

## Five Years By The Numbers

*A Christie Record Of Renewal*

---

|                              |  |
|------------------------------|--|
| <b><i>\$120 Billion</i></b>  | Taxpayer savings from 2011's landmark pension and benefits reform  |
| <b><i>\$13 Billion</i></b>   | Combined fiscal deficit closed by Governor Christie in his first 18 months in office   |
| <b><i>\$12 Billion</i></b>   | Total Public-Private Investment through the Christie Administration's pro-growth policies which will generate or retain nearly 80,000 jobs     |
| <b><i>\$11.9 Billion</i></b> | Total state aid to schools in Fiscal Year 2015, the fourth consecutive historic high   |
| <b><i>\$2.89 Billion</i></b> | Contribution to the pension fund under Governor Christie, more than any governor in New Jersey history   |
| <b><i>\$2.5 Billion</i></b>  | Less discretionary spending in Fiscal Year 2015 compared with Fiscal Year 2008, under then Governor Corzine                                    |
| <b><i>\$2.32 Billion</i></b> | Targeted, job-creating business tax cuts signed into law by Governor Christie  |
| <b><i>\$1 Billion</i></b>    | Assistance funding to Sandy-impacted families  |
| <b><i>\$213 Million</i></b>  | Tax savings for New Jersey employers thanks to the Christie Administration efforts to return the Unemployment Insurance Trust Fund to solvency |
| <b><i>\$174 Million</i></b>  | Support provided to small businesses and communities recovering from Sandy through the Stronger NJ Business programs                           |
| <b><i>\$54.8 Million</i></b> | Spending in Fiscal Year 2015 on the expanded drug court program to help non-violent offenders reclaim their lives                              |
