation (the “Department”). Transportation system improvements financed by the Authority include expenditures for the planning, acquisition, engineering, construction, repair, maintenance and rehabilitation of public facilities for ground, water or air transportation of people or goods. The Authority also finances State aid to counties and municipalities for transportation system improvements.

The Authority is governed by seven members, including the Commissioner of the New Jersey Department of Transportation (the “Commissioner”) and the Treasurer of the State (the “State Treasurer”), both of whom serve as ex-officio members.

The Act, among other things, provides for (i) the funding of transportation projects and (ii) the issuance of bonds, notes or other obligations, including subordinated obligations, by the Authority. The Act, as most recently amended by L. 2016, c. 56, enacted on October 14, 2016 (the “2016 Legislation”), authorizes the issuance of new money Transportation Program Bonds for the period commencing on the day that Assembly Concurrent Resolution No. 1 of 2015, an amendment to Article VIII, Section II, paragraph 4 of the New Jersey Constitution, took effect (December 8, 2016), and ending June 30, 2024 in an amount not in excess of \$12,000,000,000. The issuance of bonds, notes or other obligations, including subordinated obligations, of the Authority for refunding purposes is not subject to the foregoing limit; except that, any premiums received in connection with the issuance of Transportation Program Bonds shall count against any limitation as to the amount of Transportation Program Bonds the Authority may issue during the period described above. See “STATUTORY DEBT ISSUANCE LIMITATIONS” herein.

The Act, as amended by L. 2012, c. 13, effective on June 29, 2012 (the “2012 Legislation”), provides that the payment of debt service on Transportation Program Bonds and any agreement securing such Transportation Program Bonds shall be paid solely from revenues dedicated pursuant to the New Jersey State Constitution (the “State Constitution”), including Article VIII, Section II, paragraph 4 (the “Constitutionally Dedicated Revenues”), and deposited into the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds (the “Subaccount for Debt Service for Transportation Program Bonds”) established pursuant to the Act. See “SOURCES OF PAYMENT AND SECURITY FOR THE 2014 SERIES BB-1 NOTES – Constitutional Dedication of Certain State Revenues” herein.

To implement the financing arrangement provided for by the 2012 Legislation, the Authority adopted its 2012 Transportation Program Bond Resolution, and the Authority, the State Treasurer and the Commissioner entered into the “Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with respect to Transportation Program Bonds”, dated as of December 4, 2012, as amended and restated in its entirety by an agreement entitled “Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds,” dated as of January 9, 2019, as may be further amended from time to time (as amended and restated, the “State Contract”).

The 2014 Series BB-1 Notes were issued pursuant to the provisions of the Act, and the 2012 Transportation Program Bond Resolution (the “2012 Transportation Program Bond Resolution”) on October 26, 2012, as amended and supplemented, including by the Third Supplemental Transportation Program Bond Resolution, adopted on October 22, 2014 (the “Third Supplemental Resolution”), a series certificate of the Authority dated as of November 13, 2014 (the “2014 Series Certificate”), the Seventh Supplemental Transportation Program Bond Resolution adopted by the Authority on September 5, 2019 (the “Seventh Supplemental Resolution”), and a Series Certificate of the Authority, dated as of _____, 2019 (the “Series Certificate”). The Authority’s 2012 Transportation Program Bond Resolution, as amended and supplemented, including by the Third Supplemental Resolution, the 2014 Series Certificate, the Seventh Supplemental Resolution and the Series Certificate, and as the same may be amended and supplemented from time to time, is collectively referred to herein as the “Resolution” or “Program Bond Resolution.”

The Resolution constitutes a contract between the Authority and the holders of the bonds issued and outstanding thereunder. All such bonds, including the 2014 Series BB-1 Notes, are referred to collectively as the “Bonds.” All capitalized terms used but not defined in this Remarketing Circular shall have the meanings given to them in the Resolution. See “APPENDIX II — COPY OF THE RESOLUTION.”

The 2014 Series BB-1 Notes remarketed by this Remarketing Circular were the third Series of Bonds (or notes, as applicable), issued under the Resolution and are secured on a parity with the Authority’s Transportation Program Bonds, 2012 Series AA issued on December 11, 2012, Transportation Program Bonds, 2013 Series AA issued on August 24, 2013, Transportation Program Bonds, 2014 Series AA issued on November 25, 2014, Transportation Program Notes, Series 2014 BB-2 issued on November 25, 2014, Transportation Program Bonds, 2015 Series AA issued on December 2, 2015 and Transportation Program Bonds, 2019 Series AA issued on January 16, 2019 (collectively, the “Outstanding Transportation Program Bonds”) and with all Bonds to be issued from time to time under the Resolution. As of _____, 2019, the aggregate principal amount of Outstanding Transportation Program Bonds is \$_____.

The 2014 Series BB-1 Notes are secured by the Pledged Property (as defined in the Resolution) which consists primarily of revenues received by the Authority from the State pursuant to the Act and the State Contract. The payment of all such revenues to the Authority is subject to and dependent upon

appropriations being made from time to time by the State Legislature. However, the State Legislature has no legal obligation to make any such appropriations. See “SOURCES OF PAYMENT AND SECURITY FOR THE 2014 Series BB-1 Notes - Property Pledged to the 2014 Series BB-1 Notes; the State Contract; the Act; the Resolution” herein.

As of _____, 2019, the Authority had outstanding \$_____ in aggregate principal amount of its Transportation System Bonds (the “Prior Bonds”) issued under its 1995 Transportation System Bond Resolution, as amended and supplemented (the “Prior Bond Resolution”). All Prior Bonds are payable from the Constitutionally Dedicated Revenues, which are also the source of payment for the Transportation Program Bonds, and the Prior Bonds also benefit from certain statutorily dedicated revenues which may not be used to pay debt service on Transportation Program Bonds. It is anticipated that no further bonds will be issued under the Prior Bond Resolution other than Refunding Bonds (as such term is defined therein). Bonds issued by the Authority to finance future State Transportation System Costs are expected to be issued as (i) Transportation Program Bonds under the Program Bond Resolution, and (ii) Federal Highway Reimbursement Notes.

Concurrently with the remarketing of the 2014 Series BB-1 Notes, the Authority is issuing its \$_____ * Transportation Program Bonds, 2019 Series BB (the “2019 Series BB Bonds”) on a parity with the 2014 Series BB-1 Notes and all Outstanding Bonds and all other Bonds to be issued from time to time under the Program Bond Resolution. The 2019 Series BB Bonds are being issued for the purposes of: (i) paying State Transportation System Costs, and (ii) paying certain costs of issuance of the 2019 Series BB Bonds. The 2019 Series BB Bonds are not being offered pursuant to this Remarketing Circular.

All references in this Remarketing Circular to the Act and the Resolution are qualified in their entirety by reference to the complete text of the Act and the Resolution, copies of which are available from the Authority, and all references to the 2014 Series BB-1 Notes are qualified in their entirety by reference to the definitive form thereof and the provisions with respect thereto contained in the Resolution.

PLAN OF REMARKETING

In accordance with the terms of the Resolution, the 2014 Series BB-1 Notes have been called for mandatory purchase on _____, 2019 (the “Mandatory Purchase Date”) in connection with the conversion of the 2014 Series BB-1 Notes to bear interest at a Fixed Rate for a period ending on the earlier of the date of redemption or the final maturity date of the 2014 Series BB-1 Notes. On the Mandatory Purchase Date, the 2014 Series BB-1 Notes will be remarketed and placed by the Remarketing Agent and the remarketing proceeds will be applied to purchase the 2014 Series BB-1 Notes tendered for mandatory purchase on such date. After the Mandatory Purchase Date, the 2014 Series BB-1 Notes will not be supported by a Credit Facility.

SOURCES OF PAYMENT AND SECURITY FOR THE 2014 SERIES BB-1 NOTES

Property Pledged to the 2014 Series BB-1 Notes; the State Contract; the Act; the Resolution

The 2014 Series BB-1 Notes are payable and secured under the Resolution on a parity with the Outstanding Transportation Program Bonds and all other Bonds to be issued from time to time thereunder. All Bonds issued under the Resolution are special obligations of the Authority payable solely from the property pledged to their payment as hereinafter described. Pursuant to the Resolution, all of such property is pledged and assigned as security for the payment of the principal of and interest on the Bonds as well as (i) the Authority’s reimbursement obligations or scheduled swap payments with respect to any Financing

* Preliminary, subject to change.

