Frank Tolotta, Former Commission Deputy Executive Director of Operations
George Alexandridis, Former Commission Chief Engineer
Roy Bubigkeit, Former Commission Employee
Thomas Isenberg PKF Mark III
Ryan Bevit, Representative Santarsiero's Office

ROLL CALL

Joseph Resta, Executive Director, in his capacity as Secretary for this Meeting called the roll, and at the conclusion thereof, reported that there was a quorum present-there being five members present from the Commonwealth of Pennsylvania and four members present from the State of New Jersey.

WELCOMING REMARKS OF CHAIRMAN

Vice Chairman Ahmad welcomed those persons whose identities are set forth hereinabove under "Appearances".

INTRODUCE ANY COMMENTS FROM THE PUBLIC

Vice Chairman Ahmad addressed the meeting and invited any comments from the public on items pertaining to today's Agenda.

EXECUTIVE DIRECTOR'S REPORT

Joseph Resta, Executive Director, addressed the meeting and said;

"Thank you, Mr. Vice-Chairman, and good morning, before I get into my remarks, I want to let everyone know that the Commission has been on Yellow Alert Status since last week's terrorist strikes in Brussels, Belgium. All of our personnel have been instructed to be on a heightened sense of awareness and report any suspicious activity to our Primary Control Center or the officer in charge at our toll bridges;

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

“Moving to today’s agenda, we have a series of developments to update you on regarding the Scudder Falls Bridge Replacement Project. On March 15, we hosted a project outreach session in Ewing, N.J. The event consisted of two parts, a New Jersey-oriented open house that featured an updated eight-minute informational video and a display of 22 separate graphic/information boards depicting the project’s design, scheduling and staging elements. This was followed by a public hearing on proposed tree removal work expected to begin after October 1st on the New Jersey side of the bridge and a corresponding reforestation plan to compensate for the removed trees. The event attracted 96 attendees and the feedback we’ve received has largely been positive. All of the materials from the session have been placed on the web for further viewing. Also the public record on the proposed reforestation plan is to remain open for 60 days, ending on May 16th. This was the second project outreach session we have had in recent months. As you may recall, slightly more than 260 people attended a Pennsylvania-focused open house held in Lower Makefield Township, Buck County, back on Dec. 3rd. We expect to conduct further outreach as the project moves forward in the months and years ahead, for example, we are trying to set up a forum in April where we can announce the outcome of additional noise readings recently collected along I-95 in Lower Makefield. Also next month, we are planning to provide an informational presentation to business owners and corporate executives in Mercer County, N.J. Finally, later in the spring, we hope to be in a position to hold hearings on a proposed toll schedule for the Scudder Falls Replacement Bridge once its first span is completed in 2019;

“The advanced tree clearing work along the Pennsylvania I-95 approach to the bridge is progressing toward this Thursday’s substantial completion date. The actual felling of trees was completed earlier this month. The contractor has since been involved in chipping, removal and clean-up activities. As you may recall, this first stage of tree clearing is confined to 15 acres of the highway right-of-way in Lower Makefield Township between the Taylorsville Road Interchange and the Newtown/Route 332 Interchange. This work will enable us to begin installing noise abatement walls at designated locations along the bridge’s Pennsylvania I-95 approach later this spring. For a future agenda, consideration of a contract award for construction inspection services of the noise wall installation work will be forthcoming. We hope to award that noise wall construction contract soon so the work can begin later in the spring and get completed before the end of the year. Moving upriver, we recently completed the installation of larger, more heavily anchored concrete protection blocks in front of the manned toll booths at our I-78 Toll Plaza. These so-called “bumper blocks” serve to protect the plaza’s structural supports, tolling equipment, and – most importantly – our toll collection personnel from vehicular accidents and errant drivers. The need to replace these important toll plaza protection devices was identified in the wake of a tractor trailer accident at the facility on February 9. The truck veered into one of the old bumper blocks, completely severing it and knocking one the toll plaza’s lanes out

