OF THE

**OAL DKT. NO LID 05920-2017S
AGENCY DKT. NO. 17-004**

Issued: October 12, 2017

The appeal of A-1 Quality Roofing & Siding, Inc. (A-1 Roofing) concerning an unemployment and temporary disability contributions assessment was transmitted to the Office of Administrative Law (OAL) for determination as a contested case. The record indicates that the matter was scheduled for a hearing on August 21, 2017 before Administrative Law Judge Jeffrey N. Rabin (ALJ). The record also reflects that the petitioner did not appear at the hearing and has not offered any explanation for his non-appearance. Thus, pursuant to N.J.A.C. 1:1-3.3(b), the ALJ returned the matter to the Department of Labor and Workforce Development for appropriate disposition.

A review of the Department of Labor and Workforce Development's records indicates that petitioner has, to date, failed to offer any explanation for his failure to appear at the scheduled OAL hearing. As a result, I find that the appeal of this matter should be dismissed.

ORDER

Therefore, it is ordered that the appeal of A-1 Roofing be dismissed and that A-1 Roofing immediately remit to the Department the entire amount assessed for unpaid