Facility (which include Swap Agreements and reimbursement agreements for credit facilities) which it may obtain in connection with the issuance of any Series of Bonds and (ii) any Subordinated Debt which may be issued under the Resolution. Currently, there is no Subordinated Debt or Financing Facilities outstanding under the Resolution. The Resolution provides that all Pledged Property shall immediately become subject to the lien of said pledge without any physical delivery thereof or further act, and that such lien shall be valid and binding against all persons having claims of any kind in tort, contract or otherwise against the Authority. See “APPENDIX II — COPY OF THE RESOLUTION — Section 501 – The Pledge Effected by the Resolution” herein.

Pursuant to the Resolution, the “Pledged Property” consists of:

(i) with respect to the Bond Payment Obligations and, to the extent provided in any Supplemental Resolution or Series Certificate authorizing a Series which is to be secured, in whole or in part, by, or payable, in whole or in part, from, a Financing Facility, the applicable Financing Facility Payment Obligations, the State Contract, the Revenues and Funds, other than the Program Rebate Fund and the Proceeds Account of the Transportation Program Improvement Fund, including Investment Securities held in any such Fund under the Resolution, together with all proceeds and revenues of the foregoing and all of the Authority’s right, title and interest in and to the foregoing, and all other moneys, securities or funds pledged for the payment of the Bonds in accordance with the terms and provisions of the Resolution,

(ii) with respect to any Series of Bonds in connection with which the Authority has obtained a Financing Facility, and to the extent provided in the applicable Supplemental Resolution or Series Certificate, the applicable Financing Facility and Financing Facility Revenues and all moneys from time to time held in any applicable subaccount within the Program Debt Service Fund, and

(iii) with respect to any Subordinated Debt, the amounts, if any, on deposit from time to time in the Program Subordinated Debt Fund and available for such payment.

Under the Resolution, “Revenues” means: (i) all amounts appropriated and paid to the Authority from the State Transportation Trust Fund Account - Subaccount for Debt Service for Transportation Program Bonds in the State General Fund pursuant to the Act, (ii) all amounts appropriated and paid to the Authority by the State Treasurer pursuant to the State Contract, (iii) all Swap Revenues, and (iv) interest received or to be received on any moneys or securities held pursuant to the Resolution and paid or required to be paid into the Transportation Program Improvement Fund – Non Proceeds Account; provided, however, that the term “Revenues” does not include Financing Facility Revenues, which are all amounts received by the Authority or the Trustee pursuant to any Financing Facility, or “Revenues” as defined in any other resolution of the Authority. “Funds” constituting the Pledged Property are any Funds established pursuant to the Resolution, including any moneys or Investment Securities held therein, other than the Program Rebate Fund and the Proceeds Account of the Transportation Program Improvement Fund.

Pursuant to the Act, the Authority, the State Treasurer and the Commissioner entered the State Contract. The State Contract implements the financing and funding arrangements contemplated by the Act, as amended by the 2012 Legislation and the 2016 Legislation. A copy of the State Contract is attached as APPENDIX III to this Remarketing Circular.

All payments by the State to the Authority are subject to and dependent upon appropriations being made from time to time by the State Legislature for the purposes of the Act. See APPENDIX I attached hereto for a summary of certain financial and other information relating to the State. The State Legislature has always made appropriations in previous Fiscal Years in amounts sufficient to pay debt service on the Bonds, the Prior Bonds and all other obligations of the Authority issued under the Resolution or the Prior Bond Resolution. However, the State Contract does not legally obligate the State Legislature to appropriate

moneys sufficient to pay amounts when due on the 2014 Series BB-1 Notes or otherwise due under the State Contract. Thus, although the Resolution provides for the remedy of specific performance to require the Authority to perform its covenants in the Resolution (including its covenants to enforce the terms of the State Contract), there are no remedies available to the Bondholders in the event that the State Legislature does not appropriate sufficient funds to make payments when due under the State Contract.

Event of Non-Appropriation

An “Event of Non-Appropriation” shall be deemed to have occurred under the Resolution if the State Legislature shall fail to appropriate funds to the Authority for any Fiscal Year in an amount sufficient to pay when due the Authority’s Bond Payment Obligations and Financing Facility Payment Obligations coming due in such Fiscal Year.

The Resolution provides that, notwithstanding anything contained therein to the contrary, a failure by the Authority to pay when due any Bond Payment Obligations, Swap Payment Obligations or Financing Facility Payment Obligations required to be made under the Resolution or the Bonds, or a failure by the Authority to observe and perform any covenant, condition or agreement on its part to be observed or performed under the Resolution or the Bonds, resulting from the occurrence of an Event of Non-Appropriation shall not constitute an Event of Default under the Resolution.

Upon the occurrence of an Event of Non-Appropriation (or the failure by the Authority to pay the principal or Redemption Price of and interest on any Series of Bonds or notes resulting from such Event of Non-Appropriation), the Trustee on behalf of the Holders of the applicable Series of Bonds or notes has no remedies. The Trustee may not accelerate Bonds or notes. The Authority has no obligation to pay any Bond Payment Obligations or Financing Facility Payment Obligations with respect to which an Event of Non-Appropriation has occurred. However, the Authority would remain obligated to pay such Bond Payment Obligations and Financing Facility Payment Obligations, with interest thereon at the rate in effect with respect to the applicable Series of Bonds or notes, and all future Bond Payment Obligations and Financing Facility Payment Obligations, to the extent State appropriations are subsequently made for such purposes.

If an Event of Non-Appropriation shall occur and be continuing, and provided that there shall not have occurred and then be continuing any Event of Default, the Trustee shall apply the Pledged Property, including all moneys, securities, funds and Revenues received by the Trustee pursuant to any right given or action taken under the provisions of the Resolution, together with all Funds held by the Trustee under the Resolution (other than the Program Rebate Fund and the Proceeds Account of the Transportation Program Improvement Fund), as follows and in the following order of priority:

- (i) to the payment of the reasonable and proper fees (including reasonable attorney’s fees), charges, expenses and liabilities of the Fiduciaries;
- (ii) to the payment of the interest and principal or Redemption Price then due on the Bonds and Financing Facility Payment Obligations, as follows:

First: To the payment of interest then due on the Bonds and Parity Financing Facility Obligations in the order of the maturity of the installments thereof then due, and, if the amount available shall not be sufficient to pay in full any installment or installments of interest or Parity Financing Facility Obligations maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, without priority or preference of any Bond or Parity Financing Facility Obligation over any other;

Second: To the payment of the unpaid principal or Redemption Price of any Bonds and Parity Financing Facility Obligations which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all Bonds or Parity Financing Facility Obligations due on any date, then to the payment thereof ratably, according to the amounts due in respect of each Bond or Parity Financing Facility Obligation, without any priority or preference over any other; and

Third: To the payment to any Financing Facility Provider of any Subordinated Financing Facility Payment Obligation then due and, if the amounts available are insufficient to pay in full all Subordinated Financing Facility Payment Obligations, then to the payment thereof ratably, without preference or priority of any Subordinated Financing Facility Payment Obligation over any other.

Notwithstanding the foregoing, to the extent provided in the applicable Supplemental Resolution or Series Certificate, Financing Facility Revenues shall be applied to the payment of principal or Redemption Price of, and interest on, the Bonds to which such Financing Facility relate, and amounts which would otherwise be paid to the holders of such Bonds shall be paid to the applicable Financing Facility Provider.

Statutory Dedication of Certain State Revenues

The Act, as amended by Section 5 of the 2016 Legislation, provides that during each Fiscal Year in which the Authority has Bonds outstanding, the State Treasurer shall, to the extent appropriated by the State Legislature, credit to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, a portion of the revenues derived from the following as determined by the State Treasurer:

(a) an amount equivalent to all revenue derived from the collection of the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes (the “Motor Fuels Tax”), as provided in Article VIII, Section II, Paragraph 4 of the New Jersey State Constitution, plus

(b) an amount equivalent to the revenue derived from the tax imposed on the sale of petroleum products pursuant to L. 1990, c. 42 (C. 54:15B-1 et seq.), as provided in Article VIII, Section II, paragraph 4 of the State Constitution, plus

(c) an amount equivalent to the revenue derived from the tax imposed under the “Sales and Use Tax Act,” L. 1966, c. 30 (C. 54:32B-1 et seq.) on the sale of new motor vehicles, provided that such amount shall not be less than \$200,000,000 for any Fiscal Year, as provided in Article VIII, Section II, paragraph 4 of the State Constitution.