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

of service for an extended period. In the course of planning repairs, it was determined that each of the plaza's bumper blocks needed to be raised in height and strengthened with reinforced anchoring to the plaza's foundations. It was imperative that we take this proactive measure because our I-78 Toll Bridge handles some of the highest interstate truck traffic volumes of any toll facility in the country. Moreover, we anticipate that I-78 truck traffic will increase in coming years as shipments to the Port of Newark/Elizabeth – and by extension to the Lehigh Valley warehouse parks – rise once the Panama Canal widening project reaches completion in the near future;

“In closing, I want to mention that we have a special presentation planned for our former chairman David DeGerolamo today. David was committed to the Commission service mission and its employees. Only a handful of individuals have managed to serve on the Commission longer than David did. Even fewer were privileged to preside for a longer tenure as the agency's chair. While David's prime responsibility was to serve on behalf of New Jersey residents and toll payers, he always will be remembered as an individual who understood and appreciated the Commission bistate dynamic and he was appreciated and kind. His record of accomplishments as chairman is unparalleled. Establishment of Electronic Security and Surveillance, Compact Authorized Investment and Contract Compliance Departments and Programs design. The implementation of Express E-ZPass/Open Road Tolling facilities at I-78 and Delaware Water Gap Toll Bridges. Removal of toll gates at all seven toll plazas, approval of a \$285 million bond transaction in 2007, rehabilitation and resurfacing of our I-78 New Jersey and Pennsylvania approach roadways, completion of the environmental documentation process for the Scudder Falls Bridge Replacement Project, a process that culminated with the issuance of a pivotal Finding of No Significant Impact from the Federal Highway Administration. Scour remediation and substructure repairs at 15 of the Commission's 20 bridges under a single 2-1/2 year initiative and lastly -- but not least -- the execution of comprehensive rehabilitation projects at 10 separate bridges, Riverton-Belvidere, Trenton-Morrisville (Route 1), Milford-Montague (Route 206), Centre Bridge-Stockton, Calhoun Street, Riegelsville, Upper Black Eddy-Milford, Delaware Water Gap (I-80), Lumberville-Raven Rock and Easton-Phillipsburg (Route 22);

“David's impact will continue to be felt in the months and years ahead as we continue to advance the Scudder Falls Bridge Replacement Project to full construction status in 2017. For example, in about three months or so, we will expect to conduct six separate hearings on a proposed toll schedule for that replacement bridge. Those hearings are the result of a toll adjustment hearing policy adopted under Mr. DeGerolamo's leadership in 2013;

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

"In closing, I want to point out that more than 160 individuals have served as Commissioners since the agency's establishment in 1934, of these, none ever presided over as much tangible progress as Mr. DeGerolamo during his nine years in the chairman's post"

"Mr. Chairman, this concludes my March update."

APPROVAL OF MINUTES FOR COMMISSION MEETING HELD FEBRUARY 29, 2016

R: 2949-03-16- ADM-01-03-16

Vice Chairman Ahmad addressed the meeting and requested the adoption of a Resolution approving the Minutes of the Commission Meeting held February 29, 2016.

At the conclusion of the review, Commissioner Janvey moved and Commissioner Stanley seconded the adoption of the following Resolution:

"RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 28th day of March, 2016, that the Minutes of the Regular Commission Meeting held on February 29, 2016 be and the same hereby are approved."

Vice Chairman Ahmad then invited any questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

APPROVAL OF OPERATIONS REPORT FOR THE MONTH OF FEBRUARY 2016

R: 2950-03-16- ADM-02-03-16

Vice Chairman Ahmad addressed the meeting and asked if there were any questions on any of the reports contained in the "Operations Report".

At the conclusion of the review, Commissioner Janvey moved and Commissioner Stanley seconded the adoption of the following Resolution:

"RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 28th day of March, 2016, that the Operations Report, which reflects Commission activity for the month of February, 2016 are hereby approved."

Vice Chairman Ahmad then invited any questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

APPROVE PORTLAND-COLUMBIA TOLL BRIDGE REPAIRS TO SPAN 1 FASCIA, CONTRACT T-566B TO SPARWICK CONTRACTING INC.,

R: 2951-03-16- ENG-01-03-16-

Vice Chairman Ahmad addressed the meeting and asked the Commission Members if, after their review, there were any questions.

