The following message was received from the Governor:

STATE OF NEW JERSEY  
EXECUTIVE DEPARTMENT  
January 20, 1983. }

SENATE BILL No. 1694 (OCR)

To the Senate:

Pursuant to Article V, Section 1, paragraph 14 of the Constitution, I herewith return Senate Bill No. 1694 without my signature.

This bill provides that when the voters in a city with the population of over 300,000 which is divided into wards elect to become a Type II school district, the board of education *shall* consist of one member from each ward and four members elected at large. Under existing law, ward representation is not allowed on school boards.

My concerns with this bill are twofold:

Laws are special in a constitutional sense when by force of their inherent limitation, they separate some person, places or things from others upon which, but for such limitation they would operate. The test of a special law is the appropriateness of its provisions to the objects it excludes. This bill calls for ward representation only in a city with a population of over 300,000. Currently, Newark is the only city in the State of New Jersey that meets this classification. All other cities are excluded by this legislation, and there was no evidence presented as to why all other cities in the State of New Jersey were excluded. To that extent, this bill is very likely subject to an unconstitutional special legislation challenge.

I am not opposed per se to ward representation on school boards. However, I would like to see the Legislature deal in a comprehensive manner, with the question of ward representation for all cities in the State of New Jersey and not just one with a population of over 300,000. Ward representation is a complicated issue which needs thorough analysis and public discussion. The argument against ward representation historically is that it politicizes school boards and that politics inherent to certain wards divide school boards on crucial issues for which school boards are established.

My second concern with this bill is that it *mandates* ward representation in a city with a population of over 300,000. The fact of the matter is that the people of Newark went to referendum and elected to become a Type II district. To my knowledge, they never voted to have ward representation. To that extent, legislation like this should be dealt with permissively to accommodate local interests and needs.

Accordingly, I herewith return Senate Bill No. 1694 (OCR) without my approval.

Respectfully,

/s/ THOMAS H. KEAN,

*Governor.*

[SEAL]

Attest:

/s/ W. CARY EDWARDS,

*Chief Counsel to the Governor.*

STATE OF NEW JERSEY,  
OFFICE OF THE GOVERNOR,  
January 31, 1983. }

Honorable Carmen A. Orechio  
President of the Senate  
State House  
Trenton, New Jersey 08625

*To the President and Members of the Senate:*

Pursuant to P. L. 1969, c. 203 (C. 52:14C-1 *et seq.*), known as the "Executive Reorganization Act of 1969," I submit herewith a Reorganization Plan for the Department of Education and the Department of State which would transfer the Division of the State Museum and the New Jersey Historical Commission from the Department of Education to the Department of State.

There has been a recent transfer of the Arts Council from the Department of Education to the Department of State, and the purpose for the reorganization is to further concentrate the cultural entities of the Historical Commission and the State Museum within the Department of State.

*Sincerely,*

THOMAS H. KEAN,  
*Governor.*

REORGANIZATION PLAN OF THE DIVISION OF THE STATE MUSEUM  
NEW JERSEY HISTORICAL COMMISSION  
FUNCTIONS WITHIN THE DIVISION OF THE STATE LIBRARY  
FROM THE DEPARTMENT OF EDUCATION  
TO THE DEPARTMENT OF STATE

The Division of the State Museum, in the Department of Education, together with all its functions, powers and duties, pursuant to N. J. S. A. 18A:73-1 *et seq.* and the New Jersey Historical Com-

mission, in the Department of Education, together with all its functions, powers and duties, pursuant to N. J. S. A. 18A:73-21 *et seq.* are hereby transferred to the Department of State. All powers exercised by the Commissioner of Education, the State Board of Education and the State Librarian in direct supervision of the Division of the State Museum and New Jersey Historical Commission, are hereby transferred to the Department of State and shall be executed by the Secretary of State or his designee.

The New Jersey State Museum, as presently organized, under N. J. S. A. 18A:73-1 *et seq.* performs among other things the traditional functions of collecting, exhibiting and interpreting in the areas of natural history, archaeology/ethnology and fine arts in America with a New Jersey/Eastern United States focus. Long-term exhibitions utilize loan materials in conjunction with collection materials to treat timely issues, historic movements or events, and contemporary expression. Both long-term and short-term exhibits are interpreted through publications and through programs designed for school groups and the general public. Outreach activities include traveling exhibits, specimen loans and a film loan service.

The New Jersey State Museum pursuant to N. J. S. A. 18A:73-2 is a Division which consists of a Director and an Advisory Council and such other personnel as the Commissioner of Education deems necessary for its administration. This Advisory Council within the Division of the State Museum is called the Advisory Council of the State Museum and consists of five members appointed by the Governor. Under the reorganization, all who currently are members of the Advisory Council of the State and the Director of the State Museum shall continue according to their respective terms of office. The duties and functions of the Advisory Council of the State Museum and the Director of the State Museum shall remain the same upon the Reorganization.

The New Jersey Historical Commission, as presently organized under N. J. S. A. 18A:73-21 *et seq.* is responsible among other things for advancing public knowledge of the history of New Jersey. To do this, it sponsors public programs, research projects, publications and commemorative observances and grant-in-aid programs for scholars, teachers and local historical organizations. It offers information and assistance to public and private organizations and individuals. In furtherance of its aims, the Commission is empowered by statute to seek and receive funds other than State appropriations.

The New Jersey Historical Commission pursuant to N. J. S. A. 18A:73-22 currently has twelve members, two members from the Senate, two members from the Assembly, six citizens appointed by the Governor, confirmed by the Senate, the State Librarian and the chief of the Office of Historical Preservation of the Department of Environmental Protection.

The New Jersey Historical Commission pursuant to this Reorganization shall be reconstituted as a Division within the Department

of State and will be composed of thirteen members rather than twelve members. The additional member will be the Secretary of State. The thirteen members are:

a. the Secretary of State or his designee, the State Librarian or his designee, and the Chief of the Office of Historical Preservation of the Department of Environmental Protection;

b. six citizens of the State to be appointed by the Governor with the advice and consent of the Senate, all of whom shall be chosen by reason of their expertise in New Jersey history and qualified by academic achievement or professional affiliation, who shall serve for terms of three years and until the appointment and qualification of their successors;

c. two members of the Senate to be appointed by the President thereof, and two members of the General Assembly to be appointed by the Speaker thereof. No more than one of the Senate and Assembly members shall be members of the same political party. Anyone appointed pursuant to subsection c. shall serve as a member of the commission until the expiration of his term as Senator or Assemblyman as the case may be, during which he was appointed.

This transfer will add the Secretary of State as a member of the Historical Commission. This will effectuate the purpose of this Reorganization Act and will effect better management in the Executive branch. The Secretary of State in her role as the main supervisor and coordinator of all the cultural and historical entities located within the Department of State should be part of the Historical Commission.

The purpose of this Reorganizational Plan will be to further concentrate the cultural and heritage functions of the State in a single department. Recently, the State Council on the Arts was transferred from the Department of Education to the Department of State. The Office of Ethnic Affairs is currently located within the Department of State.

This proposed transfer of the Historical Commission and the State Museum will enable the Division of the State Museum and the Historical Commission to work more closely and coordinate programs with the State Council on the Arts and the Ethnic Advisory Council. This will assure more comprehensive oversight and will enable the State to better coordinate its own financing. Also, a transfer of these entities to the Department of the State will promote a greater sharing of expertise of the officials of State government concerned with cultural and historical programs.

In accordance with the provisions of the Executive Reorganization Act of 1969, P. L. 1969, c. 203 (C. 52:14C-2), I find and declare that this transfer and reorganization is necessary and will do the following:

1. It will promote better execution of the laws, and more effective management of the Executive branch and its Depart-

ments, because many cultural entities will be located within one Department rather than two Departments which is the current organization.

2. It will reduce expenditures and promote economy because there will be a sharing of expertise of the officials of State government concerned with cultural and historical programs.
3. It will increase the efficiency of the operation of the Executive to a better extent insofar as there will be a greater sharing of expertise within one Department.
4. It will group and coordinate functions of the Executive as nearly as may be by virtue of the fact that the cultural programs will be located within one Department.
5. Consequently, it will eliminate overlapping and duplication of effort by locating these cultural entities within one Department.

All acts and parts of acts inconsistent with any of the provisions of this Reorganization Plan are superseded to the extent of such inconsistencies. All transfers directed by this Reorganization Plan, unless otherwise provided for herein, shall be effective pursuant to the "State Agency Transfer Act," P. L. 1971, e. 375 (C. 52:14D-1, *et seq.*).

Filed: January 31, 1983.

This is to certify that today there was delivered to the President of the New Jersey State Senate a copy of the Reorganization Plan for the Department of State and the Department of Education, transmitted via letter of the Governor to Senate President Orechio, and delivered by hand, while the chamber was in session.

Receipt acknowledged on behalf of the Senate President.

SENATE BILL NO. 1607

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1607 with my recommendations for reconsideration.

This bill would increase the minimum value of a contract which would require qualification of bidders as a requisite to bidding pursuant to the "Public School Contracts Law," from \$10,000 to \$25,000 and would extend the life of a bidder's qualification statement from six months to two years.

This bill is one of a series of bills implementing the July 1982 report of the Financial Management Subcommittee of the Commission on Business Efficiency of the Public Schools. According to the Commission, the complexity and frequency of the prequalification process required before a vendor can do business with a school district, discourages local contractors from bidding. This bill will modify that procedure, by requiring a qualification statement every two years, rather than every six months. I agree with the Commission's results and believe that the life of a bidder's qualification statement should be extended, however, I have grave concerns with it being extended for two years.

The necessity for qualification statements is to insure solvency of the bidder so that bankruptcy or financial problems do not occur during the life of the contract. Requiring qualification statements every six months is viewed by many as too often, because the bidder's financial situation usually does not change in that short a period of time. However, two years is too long of a period, and a bidder's qualifications very well might change within a two year period. Therefore, I suggest that this bill be modified to allow qualification statements to be extended to one year.

MONDAY, JANUARY 31, 1983

Finally, this bill increases the minimum value from \$10,000 to \$25,000 as the amount which would require the qualification of bidders. This amount has not been changed since 1968, and, due to inflation, its viability with regard to construction cost has been realistically questioned. To more than double this amount at this time would not be prudent, therefore, I suggest that this amount be raised to \$20,000. This is consistent with recent upward revisions in contract law areas.

Accordingly, I herewith return Senate Bill No. 1607 and recommend that it be amended as follows:

- Page 2, Section 1, Line 34:* Delete "\$25,000" insert "\$20,000".
- Page 2, Section 2, Line 6:* Delete "\$25,000" insert "\$20,000".
- Page 2, Section 3, Line 7:* Delete "\$25,000" insert "\$20,000".
- Page 3, Section 4, Line 3:* Delete "two years" insert "one year".
- Page 3, Section 4, Line 7:* Delete "\$25,000" insert "\$20,000".
- Page 3, Section 4, Line 8:* Delete "two years" insert "one year".

Respectfully,

/s/ THOMAS H. KEAN,

SENATE BILL NO. 1317 (3RD OCR)

*To the Senate:*

Pursuant to Article V, Section 1, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1317 (3rd OCR) with my recommendations for reconsideration.

This bill which set limits on the surplus that can be generated through the rate structures of certain local public utilities, and would limit the amount of generated surplus that can be used for general municipal purposes. These limits would apply to both those municipally-owned utilities which supply electricity, gas, steam or

other products or water supplies within their corporate limits and those that provide these services beyond their corporate limits if their rates are subject, pursuant to law, to the jurisdiction of the Board of Public Utilities.