The Act further provides that, subject to appropriations being made from time to time by the State Legislature for the purposes of the Act, the State Treasurer shall pay to the Authority, no later than the fifth (5th) business day of the month following the month in which a credit has been made, the amounts credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, and further provided that the revenues deposited into the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds shall consist solely of revenues which are dedicated pursuant to the State Constitution, including Article VIII, Section II, paragraph 4, and paragraphs (a), (b) and (c) above.

In accordance with the Act, the Authority, the State Treasurer and the Commissioner have entered into the State Contract, which provides for the payments of these revenues to the Authority, subject to appropriations being made by the State Legislature for the purposes of the Act. The State Contract further

provides that in addition to all other amounts to be credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, there shall be credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds in each Fiscal Year any additional amounts from the Sales and Use Tax necessary to secure and provide for the payment of the Transportation Program Bonds, notes or other obligations issued under the Resolution. See “SOURCES OF PAYMENT AND SECURITY FOR THE 2014 SERIES BB-1 NOTES - Constitutional Dedication of Certain State Revenues” below and “APPENDIX III - COPY OF THE STATE CONTRACT” hereto.

Constitutional Dedication of Certain State Revenues

Assembly Concurrent Resolution No. 1 of 2015, which was passed by the State General Assembly and State Senate on January 11, 2016 and approved by the voters of the State in the November 2016 general election, amended Article VIII, Section II, Paragraph 4 of the New Jersey State Constitution to provide as follows:

There shall be credited to a special account in the General Fund the following:

- A. for each State Fiscal Year commencing on and after July 1, 2007 through the State Fiscal Year commencing on July 1, 2015, an amount equivalent to the revenue derived from \$0.105 per gallon from the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes, and for each State fiscal year thereafter, an amount equivalent to all revenue derived from the collection of the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes or any other subsequent law of similar effect;
- B. for the State Fiscal Year 2001 an amount not less than \$100,000,000 derived from the State revenues collected from the tax on the gross receipts of the sale of petroleum products imposed pursuant to L. 1990, c. 42 (C. 54:15B-1 et seq.), as amended and supplemented, or any other subsequent law of similar effect, for each State Fiscal Year from State Fiscal Year 2002 through State Fiscal Year 2016 an amount not less than \$200,000,000 derived from those revenues, and for each State Fiscal Year thereafter, an amount equivalent to all revenue derived from the collection of the tax on the gross receipts of the sale of petroleum products imposed pursuant to P.L.1990, c.42 (C.54:15B-1 et seq.) as amended and supplemented, or any other subsequent law of similar effect; and
- C. for the State Fiscal Year 2002 an amount not less than \$80,000,000 from the State revenue collected from the State tax imposed under the “Sales and Use Tax Act,” pursuant to L. 1966, c. 30 (C. 54:32B-1 et seq.), as amended and supplemented, or any other subsequent law of similar effect, for the State Fiscal Year 2003 an amount not less than \$140,000,000 from those revenues, and for each State Fiscal Year thereafter an amount not less than \$200,000,000 from those revenues; provided, however, the dedication and use of such revenues as provided in this paragraph shall be subject and subordinate to (i) all appropriations of revenues from such taxes made by laws enacted on or before December 7, 2006 in accordance with Article VIII, Section II, paragraph 3 of the State Constitution in order to provide the ways and means to pay the principal and interest on bonds of the State presently outstanding or authorized to be issued under such laws or (ii) any other use of those revenues enacted into law on or before December 7, 2006.

These amounts shall be appropriated from time to time by the State Legislature, only for the purposes of paying or financing the cost of planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of the transportation system in the State and it shall not be competent for the State Legislature to borrow, appropriate or use these amounts or any part thereof for any other purpose, under any pretense whatsoever. (Article VIII, Section II, Paragraph 4 of the New Jersey State Constitution).

The above provision of the New Jersey State Constitution does not require that the constitutionally dedicated amounts be appropriated to the Authority and any such amounts not appropriated to the Authority can be used by the State to pay the costs of various transportation system related projects in the State, including the payment of debt service on any indebtedness issued to finance the costs of such projects. However, pursuant to the Act, any contract, such as the State Contract, providing for the payment of Transportation Program Bonds and securing such Transportation Program Bonds, shall provide that such payment shall be made solely from revenues dedicated pursuant to Article VIII, Section II, paragraph 4 of the State Constitution. Pursuant to the State Contract, the State Treasurer must, subject to appropriation by the State Legislature, credit to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds and pay to the Authority, a portion of an amount equivalent to the revenues derived from the dedicated amount of the Motor Fuels Tax and a portion of the dedicated amounts of the other taxes described in clauses B and C above.

For information about the amount of revenues derived from these constitutionally dedicated sources, see APPENDIX I – “FINANCIAL RESULTS AND ESTIMATES – Revenues.”

State Appropriations and Legislation

Although the State Legislature has always made appropriations to the Authority in each Fiscal Year in amounts sufficient to timely pay the debt service on all of the Authority’s outstanding indebtedness coming due in such Fiscal Year under the Resolution and the Prior Bond Resolution, the State Legislature, in several Fiscal Years, has made appropriations to the Authority which were less than the minimum amounts specified for such Fiscal Year in the “Second Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act,” dated as of June 1, 2006 (as amended and restated by the “Third Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act”, dated as of December 4, 2012, as amended and restated by the “Fourth Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act,” dated as of October 3, 2018), with respect to the Transportation System Bonds, by and among the Authority, the State Treasurer and the Commissioner.

For Fiscal Year 2020 which began on July 1, 2019, the State Legislature appropriated \$_____ to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds and \$_____ to the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds. The combined amount is expected to be sufficient to pay the debt service on all of the outstanding indebtedness under the Program Bond Resolution and under the Prior Bond Resolution coming due in such Fiscal Year.

There can be no assurance that, in the event the State experiences financial difficulty, or the adoption of the annual appropriations act is delayed or is subsequently amended, or for any other reason, the State Legislature will appropriate sufficient funds in the future to enable the Authority to timely pay the principal of or interest on the Outstanding Transportation Program Bonds of the Authority, including the 2014 Series BB-1 Notes. In addition, any appropriation is subject to the availability of funds. See APPENDIX I – “STATE FINANCES – Budget and Appropriation Process.”

As noted in Footnote 1 to the table under the heading “DEBT SERVICE SCHEDULE – PRIOR BONDS,” the debt service payable on the New Jersey Economic Development Authority’s Transportation

Project Sublease Revenue Refunding Bonds (New Jersey Transit Corporation Light Rail Transit System Project) 2008 Series A, Transportation Project Sublease Revenue Bonds (New Jersey Transit Corporation Projects) 2017 Series A, and Transportation Project Sublease Revenue Refunding Bonds (New Jersey Transit Corporation Projects) 2017 Series B, is also payable from funds appropriated to the Authority and the Transportation Trust Fund Account -- Subaccount for Capital Reserves.

Statutes concerning taxes, including the sales and use tax, motor fuels taxes and petroleum products gross receipts taxes, which are appropriated to pay principal of and interest on the Authority's Bonds are subject to amendment or repeal by the State Legislature at any time. In addition, Section 14(h) of L. 2016, c. 57 ("Chapter 57") provides that a portion of the petroleum products gross receipts tax imposed pursuant to L. 1990, c. 42 (C. 54:15B-1 et seq.) (the "Petroleum Products Gross Receipts Tax") may not be imposed following a certification by a review council (which review council has not yet been convened), consisting of the State Treasurer, the Legislative Budget and Finance Officer, and a third public member, that the scheduled implementation of Chapter 57 has been impeded, which certification shall be made within five days of any Legislative action that halts, delays or reverses the implementation of those sections contained in Chapter 57 on the date of enactment of Chapter 57.

