5. Verify that the patron's name is not designated on the master list of persons who have voluntarily requested suspension of credit privileges pursuant to N.J.A.C. 19:45-1.27A.

(d) All verifications performed by the credit department in (c) above together with accurate and verifiable information received from the security and surveillance departments pursuant to N.J.A.C. 19:45-1.11 (b) shall be recorded in the credit file and accompanied by the signature of the general cage cashier or credit department representative who performed the required verifications or filed the relevant information. The date and time of the signature of the general cage cashier or credit department representative shall be recorded either mechanically or manually contemporaneously with the transaction. The general cage cashier or casino licensee's credit department shall fulfill the requirements of (c) above as follows:

1. Verification of the address of the patron's residence, as required by (c)1 above, shall be satisfied by confirming the patron's address with a credit bureau or bank. If neither of these sources has the patron's address on file or will not provide the information, the licensee may use an alternative source which shall not include any identification credentials required in (b) above or other documentation presented by the patron at the casino. The casino shall record the source of verification and the method by which such verification was performed in the patron's credit file. Verification of the patron's address may be performed telephonically.

2. Verification of the patron's current casino credit limits and outstanding balances, as required by (c)2 above, shall be performed through a casino credit bureau and, if appropriate, through direct contact with other casinos. The casino licensee shall record the source of verification and the method by which such verification was performed in the patron's credit file. If no casino credit information relating to the patron is available from these sources, this shall be noted in the patron's credit file. The verification may be performed telephonically prior to the credit approval provided the casino licensee requests written documentation of all such information as soon as possible and includes such written documentation in the patron's credit file. All requests for written documentation shall be maintained in the patron's credit file until such documentation is obtained.

3. Verification of the patron's outstanding indebtedness, as required by (c)3 above, shall be performed by contacting a consumer credit bureau which is reasonably likely to possess information concerning the patron, to the extent such consumer credit bureau is available, and a casino credit bureau to determine whether the applicant has any liabilities or if there is any derogatory information concerning the applicant's credit history. Such contact shall be considered a verification of the outstanding indebtedness provided by the patron. If such contact is not immediately possible, the casino licensee may use an alternative source which has made the required contact. The casino licensee shall record the source of verification and the method by which such verification was performed in the patron's credit file. If either one or both of these credit bureaus do not have information relating to a patron's outstanding indebtedness this shall be recorded in the patron's credit file. The verification may be performed telephonically prior to the credit approval provided the casino licensee requests written documentation of all information obtained as soon as possible and includes such written documentation in the patron's credit file. All requests for written documentation shall be maintained in the patron's credit file until such documentation is obtained.

4. Verification of the patron's personal checking account information, as required by (c)4 above, shall be performed by the casino licensee or a bank verification service directly with the patron's bank. A bank verification service utilized by a casino licensee may make use of another bank verification service to make direct communication with the patron's bank. If such information is not immediately available, the casino licensee may use an alternative source. The casino licensee shall record the source of the verification and the method by which each verification was performed in the patron's credit file. The verification may be performed telephonically prior to the credit approval provided the casino licensee or bank verification service requests written documentation of all information obtained as soon as possible and such written documentation is included in the patron's credit file. All requests for written documentation shall be maintained in the patron's credit file until such documentation is obtained. No bank verification service may be used by a casino licensee or another bank verification service to perform the verifications required by this section unless the bank verification service has filed a completed application for an appropriate casino service industry license under N.J.S.A. 5:12-92 and N.J.A.C. 19:43. If a bank verification service is used as a primary source of verification, either directly by a casino licensee or by another bank verification service, each service and the licensee shall, in addition to complying with any other requirement imposed by this section, record the date that the patron's personal checking account information was obtained from the bank by the service.

(e) Any New Jersey casino licensee requesting information from another New Jersey casino licensee concerning a credit patron shall represent to the requested casino licensee that the patron has a credit line or has applied for credit and shall provide the patron's name, address of the patron's residence and the name and location of the patron's bank. Upon receipt of this information, the requested New Jersey casino licensee shall be required to furnish to the requesting New Jersey casino any information in its possession concerning a patron as required by (c) above.

(f) The credit limit, and any changes thereto, must be approved by any one or more of the individuals holding the job positions of credit manager, assistant credit manager, credit shift manager, credit executive, or a casino key employee in a direct reporting line above the casino manager or credit manager, or a credit committee composed of casino key employees which may approve credit as a group but whose members may not approve credit individually unless such person is included in the job positions referenced above. The approval shall be recorded in the credit file and shall include:

1. Any other information used to support the credit limit and any changes thereto, including the source of the information, if such information is not otherwise recorded pursuant to this section;

2. A brief summary of the key factors relied upon in approving or reducing the requested credit limit and any changes thereto;

3. The reason credit was approved if derogatory information was obtained during the verification process; and

4. The signature of the employee approving the credit limit. The date and time of the signature shall be recorded either mechanically or manually contemporaneously with the transaction.

(g) Prior to approving a credit limit increase, a representative of the casino licensee's credit department shall:

1. Obtain a written request from the patron which shall include:

- i. Date and time of the patron's request;

- ii. Amount of credit limit increase requested by the patron; and

- iii. Signature of the patron.

