Underfunded Pension Plans Are A National Issue

REASON FOUNDATION: "Jurisdictions across the nation—from small special districts up to large state governments—are experiencing crisis in the pension plans for their government workers. In some cases, pension systems have a fraction of the assets needed to meet obligations, creating unfunded liabilities and undermining the soundness of the pension plan."

(Lance Christensen and Adrian Moore, "Pension Reform Handbook: A Starter Guide for Reformers," Reason Foundation, July 2014, Page 1-2)
