English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

English Language Progress to Proficiency

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

| Student Group | Percent of English Learners Making Expected Growth to Proficiency | 2017-18 Target | Met Target? |

† Target was met within one standard deviation

English Language Proficiency Test - Participation and Performance

This table shows, by years in district, the number of English learner students taking the ACCESS for ELLs 2.0 Assessment for English language proficiency and the percentage of students tested that received an overall score of 4.5 or above. Students must receive a score of 4.5 or higher to be considered for proficient status.

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Biology Assessment Information

Information about participation and performance on the PSAT, SAT, and ACT exams comes directly from College Board and ACT.

PSAT, SAT, & ACT - Participation

This table shows information about participation on the PSAT, SAT, and ACT exams. PSAT participation is the percentage of 10th and 11th graders that took the PSAT 10 or PSAT NMSQT exam in 2017-18. SAT and ACT participation rates show the percentage of 12th graders that have taken the SAT or ACT this year or in prior years.

| Participation Type | School Participation Rate | State Participation Rate |
|---|---------------------------|--------------------------|
| 10th and 11th graders taking PSAT 10/NMSQT in 2017-18 | 86.3% | 85.0% |
| 12th graders taking SAT in 2017-18 or prior years | 35.4% | 72.2% |
| 12th graders taking ACT in 2017-18 or prior years | 100.0% | 24.6% |

PSAT, SAT, & ACT - Performance

This table shows how students performed on the PSAT, SAT, and ACT tests by subject area. The table includes average test scores, college readiness benchmarks, and the percentage of students that scored at or above these benchmarks. Benchmarks were defined by College Board and ACT and students that score at or above these benchmarks have a high chance of success in credit-bearing college courses.

| Participation Type | School Average Score | State Average Score | College Readiness Benchmarks | School - Students Scores at or above Benchmark | State - Students Scores at or above Benchmark |
|-------------------------------------|----------------------|---------------------|--------------------------------|--|---|

Students in high schools begin to demonstrate college readiness behaviors long before they actually graduate from high school. These include participating in advanced course work such as **Advanced Placement (AP)** or **International Baccalaureate (IB)** courses and exams and **dual enrollment** courses where high school students can enroll in college courses for credit.

AP/IB Coursework – Participation and Performance

This chart shows the percentage of 11th and 12th graders who enrolled in one or more AP or IB courses, who took one or more AP or IB exams, and who had one or more exams with an AP score of 3 or higher or IB score of 4 or higher.

AP/ IB Courses Offered

This table shows the list of AP/IB Courses that were offered by the school or for which students took the corresponding AP/IB exam along with the number of students enrolled and the number of students taking the exam. Students do not need to take a course to take the exam and not all students enrolled in a course take the exam. The last two rows show the total number of exams taken and the number of exams with AP scores of 3 or higher or IB scores of 4 or higher. Students who take multiple examples are counted more than once in the last two rows.

| AP/IB Course | Students Enrolled | Students Tested |
|--|-------------------|-----------------|
| AP Studio Art—Two-Dimensional | 11 | 11 |
| Total Exams taken | | 11 |
| Exams with scores of at least 3 on AP exams or 4 on IB exams | | * |

Dual Enrollment Coursework - Participation

This graph shows the percentage students enrolled in at least one dual enrollment course during the school year. Dual enrollment courses allow high school students to enroll in college courses for credit prior to their high school graduation.

Students enrolled in shared-time Career and Technical Education programs in a county vocational school district are included in the percentages for both the county vocational school and their sending school.

CTE Participants

(completed only one course in an approved CTE program)

CTE Concentrators

(completed two or more courses in a single approved CTE program and/or completed the entire CTE program)

Structured Learning Experiences Participation

Annual ESSA accountability targets for the Class of 2017 4-year rate and the Class of 2016 5-year rates are included with a flag for whether the annual targets were met. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

| Category | School |

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these [accountability resources](#).