2. Verify the patron's current casino credit limits and outstanding balances, as required by (c)2ii and (c)2iii above, unless such verification has been performed earlier that same gaming day;

3. Verify the patron's outstanding indebtedness and personal checking account information, as required by (c)3 and (c)4 above, unless such procedures have been performed within the previous 12 months;

4. Consider the patron's player rating based on a continuing evaluation of the amount and frequency of play subsequent to the patron's initial receipt of credit. The patron's player rating shall be readily available to representatives of the casino licensee's credit department prior to their approving a patron's request for a credit limit increase.

5. For table game play, the information for the patron's player rating shall be recorded on a player rating form by casino department supervisors or put directly into the licensee's computer system pursuant to an approved submission and shall include, but not be limited to, the following:

- i. Patron's name;

- ii. Game and table number;

- iii. Average bet;

- iv. Approximate length of time played;

- v. Rating as determined by supervisor or approved computer system;

- vi. Signature and license number of the casino supervisor responsible for providing the patron's player rating information; and

- vii. Date of observations.

6. For slot play, the information for the patron's player rating shall be recorded on a player rating form by slot department supervisors, or put directly into the casino licensee's computer system pursuant to an approved submission, or generated by insertion of a card, by a patron, into a card reader attached to a slot machine. Such ratings shall include, but not be limited to, the following:

- i. The patron's name;
- ii. A designation indicating it is for slots;
- iii. The rating as determined by a supervisor or an approved computer system;
- iv. The signature and license number of the slot supervisor responsible for providing the patron's player rating information; if manually prepared; and
- v. The date of play.

7. Include the information and documentation required by (g)1 through 3 above and the patron's player rating indicated at the time the credit increase is approved in the patron's credit file.

(h) Credit limit increases may be approved without performing the requirements of (g)2 and (g)3 above if the increases are temporary and are noted as being for this trip only (TTO) in the credit file. Temporary increases shall be limited to two during any thirty day period and the total amount of the temporary increases during that period shall not exceed ten percent of the currently approved credit limit.

(i) The casino licensee's credit department shall:

1. Comply with the requirements of either (i)2 or 3 below whenever:

- i. A patron's credit file has been inactive for a 12 month period; or
- ii. A patron has failed to completely pay off his credit balance at least once within a six month period; or
- iii. A check is returned to any casino by a patron's bank; or
- iv. Any information is received by a casino licensee's credit department which reflects negatively on the patron's continued creditworthiness; or
- v. The information in the patron's credit file, as required by (c)1 through (c)4 above, has not been verified for a 12-month period.

2. Reverify the patron's address, current casino credit limits, outstanding balances, outstanding indebtedness, and personal checking account information, as required by (c)1 through (c)4 above.

3. Suspend the patron's credit privileges. If a patron's credit privileges have been suspended, the procedures required by (c)1 through (c)4 above shall be performed before that patron's credit privileges are reinstated; provided, however, if the suspension is the result of the requirement of 1.iii. above, the casino licensee may alternatively reinstate the patron's credit privileges by complying with the requirements of (j) below.

4. Verify the information required by (a)2 and (a)6 above, in accordance with the procedures in (d) above, whenever the casino licensee has reason to believe that this information has changed.

(j) Notwithstanding any other provision of this section to the contrary, a casino licensee may approve, restore or increase a credit limit for a patron prior to the completion of the verifications that are otherwise required, provided that:

1. The casino licensee complies with the requirements of N.J.S.A. 5:12-101(k);

2. Any patron check accepted prior to the completion of all verifications required pursuant to this section shall not be:

i. Deducted from gross revenue pursuant to N.J.S.A. 5:12-24 if such check subsequently proves to be uncollectible, even if the casino licensee completes all of the required verifications prior to the deposit or presentment of the check;

ii. Included in the "Provision for Uncollectible Patron Checks" pursuant to N.J.A.C. 19:54-1.6(a)2; and

3. The casino licensee shall specify in its internal controls the manner in which any patron check that is accepted pursuant to N.J.S.A. 5:12-101(k) shall be identified.

(k) Any patron having a check returned to any casino unpaid by the patron's bank shall have his credit privileges suspended at all New Jersey casino licensees until such time as the returned check has been paid in full or the reason for the derogatory information has been satisfactorily explained. All derogatory information concerning a patron's credit account shall be reported by each casino licensee on a daily basis to a casino credit bureau used by New Jersey casino licensees. Each New Jersey casino licensee shall request written documentation of any derogatory information pertaining to its patrons to be reported to that casino licensee on a daily basis by a casino credit bureau used by New Jersey casino licensees. All documentation obtained from the casino credit bureau shall be maintained in the patron's credit file. Any casino licensee desiring to continue the patron's credit privileges on the basis of a satisfactory explanation having been obtained for the returned check may do so if the licensee records the explanation for its decision in the credit file before accepting any further checks from the patron along with the signature of the credit department representative accepting the explanation.

(l) All transactions affecting a patron's outstanding indebtedness to the casino licensee shall be recorded in chronological order in the patron's credit file and credit transactions shall be segregated from the safekeeping deposit transactions. The following information shall be included:
