In compliance with the Rules and Regulations Governing 90 Day Construction Permits (NJAC 7:1C-1.1 et seq.) this semi-monthly publication contains a list of construction permit applications recently filed or acted upon by the DEP. Using the Application Milestone Codes located on the inside front cover, interested persons can determine the status of Coastal Area Facility Review Act (CAFRA) permits, Federal Consistency Activity permits, Freshwater Wetlands Individual and Statewide General permits, General Groundwater Petroleum Products Cleanup permits, Open Water Fill permits, Solid Waste Facility permits (SWF), Flood Hazard Area (FHA) permits, Tidal Wetlands permits, Waterfront Development permits and Treatment Works Approvals (TWA). In addition, this publication lists status of Highlands application and Highlands Applicability Determinations.

In addition, a calendar of Events of Interest and a Schedule of Public Hearings is provided. The public hearings listed do not, however, constitute an official notice. Environmental Impact Statements acted upon during the period are also shown. Additional information concerning the permit applications can be obtained by calling the project manager at the appropriate office listed on the inside back cover.

Narrative	Liberty Property Limited Partnership (Liberty) is the developer of property located at Delaware Avenue & Penn Street, City of Camden, New Jersey (the Project). Applicant intends to construct a mixed-use development containing commercial, residential, retail, and hotel uses, in addition to parking garages and newly created street parking. The Project will turn the long vacant and underutilized Camden waterfront area into a vibrant mixed-use development comprised of 1.44 million square feet of space in four new commercial office buildings, 211 units in three new residential buildings including 20% affordable housing, a 130-150 key major flag hotel, approximately 22,088 square feet of ground floor retail, 283 surface and on-street parking spaces, and approximately 3,892 garage parking spaces. Liberty is seeking a waiver under N.J.A.C. 7:1B-1.1, et seq. (the Waiver Rule) from strict compliance with the High-Rise Structures Rule, N.J.A.C. 7:7-15.14 (High-Rise Rule or the Rule) of the Coastal Zone Management Rules, N.J.A.C. 7:7-1.1, et seq. (CZM Rules) in connection with Liberty's Waterfront Development Law Individual Permit application for the Project. Liberty is seeking a waiver from strict compliance with the High-Rise Rule on the basis that strict compliance will be unduly burdensome and will result in an actual, exceptional hardship to the Camden Waterfront Project and to the revitalization of the Camden waterfront. N.J.A.C. 7:1B-2.1(1)(2). Failure to grant the Waiver Request will result in Liberty terminating the Project because the Project cannot be redesigned in a manner to comply with the High-Rise Rule, redevelopment plan requirements, and prospective tenant needs.