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

| Requires Comprehensive Support during the 2019-20 School Year | Eligible to exit status in January 2021 | Eligible to exit status in January 2022 |
|---|---|---|
| No | n/a | n/a |

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Support will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these [accountability resources](#).

|  <p>Mission, Vision, Theme:</p> | <p>Our mission: People's Prep prepares all of our students to graduate from the college of their choice of informed, involved, resilient citizens. Our vision: People's Prep will break cycles of unequal education, inadequate opportunity, and poverty.</p> |
|  <p>Awards, Recognition, Accomplishments:</p> | <p>People's Prep is Newark's oldest stand-alone, independent charter school. Our creative and unrelenting approach to college prep for all students was recognized in a front-page feature in the Star Ledger in 2018. Our on-time graduation rate continues to increase and outpaces the other open-admissions high schools in Newark. In 2019, members of our founding class of students will be the first alumni to graduate from the colleges of their choice. People's Prep's co-director, and founding math teacher, Keith Robinson, is a winner of the prestigious Fishman Prize for Superlative Classroom Practice. Student recognition includes several Cooperman College Scholars, state and conference champions in track and basketball, alumni enrolled in Rutgers Newark Honors Living Learning Community, and a recipient of NJCU Presidential Scholarship. Our student interns work at local organizations such as Newark-based tech start-ups, the City of Newark, and Newark's WGBO</p> |

**Courses, Curriculum,
Instruction:**

Students in grades 9-11 take double sessions of ELA and Math and students in all four grades participate in daily independent reading. We also offer arts programming including AP Studio Art, band and chorus. All students have daily, single-sex advising, a four-year college prep course, on-site ACT prep courses for all 11th and 12th graders, in-school daily college advising or all 12th graders, a credit-bearing internship course, and honors courses, honors options in mainstream courses, dual-enrollment opportunities and on-site college classes. The Voyage Honors Program at PPCS includes honors coursework, mentorship and volunteerism, as well as cultural excursions related to the annual theme, which in 2018-2019 is Political Unrest. For students with academic or cognitive differences we have the Cove, which offers fundamental coursework in a small-group setting. All curricula and assessment development is a collaboration between our Dir. of Curric. and Instruction and our faculty.

Sports and Athletics:

Sports Offered: Cheerleading (Coed), Track and Field - Spring (Coed), Track and Field - Winter (Coed), Volleyball (Girls)

Clubs and Activities:

All People's Prep students participate in our annual Day of Service and our annual Career Day, which brings over 70 professionals to campus to meet with students in small-group settings. We also created a Community Work program, which offers year-long internships to students in grades 10-12, and College Day, which aims to simulate early college scenarios for our 12th graders in order to troubleshoot and build excitement before the high school- college transition. We sponsor dual enrollment courses at Rutgers Newark for 10th-12th graders and summer opportunities including sports camp, Outward Bound, and paid internships. Each year, several of our young men participate in the Boys to Men Empowerment Conference at Montclair State, and People's Prep created and hosts the annual Young Women's Leadership and Advocacy Program. Our large Arts Department teaches chorus, band, and AP studio art. Clubs include history club, guitar club, boatbuilding, art club, and fitness club.

|  <p>Before and After School Programs:</p> | <p>Two evenings a week, People’s Prep offers a Credit Accumulation Program (CAP) for eligible students. CAP is facilitated and taught by People’s Prep teachers and gives students the opportunity to potentially avoid summer school and graduate within four years. Each spring semester, People’s Prep offers PARCC prep classes on Saturdays for any interested student. Four afternoons a week, our teachers host Office Hours for students requiring or interested in additional academic support or enrichment. Our student interns work off campus at their internship site at least one afternoon a week and students in the Voyage Honors Program take college-level courses on-campus one afternoon a week. Incoming students begin school a week early for orientation. Our rising 12th graders return to campus seven school days early to begin the college application process. Approximately one third of students attend school in July to be on grade-level in the upcoming academic year.</p> |
|  <p>Staff and Professional Learning:</p> | <p>All new staff have a 5-weeks of summer training. Foundational instruction about our school’s mission, values, norms and structures is taught by the school’s founder. Training around school culture, advisory, curriculum, assessment, data cycles, team building, student support, evaluation, professional norms, and college access are taught by members of the administrative team, many of whom have been with the organization since its inception. Each new staff member is assigned to a manager and coach who meets with them weekly for project and progress management, professional growth and goal setting. Teachers’ weekly coaching sessions are facilitated by a member of the Instructional Leadership Team or a member of the administrative team. These coaching sessions give teachers an opportunity to reflect, analyze their practice, receive feedback and practice high-leverage teaching moves. All departments meet weekly and our Dir. of Curric. & Instruction facilitates weekly PD.</p> |
|  <p>Postsecondary Information:</p> | <p>In May of 2019, members of the founding class of People’s Prep students, The Class of 2019, will graduate from the college of their choice! 100% of People’s Prep 12th graders apply to at least one four-year college or university. Each year, approximately 85% of the graduating class attends a 2 or 4-year college. With the remaining 15% of graduates, the staff of the Office of College Placements works diligently to ensure that students transition into their most rigorous post-secondary option. This may be a trade program, military service, or transitioning directly into the workforce. In the past four years, People’s Prep students have been accepted to dozens of colleges and universities across the country. Some of these include: Howard University, Morehouse College, TCNJ, The University of Massachusetts, Saint Michael’s College, Rensselaer Polytechnic Institute, Rutgers University- New Brunswick, Franklin & Marshall College and Allegheny College.</p> |