The bill limits the amount of the surplus which can be generated by any municipal utility to 15% of the annual costs of operation of the utility. It is ill-advised to impose such a rigid limit because the extent and effect of the possible contingencies which might arise concerning these utilities vary greatly. For some municipally-owned utilities which have specialized needs, the 15% limit is unduly restrictive and will not allow the utilities to adequately prepare for foreseeable or unforeseeable events which effect their operation. It is more sensible to impose a standard which ensures that such a surplus is sufficient to allow the reasonable anticipation of any contingencies which may occur. Pursuant to this criterion, the burden would be upon the municipal utility to justify the amount of the surplus which it intends to generate as being reasonable and necessary given its own particular situation and characteristics.

The bill also allows any municipal utility to transfer an amount not exceeding 5% of its annual costs of operation to the local budget of the municipality. It is reasonable to provide for such a limited transfer of funds for those municipally-owned utilities that provide services outside their corporate limits and which fall under the jurisdiction of the Board of Public Utilities. However, for municipally-owned utilities that provide services only to residents within the borders of the municipality, the need for such a limit is not compelling. The municipality itself should be allowed to determine when and how much of the surplus of the utility may be transferred over to its general budget. If the local residents who are consumers of the services provided by the local utility do not like the way in which the utility is managed or the rates which are set for it, they have the power to vote out of office their municipal officials.

Therefore, I herewith return Senate Bill No. 1317 (3rd OCR) and recommend that it be amended as follows:

*Page 2, Section 1, Lines 29-30:* After "surplus" delete "not exceeding 15% of the annual costs of operation of the utility." and insert "sufficient to provide for the reasonable anticipation of contingencies which may affect the operation of the utility."

*Page 3, Section 2, Lines 31-32:* After "surplus" delete "not exceeding 15% of the annual costs of operation of the utility." and insert "sufficient to provide for the reasonable anticipation of contingencies which may affect the operation of the utility and for an amount which may be transferred from the accounts of the municipal utility and included in the local budget pursuant to section 5 of this amendatory and supplementary act."

*Page 3, Section 3, Lines 25-26:* After "surplus" delete "not exceeding 15% of the annual costs of operation of the utility." and insert "sufficient to provide for the reasonable anticipation of contingencies which may affect the operation of the utility."

*Page 4, Section 4, Lines 21B-21C:* After "surplus" delete "not exceeding 15% of the annual costs of operation of the utility." and insert "sufficient to provide for the reasonable anticipation of contingencies which may affect the operation of the utility and for an amount which may be transferred from the accounts of the municipal utility and included in the local budget pursuant to section 5 of this amendatory and supplementary act."

*Page 5, Section 5, Line 4:* After "service" insert "which is regulated by the Board of Public Utilities pursuant to N. J. S. 40:62-24 or N. J. S. 40:62-85.2,".

SENATE BILL No. 120 (Assembly Reprint)

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 120 (Assembly Reprint) without my signature.

This bill would permit a uniform construction code official to engage in construction related employment in any municipality in the State, other than the municipality in which he is employed as the code official.

This bill would overrule the current Department of Community Affairs regulation which prohibits construction officials or subcode officials from working in construction related jobs in the municipality adjacent to the municipality in which they are employed as a code official.

The issue raised by this bill, namely whether a code official can work in an adjoining community, is highly controversial as the vote in the Legislature suggests. The Department of Community

Affairs, charged with administering the uniform construction code, maintains that the existing regulation is necessary in order to assure public confidence in the inspection process, to foster a high level of professionalism among code officials and to prevent conflicts of interest or the appearance of conflicts of interest. While I appreciate the problem the existing regulation imposes on small municipalities in attracting code officials, weighing that problem against the larger issue of the integrity of the code enforcement process, I have decided not to sign this bill.

Accordingly, I herewith return Senate Bill No. 120 (Assembly Reprint) without my approval.

Respectfully,

/s/ THOMAS H. KEAN,

*Governor.*

The following message was received from the Governor.

STATE OF NEW JERSEY,  
OFFICE OF THE GOVERNOR,  
February 24, 1983. }

*Honorable Carmen Orechio, President of the Senate:*

SIR—I hereby withdraw the following nomination originally submitted on January 20, 1983:

To be a member of the Delaware River Port Authority, Irving K. Kessler, of Cherry Hill, to succeed himself, for the term prescribed by law.

Very truly yours,

/s/ THOMAS H. KEAN,  
*Governor.*

The President announced receipt of and directed the Secretary to read 2 letters from the Governor, nominating for appointment with the advice and consent of the Senate to the offices indicated, the following:

To be a member of the State Lottery Commission, Donald Valk, of Madison Borough, to succeed himself, for the term prescribed by law.

To be a member of the Hotel and Multiple Dwelling Health and Safety Board, Gerald T. Walsh, of Spring Lake Heights, to succeed Harold Chefitz, for the term prescribed by law.

The above nominations were referred to the Judiciary Committee.

On motion of Mr. Costello Senate No. 1796 was recalled from the General Assembly.

The following message was received from the Governor:

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
February 24, 1983.

SENATE BILL NO. 1649

To the Senate:

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 1649 at the time of signing it, this statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill provides a supplemental appropriation to the County and Municipal Government Study Commission in the amount of \$150,000.00. I note that the sum of \$150,000.00 is the projected amount which the Commission needs to operate for a full fiscal year. At this time, since much of the FY'83 fiscal year has passed, the Commission does not need the full appropriation. I am advised that the sum of \$65,000.00 will be sufficient for the Commission to meet the FY'83 obligations. For this reason, I am reducing the supplemental appropriation to the Commission to \$65,000.00.

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
March 7, 1983. }

SENATE BILL No. 687 (3rd OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I am returning Senate Bill No. 687 with my objections, for reconsideration.

At present, title to property forfeited as the result of a criminal investigation vests with the governmental entity funding the prosecuting agency at the time the property was seized. This bill provides that property forfeited as the result of a criminal investigation would vest in the entity funding the prosecuting agency involved and with the municipality or municipalities whose agencies participated in the criminal investigation resulting in the seizure of the property.

This bill attempts to correct an inequity in the current forfeiture law. Oftentimes municipalities actively participate in criminal investigations, expend a great deal of time and money, and yet recover nothing if property involved in the crime is forfeited. I agree that where a municipality or other investigative entity contributes substantially to a criminal prosecution, that entity should be able to share in the forfeiture. However, I have several questions which are unanswered as S-687 is presently drafted.

First, in a truly joint investigation, who has the right as well as the obligation for the expense of custody, maintenance, repair and insurance with regard to the property?

Second, in those cases where by court order the property can be utilized pending the forfeiture proceedings, which governmental agency can apply for such use, and which entity is liable for the destruction of the property or for injuries resulting from an accident when title ultimately vests in both entities?

Third, where title vests in two agencies and neither agency intends to use the property, who is responsible for and how is the property sold at public auction?

Fourth, litigation will probably develop over the judicial interpretation of "conducted the surveillance, investigation and arrest

. . . . agencies participated therein." Does a phone call from a prosecutor's office to the local police regarding a suspect in that town equal "participation" in the investigation? If a prosecutor requests the assistance of a local police officer in making the arrest that also sufficient to satisfy the statutory requirement of "participating" in the arrest?

It is obvious that this bill is aimed at correcting situations that appear to be inequitable to municipalities. Those involve cases where the municipality did all or almost all of the work only to see the property go to the county or State. However, in cases where there is little or no participation by the municipality S-687 gives the municipality 50% of the proceeds, while the county or State bears 100% of the cost of the prosecution from the screening of the complaint through disposition, including the time, personnel and facilities of the County Jail, Sheriff's Office, County Clerk, Prosecutor's Office, Grand Jury, Court House, and Probation Department. This is clearly inequitable.

There may also be inequity when a lengthy investigation is conducted solely by a municipal police department, although the prosecutors submit that in view of the enormous expense borne by the counties in any criminal case, that it is the exception rather than the rule. A similar problem exists where investigations are conducted solely by the State Police and the prosecution results in a county. In those instances the State can receive nothing and the county receive the entire forfeiture.

I propose amending the bill so that the entity funding the prosecuting agency may in its discretion consent to the vesting of title to forfeited property in one or more other entities, in whole or in part, where the other entity's law enforcement agency participated in the surveillance, investigation and arrest resulting in the forfeiture. This amendment would eliminate all of the practical problems mentioned earlier herein, allow for correction of the most inequitable situations, and in fact allow a municipality to receive 100% of property seized. It would also foster better relations between county and local governments, and county and local law enforcement agencies at a time when cooperation is essential.

Accordingly, I herewith return Senate Bill No. 687 (3rd OCR) for reconsideration and recommend it be amended as follows:

*Page 1, Title, Line 2:* after "7" INSERT "and N.J.S. 2C:64-6"

*Page 1, Section 1, Line 2:* after "property" DELETE ", except motor vehicles,"

*Page 1, Section 1, Line 6:* after "received" INSERT ". The entity funding the prosecuting agency may in its discretion consent to the vesting of title to property, including motor vehicle, seized hereunder, in one or more other entities, in whole or in part, where the other entity's law enforcement agency participated in the surveillance, investigation and arrest resulting in the forfeiture." DELETE "and in the municipality"

SENATE BILL NO. 2035

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 2035 with my objections for reconsideration.

This bill would make permanent the State Expenditure Limitations Act. I strongly applaud the intent of this legislation; in times of austerity, it is even more important that we remain committed to our goals of increased governmental efficiency by maintaining a cap on a rate of growth in the State budget. However, these times of austerity also include times of change in Washington, with budgetary changes at the Federal level which impact upon the State of New Jersey. Accordingly, working with the advice of the Director of the Division of Budget and Accounting, I have concluded that certain minor changes should be made to the existing State expenditures limitation formula to reflect some of the technical changes impacting our State due to decisions made at the federal level. The amendments which I therefore recommend for concurrence by the Legislature would reflect some of those concerns in order to make our State Expenditure Limitations Law more accurately reflect our overall goal to maintain the highest possible level of efficiency in State government while still delivering essential and necessary services.

These amendments would provide for modifying the computational base of our State Expenditure Limitations Law so that the computation would be based on the average annual percentage growth in personal income over a three year period, rather than simply the immediate past year. This change would smooth out fluctuations in the allowable annual expenditure increase by going with a three year moving average rather than simply a year-by-year change.

These amendments would also provide that the exemption section would include money appropriated and to be paid by the State as

capital construction appropriations, just as is provided in the Local and County Cap Laws, as well as to be paid by the State in all lease or lease purchase agreements for buildings and office space. If we are going to be able to devote necessary resources to the rebuilding of State capital and infrastructure shortfalls, it is essential that we be able to provide the budgetary ability to do so.

Our government at the national level in Washington is in the midst of a major shift of program responsibilities to the states called the New Federalism. Most significantly, this shift is burdening the states with the increased costs of operating these programs transferred from the federal government. In some cases these new costs for such major programs as Social Security, Medicaid and Aid to Families with Dependent Children (AFDC) have the potential of raising State expenditures dramatically.

At this point, it is impossible for New Jersey to accurately anticipate what these increased costs will be over the next few years. Under Senate Bill No. 2035 as written, the State would be unable to function given the added responsibility of these programs. To permit the flexibility necessary to respond to the New Federalism, I am recommending amendments to Senate Bill No. 2035 to provide that State expenditures may be increased each year to reflect the loss in federal revenues to the State, as well as any increases in the base year program costs imposed on the State by the federal government.

My suggestions for concurrence by the Legislature would provide that if in any fiscal year any function or service performed by the federal government is transferred to or assumed by the state, that for purposes of state expenditure limitation that transfer shall be deemed to have occurred in the base year, therefore more accurately placing only the annual increase in the cost for that program under the state cap, rather than the base expenses themselves.