At the conclusion of the review, Commissioner Van Vliet moved and Commissioner Siptroth seconded the adoption of the following Resolution:

"RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 28th day of March, 2016, that the Commission award the Construction Contract No. T566B, Portland-Columbia Toll Bridge Repairs to Span 1 Fascia Girder, to the lowest responsible bidder, Sparwick Contracting, Inc., of Lafayette, New Jersey for a not-to-exceed amount of \$47,000.00; and

"RESOLVED, identify the Operating Fund as the source of funds required for payment of any invoices; and

"RESOLVED, the Executive Director is hereby authorized to approve and execute all necessary contract on behalf of the Commission."

Executive Director Resta, then called the Roll:

<u>NEW JERSEY</u>	<u>Yes</u>	<u>No</u>	<u>PENNSYLVANIA</u>	<u>Yes</u>	<u>No</u>
Mr. Lavery	X		Mr. Ahmad	X	
Ms. Laurenti	X		Mr. Grace	X	
Mr. Stanley	X		Ms. Janvey	X	
Mr. Van Vliet	X		Mr. Siptroth	X	
			Ms. Starace	X	

Executive Director Resta reported that there were five affirmative votes from Pennsylvania, and four affirmative votes from New Jersey. The resolution was unanimously adopted.

Vice Chairman Ahmad then invited any questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

AWARD ELECTRONIC TOLL COLLECTION/TOLLING TASK ORDER CONSULTANT, PA ASSIGNMENT, CONTRACT TO RUMMEL, KLEPPER & KAHL

R: 2952-03-16- ENG-03-03-16

Vice Chairman Ahmad addressed the meeting and asked the Commission Members if, after their review, there were any questions.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

At the conclusion of the review, Commission Van Vliet moved and Commissioner Grace seconded the adoption of the following Resolution:

"RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 28th day of March, 2016, that the Commission award Contract No. C-701A, Electronic Toll Collection/Tolling Task Order Consultant, PA Assignment to Rummel, Klepper & Kahl, LLP (RK&K) of King of Prussia, PA for an amount not-to-exceed \$500,000.00; and

"RESOLVED, identify the General Reserve Fund as the source of funds required for payment of any invoices; and

"RESOLVED, the Executive Director is hereby authorized to approve and execute all necessary contracts on behalf of the Commission."

Executive Director Resta, then called the Roll:

<u>NEW JERSEY</u>	<u>Yes</u>	<u>No</u>	<u>PENNSYLVANIA</u>	<u>Yes</u>	<u>No</u>
Mr. Lavery	X		Mr. Ahmad	X	
Ms. Laurenti	X		Mr. Grace	X	
Mr. Stanley	X		Ms. Janvey	X	
Mr. Van Vliet	X		Mr. Siptroth	X	
			Ms. Starace	X	

Executive Director Resta reported that there were five affirmative votes from Pennsylvania, and four affirmative votes from New Jersey. The resolution was unanimously adopted.

Vice Chairman Ahmad then invited any questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

APPROVE ELECTRONIC TOLL COLLECTION SYSTEM 2016 SPARE PARTS/CONSUMABLES, TO 427C

R-2953-03-16 - ADM-03-03-16

Vice Chairman Ahmad addressed the Meeting and asked the Commission Members if, after their review, there were any questions.

At the conclusion of the review, Commissioner Grace moved and Commissioner Van Vliet seconded the adoption of the following Resolution:

"WHEREAS, the Delaware River Joint Toll Bridge Commission (the Commission) was created, as a body corporate and politic, by a compact between the State of New Jersey and the Commonwealth of Pennsylvania, with the consent of the Congress of the United States (the "Compact"); and

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

“WHEREAS, the Commission constitutes a public corporation instrumentality of the State of New Jersey and the Commonwealth of Pennsylvania; and

“WHEREAS, the laws of the State of New Jersey and the Commonwealth of Pennsylvania do not apply to the Commission unless complimentary legislation is enacted in both States and approved by Congress; and