Pursuant to N.J.S.A. 54:15B-3(a)(2)(a), the Petroleum Products Gross Receipts Tax is imposed on the gross receipts from the first sale of gasoline, blended fuel that contains gasoline or is intended for use as gasoline, liquefied petroleum gas and aviation fuel at a rate of 4.0 cents per gallon, which rate is fixed and is not subject to adjustment (the "Gasoline PPGR Tax"). Pursuant to N.J.S.A. 54:15B-3(a)(2)(b), the Petroleum Products Gross Receipts Tax is imposed on the gross receipts from the first sale of diesel fuel, blended fuel that contains diesel fuel or is intended for use as diesel fuel, and kerosene, other than aviation grade kerosene, at a rate of 4.0 cents per gallon, before July 1, 2017 (the "Original Diesel Fuel PPGR Tax," and together with the Gasoline PPGR Tax, the "Original PPGR Tax") and at rate of 8.0 cents per gallon on and after July 1, 2017 (the "Diesel Fuel PPGR Tax"), which rate is fixed and is not subject to adjustment.

Chapter 57, which was adopted in October 2016 and amended N.J.S.A. 54:15B-1 et seq., imposed a new separate tax on "highway fuel" (the "Highway Fuels PPGR Tax"), which became a component of the Petroleum Products Gross Receipts Tax, of 22.6 cents per gallon on gasoline and 22.7 cents per gallon on diesel fuel. For purposes of Chapter 57, "highway fuel" is defined to mean gasoline, blended fuel that contains gasoline or is intended for use as gasoline, liquefied petroleum gas, diesel fuel, blended fuel that contains diesel fuel or is intended for use as diesel fuel, and kerosene, other than aviation grade kerosene. Chapter 57 also provides that, for Fiscal Year 2018 and each Fiscal Year thereafter through and including Fiscal Year 2026, the rate at which the Highway Fuels PPGR Tax is imposed is required to be adjusted annually so that total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax in each such Fiscal Year will not exceed a capped amount, as adjusted, determined in accordance with the provisions of Chapter 57 (the "Cap Amount"). In order to implement such annual adjustment of the Highway Fuels PPGR Tax rate, on or before August 15 of each Fiscal Year following Fiscal Year 2017, the State Treasurer and the Legislative Budget and Finance Officer are required to determine the total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected in the prior Fiscal Year (the "Prior Year Total Revenues"). On the basis of such Prior Year Total Revenues, and in consultation with the Legislative Budget and Finance Officer, the State Treasurer then determines the Highway Fuels PPGR Tax rate to be imposed in the current Fiscal Year which is expected to result in the total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected in such current Fiscal Year being equal to the Cap Amount. Pursuant to Chapter 57, the Highway Fuels PPGR Tax rate so determined by the State Treasurer, in consultation with the Legislative Budget and Finance Officer, becomes effective on October 1 of the then current Fiscal Year, without the need for any further legislative action. Additionally, if the amount of the Prior Year Total Revenues for any prior Fiscal Year exceeds the Cap Amount for such prior Fiscal Year, the Cap Amount for the succeeding Fiscal Year shall be decreased by the amount of such

excess for the purposes of establishing the Highway Fuels PPGR Tax rate for such succeeding Fiscal Year. If the amount of the Prior Year Total Revenues for any prior Fiscal Year is less than the Cap Amount for such prior Fiscal Year, the Cap Amount for the succeeding Fiscal Year shall be increased by the amount of such shortfall for the purposes of establishing the Highway Fuels PPGR Tax rate for such succeeding Fiscal Year.

In accordance with the provisions of Chapter 57 relating to the annual adjustment of the Highway Fuels PPGR Tax rate described above, on August 30, 2018, the State Treasurer announced that, as a result of a shortfall in revenues collected from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax in each of the two prior Fiscal Years, the Cap Amount for Fiscal Year 2019 would be \$2,073,100,000 and that, in order to generate sufficient revenue to reach such Cap Amount assuming stable motor fuels consumption, the Highway Fuels PPGR Tax rate for Fiscal Year 2019, which became effective on October 1, 2018, would be 26.9 cents per gallon, an increase of 4.3 cents per gallon over the then current Fiscal Year 2019 rate.

On August 29, 2019, the State Treasurer announced that there will be no increase in the Highway Fuels Tax rate for Fiscal Year 2020.

The following chart is a summary of the cents per gallon tax rate for the Motor Fuels Tax, the Gasoline PPGR Tax, the Diesel Fuel PPGR Tax and the Highway Fuels PPGR Tax as of [October 1, 2018]:

State General Taxing Power Not Pledged

Pursuant to the Act and the Resolution, the 2014 Series BB-1 Notes are special obligations of the Authority and shall not be in any way a debt or liability of the State or any political subdivision thereof (other than the Authority to the limited extent set forth in the Resolution) and shall not create or constitute any indebtedness, liability or obligation of the State or of any political subdivision thereof (other than the Authority to the limited extent set forth in the Resolution) or be or constitute a pledge of the faith and credit of the State or of any political subdivision thereof. The Authority has no taxing power. All bonds, notes or other obligations of the Authority issued under the Resolution, unless funded or refunded by bonds, notes or other obligations of the Authority, shall be payable solely from the Pledged Property under the Resolution.

Flow of Funds

Pursuant to the Resolution, all Revenues are required to be promptly deposited by the Authority as received into the Non Proceeds Account of the Transportation Program Improvement Fund. The Authority

is required to pay, transfer or credit to the Trustee, for deposit in the following Funds and Accounts, on the following dates and in the following order of priority the amounts set forth below, but only to the extent the amount in the Non Proceeds Account of the Transportation Program Improvement Fund shall be sufficient therefor:

(1) On or before each Payment Date with respect to each Series of Bonds, for deposit in the Program Debt Service Fund, the amount, if any, required so that the balance in said Fund shall equal the amounts of Debt Service on all Series of Bonds coming due on such Payment Date.

(2) On or before the due dates thereof, for deposit in the Program Debt Service Fund, the amount of any Financing Facility Payment Obligations.

(3) On or before the due dates thereof, and subject and subordinate at all times to the payments, credits or transfers required as described in paragraphs 1 and 2 above, for deposit in the Program Subordinated Debt Fund, the amount of any principal, prepayment or Redemption Price, interest or other amounts payable in connection with any Subordinated Debt, including swap termination payments, if any.

Certain Covenants of the State and the Authority

Pursuant to the Act, the State has covenanted (i) that it will not limit or alter the rights or powers of the Authority in any way that would jeopardize the interests of the holders of the bonds, notes or other obligations of the Authority, (ii) that it will not inhibit or prevent performance or fulfillment by the Authority of the terms of any agreements made with the holders of the bonds, notes or other obligations of the Authority, and (iii) that it will not prevent the Authority from obtaining sufficient revenues which, together with other available funds, shall be sufficient to meet all expenses of the Authority and fulfill the terms of any agreement made with the holders of the bonds, notes or other obligations of the Authority, together with the interest thereon, interest on any unpaid installments of interest and all costs and expenses in connection with any action or proceeding by or on behalf of the holders of the bonds, notes or other obligations of the Authority, until the bonds, notes or other obligations of the Authority, together with interest thereon, are fully met and discharged or provided for. However, the Act further provides that the failure of the State to appropriate moneys for any purpose of the Act shall not be deemed or construed to be a violation of these covenants.

Under the Resolution, the Authority has covenanted with the Bondholders that it will collect and forthwith cause to be deposited with a Depository in the Non Proceeds Account of the Transportation Program Improvement Fund all amounts, if any, payable to it pursuant to the State Contract and that it will not consent or agree to or permit any amendment, change or modification to the State Contract which would reduce the amounts payable to the Authority or extend the times when such payments are to be made thereunder. In addition, the Resolution provides that the Trustee, as the assignee of the Authority, shall enforce the provisions of the State Contract and agreements thereunder. The Authority has also covenanted to pay, but solely from the Pledged Property, the Debt Service coming due on the Bonds in each year in which Bonds issued by the Authority are outstanding.