Finally, given our inability to specifically and accurately anticipate changes in the national economy or federal finances due to the New Federalism over the long term, I have recommended that the expiration date of the State Expenditure Limitations Law be changed from June 30, 1983 to a new date of June 30, 1986, so that the Legislature may then review the situation based on the economic facts existing at that time.

It is worth noting that the flexibility I am recommending for Senate Bill No. 2035 is consistent with the flexibility the State recently provided to county and municipal governments under the local expenditures limitation law.

Senate Bill No. 2035 is a very necessary piece of legislation; with the current State Expenditure Limitations Law scheduled to expire on June 30, 1983, it is essential that we address the necessity of extending that law in order to provide a continuing limitation on the growth of the state budget. I certainly applaud the necessity to maintain our commitment to governmental austerity and effi-

ciency, and feel that while we are taking this opportunity to extend the law we should also at this time be examining the law itself. Accordingly, with the advice of the Division of Budget and Accounting, along with the extension of the State Expenditure Limitations Law I herewith recommend certain technical changes as detailed in this message.

Thus, I recommend the following amendments for concurrence by the Legislature:

*Page 1, Section 1, Line 1:* Omit "4 of P. L. 1977, c. 22 (C. 52:9H-13)", insert "2 of P. L. 1976, c. 67 (C. 52:9H-6)".

*Page 1, Section 1, Lines 3-4:* Delete entirely.

*Page 1, Section 1, Line 3:* Insert the following:

"2. As used in this act:

a. "Base year" means the fiscal year prior to the fiscal year for which an appropriation or expenditure is to be made;

b. "Expenditures" or "appropriations" means all amounts appropriated by the State in the general appropriation law and all other laws appropriating money for any purpose in any fiscal year, exclusive of money appropriated and paid or to be paid by the State as State aid to counties, municipalities and local school districts or on behalf of counties, municipalities and school districts, or other instrumentalities; [and exclusive] of all expenditures of money received by the State and from the Federal Government[,] ; [and] of money derived from, expended in payment of any interest or principal on, any general obligation bond issues approved by the legally qualified voters of the State at any general election; *of money appropriated and paid or to be paid by the State as capital construction appropriations; and money appropriated and paid or to be paid by the State on all lease or lease purchase agreements for buildings and office space.*

2. Section 3 of P. L. 1976, c. 67 (C. 52:9H-7) is amended to read as follows:

3. In each fiscal year commencing after June 30, 1977, the expenditures permitted pursuant to the following formula:

PCI<sub>i</sub>

———— x b. exp = Maximum expenditures

PCI<sub>i-1</sub>

(1 + PCI<sub>i</sub> x b. exp. = Maximum expenditures

where:

a. PCI<sub>i</sub> means *the average annual percentage increase in State per capita personal income [in] over the four [year] years prior to the base year, which shall be calculated by taking the personal income data published by the United States Department of Commerce for the second calendar year quarter [preceding the commencement of the base year,] in each of the prior years, and dividing it by the State's population [in the] for each prior year in which [that] the second calendar quarter falls, as certified by said depart-*

WEDNESDAY, MARCH 30, 1985

ment; and by then taking the average of the percentage changes between each of the prior years; and

[b. PCIi-1 means State per capita personal income in the year two years prior to the base year, which shall be calculated by taking the personal income data published by the United States Department of Commerce for the fifth calendar year quarter preceding the commencement of the base year and dividing it by the State's population in the year in which that calendar quarter falls, as certified by said department; and]

b. [c.] "b. exp." means the appropriations of the State in the base year.

3. (New section) The "maximum expenditure" prescribed in section 3 of P. L. 1976, c. 67 (C. 52:9H-7) may be increased in any fiscal year by (1) any unexpected decrease from the "base year" in the estimate of non-state revenue such as Federal program revenue; and (2) any estimated increases from the "base year" in program costs imposed on the State by the Federal Government, such as employer contributions to Social Security.

4. (New section) If in any fiscal year any function or service performed by the Federal Government is transferred to, or its costs of operation or performance are assumed by the State, such transfer or assumption shall, for the purposes of the formula prescribed in section 3 of P. L. 1976, c. 67 (C. 52:9H-7) be deemed to have occurred in the base year and, therefore, the "b. exp" component of the formula shall be adjusted accordingly to reflect any increase or decrease in expenditures as a result of such transfer or assumption by the State.

5. Section 4 of P. L. 1977, c. 22 (C. 52:9H-13) is amended to read as follows:

4. This act and the act to which this is a supplement shall take effect immediately and shall expire on June 30, [1983] 1986.

6. This act shall take effect immediately."

Respectfully,

/s/ THOMAS H. KEAN,

Governor.

The following communication was received from the Governor and read:

STATE OF NEW JERSEY,  
OFFICE OF THE GOVERNOR,  
April 25, 1983. }

Honorable Carmen A. Orechio  
President of the Senate  
State House  
Trenton, New Jersey 08625

*To the President and Members of the Senate:*

Pursuant to P. L. 1969, c. 203 (C. 52:14C-1 *et seq.*), known as the "Executive Reorganization Act of 1969," I submit herewith a Reorganization Plan for the Department of Education and the Department of State which would transfer the Bureau of Records Management Services and the Archives Section in the Division of the State Library from the Department of Education to the Department of State.

There have been recent transfers of the State Council on the Arts, the State Historical Commission and the State Museum from the Department of Education to the Department of State, and the purpose for this reorganization is to further concentrate the entities of the Bureau of Records Management Services and the Archives Section currently in the Division of the State Library within the Department of Education to the Department of State.

Sincerely,

/s/ THOMAS H. KEAN,  
Governor.

*Reorganization Plan of the Bureau of Records Management Services and the Archives Section in the Bureau of Law, Archives and Reference Services in the Division of the State Library, Archives and History in the Department of Education to the Department of State*

The Bureau of Records Management Services in the Division of the State Library in the Department of Education together with all its functions, powers and duties, pursuant to N. J. S. A. 18A:73-35 and N. J. S. A. 47:1-1 *et seq.* and the Archives Section in the Bureau of Law, Archives and Reference Services in the Division of the State Library, Archives and History in the Department of Education together with all its functions, powers and duties, pursuant to

MONDAY, APRIL 25, 1983

N. J. S. A. 18A:73-1 et seq. and N. J. S. A. 47:1-1 et seq. are hereby transferred to the Division of Archives and Records Management in the Department of State. All powers exercised by the Commissioner of Education, the State Board of Education, the State Librarian, and the Advisory Council of the Division of the Library Archives and History in direct supervision of the Bureau of Records Management Services and the Archives Section are hereby transferred to the Department of State and shall be executed by the Secretary of State or his designee.

The Bureau of Records Management Services, as presently organized under N. J. S. A. 18A:73-1 et seq. and N. J. S. A. 47:1-1 et seq. performs among other things the inventory, scheduling and destruction of State, county and municipal records. The Bureau also contains the State's centralized microfilm unit, forms management unit, and the State's records storage center.

The Archives Section is presently organized under N. J. S. A. 18A:73-1 et seq. performs, among other things, the collection and retention of the permanent State records as well as some permanent county and municipal records. It provides historical and genealogical reference information for the State and nation.

There are three purposes of this Reorganization Plan. First this Plan will further concentrate the cultural and heritage functions of this State in a single department. Recently, the State Council on the Arts, the State Historical Commission and the State Museum were transferred from the Department of Education to the Department of State. The Office of Ethnic Affairs is also located within the Department of State. This proposed transfer will allow greater coordination among the Archives Section, the State Council on the Arts, the State Historical Commission, the State Museum and the Office of Ethnic Affairs. This will assure more comprehensive oversight and will enable the State to better coordinate its own financing. Also this transfer to the Department of State will promote a greater sharing of expertise of the State officials concerned with cultural and historical programs.

Second, this proposed transfer will allow greater coordination between the Archives Section and the Bureau of Records Management Services. The functions provided by these entities are very interrelated and should be closely aligned.

Third, this proposed reorganization will allow greater coordination between the Bureau of Records Management Services and the recording functions of the Department of State. Currently, the Department of State is depository for all enacted legislation, executive orders, executive commissions, corporation filings, uniform commercial code filings, trade and service mark filings, financial disclosure statements, officials non-conflict of interest statements, and notary commissions. Currently microfilming for many of the documents in the Department of State and other services for the Department are done by the Records Management Bureau. Placing

these functions in the same Department will allow more efficient management of and coordination among these services.

In accordance with the provisions of the Executive Reorganization Act of 1969, P. L. 1969, c. 203 (R. S. 52:14C-2), I find and declare that this transfer and reorganization is necessary and will do the following:

1. It will promote better execution of the laws, and more effective management of the Executive Branch of its Departments because many cultural entities will be located within one Department rather than two Departments which is the current organization.

2. It will reduce expenditures and promote economy because there will be a sharing of expertise of the officials of State government concerned with cultural and historical programs.

3. It will increase the efficiency of the operation of the Executive to a better extent insofar as there will be a greater sharing of expertise within one Department.

4. It will group and coordinate functions of the Executive as nearly as may be by virtue of the fact that the cultural programs will be located within one Department.

5. Consequently, it will eliminate overlapping and duplication of effort by locating these cultural entities within one department and centralize the record keeping functions of State government. Centralization of these record keeping functions will also afford the public better access to these records.

All acts and parts of acts inconsistent with any of the provisions of this Reorganization Plan are superseded to the extent of such inconsistencies. All transfers directed by this Reorganization Plan, unless otherwise provided for herein, shall be effective pursuant to the "State Agency Transfer Act," P. L. 1971, c. 375 (C. 52:14D-1). Filed: April 25, 1983.

The following message was received from the Governor:

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
March 30, 1983. }

SENATE BILL No. 1170

*To the Senate:*

Pursuant to Article V, Section 1, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1170 with my recommendations for reconsideration.

The bill would subject an unauthorized person who removes oysters or clams from State leased lands to forfeiture of any vessel or equipment used in the commission of the violation. The bill provides that a designated enforcement officer of the Department of Environmental Protection, the marine police, or any other law enforcement officer may seize such a vessel or any other equipment used in the commission of such a violation and institute a civil action in a court of competent jurisdiction to determine if the forfeiture is warranted.

The bill does not provide sufficient safeguards to ensure that this court proceeding will occur in a timely manner, and that the property rights of the individual accused of such a violation are adequately protected.

Accordingly, I herewith return Senate Bill No. S-1170 with my recommendations for amendment.

*Page 2, Section 1, Line 56:* After "violation" DELETE "and institute a civil" and INSERT ". Upon the seizure of any such vessel or equipment, the enforcement officer, member of the marine police, or other law enforcement officer shall immediately thereafter institute a civil action to determine if the forfeiture is warranted in the court in which the penalty action was filed pursuant to this section, which court shall have jurisdiction to adjudicate the forfeiture action."

*Page 2, Section 1, Line 57:* DELETE entirely.

*Page 2, Section 1, Line 58:* DELETE "feiture is warranted. The court" and INSERT "The owner or any person having a security interest in any such vessel or equipment may secure a release of the

same by depositing with the clerk of the court in which such action is pending a bond with good and sufficient sureties in an amount to be fixed by the court, conditioned upon the return of said vessel or equipment to the Department of Environmental Protection upon demand after completion of the court proceeding. The court may proceed in a summary manner and”.

Respectfully,

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
May 23, 1983. }

SENATE BILL No. 1632 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1632 (OCR) with my recommendations for reconsideration.

This bill exempts from the taxes and fees imposed pursuant to the Recycling Act and the Sanitary Landfill Closure and Contingency Fund Act solid waste that is generated by any agency of the federal government and disposed of in a sanitary landfill. The bill requires the waste collector who transports solid waste collected at a federal agency to a sanitary landfill to submit to the owner or operator of the landfill an itemized invoice indicating the number of cubic yards of solid waste to be disposed of.

