FOREWORD

The following Table of Contents with its accompanying Schedules is prepared pursuant to P. L. 1939, Chapter 379 to indicate the changes made in the statute law since the enactment of the *Revised Statutes*, except those made by revision statutes.

The Table itself indicates the changes made in the general and permanent statute law by amendment or repeal of pre-existing legislation or by enactment of additional legislation. Sections of the *Revised Statutes* or *New Jersey Statutes* which have not been amended and additional legislation which has been repealed (see Schedule 3) do not appear in the Table.

The classification and arrangement used is that of the *Revised Statutes* and the *New Jersey Statutes*, amplified so as to include material for which no adequate classification units appear in those works. New chapters or other new subdivision headings are set up under the designation "added" when they are provided by statute and under the designation "new" when they are provided for convenience in classification.

An amendment of a section of a pre-existing statute is indicated by reference to the number of the statute amended, as found in the *Revised Statutes*, the *New Jersey Statutes* or the Pamphlet Laws.

Additional legislation, supplementary or otherwise, is classified using compilation numbers preceded by the letter "C." These compilation numbers will in most cases correspond to those used in the *New Jersey Statutes Annotated.* In some instances, however, material is differently classified, in which case an entry will appear in the Table, thus "(NJSA 54:4-8.1 see C. 54:4-6.1)." A Schedule of divergent numbers used in the *New Jersey Statutes Annotated* and the *Revised Statutes Cumulative Supplement* is appended to the Table.

Amendments to additional legislation enacted during the period covered are carried under the numbers assigned to the sections amended.

The Table is arranged in consecutive order of classification numbers, thus:

"R. S. 32:4-1 to 32:4-5 repealed 1957, c. 35, s. 3.
C. 32:4-6 to 32:4-9 1957, c. 35, ss. 1-4.
C. 32:4-6 amended 1969, c. 290, ss. 1, 2-4."

Statutes of general and permanent character enacted and repealed, and statutes not of this character enacted, within the period covered, are not referred to in the Table but reference to them will be found in Schedules 3, 5, 6 and 7 annexed to the Table.

March 1, 1980.