“WHEREAS, the Commission nevertheless maintains a practice of receiving bids for ordinary goods and services, consistent with the laws of the State of New Jersey and the Commonwealth of Pennsylvania; and ordinarily awards such purchases after a public bid to the lowest responsive bidder; and

“WHEREAS, the Commission has entered into a contract with Xerox State & Local Solutions, Inc. to perform maintenance on the Electronic Toll Collection system; and

“WHEREAS, a highly orchestrated spare parts/consumables program and a high state of equipment reliability is required to maintain high lane availability on a 24/7 basis; and

“WHEREAS, Xerox State & Local Solutions Inc. is the only vendor who can provide the necessary spare parts/consumables support and replacement equipment compatible with the existing ETC equipment to maintain the ETC system at peak performance levels so as to minimize any disruption in toll revenue; and

“WHEREAS, legislation previously enacted by the respective States, which was never approved by Congress, would permit the Commission in such a circumstance to enter into a contract with Xerox State & Local Solutions, Inc. without the requirement of public bidding; and

"RESOLVED, that the Delaware River Joint Toll Bridge Commission, at its Regular Meeting assembled this 28th day of March 2016, that the Commission, via this Resolution, authorizes the Executive Director to issue a sole source purchase order to Xerox in the sum of \$24,205.39 to provide spare parts/consumables to support the continuing operation of the electronic toll collection system, and identify the Operating Reserve Fund as the source of funds required for payment and all disbursements.”

Executive Director Resta, then called the Roll:

<u>NEW JERSEY</u>	<u>Yes</u>	<u>No</u>	<u>PENNSYLVANIA</u>	<u>Yes</u>	<u>No</u>
Mr. Lavery	X		Mr. Ahmad	X	
Ms. Laurenti	X		Mr. Grace	X	
Mr. Stanley	X		Ms. Janvey	X	
Mr. Van Vliet	X		Mr. Siptroth	X	
			Ms. Starace	X	

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

Executive Director Resta reported that there were five affirmative votes from Pennsylvania, and four affirmative votes from New Jersey. The resolution was unanimously adopted.

Vice Chairman Ahmad then invited any questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

METRO ETHERNET SERVICES BY COMCAST

R-2954-03-16 - ADM-04-03-16

Vice Chairman Ahmad addressed the Meeting and asked the Commission Members if, after their review, there were any questions.

At the conclusion of the review, Commissioner Janvey moved and Commissioner Siptroth seconded the adoption of the following Resolution:

“RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 28th day of March, 2016 that the Commission via this Resolution, authorize data transfer needs of today and the future, a single 100% fiber, secure, high speed, reliable and redundant network is needed. In addition for 10 mission critical locations a secondary back up service is required; and

“RESOLVED, to address this need Comcast Business Services will be authorized to install operate and maintain their Metro Ethernet Service, to provide the Commission with the needed services; and

“RESOLVED, the Executive Director is hereby authorized to negotiate and approve an agreement with Comcast Business Services to provide Metro Ethernet primary and back-up services to all Commission locations.”

Executive Director Resta, then called the Roll:

<u>NEW JERSEY</u>	<u>Yes</u>	<u>No</u>	<u>PENNSYLVANIA</u>	<u>Yes</u>	<u>No</u>
Mr. Lavery	X		Mr. Ahmad	X	
Ms. Laurenti	X		Mr. Grace	X	
Mr. Stanley	X		Ms. Janvey	X	
Mr. Van Vliet	X		Mr. Siptroth	X	
			Ms. Starace	X	

Executive Director Resta reported that there were five affirmative votes from Pennsylvania, and four affirmative votes from New Jersey. The resolution was unanimously adopted.

Vice Chairman Ahmad then invited any questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

APPROVAL OF AMENDMENT TO POST-RETIREMENT HEALTH BENEFITS POLICY

R-2955-03-16 - ADM-05-03-16

Vice Chairman Ahmad addressed the Meeting and asked the Commission Members if, after their review, there were any questions.

Commissioner Janvey addressed the meeting and said:

"As a former Commission employee who receives retiree health benefits, I abstain from voting on this resolution and have recused myself from any deliberation on this issue."