Although the bill only exempts from these taxes waste disposed of under a contract signed prior to January 1, 1982, the effective date of both the Recycling Act and the Sanitary Landfill Closure and Contingency Fund Act, no proofs are required to be submitted by a collector regarding this criterion. Therefore, it is appropriate that the solid waste collector also be required to submit to the landfill operator a copy of his contract with the federal agency indicating an effective date prior to January 1, 1982. The owner or operator of the sanitary landfill facility should be required to submit this contract to the Division of Taxation with his monthly tax return.

Accordingly, I herewith return Senate Bill No. 1632 (OCR) and recommend that it be amended as follows:

*Page 1, Section 1, Line 9:* After "invoice" DELETE "from" and INSERT "to"

*Page 1, Section 1, Line 9:* After "agency" INSERT ", signed and verified by a duly authorized officer of such agency,"

*Page 1, Section 1, Line 13:* After "acts." DELETE remainder of the line

*Page 1, Section 1, Line 14:* Before "this" INSERT "2. The exemption provided for in"

*Page 1, Section 1, Line 15:* After "January 1, 1982." INSERT "The solid waste collector, at his initial disposal of such exempted waste, shall submit to the owner or operator of the sanitary landfill facility a copy of his contract with an agency of the federal government indicating an effective date of such contract prior to January 1, 1982. The owner or operator of the sanitary landfill facility, at his initial request for the exemption provided for in this act, shall submit such contract with the monthly tax return filed pursuant to the acts cited in section 1 of this act.

3. Nothing herein provided shall be construed to authorize a refund of taxes paid or to relieve any tax liability incurred prior to the effective date of this act."

*Page 1, Section 2, Line 1:* DELETE "2." and INSERT "4."

Respectfully,

/s/ THOMAS H. KEAN,  
Governor.

#### A SENATE RESOLUTION

*Be It Resolved*, That Rules 80 and 87 of the 1982 Senate Rules, temporarily adopted for 1983, are amended to read as follows:

80. [Except as authorized by Rule 124, any motion or resolution which will result in relieving] *The prime sponsor of any Senate bill or resolution, or a Senator acting on behalf of the prime sponsor of an Assembly bill or resolution may move, in open session, to relieve a reference committee of a bill or resolution referred to it. Except as authorized by Rule 124, the motion shall not be entertained unless 60 days have elapsed since the bill was referred to committee and twenty-four hours' notice shall be given the Senate of the introduction of [such] the motion [or resolution]. Such a motion or resolution shall not prevail unless it shall receive an affirmative vote of the majority of all the members of the Senate. No bill, joint resolution or concurrent resolution proposing an amendment to the Constitution shall be given a second reading*

*except upon adoption of a motion therefor by an affirmative vote of the majority of all the members of the Senate.*

87. The prime sponsor of any Senate bill or resolution, or a Senator acting on behalf of the prime sponsor of an Assembly bill or resolution, referred to a standing reference committee may file a written request with the Committee Chairman for consideration thereof, receipt of which request the Chairman shall report to the committee at its next meeting. [Upon the expiration of 60 calendar days after the receipt of such a request, plus the number of days of any intervening recess of the Senate continuing for 21 or more days, unless the bill or resolution shall have been considered by the Committee and there were less than a majority of the members of the committee concurring on a motion made to report it, upon the invoking of this rule by the sponsor in open session, the committee to which the bill or resolution was referred shall be relieved of further consideration thereof and the Chairman shall forthwith deliver the bill or resolution to the Secretary of the Senate who shall announce receipt thereof; but no such bill, joint resolution or concurrent resolution proposing an amendment to the Constitution, shall be accorded second reading except upon adoption of a motion therefor.]

#### STATEMENT

This resolution amends Senate Rules 80 and 87 with respect to motions to relieve reference committees of bills and resolutions.

The amendments consolidate certain provisions of Senate Rule 87 into the present Senate Rule 80 by requiring:

a. That the motion is to be made

- (1) in open session
- (2) by the prime sponsor or Senator acting on behalf of the prime sponsor of an Assembly bill or resolution
- (3) after 60 days have elapsed since the bill was referred
- (4) after 24 hours' notice

b. That the bill will not be given a second reading unless a motion therefor is adopted by a majority of the members of the Senate.

Mr. Feldman offered the following resolution which was read and adopted by the following vote:

*Be It Resolved* that Rules 80 and 87 of the 1982 Senate Rules, temporarily adopted for 1983, are amended to read as follows:

80. [Except as authorized by Rule 124, any motion or resolution which will result in relieving] *The prime sponsor of any Senate bill or resolution, or a Senator acting on behalf of the prime sponsor of an Assembly bill or resolution may move, in open session, to relieve a reference committee of a bill or resolution referred to it. Except as authorized by Rule 124, the motion shall not be entertained unless 60 days have elapsed since the bill was referred to committee and twenty-four hours' notice shall be given the Senate of the introduction of [such] the motion [or resolution]. Such a motion or resolution shall not prevail unless it shall receive an affirmative vote of the majority of all the members of the Senate. No bill, joint resolution or concurrent resolution proposing an amendment to the Constitution shall be given a second reading except upon adoption of a motion therefor by an affirmative vote of the majority of all the members of the Senate.*

87. The prime sponsor of any Senate bill or resolution, or a Senator acting on behalf of the prime sponsor of an Assembly bill or resolution, referred to a standing reference committee may file a written request with the Committee Chairman for consideration thereof, receipt of which request the Chairman shall report to the committee at its next meeting. [Upon the expiration of 60 calendar days after the receipt of such a request, plus the number of days

of any intervening recess of the Senate continuing for 21 or more days, unless the bill or resolution shall have been considered by the Committee and there were less than a majority of the members of the committee concurring on a motion made to report it, upon the invoking of this rule by the sponsor in open session, the committee to which the bill or resolution was referred shall be relieved of further consideration thereof and the Chairman shall forthwith deliver the bill or resolution to the Secretary of the Senate who shall announce receipt thereof; but no such bill, joint resolution or concurrent resolution proposing an amendment to the Constitution, shall be accorded second reading except upon adoption of a motion therefor.]

### STATEMENT

This resolution amends Senate Rules 80 and 87 with respect to motions to relieve reference committees of bills and resolutions.

The amendments consolidate certain provisions of Senate Rule 87 into the present Senate Rule 80 by requiring:

a. That the motion is to be made

(1) in open session

(2) by the prime sponsor or Senator acting on behalf of the prime sponsor of an Assembly bill or resolution

STATE OF NEW JERSEY	}
EXECUTIVE DEPARTMENT	
June 16, 1983.	

SENATE BILL NO. 1908 (3rd OCR)

To the Senate:

Pursuant to Article V, Section I, paragraph 14 of the Constitution, I herewith return Senate Bill No. 1908 (3rd OCR) with my recommendations for reconsideration.

Senate Bill No. 1908 would establish a municipal public market commission law. The bill would permit an urban aid municipality with a population exceeding 45,000 to establish a municipal public market commission. The purpose of the municipal public market commission would be to provide a public market facility for public use for the handling, storage and marketing of agricultural and horticultural projects, meat, fish, foods and other products and commodities. The operation of a food distribution center would presumably fall within the definition of market facility. The commission would be similar to an authority, with an autonomous governing body, the power to hire employees, issue bonds, and take land by eminent domain. The commission would be able to develop and operate the facility in conjunction with other governmental entities.

This bill would enable a municipality to set up a commission to develop and operate a food distribution center. However, at this time the State, through the Hackensack Meadowlands Development Commission, is exploring the feasibility of a food distribution center in the Hackensack Meadowlands District. A food distribution center

MONDAY, JUNE 20, 1983

of the type being contemplated by the Hackensack Meadowlands Development Commission is a large undertaking requiring regional planning and one that at this time is more appropriately coordinated at the State or regional level. In order to assure coordination between the State and municipalities in this major project, I am proposing a series of amendments which would provide for a joint State and municipal role in developing a food distribution center in the Hackensack Meadowlands District.

I propose to amend the bill to provide for the creation of a Hackensack Meadowlands Food Distribution Center Commission. Members of the commission would consist of: 1) the Commissioner of the Department of Community Affairs; 2) the Secretary of the Department of Agriculture; 3) the Commissioner of the Department of Commerce and Economic Development; 4) the State Treasurer; 5) two members of the Hackensack Meadowlands Development Commission appointed by the Governor; 6) three representatives of municipalities in which the food distribution center will be located to be appointed by the Governor upon the recommendation of the mayors of the municipalities; and 7) two public members to be appointed by the Governor.

The bill requires the Hackensack Meadowlands Development Commission to identify a site for a food distribution center within the Hackensack Meadowlands District by December 31, 1983. Upon receipt of that advice or, if that deadline is not met, then after December 31, 1983, the Governor is authorized to designate a site within the Hackensack Meadowlands District and establish the commission. The site selected by the Governor need not be the one selected by the Hackensack Meadowlands Development Commission. The commission would be a State agency located in, but not of, the Department of Community Affairs and its minutes would be subject to a gubernatorial veto. The commission would have the various powers set forth in the bill including the power to issue bonds, to take land by eminent domain, to develop, promote, and operate a food distribution center and to enter into joint venture agreements, partnerships or other arrangements with other governmental entities or persons in order to promote the development or operation of a food distribution center within the Hackensack Meadowlands District.

In addition, I am recommending the repeal of the New Jersey Public Market Commission Law which is now defunct.

Accordingly, I herewith return Senate Bill No. 1908 (3rd OCR) and recommend that it be amended as follows:

*Page 1, Title, line 2:* Omit "public markets by certain municipalities" insert "a food distribution center in the Hackensack Meadowlands District"

*Page 1, Title, lines 3 and 4:* Omit "municipal public market commissions" insert "the Hackensack Meadowlands Food Distribution Center Commission"

"4. a. By December 31, 1983 the Hackensack Meadowlands Development Commission shall identify an appropriate site, if any, for a food distribution center within the Hackensack Meadowlands District and shall advise the Governor on whether the center is compatible with its master plan and is needed within the District. Upon receipt of this advice from the Hackensack Meadowlands Development Commission or in any event after December 31, 1983, the Governor may designate an appropriate site within the Hackensack Meadowlands District for a food distribution center and establish the Hackensack Meadowlands Food Distribution Center Commission. The site designated by the Governor need not be the site selected by the Hackensack Meadowlands Development Commission.

b. The commission is established in, but not of, the Department of Community Affairs and constituted a body politic and corporate and an instrumentality exercising public and essential governmental functions to provide for the public health and welfare, and the exercise by the commission of the powers conferred by this act shall be deemed and held to be an essential governmental function of the State.

c. The commission shall consist of eleven members to be appointed as follows:

(1) The Commissioner of the Department of Community Affairs, who shall be a member ex officio.

(2) The Secretary of the Department of Agriculture, who shall be a member ex officio.

(3) The State Treasurer, who shall be a member ex officio.

(4) The Commissioner of the Department of Commerce and Economic Development, who shall be a member ex officio.

(5) Two members of the Hackensack Meadowlands Development Commission to be appointed by the Governor.

(6) Three members to be appointed by the Governor to represent the municipalities in which the site for the food distribution center is located. The members shall be selected from names submitted by the mayors of the municipalities and may include the mayors themselves.

(7) Two public members to be appointed by the Governor.

The members first appointed pursuant to subsection (6) and (7) above shall be designated to serve for terms respectively expiring on the first days of the first, second, third, fourth and fifth Februarys next ensuing after the date of their appointment. Subsequent appointments shall be for a term of five years.