Refunding Bonds

One or more series of Refunding Bonds may be issued at any time, in accordance with the requirements of the Act, to refund any or all Outstanding Bonds. Such Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make the deposits in the Funds and Accounts under the Resolution required by the provisions of the Supplemental Resolution authorizing such Refunding Bonds. The Act provides that no Refunding Bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal of

and interest on the refunding bonds is less than the present value of the aggregate principal of and interest on the outstanding bonds to be refinanced, with present value to be computed using a discount rate equal to the yield of those Refunding Bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those Refunding Bonds. Any decision by the Authority to issue Refunding Bonds must be approved by the Joint Budget Oversight Committee (the “JBOC”) of the State Legislature. See “STATUTORY DEBT ISSUANCE LIMITATIONS” herein and “APPENDIX II — COPY OF THE RESOLUTION — Refunding Bonds.”

Prior Bonds

As of _____, 2019, the Authority had outstanding \$_____ in aggregate principal amount of its Prior Bonds issued under the Prior Bond Resolution. All Prior Bonds are payable from the Constitutionally Dedicated Revenues, which are also the source of payment for the Transportation Program Bonds, as well as certain statutorily dedicated revenues which may not be used to pay debt service on Transportation Program Bonds.

Amendments to the Resolution

Pursuant to the Resolution, any modification or amendment of the Resolution and of the rights and obligations of the Authority and of the Holders of the Bonds thereunder, in any particular, may be made by a Supplemental Resolution with the written consent of (a) at least a majority in principal amount of the Bonds Outstanding at the time such consent is given who are affected by the proposed modification or amendment; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds and (b) any Financing Facility Provider the consent of which is required by the applicable Financing Facility. For the purpose of this provision, a Series shall be deemed to be affected by a modification or amendment of the Resolution if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series. In the case of amendments or modifications to the Resolution which are to take effect simultaneously with the issuance or remarketing of Bonds of one or more Series and which amendments or modifications are disclosed in the official statement or other offering document for such Series, purchasers of such Bonds shall be deemed to have consented to such amendments or modifications by virtue of their having purchased such Bonds and the written consents of such purchasers shall not be required. In addition, brokers, dealers and municipal securities dealers that purchase Bonds with a view to distribution may vote the Bonds which they purchase if, and only if, the official statements or other offering documents for all existing Bonds at the time Outstanding under the Resolution expressly disclosed that brokers, dealers and municipal securities dealers that purchase Bonds with a view to distribution may vote the Bonds which they purchase.

Notwithstanding the foregoing, no modification or amendment of the Resolution shall permit a change in the terms of redemption (including sinking fund installment) or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto, or shall permit a change in the terms of redemption or prepayment of any Subordinated Debt or the payment of interest thereon or any other amount payable in connection therewith without the consent of the holder of such Subordinated Debt.

STATUTORY DEBT ISSUANCE LIMITATIONS

Transportation Program Bonds – New Money Bonds

The Act, as amended by the 2016 Legislation, authorizes the issuance of new money Transportation Program Bonds during the period that commenced on the day that Assembly Concurrent Resolution No. 1 of 2015, a constitutional amendment to Article VIII, Section II, paragraph 4 of the New Jersey Constitution, took effect (December 8, 2016) and ending June 30, 2024 in an amount not in excess of \$12,000,000,000. Any premiums received in connection with the issuance of Transportation Program Bonds shall count against any limitation as to the amount of new money Transportation Program Bonds the Authority may issue during the period described above.

Transportation Program Bonds - Refunding Bonds

The issuance of bonds, notes or other obligations, including subordinated obligations of the Authority under the Resolution, for refunding purposes is not subject to the limitations described in the preceding paragraphs except that, any premiums received in connection with the issuance of Transportation Program Bonds issued to refund Transportation Program Bonds shall count against the limitations described in the preceding paragraph. However, the Act provides that no refunding bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the Outstanding Bonds to be refinanced, with present value computed using a discount rate equal to the yield of those refunding bonds, and yield computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those refunding bonds. The Act further provides that upon the decision by the Authority to issue refunding bonds, and prior to the sale of those refunding bonds, the Authority shall transmit to JBOC a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the Authority relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the Authority to issue and sell the refunding bonds at public or private sale and the reasons therefor.

Prior Bonds

As of the date hereof, there is no remaining unused statutory debt cap under the Act, as amended by L. 2006, c. 3, for the Prior Bonds (except for a nominal amount representing the amount thereof in excess of the nearest integral multiple of \$5,000). Accordingly, under the Act, only refunding bonds may be issued under the Prior Bond Resolution.

Selection of 2014 Series BB-1 Notes to be Redeemed.

If less than all of the 2014 Series BB-1 Notes are called for redemption, the Authority will select the maturity or maturities of the 2014 Series BB-1 Notes to be redeemed, and DTC will select the 2014 Series BB-1 Notes within the same maturity to be redeemed by means of a random lottery, or if the book-entry system with DTC or any other securities depository has been discontinued, the particular 2014 Series BB-1 Notes to be redeemed will be selected by the Trustee, in such manner as the Trustee in its discretion may deem fair and appropriate. However, the portion of any 2014 Series Note to be redeemed shall be in the principal amount of \$5,000 or any multiple thereof, and in selecting 2014 Series BB-1 Notes for redemption, the Trustee is required to treat each such 2014 Series BB-1 Note as representing that number of 2014 Series BB-1 Notes which is obtained by dividing the principal amount of such 2014 Series BB-1 Note by \$5,000.

Notice of Redemption of the 2014 Series BB-1 Notes

When the Trustee shall receive notice from the Authority of its election or direction to redeem the 2014 Series BB-1 Notes, and when redemption of the 2014 Series BB-1 Notes is authorized or required

pursuant to the Resolution, the Trustee shall give notice, in the name of the Authority, of the redemption of such 2014 Series BB-1 Notes, which notice shall specify the maturities of the 2014 Series BB-1 Notes to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the 2014 Series BB-1 Notes of the same maturity are to be redeemed, the letters and numbers or other distinguishing marks of such 2014 Series BB-1 Notes so to be redeemed, and, in the case of 2014 Series BB-1 Notes to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on the redemption date there shall become due and payable upon each 2014 Series BB-1 Notes to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of 2014 Series BB-1 Notes to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be (i) mailed by the Trustee, postage prepaid, not less than thirty (30) days prior to the redemption date, to the registered owners of any 2014 Series BB-1 Notes or portions of 2014 Series BB-1 Notes which are to be redeemed, at their last addresses, if any, appearing upon the registry books and (ii) transmitted by Electronic Means to each Securities Depository and to the Electronic Municipal Market Access system of the Municipal Securities Rulemaking Board; provided however, failure to deliver notice as described in (ii) shall not affect the validity of the redemption of any 2014 Series BB-1 Notes. No defect affecting any 2014 Series BB-1 Notes, whether in the notice of redemption or the delivery thereof (including any failure to mail such notice), shall affect the validity of the redemption proceedings for the 2014 Series BB-1 Notes.

If at the time of the mailing of notice of redemption, the Authority shall not have deposited with the Trustee or the Paying Agent, as applicable, moneys sufficient to redeem all the 2014 Series BB-1 Notes called for redemption, such notice shall state that it is conditional and subject to the deposit of the redemption moneys with the Trustee or the Paying Agent, as applicable, on the Redemption Date, and such notice shall be of no effect unless such moneys are so deposited.

So long as DTC is acting as securities depository for the 2014 Series BB-1 Notes, all notices of redemption required to be given to the registered owners of the 2014 Series BB-1 Notes will be given to DTC.

Mandatory Tender for Purchase in Lieu of Optional Redemption

Whenever any 2014 Series BB-1 Notes are subject to redemption at the option of the Authority, the Authority may, upon written notice to the Trustee and the delivery of an opinion of Bond Counsel that such action will not adversely affect the tax-exempt status of any Outstanding 2014 Series BB-1 Notes, elect to call such 2014 Series BB-1 Notes for mandatory tender for purchase in lieu of optional redemption at a purchase price equal to the then applicable Redemption Price of such 2014 Series BB-1 Notes. The Authority shall give written notice to the Trustee of its election not less than two (2) Business Days prior to the date on which the Trustee is required to give notice of such mandatory tender for purchase to the Noteholders (or such shorter period as shall be acceptable to the Trustee). The provisions of the Resolution or any Supplemental Resolution or Series Certificate applicable to the redemption of 2014 Series BB-1 Notes at the option of the Authority shall also apply to a mandatory tender for purchase of such 2014 Series BB-1 Notes in lieu of optional redemption at the Authority's election.

