#### **STATEMENT OF GOV. CHRISTIE WHITMAN ON STATE POLICE ACTIVITY SUMMARY**

Gov. Whitman issued the following statement regarding the activity report that was issued today by the Division of State Police:

"First, and foremost, I have been assured by the Attorney General that appropriate actions have been taken to ensure that all State Police road activities have resumed and the public safety is in no way compromised."

"The fact that there was a 'work slow down' by some state troopers is unfortunate, but I now want to put this behind us, so the State Police can get on with performing their public safety responsibilities."

"I would like to remind the citizens of this state that our State Police force is among the finest in the nation, and that the actions of a few should not be generalized to all of the men and women who put their lives on the line everyday to keep us safe."
