NEW LEGISLATION

Chapter 157, P.L. 1972 — (Senate Bill 437) — This statute, which was enacted on September 27, 1972, amended the statute governing all State-administrated retirement systems, including the Public Employees Retirement System, to provide for an actuarial investigation by the actuaries of the respective systems every 3 years rather than every 5 years.

Chapter 158, P.L. 1972 — (Senate Bill 531) — This statute, which was enacted on September 27, 1972, provides for the escheat of unclaimed monies held in State-administered retirement systems. The Legislation escheats the money to the pension system and as such merely reflects what has been administratively true since the inception of all pension funds.
