2023 THREAT ASSESSMENT

[CLICK HERE TO READ THE ASSESSMENT](#)

The public's assistance in reporting suspicious activity is key to preventing the next potential terrorist attack. Understanding the behaviors that are indicative of terrorism-related suspicious activity is the

first step toward protecting communities across New Jersey from extremists both at home and abroad. NJOHSP has released a public service announcement spotlighting some of these indicators and the difference each individual makes when they “See Something, Say Something.”
