Welcome to Monday! Spring arrives at 5:24 PM today, and much warmer air will overspread our region this week. After a cold start though today, it will turn milder this afternoon and the air will remain very dry. Have a great day! #pawx #njwx #mdwx #dewx

The last day of astronomical winter certainly has a wintry feel to it with cold temps and gusty winds. But Monday is the first day of astronomical spring! And (late) spring-like warmth will spread into the region later this week. #NJwx #DEwx #PAwx #MDwx
