UPDATED January 20, 2023: COVID-19 Resources for Contracted Providers

The NJ Department of Children and Families is continuing to monitor the spread of the COVID-19 Coronavirus and its impact on children, families, our staff and our partner providers, throughout the state. The federal [Centers for Disease Control and Prevention](#) and [NJ Department of Health](#) are providing ongoing guidance and direction regarding necessary precautions and action plans. The experts agree that Coronavirus prevention strategies are similar to what we do to prevent the flu:

- Wash your hands in soap and water, regularly
- Cover your coughs and sneezes with a tissue or your elbow
- Avoid touching your face, mouth and eyes
- If you are feeling unwell, stay home and rest