Each member shall hold office for the term of his appointment and until his successor shall have been appointed and qualified. A member of the commission shall be eligible for reappointment.

d. Each ex officio member of the commission may designate an officer or employee of his department to represent him at meetings of the commission, and each designee may lawfully vote and otherwise act on behalf of the member for whom he constitutes the designee. Any designation shall be in writing, delivered to the commission and shall continue in effect until revoked or amended by writing, delivered to the agency.

e. Each member of the agency before entering upon his duties shall take and subscribe an oath to perform the duties of the office faithfully, impartially and justly to the best of his ability. A record of these oaths shall be filed in the office of the Secretary of State.

f. Any vacancies in the membership of the commission occurring other than by expiration of term shall be filled in the same manner as the original appointment but for the unexpired term only.

g. A true copy of the minutes of every meeting of the commission shall be forthwith delivered by and under the certification of the secretary thereof to the Governor. No action taken at such meeting by the commission shall have force or effect until 10 days, Saturdays, Sundays, and public holidays excepted, after the copy of the minutes shall have been so delivered unless during the 10-day period the Governor shall approve the same in which case such action shall become effective upon the approval. If, in said 10-day period, the Governor returns the copy of the minutes with veto of any action taken by the commission or any member thereof at the meeting, the action shall be null and void and of no effect. The Governor may approve all or part of the action taken at the meeting prior to the expiration of the said 10-day period.

 “19. a. All purchases, contracts, or agreements where the cost or contract price exceeds the sum of \$7,500.00 shall, except as otherwise provided in this act, be made, negotiated, or awarded only after public advertisement for bids therefor and shall be awarded to that responsible bidder whose bid, conforming to the invitation for bids, is most advantageous to the commission, in its judgment, upon consideration of price and other factors. Any bid may be rejected when the commission determines that it is in the public interest to do so.

Any purchase, contract, or agreement where the cost or contract price is \$7,500.00 or less may be made, negotiated, or awarded by the commission without advertising and in any manner which the commission, in its judgment, deems necessary to serve its unique interests and purposes and which promotes, whenever practicable, full and free competition by the acceptance of quotations or proposals or by the use of other suitable methods.

b. Any purchase, contract, or agreement where the cost or contract price exceeds \$7,500.00 may be made, negotiated, or awarded by the commission without advertisement for bids when the subject matter is that described in subsection c below or when the purchase, contract, or agreement is made, negotiated, or awarded under the circumstances described in subsection d below. In any such in-

stance, the commission may make, negotiate, or award the purchase, contract, or agreement in any manner which the commission deems necessary to serve its unique interests and purposes and which promotes, whenever practicable, full and free competition by the acceptance of quotations or proposals or by the use of other suitable methods.

c. Any purchase, contract, or agreement may be made, negotiated, or awarded pursuant to subsection b above when the subject matter consists of:

a. Services which are professional or technical in nature or services which are original and creative in character in a recognized field of artistic endeavor;

b. Items which are perishable or subsistence supplies;

c. Items which are specialized equipment or specialized machinery necessary to the conduct of commission business;

d. Items or services supplied by a public utility subject to the jurisdiction of the Board of Public Utilities and tariffs and schedules of the charges made, charged or exacted by the public utility for those items or services are filed with the board;

e. Items which are styled or seasonal wearing apparel; or

f. The lease of such office space, office machinery, specialized equipment, buildings or real property as may be required for the conduct of commission business.

d. Any purchase, contract, or agreement may be made, negotiated, or awarded pursuant to subsection b above when:

a. Standardization of equipment and interchangeability of parts is in the public interest;

b. Only one source of supply or service is available;

c. The safety or protection of the commission's or other public property require;

d. The exigency of the commission's service will not admit of advertisement;

e. More favorable terms can be obtained from a primary source of supply of an item or service;

f. Bid prices, after advertising, are not reasonable or have not been independently arrived at in open competition; but no negotiated purchase, contract, or agreement may be entered into under this subsection after the rejection of all bids received unless (1) notification of the intention to negotiate and reasonable opportunity to negotiate is given to each responsible bidder; (2) the negotiated price is lower than the lowest rejected bid price of a responsible bidder; and (3) the negotiated price is the lowest negotiated price offered by any responsible contractor;

g. The purchase is to be made from, or the contract is to be made with, the federal or any state government or agency or political subdivision thereof; or

h. Purchases made through or by the Director of the Division of Purchase and Property pursuant to section 1 of P. L. 1959, c. 40 (C. 52:27B-56.1).

e. In any case where the commission shall make, negotiate, or award a purchase, contract, or agreement without public advertisement pursuant to subsection b above, the commission shall, by resolution passed by the affirmative vote of a majority of its members, specify the subject matter or circumstances set forth in subsections c and d which permit the commission to take such action.

f. Nothing herein shall prevent the commission from having any work done by its own employees."

The following communication was received from the Governor:

STATE OF NEW JERSEY	}
EXECUTIVE DEPARTMENT	
June 30, 1983.	

SENATE BILL No. 3434

To The Senate:

I am today returning Senate Bill No. 3434 with my signature, along with certain constitutionally permitted modifications set forth in the statement appended thereto. This bill would provide for a supplemental appropriation of \$341,593 to the State Parole Board and \$3,600,000 to the Department of the Public Advocate for the Death Penalty Public Defender Program.

The actual number of death penalty cases and the cost to provide defendants with representation in these cases cannot be predicted with absolute accuracy; accordingly, the appropriation to the Public Defender to provide defendants with representation in death penalty cases has been reduced by \$500,000. If the Public Advocate

should determine that the higher priority claims of these Public Defender programs should require even more funding, then I will personally support and expedite any requests which the Public Advocate makes to exercise his right to request transfers of funds from other priorities within his budget. Therefore, pursuant to Article V, Section 1, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 3434 at the time of signing it, this statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

“DIRECT STATE SERVICES”

“DEPARTMENT OF THE PUBLIC ADVOCATE”

On Page 1: Line “04-8140 Appellate Services to Indigents and Special Programs . . . . . \$3,141,016.”  
This item is reduced to \$2,741,016.

On Page 1: Line . . . . “05-8420 Appellate Services to Indigents . . . . . 458,984.”  
This item is reduced to \$358,984.

On Page 1: Line . . . . “Total Appropriation, Protection of Citizen’s Rights . . . . . 3,600,000”  
This item is reduced to \$3,100,000.

On Page 1: Line . . . . “Death Penalty Public Defender—Trial . . . . . (3,141,016.)”  
This item is reduced to \$2,741,016.

On Page 1: Line . . . . “Death Penalty Public Defender—Appellate . . . . . (458,984.)”  
This item is reduced to \$358,984.

On Page 1: Line . . . . “Total Appropriation, Department of the Public Advocate . . . . . 3,600,000.”  
This item is reduced to \$3,100,000.

On Page 1: Line . . . . “Total Appropriation, Direct State Services . . . . . 3,941,593.”  
This item is reduced to \$3,441,593.

The appropriation to the Public Defender to provide defendants with representation in death penalty cases is reduced by \$500,000.

Respectfully,

[SEAL]

/s/ THOMAS H. KEAN,

SENATE BILL No. 264 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 264 (OCR) with my recommendations for reconsideration.

This bill would reconstitute the Commission on Individual Liberty and Personal Privacy, which was originally established by P. L. 1977, c. 226 and reconstituted by P. L. 1978, c. 12. The expiration date for the Commission was June 30, 1979.

The Commission would be charged with the duty of studying the system of information management and data processing by various private sector entities engaged in data processing. The Commission would specifically review the collection and use of information which threatens individual privacy and recommend specific measures, including legislation, to protect the right of privacy. The reporting date for the work of the Commission is March 15, 1984 and the expiration date of the act is June 30, 1984.

Although I agree with the intent and purpose of the Commission, I am concerned that this bill does not contain an appropriation of funds which the Commission could utilize to carry out its stated purpose. I believe that an appropriation is necessary, because the Commission would be authorized to employ and utilize a full-time professional staff of assistants, stenographic and clerical assistants and incur such traveling and other miscellaneous expense as it may deem necessary, in order to perform its duties.

Based upon past expenditures of the Commission when it existed in prior years, I recommend that the Legislature appropriate \$25,000.00 to be used by the Commission in carrying out its function.

Accordingly, I herewith return Senate Bill No. 264 (OCR) and recommend that it be amended as follows:

*Page 1, Title:* After "(P. L. 1977, c. 226)" insert "and making an appropriation therefor"

*Page 1, Section 2 After Line 4:* Insert new section as follows:

"3. There is appropriated to the Commission \$25,000.00 for the purposes of this act."

*Page 1, Section 3, Line 1:* Delete "3." and insert "4."

Respectfully,

/s/ THOMAS H. KEAN,

SENATE BILL No. 1338 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1338 (OCR) with my recommendations for reconsideration.

This bill is designed to eliminate the sex discrimination in the laws governing property tax deductions and exemptions for veterans and their widows. It would extend those benefits to the widowers of veterans as well.

Current statutory law provides a \$50 property tax deduction for eligible veterans and their widows and a property tax exemption for eligible disabled veterans and their widows. In addition, the widow of a serviceman killed in active duty is also eligible for a property tax deduction. These provisions anticipate that the veteran or person in military service will be a man and therefore limit spousal benefits to widows. As a result, the provisions fail to provide comparable benefits to men who are married to female veterans or women in military service. This discrimination makes little sense and should be corrected.

The above mentioned statutory provisions are rooted in our State Constitution. Article 8, Section 1, Paragraph 3 of the New Jersey State Constitution, which authorizes the above property tax deductions and exemptions, mentions only widows and provides no authorization to extend these benefits to widowers. Assembly Concurrent Resolution No. 12 proposes to correct this situation by amending the constitutional provision to extend the benefits to eligible spouses, thereby including widowers as well. This proposed amendment will be on the ballot this November for voter approval and I urge the citizens of this State to approve this amendment and eliminate this anomaly in our State Constitution.

However, until the constitutional amendment goes into effect, there is no constitutional authorization to extend these exemptions and deductions to widowers. Accordingly, I am recommending that the effective date of this bill be amended to provide that these changes go into effect when the constitutional amendment is approved and goes into effect.

Parenthetically, I note that litigation is pending in this State which seeks to interpret the existing references to widows to include widowers. In writing this message I do not wish to imply that I have reached a legal opinion that in fact men are excluded from current law. In this message, I have assumed that current law limits the widows' benefits to women because that is the premise of the bill, i. e., to correct existing discrimination. If the litigation results in a ruling that the benefits may be extended to men, then this bill and the proposed constitutional amendment will result in technical corrections to the terminology in the law rather than causing any substantive change.

Accordingly, I herewith return Senate Bill No. 1338 (OCR) and recommend that it be amended as follows:

*Page 9, Section 11, line1:* After "immediately" insert "but shall remain inoperative until Assembly Concurrent Resolution No. 12 of 1982 is approved by the voters and becomes a part of the Constitution of the State of New Jersey."

Respectfully,

/s/ THOMAS H. KEAN,  
Governor.

SENATE BILL No. 1356 (2 OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1356 (2 OCR) with my recommendations for reconsideration.

This bill prohibits the operation of motor vehicles other than motorcycles and buses, having a windshield, rear window or side windows which are composed of, covered by, or treated with, any product creating a reflective or mirrored appearance or which significantly reduces the transmission of light. The objections to the various reflective and transparent materials that are in popular use by some motorists are that the tinting and mirrors dangerously reduce visibility of drivers, especially at night; cause reflective glare

from sunlight or headlights which may temporarily blind approaching motorists; limit the ability of law enforcement personnel to identify persons within such vehicles who may be needed as traffic or other violation case witnesses; and pose a danger to police or other authorities, who may not see impending danger to them within the vehicle as they approach it.

