##### 10A:3-1.3 Definitions

The following words and terms, when used in this chapter, shall have the following meanings unless the context clearly indicates otherwise:

"Imminent danger" means threatened harmful actions or outcomes that may occur during an encounter absent action by the custody staff member. The period of time involved is dependent on the circumstances and facts evident in each situation and is not the same in all situations. The threatened harm does not have to be instantaneous, for example, imminent danger may be present even if an individual is not at that instant pointing a weapon at another individual, but is carrying a weapon and running for cover.
