Governor Christie: Rome Was Not Unbuilt In A Day

<http://www.youtube.com/watch?v=mmM3o-W5C3g>

Transcript:

Lou, Monmouth County: Hi Governor.

Governor Christie: Hi.

Lou: I'm Lou from Monmouth County and this is my second time at a town hall meeting. And by the way your exercise program looked good -- looking good.

Governor Christie: We're getting there. *(chuckles)* We're getting there. As I told -- a middle school student came up to me and said to me: Governor, you are getting a lot smaller. *(chuckles)* And I said to her -- I said: well, thank you. And she goes: when are you going to get really small? And I said to her: well, my dear, Rome was not unbuilt in a day either. So, you know, we got a little work still to do, but thank you for noticing. I appreciate it.