I wholeheartedly endorse the concept of this bill for all of the aforementioned reasons and applaud the sponsor for addressing this important issue; however, there are two issues that this bill raises. The first issue is an inability to enforce the percentage requirements of the light transmitted on the windows.

Specifically, section 3 of the bill provides:

a. Film materials may be applied to windows except the front windshield if such material when tested with the window has a total light reflectance of not more than 35 percent and light transmittance of at least 35 percent.

b. Perforated sun screening materials may be applied to windows except the front windshield if such material when tested with the window has a total light reflectance of not more than 35 percent, and light transmittance of at least 30 percent.

c. Louvered materials may be installed on windows except the front windshield if the installation of such material does not reduce driver visibility by more than 50 percent, through any such window.

The Division of Motor Vehicles informs me that it would be extremely difficult if not impossible to uniformly measure light transmittance in motor vehicles. Certain law enforcement officials likewise find these percentages inhibitive of their ability to ticket violators of this act. A way to correct this enforcement problem would be to prohibit *all* film material or perforated sun screening on the front windshield and windows, vents or deflectors to the immediate right and left of the driver. This approach has the advantage of being easily enforceable by the Division of Motor Vehicles and local and State police officers. The Division of Motor Vehicles has been enforcing this at the inspection centers through a policy adopted in 1981. This recommendation would not prohibit glazing on windows done at the point of manufacture because this is controlled by federal regulation.

My second concern with this bill is the effect it would have on consumers who buy motor vehicles in good faith which meet federal standards regarding tinting on windows other than the windshield and windows on either side of the driver and have to replace them in order to meet New Jersey law. Recreational vans with a side tinted window immediately comes to mind. Therefore, I would suggest that the Legislature conduct further hearings with representatives of the various police enforcement organizations, the Division of Motor Vehicles, consumer groups and the automobile industry on this matter.

Finally, recognizing the responsibility of the State to help ensure safety to our law enforcement officers, I am recommending that mirror-type windows be prohibited on *all* windows.

Accordingly, I herewith return Senate Bill No. 1356 (2 OCR) and recommend that it be amended as follows:

*Page 2, Section 3, Lines 2-4:* After "windshield" delete "if such material when tested with the window has a total light reflectance of not more than 35% and light transmittance of at least 35%" and insert "and windows, vents or deflectors to the immediate right and left of the driver"

*Page 2, Section 3, Lines 10-11:* After "windshield" delete "if the installation of such material does not reduce driver visibility by more than 50%, through any such window" and insert "or windows, vents or deflectors to the immediate right and left of the driver"

*Page 2, Section 3, After Line 11:* Insert new subsection d. as follows: "d. No mirror type materials may be applied to any window of a motor vehicle."

*Page 3, Section 8, Line 5:* Omit "This" insert "this" and after "act" insert "."

SENATE BILL NO. 1454

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1454 with my recommendations for reconsideration.

This bill requires the Department of Health to prepare educational posters and pamphlets, which illustrate choke prevention techniques such as the "Heimlich Maneuver," for local health departments to distribute to restaurants. Restaurants would be required to display these posters in food preparation and service areas and make the pamphlets available to customers.

I agree with the general intent of having restaurant patrons become familiar with such valuable choke prevention techniques. The Heimlich Maneuver is a very simple technique and has saved many lives.

Although I agree with the intent and purpose of this bill, I am concerned that this bill does not contain an appropriation of funds which the Department of Health could utilize to carry out its stated purpose. It is the responsibility of the Legislature to provide sufficient revenue sources and appropriations for the programs they propose. This bill is another example of their failure to meet this responsibility and, as such, it is necessary for me to conditionally veto the bill to add an appropriate source of funds.

The Department of Health estimates the cost for the printing of choke posters and the printing, distribution and storage of pamphlets, will be approximately \$20,000 for the first year. Based upon this estimate, I recommend that the Legislature appropriate \$20,000 to be used by the Department of Health in carrying out this purpose.

Accordingly, I herewith return Senate Bill No. 1454 and recommend that it be amended as follows:

*Page 1, Title, Line 2:* After "techniques," insert "and making an appropriation"

*Page 2, Section 5, Line 7:* After "et seq.)" insert "."

*Page 2, after Section 6:* Insert new section 7 as follows:

"7. There is appropriated to the Department of Health \$20,000.00 from the General Fund for the purposes of this act."

*Page 2, Section 7, Line 1:* Delete "7" and insert "8"

SENATE BILL NO. 1924

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1924 with my recommendation for reconsideration.

This bill amends N. J. S. 54:18A-1a to provide a ten year phase out of the loss of revenues to municipalities as a result of domestic insurance companies relocating their principal offices.

The background on this bill is as follows. In 1981, the franchise tax on domestic insurance companies was repealed. This tax had provided for direct payments from domestic insurance companies to the municipalities and counties in which their principal offices were located. This loss of revenue to local governmental entities

was rectified by Section 3 of N. J. S. 54:18-1a which required the State to make certain payments to any municipality and county in which a domestic insurance company's principal office was situated on January 1, 1981. These payments are to continue as long as the principal office of the domestic insurance company remains at the location established on January 1, 1981. No payments will be made once the principal office is relocated.

Since the repeal of the franchise tax and the enactment of this provision, no domestic insurance companies have relocated their principal offices. However, I am advised that one insurance company is currently planning to relocate. This relocation will trigger a loss of revenue to the municipality and county in which the insurance company is now located.

To address this problem this bill provides for a 10 year phase out of the revenue. The bill provides that, in order to ensure that no municipality or county will experience an abrupt loss of revenue as a result of a domestic insurance company relocating its principal office from that municipality or county, the State Treasurer shall pay to the collector of the municipality and treasurer of the county from which the principal office was removed a percentage of the amounts which would have been received had the relocation not occurred. The payments would be phased out over a 10 year period.

I support the purpose of this bill. Where a local government will experience a dramatic loss in revenue due to the relocation of an insurance company, a phase out of that revenue over a period of years is appropriate to prevent the fiscal shock of a dramatic loss in revenues from one year to the next. However, a 10 year phase out is too long and presents an unnecessary commitment of State funds. I recommend that the bill be amended to reduce the phase out period to five years. This approach is consistent with the 5 year phase out of the county tax rebate for Cedar Grove which was signed into law last year. P. L. 1982, c. 36.

In addition, the bill provides that the phase out calculation be based on the amount of revenue the local government would have received for a given year had the company not moved. This sum would vary from year to year, causing an irregular phase out. The Senate Committee statement notes that under the provisions in the bill, the local government could receive more money during the pay out than it did prior to relocation. Since the purpose of the phase out is to provide a gradual reduction in the loss of revenues, I recommend that the phase out calculation be based on the revenues received in the last year in which the company was located within the local government.

Accordingly, I herewith return Senate Bill No. 1924 and recommend that it be amended as follows:

*Page 2, Section 1, line 29: Delete "and second years" and insert "year"*

*Page 2, Section 1, lines 30 and 31:* Delete "would" on line 30 and delete line 31 in entirety and insert "received in the year in which the relocation occurred;"

SENATE BILL No. 1965 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1965 (OCR) with my recommendations for reconsideration.

This bill would reestablish certain sewerage districts which were inadvertently abolished by the Water Quality Planning Act in 1977.

The Water Quality Planning Act enacted in 1977, P. L. 1977, c. 75, repealed the statutory authorization for the establishment of township sewerage districts which had been set forth in N. J. S. 40:154-1 et seq. At that time it was assumed that no districts were operating under those provisions and therefore the statutory authorization was unnecessary.

Last year it was discovered that sewerage districts organized under the township sewerage district law are still actively engaged in providing sewerage services within their districts.

This bill will reestablish those township sewerage districts which were in existence at the time of the repeal and validates the election of their commissioners and the actions taken by the commissioners in those districts. The bill does not authorize the establishment of new township sewerage districts, but merely provides legal authorization for the continued existence of those township sewerage districts in operation at the time of the 1977 repealer.

The bill provides for the election of commissioners, their terms of office and establishes their powers which include the issuance of bonds, the construction, improvement, maintenance of sewerage systems, and the ability to collect assessments to pay for the district's costs. The bill also contains provisions governing the sewerage district's fiscal year, budget, audits and contracts. In addition, the township is given the power to assume the indebtedness of the sewerage district.

I am recommending an amendment to correct one flaw in the bill. As drafted, section 40A:18-29 of the bill would enable a sewerage

district to authorize by resolution the issuance of bonds without meeting any publication or posting requirements. This provision would effectively enable a sewerage district to undertake extensive construction and to incur substantial indebtedness to pay for that construction without sufficient public involvement. I recommend that this provision be amended to provide for hearing and notice requirements to the public similar to those under the Local Bond Law before the sewerage district is permitted to authorize the issuance of bonds.

Accordingly, I herewith return Senate Bill No. 1965 (OCR) and recommend it be amended as follows:

*Page 10, Section 40A:18-29, lines 1 to 5:* Delete lines 1 to 4 in entirety and "or posted" on line 5 and insert:

"A bond resolution shall be introduced in writing at a meeting of the commissioners of the district and shall be passed upon first reading, which may be by title.

The bond resolution shall be published after first reading together with notice of the introduction thereof and of the date, which shall be at least 10 days after introduction and first reading, and the time and place of further consideration for final passage, which may be at an adjournment of the meeting or another meeting.

The publication shall be at least 1 week prior to the date for further consideration. At the time and place so advertised, or at any time and place to which the meeting or further consideration shall from time to time be adjourned, the bond resolution may be read by its title, if,

(1) at least 1 week prior to the date or further consideration, there shall have been posted, on the bulletin board or other place upon which public notices are customarily posted,

(a) a copy of the bond resolution, and

(b) a notice that copies of the bond resolution will be made available during the week and up to and including the date of the meeting or further consideration to the members of the general public of the district who shall request the copies, naming the place at which the copies will be so made available, and

(2) the copies of the bond resolution shall have been made available accordingly, but otherwise the bond resolution shall be read in full. All persons interested shall then be given an opportunity to be heard.

After the hearing, the commissioners may proceed to amend the bond resolution and thereupon finally adopt or reject it, with or without amendments.

If any amendment is adopted substantially altering matters to be contained in the bond resolution the amended bond resolution shall not be finally adopted until at least 1 week thereafter and until it shall have been published once at least 2 days prior to the date for further consideration, together with notice of the date, time and place at which it will be further considered for final adoption. At

the time and place so advertised, or at any time and place to which the meeting or further consideration shall from time to time be adjourned, the amended bond resolution may be read by its title, if,

(1) at least 1 week prior to the date or further consideration, there shall have been posted, on the bulletin board or other place upon which public notices are customarily posted,

(a) a copy of the bond resolution, and

(b) a notice that copies of the bond resolution will be made available during the week and up to and including the date of the meeting or further consideration to the members of the general public of the district who shall request copies, naming the place at which the copies will be so made available, and

(2) the copies of said bond resolution shall have been made available accordingly, but otherwise the bond resolution shall be read in full. All persons interested shall again be given an opportunity to be heard. After the hearing, the commissioners may proceed to reject, finally adopt or further amend the bond ordinance.

A bond resolution shall be finally adopted by the recorded affirmative voters of at least a majority of all commissioners of the district."

Respectfully,

/s/ THOMAS H. KEAN,  
Governor.

SENATE BILL No. 537 (SCASCS)

To the Senate:

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 537 with my objection and recommendation for amendment.