Commissioner Siptroth addressed the meeting and said:

"As a former Commission employee who receives retiree health benefits, I abstain from voting on this resolution and have recused myself from any deliberation on this issue."

At the conclusion of the review, Commissioner Stanley moved and Commissioner Grace seconded the adoption of the following Resolution:

"RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 28th day of March, 2016 that the Commission via this Resolution authorizes the revision to the Post-Retirement Health Benefits Policy to include language 'Any employee who wishes to retire but does not qualify for retiree health coverage at the date of retirement because either their age or years of service is less than the required amount to qualify may purchase benefits at the COBRA rate for the period of time until such employee achieves the age and/or service level necessary to become eligible for retiree health benefits as otherwise provided above. At the time of separation from service with the Commission, the retiring employee must be within two years of retirement eligibility either by age or years of service. For purposes of the above exceptions only, the period of time during which any such employee purchases benefits at the COBRA rate will be considered as additional service time"; and

"RESOLVED, the Executive Director is further directed to amend the OPEB Trust consistent with the language of the policy as reflected above."

Executive Director Resta, then called the Roll:

<u>NEW JERSEY</u>	<u>Yes</u>	<u>No</u>	<u>PENNSYLVANIA</u>	<u>Yes</u>	<u>No</u>
Mr. Lavery	X		Mr. Ahmad	X	
Ms. Laurenti	X		Mr. Grace	X	
Mr. Stanley	X		Ms. Janvey	Abstain	
Mr. Van Vliet	X		Mr. Siptroth	Abstain	
			Ms. Starace	X	

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

Executive Director Resta reported that there were three affirmative votes from Pennsylvania, four affirmative votes from New Jersey, and two abstentions. A quorum was met, and the resolution was adopted.

Vice Chairman Ahmad then invited any questions on the Resolution. No questions were presented and the Resolution was adopted.

APPROVAL OF RETIREMENT BENEFITS-MICHELLE DIEHL, TOLL COLLECTOR, I-78

R: 2956-03-16- PER -01-03-16

Vice Chairman Ahmad addressed the Meeting and asked the Commission Members if, after their review, there were any questions.

At the conclusion of the review, Commissioner Van Vliet moved and Commissioner Siptroth seconded the adoption of the following Resolution:

“RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 28th day of March, 2016, via this Resolution that subject to applicable practices and procedures, the Commission approves the provision of retirement benefits to Michelle Diehl who is to retire on April 1, 2016.”

Executive Director Resta, then called the Roll:

<u>NEW JERSEY</u>	<u>Yes</u>	<u>No</u>	<u>PENNSYLVANIA</u>	<u>Yes</u>	<u>No</u>
Mr. Lavery	X		Mr. Ahmad	X	
Ms. Laurenti	X		Mr. Grace	X	
Mr. Stanley	X		Ms. Janvey	X	
Mr. Van Vliet	X		Mr. Siptroth	X	
			Ms. Starace	X	

Executive Director Resta reported that there were five affirmative votes from Pennsylvania, and four affirmative votes from New Jersey. The resolution was unanimously adopted.

Vice Chairman Ahmad then invited any questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

PROMOTION OF TOLL COLLECTOR LAUREN PICONE TO TOLL CORPORAL-DISTRICT II

R: 2957-03-16- PER -02-03-16

Vice Chairman Ahmad addressed the Meeting and asked the Commission Members if, after their review, there were any questions.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

At the conclusion of the review, Commissioner Stanley moved and Commissioner Janvey seconded the adoption of the following Resolution:

“RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 28th day of March, 2016, via this Resolution authorizes the promotion of Lauren Picone to the position of Toll Corporal to District II with starting compensation set at \$46,441 per annum, which is the introductory step in the pay range for the Toll Corporal position (\$46,441-\$59,270) pending satisfactory completion of the required personnel processing.”

Executive Director Resta, then called the Roll:

<u>NEW JERSEY</u>	<u>Yes</u>	<u>No</u>	<u>PENNSYLVANIA</u>	<u>Yes</u>	<u>No</u>
Mr. Lavery	X		Mr. Ahmad	X	
Ms. Laurenti	X		Mr. Grace	X	
Mr. Stanley	X		Ms. Janvey	X	
Mr. Van Vliet	X		Mr. Siptroth	X	
			Ms. Starace	X	

Executive Director Resta reported that there were five affirmative votes from Pennsylvania, and four affirmative votes from New Jersey. The resolution was unanimously adopted.

