New Jersey Turnpike Authority Closes Newark Bay-Hudson County Extension

Monday, October 29, 2012 Tags: [Hurricane Sandy](#)

Trenton, NJ - The New Jersey Turnpike is closed from Interchange 14 in Newark through Interchange 14C in Jersey City because of high winds, the Turnpike Authority announced.

The affected section of the highway is the 8.2-mile stretch that connects the main line of the Turnpike to the Holland Tunnel.

Drivers should expect other significant closures as the storm progresses.

All unnecessary travel should be avoided, but motorists who absolutely must travel should check www.511nj.org for up-to-the-minute information on travel conditions and road closures.