The purpose of this bill is to establish a separate offense under the New Jersey Code of Criminal Justice for the destruction of or damage to public utilities that would threaten or cause to be released radioactive materials or ionizing radiation. The bill also provides for sentencing requirements where the destruction or damage results in death or injury to another. Additionally, a person who violates any section under this Act may be sentenced to an extended term of imprisonment as set forth in N. J. S. A. 2C:43-7.

Generally, a defendant, to be sentenced to an extended term of imprisonment, must satisfy one or more of the aggravating factors set forth in N. J. S. A. 2C:44-3. N. J. S. A. 2C:44-3 provides that

the court may, upon application of the prosecuting attorney, sentence a person who has been convicted of a crime of the first, second, or third degree to an extended term of imprisonment if:

1. The defendant is a persistent offender;
2. The defendant is a professional criminal;
3. The defendant committed the crime as consideration for the receipt or in expectation of the receipt of anything of pecuniary value; or
4. The defendant has committed a second offense with a firearm.

Cognizant of the danger, destruction, and injury that could be caused by the damage to or tampering with the equipment at a nuclear electric generating plant, the Legislature, through S-537, intended that a defendant could be sentenced to an extended term of imprisonment for the violation of any section of S-537, notwithstanding the provisions of N. J. S. A. 2C:44-3. S-537, as drafted, does not clearly express the Legislature's intent. Accordingly, I propose amending S-537 to make clear that the provisions of N. J. S. A. 2C:44-3 shall not be applicable as a prerequisite to sentencing a person to an extended term of imprisonment for the violation of any section of S-537.

Therefore, I herewith return Senate Bill No. 537 (SeaSes) and recommend that it be amended as follows:

*Page 1, Section 1, Line 8:* after "2C:43-7" insert "notwithstanding the provisions of N. J. S. A. 2C:44-3"

*Page 1, Section 2, Line 6:* after "2C:43-7" insert "notwithstanding the provisions of N. J. S. A. 2C:44-3"

*Page 1, Section 3, Line 6:* after "2C:43-7" insert "notwithstanding the provisions of N. J. S. A. 2C:44-3"

Respectfully,

Senate No. 3797, by Mr. Bornheimer, without reference.

Senate No. 3798, by Mr. Foran, without reference.

Senate Resolution No. 3037, by Messrs. O'Connor and Feldman, without reference.

The State Government, Federal and Interstate Relations and Veterans Affairs Committee reported the following bills favorably without amendment:

Senate Nos. 3784 and 3701.

Senate Nos. 3701 and 3784 were taken up, read a second time, and ordered to a third reading.

On motion of Ms. Lipman Senate Committee Substitute for Senate No. 2075, as amended, was placed back on second reading

for the purpose of further amendment and the amendment was adopted by the following vote:

In the affirmative were—

Bassano, Bornheimer, Bubba, Cardinale, Caufield, Codey, Connors, Costello, Dalton, DiFrancesco, Dumont, Ewing, Feldman, Foran, Gagliano, Gallagher, Gormley, Graves, Hagedorn, Hirkala, Hurley, LaRocca, Laskin, Lesniak, Lipman, Lynch, McManimon, O'Connor, Orechio (President), Rand, Rodgers, Russo, Saxton, Stockman, Weiss, Zane—36.

In the negative—None.

## SPECIAL SESSION

MONDAY, January 9, 1984.

At 12 noon the Senate met.

The session was opened with prayer by Mr. Hagedorn.

Upon calling the roll the following Senators answered the call and the President declared a quorum present:

Bassano, Bornheimer, Bubba, Cardinale, Caufield, Codey, Connors, Costello, Dalton, DiFrancesco, Dorsey, Dumont, Ewing, Feldman, Foran, Gagliano, Gallagher, Gormley, Graves, Hagedorn, Hirkala, Hurley, LaRocca, Laskin, Lesniak, Lipman, Lynch, McManimon, O'Connor, Orechio (President), Rand, Russo, Saxton, Stockman, Vreeland, Weiss, Zane—37.

On motion of Mr. Hirkala the reading of the journal of the previous session was dispensed with.

The Secretary read a communication from the Governor who has given absolute veto to the following bills:

Senate Nos. 1346, 1435, 1541, 3319, 3495 and 3627.

Which were filed.

SENATE BILL NO. 1346 (AR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1346 (AR) without my signature.

This bill provides that a New Jersey nonprofit corporation may not organize under a corporate name which is the same or similar to that of an existing New Jersey nonprofit or commercial corporation. It does not require, however, that nonprofit corporations organized prior to the bill's effective date must change their names in order to comply with its provisions.

Although I agree with the intent and purpose of this bill, I have been advised by both the Secretary of State and the Office of Legislative Services that this bill is unnecessary, in light of the fact that present New Jersey law already encompasses the provisions of this bill. On April 7, 1983, I signed Assembly Bill No. 366, now P. L. 1983, c. 127, which established a new Title 15A revising the laws governing nonprofit corporations. Specifically, N.J.S. 15A:2-2a (2) already provides that nonprofit corporations may not organize

under a corporate name which is the same or similar to that of an existing New Jersey nonprofit or commercial corporation.

Although I respect the sponsor's zeal and conviction in obtaining passage of Senate Bill No. 1346, I nonetheless must return it without my signature. The well intentioned provisions of this bill are already adequately addressed in present New Jersey law.

Respectfully,

/s/ THOMAS H. KEAN,

SENATE BILL No. 1435 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1435 (OCR) without my signature.

The purpose of this legislation, entitled the "Professional Architectural, Engineering and Land Surveying Services Competitive Negotiation Act," is to allow the State and its agencies to select architectural, engineering, and land surveying firms on the basis of their qualifications rather than on the basis of the lowest competitive bid. This bill abandons the competitive bidding system for one in which the contracting State agency selects, in order of preference, the three firms it deems most qualified to perform the services desired. The agency shall then attempt to negotiate a "fair and reasonable" fee with the most qualified firm; if a satisfactory agreement is not reached, the agency will negotiate with the second most qualified firm and, if necessary, the third most qualified firm. If a satisfactory fee has not been agreed upon at this stage, additional groups of three firms are selected until a satisfactory agreement has been reached.

This legislation is patterned after federal legislation known as the Brooks Bill.

Although this bill aspires to the laudatory purpose of securing the best possible architectural, engineering and surveying services for the State, the information available to me at this time indicates that there are overriding policy, administrative and fiscal reasons necessitating a veto.

However, I have recently been advised that there may be additional information, possibly including certain studies which are intended to illustrate the positive aspects of the negotiated bid system. It is clear that if such studies are available, they will not be provided to me before the end of this legislative session, by which time I must make my final decision on this bill. Should this in-

formation be furnished to me at some future date, I will instruct the senior officials of the Division of Building and Construction to meet with representatives of the architectural and engineering professions in order to determine if some kind of a compromise might better serve the interests of the people of this State. I have also been in contact with the sponsor of this bill, and have assured him that my staff will work closely with him in any such future review.

Accordingly, I herewith return Senate Bill No. 1435 (OCR) without my signature.

SENATE BILL No. 1541 (2nd OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1541 (2nd OCR) without my signature.

This bill would increase the discount to cigarette distributors by the purchase of cigarette tax stamps from 1.1098% to 1.46% of the face value of the stamps.

Practically speaking, S-1541, by increasing the percentage discount granted to cigarette distributors from 1.1098% to 1.46%, would effectively raise their discount from \$2.77 to \$3.65 per thousand, thereby representing a 31% increase which would cost the State's taxpayers approximately three-quarters-of-a-million dollars annually, with the cigarette distributors gaining that \$750,000 benefit each year.

Given the current fiscal climate, I feel that this \$750,000 increase cannot be justified at this time, especially since no evidence has been brought forth to demonstrate the historical increase, if any, in the cost of affixing revenue stamps to cigarettes. Given increasing automation in this area, it is not at all clear that the cost to the distributor has actually increased to such a degree.

Accordingly, I herewith return Senate Bill No. 1541 (2nd OCR) without my signature.

SENATE BILL No. 3319

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 3319 without my signature.

This bill permits the permanent appointment of an individual to the position of confidential assistant to the sheriff in Bergen County.

This bill has been opposed by the Department of Civil Service because the title "confidential assistant" is not a title established by the Civil Service Commission. In addition, this bill seeks to grant tenure based on time served as either a provisional or unclassified appointment. Such a grant is contrary to civil service law.

Accordingly, I herewith return Senate Bill No. 3319 without my approval.

SENATE BILL No. 3495

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 3495 without my signature.

This bill proposes to establish certain measures to implement the distribution of \$30 million in bonds issued pursuant to the Community Development Bond Act of 1982.

Although I fully concur in the need to establish an appropriate system to implement the Community Development Bond Act, I cannot in good conscience sign the bill before me at this time as it contains several problem areas. The Community Development Bond Act program is too important to the citizens of New Jersey for us to allow it to be administered in any but the most carefully prepared and thoughtfully designed manner. There are a vast number of important unanswered questions with regard to the implementation program proposed by S-3495, including the following:

(1) The bill provides for loan guarantees; such loan guarantees are not authorized in the enabling act for the Community Development Bond Fund and thus are not permissible for the implementing appropriations act.

(2) The legislation contains no guidelines or procedures concerning the distribution of second generation funds from the revolving loan program after the original loans are made and repaid.

(3) This act would provide that for municipalities to be eligible for assistance they must be recipients of Municipal Purpose Tax Assistance Funds; we should carefully consider why the program should be limited only to these municipalities rather than also making other municipalities eligible under this program.

(4) This bill provides for a formalized procedure whereby the Commissioner shall be required to present his priorities for grants to the presiding officers of both Legislative Houses and to the Office of Legislative Services. After that submission, no project approvals would be effective and no funds could be disbursed without a subsequent affirmative approval by the Legislature. The Executive Branch would be required to furnish findings to the Assembly Speaker, Senate President, and the Office of Legislative Services prior to the issuance of final approval of financial assistance under this act. This kind of requirement suggests an unwarranted infringement by the Legislature upon Executive prerogatives of administering an act once it has passed. These provisions raise questions of a possibly unconstitutional legislative veto. See *Assembly of State of New Jersey v. Byrne*, 90 N.J. 376 (1982), and *Karcher & Orechio v. Kean*, 190 N.J. Super. 197 (App. Div. 1983).

(5) The legislation contains no provisions for possible coordination of this program with other similar programs, such as Urban Enterprise Zones and the proposed New Jersey Infrastructure Bank.

(6) By leaving the types of permissible financial assistance open ended and unlimited, this legislation could potentially leave the State liable for losses of any size which are incurred by a venture in which the State has made an equity investment.

(7) The bill does not include provisions for the State Treasurer to establish the terms of loans which are given to local entities.

(8) The legislation includes a "but for" provision which would require an applicant for funds under this act to prove conclusively that the proposed project cannot be completed in its intended scope without funds provided under this act—this provision should be more carefully reviewed.

(9) The bill proposes to give the Commissioner of the Department of Community Affairs broad powers with respect to the distribution of funds, without establishing any kind of advisory board or provision for weighing recommendations from other departments as to the appropriate use of these funds.

(10) The bill provides no references in the impact statement for the program to include projects in the area of wastewater facilities, sewerage projects, and other environmentally oriented infrastructure efforts.

(11) The legislation makes no effort to coordinate a Community Development Program at the Department of Community Affairs with other development efforts by the State, such as NJ Economic Development Authority efforts, urban enterprise zone designations etc. We should seriously consider whether stronger coordination provisions for the State's many economic development programs should be included with this legislation.

A total of \$55 million of the total \$85 million Community Development Bond Act program is already in the process of implementation.

The additional \$30 million of financial assistance to be discretionarily administered pursuant to this portion of the Community Development Bond Act presents the State of New Jersey with a rare opportunity to carefully establish a financing source which could provide a positive impetus to jobs and economic development in urban areas throughout our State through the decade of the 1980's and beyond.