Vice Chairman Ahmad then invited any questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

APPROVAL FOR PAYMENT OF INVOICE

FLORIO, PERRUCCI, STEINHARDT AND FADER, NJ LEGAL COUNSEL

R: 2958-03-16- ACCT -01-03-16

Vice Chairman Ahmad addressed the Meeting and asked the Commission Members if, after their review, there were any questions.

At the conclusion of the review, Commissioner Van Vliet moved and Commissioner Siptroth seconded the adoption of the following Resolution:

“RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 28th day of March, 2016, via this Resolution authorizing payment of invoices, #118461, #118616, and #118512, in the total amount due of \$3,660.00 for Capital and Non-Capital Professional Services to Florio, Perrucci, Steinhardt and Fader, NJ Legal Counsel; and

“RESOLVED, identifying the Operating Fund as the source of funds required for any and all disbursements.”

Executive Director Resta, then called the Roll:

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Vice Chairman Ahmad then invited any questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

RESOLUTION OF THE COMMISSIONERS-FORMER CHAIRMAN DAVID DEGEROLAMO

R: 2963-03-16

Vice Chairman Ahmad, addressed the meeting and stated he would like to read into the minutes a resolution to former Commission Member and Chairman David DeGerolamo, who is present at today's meeting.

At the conclusion of the review, Commissioner Stanley moved and Commissioner Grace seconded the adoption of the following Resolution:

“WHEREAS, the Delaware River Joint Toll Bridge Commission was established in 1934 as a bistate transportation agency with a 140-mile jurisdiction extending from the Philadelphia/Bucks County line in the south to the New Jersey/New York boundary in the north; and

“WHEREAS, oversight of this vital agency is provided by a 10-member board consisting of five Commissioners each from the two jurisdictional states of New Jersey and Pennsylvania; and

“WHEREAS, David R. DeGerolamo of Phillipsburg, Warren County, N.J., became a New Jersey Commissioner on January 30, 2006; and

“WHEREAS, Commissioner DeGerolamo held his uncompensated, voluntary policy-making post for nearly 10 years, announcing his retirement at the Commission's December 21, 2015 meeting; and

“WHEREAS, he is one of the longest-serving Commissioners since the agency's creation in 1934; and

“WHEREAS, his term of service at the Commission spanned the administrations of multiple Governors -- Democrat and Republican; and

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

“WHEREAS, Commissioner DeGerolamo became the Commission’s Chairman on November 27, 2006, a position he maintained with distinction, aplomb and vigor until his retirement; and

“WHEREAS, he guided the Commission as its Chairman for nine years, one of the longest leadership tenures in the Commission’s 81-year history; and

“WHEREAS, his previous public service experience as Phillipsburg Council President proved of tremendous value to the Commission across a wide range of professional disciplines, including administration, governance, finance and community relations; and

“WHEREAS, he played a key role of advocacy and support in the execution of the most expansive Capital Improvement Program in the Commission’s history; and

“WHEREAS, he fostered cooperation and communication among Commissioners and stakeholder communities; and

“WHEREAS, his even-handed manner, collegial demeanor and perseverance earned him the admiration and respect of all those he worked with in Commission affairs; and

“WHEREAS, he leaves the Commission with a vastly improved network of transportation assets, an enhanced organizational structure, and a strengthened array of financial metrics; and

“WHEREAS, his steady leadership advanced the Commission’s public service mission; now, therefore,

“BE IS RESOLVED, by the Delaware River Joint Toll Bridge Commission assembled for a Meeting at New Hope, Pennsylvania this 28th day of March 2016: That this Commission hereby Recognizes and Congratulates the Honorable David R. DeGerolamo applauds his 10 years of dedication and service to the Commission and its jurisdictional states of New Jersey and Pennsylvania; and expresses its profound appreciation for his unflagging devotion, keen understanding, and sound decisions on behalf of the travelling public; and

“BE IT FURTHER RESOLVED, That this Resolution be included in the Meeting Minutes and a duly authenticated copy be transmitted to the Honorable “Mr. Chairman” David R. DeGerolamo.