|  <p>Student Supports and Services:</p> | <p>With students from approximately 30 schools across Newark, we employ a comprehensive set of student supports to achieve our mission: graduating students from the college of their choice. All students at People’s Prep can take advantage of the following supports: daily teacher-hosted after-school Office Hours, weekly peer tutoring, PARCC prep Saturdays, daily advisory program called Council and mental health counseling. Some students may also benefit from the following supports: daily in-school small group tutoring, ESL class, special education pull-out groups for core content areas, and behavior plans as an academic or behavioral intervention. For students who struggled to accrue credit on time, we offer a Credit Accumulation Program, two evenings a week, and four weeks of summer session. The Harbor, The Cove (both for students with disabilities), and Voyage Honors Program are three student support programs designed for students with needs outside of the general education program.</p> |
|  <p>Student Health and Wellness:</p> | <p>Students in grades 9-12 take PE and health class. The PE units include sports, team building games and units in our fitness center. We have a growing sports program, which includes 5 sports. Health units follow the state’s core content standards, and give specific emphasis to physical, behavioral, and psychological topics that are relevant to low-income communities. Every day, students attend our single-sex advisory program, Council. Councils stay together for all four years of high school. Councils are a place for academic as well as social and behavioral growth and exploration. Any PPCS student can benefit from mental health counseling sessions. People’s Prep has a large student support department including four mental health workers. Our deans and administrators facilitate mediations daily to promote a culture of dialogue and non-violence. When students need a formal center to reflect, re-engage or restore relationships, our deans facilitate that process in the 3RC.</p> |
|  <p>Parent and Community Involvement:</p> | <p>We believe that partnership with families and the Newark community is essential. A PPCS parent’s journey begins at Signing Day when they meet other new families and the staff. During the summer, new families receives a home visit where we get to know each other better. In August, new parents attend Parent University where we focus on students’ four-year trajectory from high school to college. In the fall, we couple Back to School Night with the Enrichment Fair so families can learn about the internal and external opportunities we can offer. Each parent stays connected to their child’s school day through our student database, Schoolrunner and through very regular contact with their student’s Council Coach. Each quarter, Council Coaches host Parent-Teacher Conferences, which are always very well attended. Additionally, parents stay connected to the school through sports, internship showcases, the Child Study Team process and through efforts like new student recruitment.</p> |

Climate Surveys:

Is a Climate Survey Used: Yes; Who is surveyed: Parents, Teachers

We use periodic surveys to assess our parents', families' and teachers' perception of our school climate and culture. We survey students at the end of each quarter, we survey parents at the end of Quarter 1 and Quarter 3, and we survey teachers using the Insight survey, which is administered by TNTP both in the fall and spring. As part of the parent survey, we calculate net promoter score, which is a measure of the strength of the relationship between an organization and its customers. It is the net percentage of, in this case, families who rate themselves as very likely to promote the school less the families who respond neutrally or unlikely to promote the school. A positive result is considered good, and above 50 is considered great. In the first survey of 2018-2019, we scored a 63%. 99.3% of families also agreed or strongly agreed that their child feels safe at school.
