SUBCHAPTER 1. GENERAL PROVISIONS

6A:12-1.1 Purpose

The purpose of this chapter is to establish the rules for an interdistrict public school choice program (choice program) in the Department of Education (Department) as provided for in N.J.S.A. 18A:36B-1 et seq. The choice program is necessary to provide greater choice to parents and students in selecting a school which best meets the needs of the student and thus improves educational opportunities for New Jersey citizens. The choice program has the potential to improve the degree to which the education system is responsive to parents and students. It can also improve education and enhance efficiency by allowing a redistribution of students where some districts are overcrowded and others are under-enrolled. Finally, it can improve quality by creating a healthy competition among school districts.

Amended by R.2000 d.477, effective December 4, 2000.
See: 32 N.J.R. 3201(a), 32 N.J.R. 4255(a).
Amended N.J.S.A. citation.

6A:12-1.2 Scope

(a) Any school district in the State will be eligible to become a choice district whereby students outside of the district attend an educational program in the choice district free of charge. However, for the first year following the enactment of this chapter, there shall be in operation no more than 10 choice districts Statewide and no more than one per county; for the second year, no more than 15 choice districts Statewide and no more than one per county; and for the third, fourth and fifth years, no more than 21 choice districts Statewide and no more than one per county.

(b) District boards of education may choose to participate in the choice program as choice districts by receiving choice students pursuant to this chapter. District boards of education shall not prevent or discourage students from participating in the choice program.

(c) District boards of education may not maintain at the same time both a tuition program pursuant to N.J.S.A. 18A:38-3 and a choice program.

(d) District boards of education currently in a sending/receiving relationship are eligible to participate in the choice program unless otherwise legally prohibited.

Amended by R.2000 d.477, effective December 4, 2000.
See: 32 N.J.R. 3201(a), 32 N.J.R. 4255(a).

6A:12-3.1 Sending district procedures

(a) Upon adoption of a resolution, the district board of education of a sending district may limit the number of its students participating in the choice program.

1. The district board of education of a sending district may limit the total number of its students participating in the choice program to:

i. Two percent of the number of students per grade per year in the sending district limited by any resolution adopted pursuant to (b)1ii below; and/or

ii. Seven percent of the total number of students enrolled in the sending district.

2. The school board of a sending district may adopt a resolution to exceed the enrollment restriction percentages of (a)1i and ii above to a maximum of 10 percent of the number of students per grade per year, limited by any resolution adopted pursuant to this paragraph, and a maximum of 15 percent of the total number of students enrolled in the sending district, provided that the Commissioner determines that the resolution:

i. Is in the best interest of the district's students;

ii. Will not adversely affect the district's programs, services, operations, or fiscal conditions; and

iii. Will not adversely affect or limit the diversity of the remainder of the student population in the district that do not participate in the choice program.

3. The district board of education of a sending district shall not compound enrollment restriction percentages adopted by any resolution pursuant to (a)1 and 2 above from year to year and shall base the enrollment counts for the year preceding on the sending district's initial year of participation in the choice program.

i. In any year of the program in which there is an increase in enrollment in the sending district, the percentage enrollment restriction may be applied to the increase and the result added to the preceding year's count of students eligible to attend a choice district. If there is a decrease in enrollment in the sending district at any time during the duration of this program, the number of students eligible to attend a choice district shall be the number of students enrolled in the choice program in the initial year of the district's participation in the program, provided that a student attending a choice district school shall be entitled to remain enrolled in that school until graduation.

ii. The enrollment counts in this paragraph shall be the enrollment counts as reported on the October Application for State School Aid for the year preceding the initial school year in which an enrollment restriction resolution is applicable.

4. In the event that the district board of education of a sending district holds a lottery as required in N.J.A.C. 6A:12-3.1(a)4, the notice for the second application cycle required in (c) above shall be provided to the parent or legal guardian of the next student(s) on the waiting list developed pursuant to N.J.A.C. 6A:12-3.1(a)4ii.

5. In the event that a sending district fails to provide timely notification in compliance with (c) above, the student's parent or legal guardian may submit an application to the choice district notwithstanding the requirement in (d)2 below.

(d) In the first application cycle, the student's parent or legal guardian must submit an application to the choice district no later than December 5 for initial enrollment beginning the following school year. In the second application cycle, the application shall be submitted no later than the following April 5.

1. The parent or legal guardian shall identify the student, the student's district of residence, the grade level and school the student is currently attending in the district of residence, and the program, grade level and school building of the choice district for which the student is applying.

The student's parent or legal guardian must also submit with the application the written notification from the sending district that the student may participate in the choice program pursuant to (c) above, except in the event that a sending district fails to provide timely notification as provided for in (c)5 above.

(f) In the first application cycle, the parent or legal guardian shall provide written notification to the choice district no later than January 15 whether the choice student intends to enroll in the choice district. In the second application cycle, the written notice of intent to enroll shall be provided no later than the following May 15.

1. Notice of intent to enroll in the choice district obligates the choice student to attend the choice district

during the following school year, unless the sending district and the choice district agree in writing to allow the choice student to transfer back to the sending district.

2. Notice of intent to enroll is not binding if the choice student's parents or legal guardians change residence to another district.

(g) During the first application cycle, in the event that a choice district does not receive enough notices of intent to enroll to fill all available spaces, the choice district shall provide a written notice, no later than January 25, to the parent or legal guardian of the next student(s) on the waiting list established pursuant to N.J.A.C. 6A:12-3.2(a)5ii that the student(s) is accepted. In the second application cycle, the notice shall be provided no later than the following May 25.
