Charge Up+ applications are being processed in the order received. Once you apply, you should get confirmation or a request for further information within five business days. Thank you for your participation in Charge Up New Jersey.

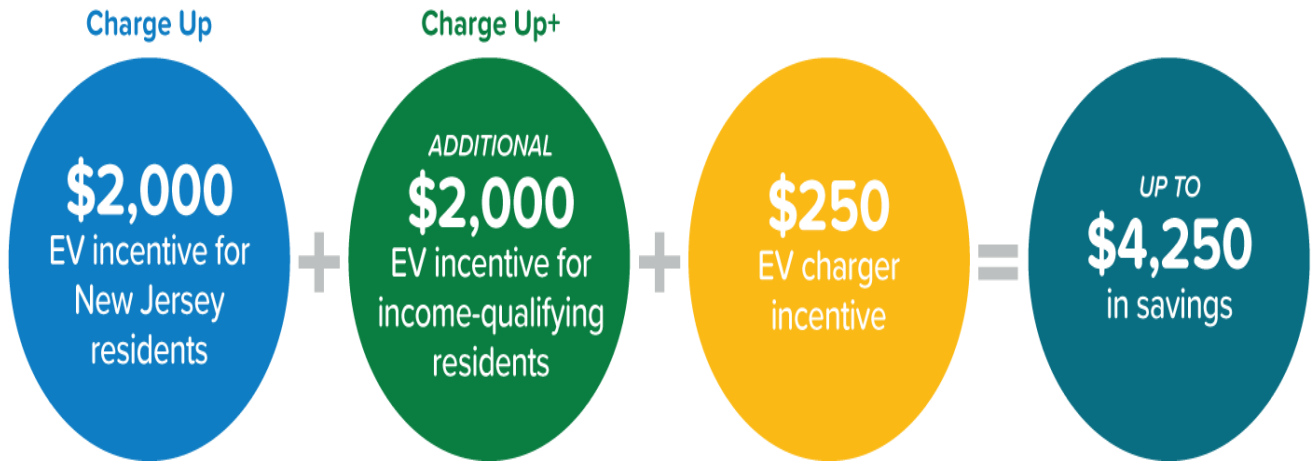

Charge Up New Jersey promotes clean vehicle adoption in the state by offering incentives of up to \$4,000 for the purchase or lease of a new, eligible battery electric vehicle (EV) and up to \$250 for purchasing an eligible EV charger.

Switching from gasoline and diesel use to driving electric creates significant economic and environmental benefits, including less air pollution, healthier communities, and reduced greenhouse gas emissions.

## How Much Can I Save?

Residents can take advantage of the Charge Up New Jersey incentive directly at the car dealership or showroom and apply the incentive instantly to their purchase or lease at the point-of-sale.

## CHARGE UP

The **Charge Up** incentive provides **\$2,000** to eligible New Jersey residents for the purchase or lease of a new eligible EV (/eligible-vehicles).

## CHARGE UP+

The **Charge Up+** incentive provides an additional \$2,000 for income-qualifying applicants, for a total incentive of **\$4,000**.

## EV CHARGER INCENTIVE

Charge Up New Jersey also offers up to **\$250** for the purchase of a qualifying Level 2 charger through the In-Home EV Charger Incentive (/home-ev-charger-incentive).

You may also be eligible for a federal tax credit as high as \$7,500 for a new EV. Visit the [Additional Incentives \(/additional-incentives\)](/additional-incentives) page for more information.

# How to Claim Your Incentive

Claiming your incentive is easy!

## Charge Up Incentive | \$2,000

*EV incentive for New Jersey residents*

For the \$2,000 Charge Up incentive, an eligible dealer (/eligible-dealerships) will submit the application on your behalf and savings will be instantly applied to the purchase or lease of your new vehicle.

## Charge Up+ Incentive | \$4,000 TOTAL SAVINGS

*EV incentive for income-qualifying residents*

To claim the \$4,000 Charge Up+ incentive, you must prequalify prior to the vehicle's sale or lease. Visit the Eligibility Guidelines (</eligibility-guidelines>) page to learn more about prequalification requirements.

To claim the \$250 EV charger incentive, you must submit proof of purchase and other supporting documentation through the customer dashboard ([https://apply.chargeupnj.org/EV\\_SiteLogin#loaded](https://apply.chargeupnj.org/EV_SiteLogin#loaded)).