Vice Chairman Ahmad then invited any questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

INVITE ANY COMMENTS FROM PUBLIC

Vice Chairman Ahmad addressed the meeting and invited any comments from the public.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

Former Chairman David DeGerolamo addressed the meeting and said:

"You know, it is kind of funny to think back as to how I actually introduced myself to the Commission some 16 years ago. But first and foremost, I want to thank everyone here today. I want to thank the current Commissioners, the administrative staff, Executive Director Resta, Deputy Executive Director Sean Hill and Chief Engineer Roy Little, as well as everyone else that's included in that, the governor's office representatives and all the attorneys. I appreciate everything, and I'm humbled by the words, but I will tell you this. You know, sometimes I think the true value and worth of a person, of a man, is to understand that you need to have those people around you that are actually smarter than you, and more capable than you because truly the guidance that they give you is what makes you a better leader. Gaetan Alfano is here today, Bill Hodas, Frank McCartney, George Alexandridis, Frank Tolotta because, quite frankly, when I came on this Commission, those were the people who I looked to for the most guidance. They are definitely an accomplished group of individuals. They are very smart and understanding group of individuals, such as what you have here with you today. We have moved forward as a Commission in many ways. And from an administrative staff standpoint, we have added Executive Director Resta, Sean Hill, Roy Little, and today they are the ones that give guidance to all the Commissioners, and I think make this Commission a better place than what we left it when I first started. So I would be remiss to think that all those accolades are truly for myself because the reality that is the gentleman that are sitting on the back wall, deserves those accolades much more than myself because they truly are the ones that guided me along the way and provided me the insight to understand what I was doing. So thank you to all of you. This is very special. It truly is the most special group of people that I've ever had to work with professionally, and I do miss you. I do have some conversations from time to time with different people to at least keep my fingers in it and my mouth moist with interest in what's going on, but you are a great group of individuals, each and every one of you as Commissioners and as executive staff altogether. So it's important that you continue to do all the good things that you do. You know, it's also interesting, too, it goes back before I got on the Commission, I thought it was this big political patronage, you know, just turn and crank, and it all just happened and the reality is, we are not that. We are not every other agency in the State of New Jersey or Pennsylvania. We are different. We do it better, and we will continue to do it better under your guidance. And I would also be remiss, whenever I couldn't get Frank on the phone or I couldn't get Joe on the phone or Sean on the phone or I needed something, it could have been a weekend, it could had been a weeknight, there was always a person that I could go to. Wendy Reading. And wish I had an administrative assistant working for me in my work place that was as tremendous and as terrific and as providing as Wendy Reading. And I thank you, Wendy, for everything you have done for me and everything you have done for this Commission and the people that you serve as well. Thank you.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

Former Vice Chairman Gaetan Alfano addressed the meeting and said:

"Okay. So what does that tell you that this guy will not talk about himself? He really is humble. He's a terrific leader and I think David will not talk about himself. He won't take any credit. He will take the credit and distribute it elsewhere. I mean, you really are, David, a special person who has for many years lead a very special group of people here. And you achieved something that I think is so sorely missed in today's political and professional environment, and that is the ability to achieve consensus. No matter which state we came from, what our backgrounds were, whichever party was in power at a particular time, whoever the governor was or whatever our, political meetings or affiliations may have been, it really made no difference. Sometimes it might have taken a little longer, but ultimately what we accomplished was always in the best interest of the public and in the best interest of this Commission and, David, it is solely because of your leadership. For that, I thank you and I was honored to be able to serve on this Commission with you all these years. Thank you."