NEITHER THE AUTHORITY NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DIRECT PARTICIPANTS, ANY PERSON CLAIMING A BENEFICIAL OWNERSHIP INTEREST IN THE 2014 SERIES BB-1 NOTES UNDER OR THROUGH DTC OR ANY DIRECT PARTICIPANT, OR ANY OTHER PERSON WHICH IS NOT SHOWN ON THE REGISTRATION BOOKS OF THE AUTHORITY KEPT BY THE TRUSTEE AS BEING A NOTEHOLDER. THE AUTHORITY AND THE TRUSTEE SHALL HAVE NO RESPONSIBILITY WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, CEDE & CO., ANY DTC PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2014 SERIES BB-1 NOTES UNDER THE RESOLUTION; (III) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR INTEREST DUE WITH RESPECT TO THE 2014 SERIES BB-1 NOTES; (IV) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF 2014 SERIES BB-1 NOTES; OR (V) ANY OTHER MATTER.

IS THE HOLDER OF THE 2014 SERIES BB-1 NOTES, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE NOTE OWNERS OR HOLDERS OF THE 2014 SERIES BB-1 NOTES, OTHER THAN UNDER THE CAPTION “TAX MATTERS,” SHALL MEAN CEDE & CO. OR DTC AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE 2014 SERIES BB-1 NOTES.

In the event that the 2014 Series BB-1 Notes are no longer subject to the book-entry only system, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such 2014 Series BB-1 Notes from such book-entry only form to a fully registered form. Thereafter, note certificates will be printed and delivered as described in the Resolution and Beneficial Owners will become registered owners of the 2014 Series BB-1 Notes.

THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY

Legal Authority and Responsibilities

The Authority is a public body corporate and politic, with corporate succession, constituted as an instrumentality of the State organized and existing under and pursuant to the Act. For the purpose of complying with Article V, Section IV, Paragraph 1 of the State Constitution, the Authority is allocated within, but is independent of any supervision or control by, the Department. The purpose of the Authority is to provide the payment for and financing of all or a portion of the costs incurred by the Department for the planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of the State's transportation system, including, without limitation, (i) the State's share (which may include State advances with respect to any Federal share) under Federal aid highway laws of the costs of planning, acquisition, engineering, construction, reconstruction, repair, resurfacing and rehabilitation of public highways, (ii) the State's share (which may include State advances with respect to any Federal share) of the costs of planning, acquisition, engineering, construction, reconstruction, repair, permitted maintenance and rehabilitation of public transportation projects and other transportation projects in the State, and (iii) State aid to counties and municipalities for transportation projects (collectively, the "State Transportation System Costs").

Under the Act, the Commissioner is also authorized to enter into agreements with public or private entities for the loan of federal funds appropriated to the Department for the purpose of financing all, or a portion of, the costs incurred for the planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of a transportation project by that public or private entity.

Pursuant to the Act, the Commissioner may from time to time (but not more frequently than monthly) certify to the Authority an amount necessary to fund payments made, or anticipated to be made, by or on behalf of the Department from legislative appropriations to the Department of Authority funds. Under the Act, the Authority is obligated to provide such amount from its revenues or other funds, including proceeds of Bonds. The Act directs the Authority, within fifteen (15) days of receipt of the Commissioner's certificate, to transfer funds to the State Treasurer for deposit in a special fund maintained by the State Treasurer (the "Special Transportation Fund") in an amount equal to the amount so certified by the Commissioner. Expenditures from the Special Transportation Fund may be made on behalf of the Department only pursuant to project-specific legislative appropriations. The Department currently provides such certificates on a monthly basis, when cash is necessary for disbursements for transportation system improvements, to attempt to minimize the amounts maintained in the Special Transportation Fund. The Special Transportation Fund is not pledged as security for obligations issued by the Authority under the Resolution.

Membership and Officers of the Authority

The Act provides that the Authority shall consist of seven members as follows: the Commissioner and the State Treasurer, who are members ex-officio, and five public members. Three of the public members are appointed by the Governor of the State (the "Governor"), with the advice and consent of the State Senate, one of whom must represent the interests of trade unions that work on the construction of public highways and another of whom must represent the interests of owners of firms that are eligible to submit bids for the construction of public highways. The two remaining public members also are appointed by the Governor, one upon the recommendation of the President of the State Senate and the other upon the recommendation of the Speaker of the State General Assembly. The public members serve a four-year term; provided, however, that the public member appointed by the Governor upon recommendation of the Speaker of the State General Assembly serves a two-year term. Each public member holds office for the term of the member's appointment and until a successor has been appointed and qualified. A member shall be eligible for reappointment. No more than four members of the Authority may be of the same political party. All

members of the Authority serve without compensation but may be reimbursed for their actual expenses necessarily incurred in the discharge of their official duties.

The Act provides that the Commissioner shall serve as Chairperson of the Authority and that the members of the Authority annually shall elect one of their members as Vice Chairperson. The members of the Authority also elect a secretary and a treasurer who need not be members of the Authority, and the same person may be elected to serve as both secretary and treasurer.

The present members of the Authority are:

Diane Gutierrez-Scaccetti: *ex-officio*, Chairperson; Commissioner of the New Jersey Department of Transportation.

Powers of the Authority

Under the terms of the Act, the powers of the Authority are vested in the members thereof in office and four members of the Authority shall constitute a quorum at any meeting thereof. No vacancy in the membership of the Authority shall impair the right of a quorum of the members to exercise all the powers and perform all the duties of the Authority. Action may be taken and motions adopted by the Authority at any meeting thereof by the affirmative vote of at least four members of the Authority. No action taken by the Authority at any meeting shall have force or effect until fifteen (15) days after a true copy of the minutes of such meeting has been delivered by and under the certification of the secretary of the Authority to the Governor, unless during such fifteen (15) day period the Governor (i) vetoes such action, in which case such action shall not become effective, or (ii) approves in writing the same or any part thereof, in which case the action becomes effective upon such approval.

In addition to the power to enter into the contracts with the State described under the heading “SECURITY FOR THE 2014 SERIES BB-1 NOTES — Property Pledged to the 2014 Series BB-1 Notes; the State Contract; the Act; the Resolution” herein, the Authority has (among others) the following powers:

- (i) to borrow money and issue its bonds, notes and other obligations and to secure the same by its revenues and other funds and to otherwise provide for and secure the payment thereof, and to provide for the refunding thereof;

- (iv) in its own name, or in the name of the State or, in the name of New Jersey Transit Corporation (“NJ Transit”), to apply for and receive and accept appropriations or grants of property, money, services or reimbursements for money previously spent and other assistance made available to it by or from any person, government agency, public authority or any public or private entity whatever for any lawful corporate purpose of the Authority;
- (v) subject to any agreement with holders of its bonds, notes or other obligations, to purchase bonds, notes or other obligations of the Authority out of any funds or moneys of the Authority available therefor, and to hold, cancel or resell the bonds, notes or other obligations; and
- (vi) to acquire, lease as lessee or lessor, hold and dispose of real and personal property or any interest therein in the exercise of its powers and the performance of its duties under the Act.

No resolution or other action of the Authority providing for the issuance of the bonds, refunding bonds or other obligations shall be adopted by the Authority, or otherwise made effective, without prior written approval of the Governor and the State Treasurer. Any decision by the Authority to issue refunding bonds must be approved by JBOC.

THE TRANSPORTATION SYSTEM IMPROVEMENTS

The transportation system (which includes but is not limited to highways, roads, bridges, public transit facilities, pedestrian and bicycle trails, railroad rights-of-way, airports and intermodal facilities) of the State is among the most heavily used in the United States. The Department is implementing transportation system improvements which are expected to enable the State to construct, modernize, reconstruct, rehabilitate and maintain a safe, balanced, sound and efficient transportation system necessary for the well-being of the State's citizens. The State's commitment to the payment for and the financing of the transportation system improvements in a stable fashion is intended to ensure a predictable and continuing public investment in the State's transportation system.

Pursuant to the Act, the transportation system improvements encompass the planning, acquisition, engineering, construction, reconstruction, repair, capital maintenance assistance, maintenance, operations, resurfacing and rehabilitation and improvement of, and acquisition of easements and rights-of-way with respect to, the transportation system, and any equipment, facility or property useful and related to the provision of any ground, waterborne or air transportation for the movement of people and goods. The transportation system improvements also include State aid to counties and municipalities for local transportation system improvements.

Improvements undertaken by the Department are to be funded primarily by a combination of Federal moneys, Authority funds and funds from the Port Authority of New York and New Jersey and from the New Jersey Turnpike Authority. Pursuant to legislative directive, the Authority is responsible for funding that portion of the State's share of these improvements which are not provided by other sources. Pursuant to the Act, the Authority is required to minimize debt incurrence by first relying on appropriations and other revenues available to the Authority before incurring debt to meet its statutory purposes.

THE NEW JERSEY DEPARTMENT OF TRANSPORTATION

The State Transportation System

New Jersey's transportation system consists of 2,321 center line miles of state highways maintained by the Department and approximately 36,575 center line miles maintained by independent state toll road authorities, county governments, and municipal governments. Approximately 6,750 bridges are located throughout the State, of which 2,386 are owned by the Department, 109 are maintained by NJ Transit, 1,313 are owned by independent state toll road authorities, 2,702 are owned by counties and municipalities and the remainder are owned by other private and public entities.

The State's transportation system also consists of commuter rail, light rail, and bus lines in the State, which are principally operated by NJ Transit. Covering a service area of 5,325 square miles, NJ Transit is one of the nation's largest providers of bus, rail and light rail transit, linking major points in New Jersey, New York and Philadelphia. NJ Transit operates a fleet of over 2,254 buses, 1,282 locomotives and rail cars, and 21 light rail vehicles. NJ Transit also provides more than 823 buses for routes operated by other carriers. Riders took over 264 million unlinked trips in State Fiscal Year 2018 on 251 bus routes, 12 heavy rail lines, and three light rail lines .

NJ Transit also provides connections to other transit systems. At New York's Penn Station, connections are available from NJ Transit lines to Amtrak, the Long Island Railroad and the New York City subway lines. In Trenton, riders can transfer to Southeastern Pennsylvania Transportation Authority ("SEPTA") and Amtrak trains. Hoboken Terminal and Newark Penn Station are transfer points to the Port Authority Trans-Hudson ("PATH") trains to Jersey City and New York City. At Lindenwold in Camden County, the Atlantic City Rail Line operated by NJ Transit connects with New Jersey-Pennsylvania Port

Authority Transportation Company (“PATCO”) rapid transit services to Camden and Philadelphia and with Amtrak trains.

Organization

The State has an integrated approach to all transportation needs. The Department’s responsibilities have steadily changed since its establishment in 1966, with emphasis shifting from primarily highway-related programs to a balanced concern for highways and the preservation and improvement of rail and bus transportation. The Department is responsible for the maintenance and improvement of all State highways and bridges, the provision of assistance to counties and municipalities and the overall planning and coordination of the State’s transportation system. The Department also reviews the operations of NJ Transit. Although NJ Transit is self-regulating as to fares and levels of service which it operates or supports, with the exception of interstate bus service, the Department retains certain regulatory control over safety and maintenance. The Department’s mission is to provide for the movement of people and goods with a commitment to safety, excellence, efficiency, the environment and its customers-the citizens of the State.

The Department is headed by a Commissioner appointed by and directly responsible to the Governor for fulfilling the purposes and supervising the activities of the Department. The Commissioner is responsible for all policies and directives of the Department and serves as Chairperson of the Authority and of NJ Transit. A Deputy Commissioner, a Chief of Staff, and several Assistant Commissioners assist the Commissioner in managing the Department.

The Deputy Commissioner is responsible for the day-to-day operations of the Department, enabling the Commissioner to better balance his or her time in his or her roles as Chief Executive Officer of the Department, Chairperson of the Authority and of NJ Transit, and an ex-officio member of each of the State transportation authorities.

The Chief of Staff is responsible for legislative relations, communications, and customer advocacy, as well as human resource management, employee safety, training and development, civil rights and affirmative action programs.

The Assistant Commissioner for Finance and Administration also serves as the Department’s Chief Financial Officer. The Assistant Commissioner’s areas of responsibility include budget, accounting and external auditing, information systems, procurement, and capital investments and program coordination. The Assistant Commissioner provides general oversight of the Department’s financial affairs, ensures that financial transactions are in compliance with State and Federal regulations and implements sound financial management principles. He also assesses opportunities to improve transportation facilities and services that factors into the development of a Statewide Transportation Capital Investment Strategy, the Annual Capital Program and the Statewide Transportation Improvement Program. In addition, as the Chief Financial Officer, he also acts as Executive Director of the Authority.

The Assistant Commissioner for Planning, Multimodal and Grant Administration is responsible for planning services across all modes of transportation, including the State’s public use airports, rail freight infrastructure, and the maritime industry. The Assistant Commissioner also administers State and federal aid programs related to municipal and county governments, operates a research and technology effort that investigates and demonstrates new transportation technologies, and develops an asset management program to optimize investment in the State’s existing transportation infrastructure.

The Assistant Commissioner for Capital Program Management (“CPM”) is responsible for the development and delivery of the Department’s annual Capital Program to ensure that program objectives, project commitments and schedules are met. CPM is comprised of six divisions: Construction Services and

Materials, Project Management, Right of Way and Access Management, Capital Program Support, Highway and Traffic Design, and Bridge Engineering and Infrastructure Management. This includes oversight of all aspects of: project management, environmental services, property acquisition, design, quality assurance, and construction management for all active projects. CPM is also responsible for a number of other engineering functions that are ancillary to the delivery of the Capital Program including: pavement management, the “Good Neighbor” landscaping program, railroad grade crossing safety programs, the New Jersey Major Access Permit Program, the Wireless Communications License Program, and statewide compliance with National Bridge Inspection Standards.

The Assistant Commissioner for Transportation Operations Systems and Support is responsible for maintenance and operation of the State highway system, including snow and ice removal, emergency patrols, intelligent transportation systems and the equipment fleet and regional maintenance yards. The Assistant Commissioner coordinates the traffic operations centers and incident management services provided by the Department and the State’s independent toll road authorities. The Assistant Commissioner is also responsible for the Department’s physical plant facilities.

NJ Transit maintains its own financial management and accounting systems, in accordance with its statutory powers and in conformity with general State practices and Federal requirements. As a general practice, NJ Transit draws funds appropriated by the State on a periodic basis and administers its own investments and disbursements. NJ Transit’s finances are audited annually by an independent auditor and are reported to the State Legislature.

LITIGATION

There is no litigation of any nature now pending, or, to the knowledge of the Authority, threatened, restraining or enjoining the issuance, sale, execution or delivery of the 2014 Series BB-1 Notes, or the contemplated uses of the proceeds of the 2014 Series BB-1 Notes, or in any way contesting or affecting the validity of the 2014 Series BB-1 Notes, the State Contract, the Act or any proceedings of the Authority or the State taken with respect to the issuance, sale, execution or delivery thereof, or the pledge or application of any moneys or security provided for the payment of the 2014 Series BB-1 Notes or the existence or powers of the Authority or the State Contract or the title of any officers or members of the Authority to their respective positions.

CERTAIN LEGAL MATTERS

On the issue date of the 2014 Series BB-1 Notes, DeCotiis, FitzPatrick & Cole, LLP, Teaneck, New Jersey, as Original Bond Counsel to the Authority, delivered an opinion as to the validity of the issuance of the 2014 Series BB-1 Notes under the laws of the State a copy of which is attached hereto as APPENDIX V. In connection with the remarketing of the 2014 Series BB-1 Notes as described herein, Chiesa Shahinian & Giantomasi PC, West Orange, New Jersey, Bond Counsel to the Authority will deliver an opinion as to certain legal matters relating to the remarketing of the 2014 Series BB-1 Notes substantially in the form included as APPENDIX VI hereto. Certain legal matters in connection with the remarketing of the 2014 Series BB-1 Notes will be passed upon for the Authority by the Attorney General of the State, and for the Remarketing Agent by its counsel, Ballard Spahr LLP, Cherry Hill, New Jersey.

LEGALITY FOR INVESTMENT

The Act provides that the State and all public officers, governmental units and agencies thereof, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors,

administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds or notes issued pursuant to the Act, and such bonds or notes shall be authorized security for any and all public deposits.

TAX MATTERS

Federal Tax Matters

When the 2014 Series BB-1 Notes were issued on November 25, 2014 (the “Original Issue Date”), DeCotiis, FitzPatrick & Cole, LLP., as bond counsel to the Authority (the “Original Bond Counsel”), rendered its opinion (the “Original Opinion”) to the effect that, under then-existing statutes, rulings, regulations and judicial decisions, and assuming continued compliance by the Authority with the requirements of the Internal Revenue Code of 1986, as amended (the “Code”), (i) interest on the 2014 Series BB-1 Notes is not included in gross income for purposes of federal income taxation under Section 103 of the Code and is not an item of tax preference for purposes of calculating the alternative minimum tax imposed by the Code on individuals and corporations, (ii) interest on the 2014 Series BB-1 Notes held by certain corporate taxpayers is included in the relevant income computation for calculation of the federal alternative minimum tax as a result of the inclusion of interest on the 2014 Series BB-1 Notes in “adjusted current earnings”, and (iii) interest on the 2014 Series BB-1 Notes and any gain on the sale thereof are not includable in gross income under the then existing New Jersey Gross Income Tax Act. See APPENDIX V to this Remarketing Circular for a copy of the Original Opinion. The Original Opinion is not required to be, and has not been, updated or reissued in connection with the conversion and remarketing of the 2014 Series BB-1 Notes and speaks only as of its date.

On the Mandatory Purchase Date, Chiesa Shahinian & Giantomasi PC, Bond Counsel to the Authority, will render an opinion to the effect that the conversion and remarketing of the 2014 Series BB-1 Notes will not adversely affect any exclusion from gross income for federal income tax purposes of interest on the 2014 Series BB-1 Notes. The excludability of interest from gross income for federal tax purposes depends on continued compliance by the Authority and the State with certain covenants from the Original Issue Date, and in rendering the opinion described herein Bond Counsel has made no investigation into such compliance. Further, the Original Opinion was based on certain representations and covenants of the Authority and the State on which the Original Bond Counsel then relied. In rendering its opinion described herein, Bond Counsel has made no investigation into the accuracy of such representations as of the Original Issue Date or their continued accuracy or into compliance with such covenants. Except for its limited “no adverse effect” opinion, Bond Counsel has not updated or undertaken any investigation to verify the continued accuracy of the Original Opinion. See APPENDIX VI to this Remarketing Circular for the proposed form of the “no adverse effect” opinion of Bond Counsel that will be delivered on the Mandatory Purchase Date with respect to the 2014 Series BB-1 Notes.

State Taxation

In the opinion of Bond Counsel, interest on the 2014 Series 2014 BB-1 Notes and any gain on the sale thereof are not includable in gross income under the New Jersey Gross Income Tax Act, as amended.

Certain Federal Tax Consequences Relating to the 2014 BB-1 Notes

Although interest on the 2014 Series BB-1 Notes is excluded from gross income for federal income tax purposes, the accrual or receipt of interest on the 2014 Series BB-1 Notes may otherwise affect the federal income tax liability of the recipient. The nature and extent of these other tax consequences will depend upon the recipient’s particular tax status and other items of income or deduction. Prospective purchasers of the

2014 Series BB-1 Notes should consult their tax advisors with respect to all other tax consequences (including, but not limited to, those listed above) of holding the 2014 Series BB-1 Notes.

The Internal Revenue Service has an ongoing program of auditing state and local government obligations, which may include selecting bond issues at random for audit, to determine whether interest paid to the holders thereof is properly excludable from gross income for federal income tax purposes. It cannot be predicted whether the 2014 Series BB-1 Notes will be audited. If an audit is commenced, under current Internal Revenue Service procedures the holders of the 2014 Series BB-1 Notes may not be permitted to participate in the audit process, and the value and liquidity of the 2014 Series BB-1 Notes may be adversely affected.

Future Events

Tax legislation, administrative action taken by tax authorities, and court decisions, at the federal level, may adversely affect the exclusion from gross income of interest on the 2014 Series BB-1 Notes for federal income tax purposes, and tax legislation, administrative action taken by tax authorities and court decisions at the State level may adversely affect the exclusion of interest on and any gain realized on the sale of the 2014 Series BB-1 Notes under the existing New Jersey Gross Income Tax Act, and any such legislation, administrative action or court decisions could adversely affect the market price or marketability of the 2014 Series BB-1 Notes. Bond Counsel is rendering its opinion under existing law as of the issue date and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise.

EACH PURCHASER OF THE 2014 SERIES BB-1 NOTES SHOULD CONSULT HIS OR HER OWN ADVISOR REGARDING ANY CHANGES IN THE STATUS OF PENDING OR PROPOSED FEDERAL OR NEW JERSEY STATE TAX LEGISLATION, ADMINISTRATIVE ACTION TAKEN BY TAX AUTHORITIES, OR COURT DECISIONS.

ALL POTENTIAL PURCHASERS OF THE 2014 SERIES BB-1 NOTES SHOULD CONSULT WITH THEIR TAX ADVISORS AS TO THE TAX CONSEQUENCES OF PURCHASING THE 2014 SERIES BB-1 NOTES.

See APPENDIX V to this Remarketing Circular for a copy of the Original Opinion. See APPENDIX VI to this Remarketing Circular for the proposed form of the “no adverse effect” opinion of Bond Counsel that will be delivered on the Mandatory Purchase Date with respect to the 2014 Series BB-1 Notes.

APPENDIX VII
BOOK-ENTRY ONLY SYSTEM

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Authority believes to be reliable. However, the Authority takes no responsibility for the accuracy thereof, and neither the DTC Participants nor the Beneficial Owners (as defined below) should rely on the following information with respect to such matters but should instead confirm the same with DTC or the DTC Participants, as the case may be.

General. Ownership interests in the 2014 Series BB-1 Notes will be available to purchasers only through a book-entry system (the "Book-Entry System") maintained by DTC, New York, New York, which will act as securities depository for the 2014 Series BB-1 Notes. The 2014 Series BB-1 Notes were issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. Initially, one fully registered 2014 Series BB-1 Note certificate was issued for each maturity of the 2014 Series BB-1 Notes, in the aggregate principal amount of such maturity of the 2014 Series BB-1 Notes, and was deposited with DTC. The following discussion will not apply to any 2014 Series BB-1 Notes issued in certificate form due to the discontinuance of DTC's Book-Entry System, as described below.

DTC and its Participants. DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchase of Ownership Interests. Purchases of 2014 Series BB-1 Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2014 Series BB-1 Notes on DTC's records. The ownership interest of each actual purchaser of a 2014 Series Note ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners, are however, expected to receive written confirmations providing details of the transactions, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2014 Series BB-1 Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in 2014 Series BB-1 Notes, except in the event that use of the Book-Entry System for the 2014 Series BB-1 Notes is discontinued.

Transfers. To facilitate subsequent transfers, all 2014 Series BB-1 Notes deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2014 Series BB-1 Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2014 Series BB-1 Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2014 Series BB-1 Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Notices. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of 2014 Series BB-1 Notes may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2014 Series BB-1 Notes, such as redemptions, defaults, and proposed amendments to the documents relating to the 2014 Series BB-1 Notes. For example, Beneficial Owners of 2014 Series BB-1 Notes may wish to ascertain that the nominee holding the 2014 Series BB-1 Notes for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Voting. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to 2014 Series BB-1 Notes unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts 2014 Series BB-1 Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of Principal and Interest. Principal and interest payments on the 2014 Series BB-1 Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC (or its nominee), the Trustee or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of the principal and interest on the 2014 Series BB-1 Notes to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

Discontinuation of Book-Entry System. DTC may discontinue providing its services as securities depository with respect to the 2014 Series BB-1 Notes at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, note certificates for the 2014 Series BB-1 Notes are required to be printed and delivered. The use of the system of book-entry transfers through DTC (or a successor depository) may be discontinued as described in the Resolution. In that event, note certificates for the 2014 Series BB-1 Notes will be printed and delivered.
