ICYMI: NJDOT issues emergency regulation lowering speed limit to 35 mph on Interstate and State highways beginning today at 3 p.m.

Posted on 02/22/2026

Order also applies to New Jersey Turnpike, Garden State Parkway, and Atlantic City Expressway

TRENTON – New Jersey Department of Transportation (NJDOT) Acting Commissioner Priya Jain has issued an [Emergency Traffic Regulation Order](#) that temporarily lowers all posted speed limits to 35 miles per hour on Interstate and State highways in New Jersey starting at 3 p.m. **Sunday, February 22.** The speed limit reduction applies to:

- All Interstate highways in New Jersey
- All U.S. and State highways in New Jersey
- The New Jersey Turnpike
- The Garden State Parkway
- The Atlantic City Expressway

Gov. Mikie Sherrill has declared a [State of Emergency](#) based on the forecast for heavy snow, strong winds, and blizzard conditions statewide Sunday, February 22 and Monday, February 23, which could make driving conditions treacherous. The speed limit reduction is being made out of an abundance of caution.

Starting at 3 p.m., today, Sunday, February 22, 2026 and in accordance with N.J.S.A. 39:4-98.9, this Emergency Order temporarily lowers all posted speed limits above 35 miles per hour to 35 miles per hour on state and interstate highways and will be in place until further notice. State and interstate highways with a posted speed limit of 35 miles per hour or less will not be affected by this Traffic Regulations Emergency Order.

All motorists are encouraged to avoid unnecessary travel on Sunday and Monday.

Commercial Vehicle Travel Restriction

The Emergency Traffic Regulation Order to reduce the speed limit to 35 mph is in addition to the [Commercial Vehicle Travel Restriction announced yesterday](#), February 21. The commercial vehicle travel restriction also will begin at 3 p.m. today, Sunday, February 22 and will be in place until further notice for the following highways in both directions:

- I-76 (entire length)
- I-78 (entire length)
- I-80 (entire length)
- I-195 (entire length)
- I-280 (entire length)
- I-287 (entire length)
- I-295 (entire length)
- I-676 (entire length)
- NJ Route 440 (both directions from the Outerbridge Crossing to I-287)

The commercial vehicle travel restriction applies to:

- **All** tractor trailers (exceptions as listed in the [Administrative Order](#))
- Empty straight CDL-weighted trucks
- Passenger vehicles pulling trailers
- Recreational vehicles
- Motorcycles

This restriction DOES NOT apply to:

- The New Jersey Turnpike

- The Garden State Parkway
- The Atlantic City Expressway
- Public safety vehicles, sworn and civilian public safety personnel; as well as other personnel directly supporting healthcare facilities or critical infrastructure such as providing fuel or food. For a complete list of operations or personnel that are exempt from the travel ban, see the [Administrative Order](#).

Trucks that are already in New Jersey when the travel restrictions go into place are encouraged to pull off in truck stops to wait out the storm – DO NOT PARK ON SHOULDERS.

NJDOT is coordinating with all state and regional transportation agencies to ensure the most effective response to the storm. In order for NJDOT and our regional and local transportation partners to safely and efficiently clear roadways of snow, motorists should avoid driving unless you are an essential employee needed for emergency response. If you must drive, motorists are advised to:

- **SLOW DOWN**
- Always STAY CLEAR of plowing and spreading trucks. If they are behind you, let them pass
- DO NOT pass between trucks that are in a plow formation
- Leave early and allow extra time
- Leave a safe following distance between vehicles
- Use caution on bridges and ramps
- If you are driving and road conditions deteriorate, PULL OFF somewhere safe and wait it out
- Be patient and use caution
- Keep an emergency kit in your car with a cell phone charger, water, snacks, blanket, and other items. See the NJ Office of Emergency Managements web site for more information: <http://ready.nj.gov/plan-prepare/winter.shtml>

Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information and for NJDOT news follow us on X (Twitter) [@NewJerseyDOT](#), the [NJDOT Facebook page](#), and on Instagram [@newjersey.dot](#).
