ANNUAL REPORT

OF THE

COMMISSIONERS

TO

SELECT A SITE AND BUILD AN

ASYLUM FOR THE INSANE

OF THIS STATE.

OCTOBER 31st, 1877.

COMMISSIONERS' REPORT.

To His Excellency Joseph D. Bedle, Governor, and the Legislature of the State of New Jersey :

The "Commissioners to select a site and build an Asylum for the Insane of this State," respectfully submit the following annual report :

On referring to the last report of the Commissioners, it will be seen that the buildings of the institution were, with some exceptions, finished, and portions were furnished and occupied for the purpose for which they were intended.

The front portico remained to be erected, and portions of the building were unfurnished ; the grounds were not graded or laid out, and much outside work remained to be done.

During the past year considerable additions have been made to the furniture, as they were needed, and some progress has been made in laying out and grading the grounds.

As soon as the appropriation for the purpose, made by the last legislature, was available, the Commissioners, after inviting and receiving proposals from a number of practical stone cutters and contractors, made a contract with Miah Richardson, of Trenton, N. J., to erect the front portico in accordance with the plans and specifications prepared by the architect, and approved by the Commissioners, for the sum of nine thousand seven hundred and forty-nine dollars (\$9,749), the work to be finished on the first day of October, instant.

Owing to delay in procuring the proper stone and other materials required for the work, it is not yet completed, but as the whole of the materials are now on the ground, and as large a force of workmen as can be employed to advantage are at work on the structure, the Commissioners express the confident hope and belief that the whole will be completed before the close of the working season.

Contracts have been made for the erection of shelter houses and seats in the yards attached to the Asylum building, which are extensively used for the exercise and recreation of the patients. The experience of the past year has so strongly demonstrated the necessity of these erections, that the Commissioners could not longer hesitate to provide for them.

The detailed statement, hereto annexed, shows the receipts and

MORRISTOWN ASYLUM.

expenditures during the past year, from October 31, 1876 to October 31, 1877, inclusive.

In conclusion the Commissioners desire to express their acknowledgments for the kind and agreeable manner in which they have been aided by your Excellency and other State officers in the discharge of their duties.

Respectfully submitted,

FRANCIS S. LATHROP,
BEACH VANDERPOOL,
SAMUEL LILLY,
ANTHONY RECKLESS,
GEORGE A. HALSEY,
WILLIAM G. LATHROP,
JOHN S. READ,

Commissioners.

Dated "State Asylum for the Insane at Morristown, N. J."
October 31, 1877.