While Senate Bill No. 3495 is certainly well intentioned, I feel that this program is the kind of subject which deserves the highest level of attention to ensure that our citizens get the greatest possible return from the dollars expended on this program. In order to ensure that these proceeds are spent and administered in the most efficient manner we can possibly achieve, attention must be given to necessary areas of concern which this legislation fails to address. To simply throw money at our problems in the style of the 1960's and early 1970's without careful planning and preparation would not be fully responsible to the citizens who would ultimately pay for these programs. It is essential that any program to implement the Community Development Bond Act efficiently interrelate with, rather than merely overlap, other programs intended to further the economic redevelopment of our great State.

Thus, while I certainly concur in and applaud the general intent of Senate Bill No. 3495, I am confident that the legislators who sponsored and voted for these bills will agree that we must address all interrelated areas, and establish a Community Development Funding Program which is indeed the very best New Jersey can possibly attain, and one which enables a revolving fund to continue to provide benefits to our citizens for many years to come.

When the time comes that the Department of the Treasury is able to issue the bonds and we can then proceed to implement this final \$30 million portion of the \$85 million Community Development program, the State can gain thousands of additional jobs in our urban areas. As always, I and my staff stand ready to work with the Legislature and to meet with the sponsor of this bill to ensure that by the time those funds do become available we have in place an adequate, responsible, and comprehensive program for their administration.

SENATE BILL NO. 3627

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am today returning Senate Bill No. 3627 without my signature.

This bill would appropriate \$1.5 million for the repair and renovation of the Trenton War Memorial building.

In the message I delivered in signing Senate Bill No. 3500, the Fiscal Year 1984 Annual Appropriations Act for the State of New Jersey, I deleted a carry-forward balance of \$1.5 million for this purpose, noting at that time that "I support the renovation of the War Memorial, but feel that this should be presented to me in a separate, detailed supplemental appropriations bill." While I still strongly support the effort to renovate the War Memorial building, Senate Bill No. 3627 unfortunately does not constitute the kind of "detailed" supplemental appropriations bill which our taxpayers have the right to expect before such a large sum is spent.

Senate Bill No. 3627, as submitted to me, simply contains a single lump sum item of \$1.5 million, to be made available to the Trenton War Memorial Commission upon its adoption of a Capital Improvement Master Plan—there are not even any provisions in this bill as to who might review or approve such a plan. I do not understand how we can conclude whether \$1.5 million is even the appropriate sum for this project, with such Capital Improvement Master Plan not having been submitted yet.

Accordingly, I had originally intended to reduce the appropriation in this bill via line-item-veto to some small sum of funding with the intention that the Trenton War Memorial Commission use that sum in order to make the necessary studies which will enable them to prepare such a Capital Improvement Master Plan. I feel that it would be irresponsible to approve a \$1.5 million "blank check" appropriation for this purpose before such a plan has even been prepared.

I have, however, just received on Friday, January 6, 1984 a piece of correspondence from the President of the War Memorial Commission dated December 28, 1983, advising me that such a study has been prepared. Notwithstanding the public statements

of the Senate sponsor of this legislation, that letter from the Commission did not in fact enclose a copy of that reported study, and it therefore still has not been made available to either me or my staff for their review. The Senate sponsor's statement that such a study has been prepared does, however, obviate the need for leaving a small appropriation in this bill for its preparation, and I am therefore submitting an absolute veto to this legislation.

For a significant period of time, I have been asking the sponsor of this legislation and the War Memorial Commission to submit such a study. While I am very pleased to hear that one does reportedly now exist, and am eagerly looking forward to its submission for review by both me and my staff, I am extremely disappointed at the Senate sponsor's actions in repeatedly delivering to my desk an appropriation for this sum to enact a very worthwhile and necessary renovation of this historic building, while repeatedly failing to include the required statement of the needs for, and potential uses of, this large amount of financing. It is disappointing that the sponsor of this legislation did not act more responsibly and accompany this legislation with an adequate Capital Master Plan Study, rather than on two occasions now submitting the legislation before the study has even been made available.

Given the importance to both the people of the Mercer County area and the citizens of the entire State of New Jersey of preserving this historic edifice, I urgently request of the sponsor that he make an effort to act in a responsible manner and work with the appropriate individuals in State and County government to carefully review and develop such a plan.

Therefore, while I and my staff stand ready at all times to work with the War Memorial Commission and the sponsor of this legislation to review the kind of detail which a Capital Improvement Plan must show before I can justify so large an expenditure as \$1.5 million, I have no choice but to return Senate Bill No. 3627 at this time without my signature.

## SENATE BILL NO. 140

*To the Senate:*

Pursuant to Article V, Section 1, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 140 with my objections for reconsideration.

This bill, entitled the "Uniform Determination of Death Act," defines death as either (1) the irreversible cessation of circulatory and respiratory functions, or (2) the irreversible cessation of the entire brain, including the brain stem. Thus, this bill gives legal status to both the traditional "heart-lung" death and brain death.

This bill provides that a determination of death must be made in accordance with acceptable medical standards, although it does not set the criteria for doing so. The medical profession remains free to formulate acceptable medical practices and to utilize new biomedical knowledge, diagnostic tests and equipment. Nothing in the Uniform Determination of Death Act will in any way supersede or interfere with the activities of prognosis committees established under the New Jersey Supreme Court guidelines developed in *In the Matter of Karen Ann Quinlan*.

Although I agree with the intent and purpose of this bill, I am concerned that it may violate the First Amendment "freedom of religion" rights of certain citizens of New Jersey. According to the tenets of certain longstanding, bonafide religions, death occurs only upon the cessation of cardiac and respiratory activity, and not the cessation of brain activity. In order to protect the religious rights of all New Jersey citizens, I believe this bill should include an exemption clause for those who do not accept a legislative definition of death which contravenes tenets of their bonafide religious beliefs.

Accordingly, I herewith return Senate Bill No. 140 and recommend that it be amended as follows:

*Page 1, Section 2, Line 4:* After "dead" delete "." and insert " ; provided that no action shall be taken in reliance upon the provisions of this section if to do so would violate the bonafide religious belief or practice of the individual, as attested to by a family member or next friend. It shall be the duty of any person seeking to act in reliance upon the provisions of this section to use reasonable means to determine, from the individual's family member or next friend, that such action will not violate the individual's religious belief or practice."

SENATE BILL NO. 1497 (OCR)

*To the Senate:*

Pursuant to Article V, Section 1, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1497 (OCR) with my objections for reconsideration by the Legislature.

This bill would exempt persons who construct or repair certain reservoirs or dams located in the Pinelands from having to obtain a permit from the Commissioner of Environmental Protection as required pursuant to the Safe Dam Act. However, the bill provides that when a written complaint is received by the Commissioner concerning the safety or security of any such dam, the Commissioner may investigate the complaint and take appropriate action.

While I am sympathetic to the intent of this bill and the concerns expressed by certain agricultural interests in the Pinelands which have sought the legislative change which this bill would provide, I believe that it is essential that the Commissioner of Environmental Protection be authorized to investigate the safety or security of any dam regardless of whether a written complaint has been received or not. Therefore, I believe that the requirement that a written complaint be received before the Commissioner can act should be eliminated from the bill.

Additionally, the bill requires technical amendment in order to more clearly define the criteria which must be met by a dam in order to qualify for the exemption granted pursuant to the bill.

Accordingly, I herewith return Senate Bill No. 1497 (OCR) with the following amendments for enactment by the Legislature:

*Page 1, Section 1, Line 20:* After "(C. 13:18A-11)," INSERT "which will raise the waters of any river or stream less than 8 feet above the surface of the ground,"

*Page 1, Section 1, Line 22:* DELETE "." and INSERT ", and"

*Page 2, Section 1, Line 23:* DELETE "Where" and INSERT "where"

*Page 2, Section 1, Lines 24 thrus 28:* DELETE entirely and INSERT "is less than 100 acres in extent."

*Page 2, Section 1, Line 29:* DELETE "to the security or safety of any dam or reservoir," and INSERT "Notwithstanding the foregoing,"

*Page 2, Section 1, Line 30:* After "action" INSERT regarding any dam or reservoir about which there is a security or safety concern."

SENATE BILL NO. 1946 (OCR)

To the Senate:

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1946 (OCR) with my objections for reconsideration by the Legislature.

This bill would exempt from the Gross Receipts and Franchise Tax the receipts of an electric utility which are attributable to recovery from its customers of the cost of purchases of additional power necessitated by the shutdown of a nuclear generating facility due to a major accident or natural disaster. The bill would also exempt receipts attributable to recovery from an electric utility's customers of costs incurred in connection with the cleanup and decontamination of such a nuclear generating facility.

Unfortunately, there is a technical inaccuracy in the bill which should be corrected. The purpose of the bill is to exclude from the Gross Receipts and Franchise Tax only the incremental cost of additional purchased power, not the entire cost of the power. The bill specifies that the exemption would only apply when the cost of purchased power exceeds the cost of the power that would normally have been generated by the damaged facility. However, the bill fails to stipulate that the exemption would only apply to the incremental cost, not to the entire cost of replacement energy.

Also, the bill should require that any costs claimed by a utility to be related to replacement power purchases necessitated by the shutdown of a nuclear plant due to a major accident or natural disaster, and also those costs related to decontamination and cleanup at such a facility, must be approved by the Board of Public Utilities pursuant to its ratemaking function. Additionally, the Board should be authorized to specifically define what constitutes a "major" accident or natural disaster at a nuclear electric generating facility.

Accordingly, I herewith return Senate Bill No. 1946 (OCR) with the following amendment for enactment by the Legislature:

Page 2, Section 1, Line 23: After "of" DELETE "an" and INSERT "a major"

Page 2, Section 1, Line 25: After "thereto" DELETE "when" and INSERT "if, and to the extent that,"

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
January 9, 1984. }

SENATE JOINT RESOLUTION NO. 3031 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, paragraph 14 of the Constitution, I herewith return Senate Joint Resolution No. 3031 (OCR) with my recommendations for reconsideration.

This Resolution extends the reporting deadline for the Property Tax Assessment Study Commission, created by Joint Resolution No. 3 of 1983, which is designed to study the problems of revaluations and assessments facing urban and other areas. The creation of this Commission was triggered by Newark's revaluation problems, and is relevant to the revaluations underway in many of our urban centers.

An extension of the Commission's reporting deadline is necessary. Joint Resolution No. 3 provided that the Commission would have 12 months from the date of adoption of that Joint Resolution to issue its findings and recommendations. That deadline falls on January 26, 1984. It will be impossible for the Commission to meet this deadline, since it has not yet begun its work due to the inordinate delay by the President of the Senate and the Speaker of the General Assembly in making their appointments to this Commission. I am advised that currently two vacancies still exist on the Commission to be filled by these officials.

While I strongly support an extension of the Commission's reporting deadline, due to the complicated nature of this issue, a two year period for the Commission's work may be more realistic. In addition, in light of the delay in the legislative appointments, I do not support an extension running from the date of the last appointment since that appointment may never be made. Accordingly, I am recommending that the bill be amended to provide that the Commission report its findings and recommendations within two years from the date of the adoption of this Joint Resolution.

Accordingly, I herewith return Senate Joint Resolution No. 3031 (OCR) and recommend it be amended as follows:

*Page 1, Section 1, line 3:* Delete "12 months" and insert "two years"

*Page 1, Section 1, lines 4-5:* Delete "appointment of the eighteenth member to the" on line 4 and "commission" on line 5 and insert "adoption of this joint resolution"

Respectfully,

[SEAL]