Former Executive Director Frank McCartney addressed the meeting and said:

"I used to work here. David, we first met in Phillipsburg. There was a public hearing after we did a minor toll increase back in the early 2000s, and David showed up to express his interest in the Commission and his concern for the amount of the toll increase, and little did I know, in a few years he would be serving as chair. But when I left here in 2012, I was presented a number of really nice plaques and remembrances, but one that I find very special is where the minutes of this meeting back in 2001, I believe, it was, reflected David DeGerolamo's strong opposition to the toll increase and to the capital program. And there was a post script that David wrote in it, he took it all back. He became a co-conspirator. David, thank you for your leadership. With you and Bill and Gaetan and the entire staff here and those who retired, folks, carry on. This is a great Commission, and I think one of the best in the bi-state area, so good luck and thanks again, David."

Former Commissioner Hodas addressed the meeting and said"

"It's been a while. Commissioners, Joe Resta, staff, Dave, it's an honor to have served with you for ten years. You and Gaetan and Frank McCartney a division of people that helped the Bridge Commission to move forward. You implemented many programs that makes these bridges safer and safer every day to meet the requirements of today's market with cameras, generators, many things that were implemented during your time. It was an honor to serve with you for ten years, and it's my pleasure being here. Thank you."

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

Commissioner Laurenti addressed the meeting and said:

"To reiterate Commissioner Alfano and Commissioner Hodas, who I had the pleasure to serve under, as I said, I went outside, it's old home week out there. It's more fun out there than sitting here and doing the business, but you all set a very high standard. It is with great honor that I have served with all of you. I view you as my mentors and hope that I will do as well sitting in this seat as when I served with all of you and appreciate all of your hard work. And just want to pick up Gaetan and your comment, David doesn't draw attention to himself. Always behind the scenes trying to do the right thing for the traveling public for the Commission for the many employees and it really has been a great honor and a pleasure. Thank you"

Commissioner Stanley addressed the meeting and said:

"Well, I have to say something. David is a joy to work with. And I came on this Commission, and it was quite a stretch for me, very different sort of thing for me to be doing. And I heard that the chairman had a differing political background than I, and I thought uh-huh, this could be trouble. So I came here and even before I met him face to face, he had the grace to call me and just check in and see how things were going and give me a little background. And I came to find out that this man is extremely even handed. That he is -- you know, I was expecting more partisan sort of a thing between us, and I never experienced that. I thought he was always the picture of grace. I came to find out that you are not partisan as much as you are multi-partisan. And then I thought, no, that's not even right. You are partisan for this Commission and what's the best thing for this Commission and astonishingly what you came to show was that what's best for this Commission is also typically what's best for the users of our bridges. And I am continually astonished at how you managed to convey that, and portray such a gracious -- I'm not even going to say humble. I like the word aplomb that was used in here. We'll all have to go home and look it up, but I know it is apropos. But anyway, thank you, David, for making me feel a part of this Commission and helping me to understand and particularly for your partisanship, if you will, for this Commission."

Commissioner Van Vliet addressed the meeting and said:

"David, I like to thank you so much for seeing you in action as far as diplomatic relations with people taking a situation that could be explosive at times and calming it down, taking it through fruition for the betterment of the Commission or whatever other reason we dealt with on the outside. David and I go back for a few years before I was appointed to the Commission. I really wished I had more time here to observe how he handled things and negotiations. Were I came from, it was pretty much confrontational a lot of times and two people would harden up in positions and not

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

get much accomplished, but watching Dave and his ability to handle negotiations between two really fragmented parties has really lead me to a different situation, especially being in this position at the Commission, and I would like to thank him for that, wish him good luck in his future endeavors. I'm sure he will more than exceed in what he attempts to do. So I would like to say, Dave, thank you very much, and I would like to reiterate everything else that the Commission has said about you and your service. Thank you."

Commissioner Janvey addressed the meeting and said:

"I have only been here for a short time, and I came from a different side. I had been an employee. So I want to thank you for everything you did while I was an employee and to keep the agency the high quality that it is. I've always been so proud to be part of the Bridge Commission to be an employee and now a Commissioner. And then when I came on, you were so kind, and you allowed us the chance to express our feelings. We didn't know a lot and maybe sometimes we spoke out of turn, but you listened and for that I thank you, and you are missed."

Commissioner Siptroth addressed the meeting and said:

"I, too, David, want to thank you. Even though we only had eight months to work together, and you certainly helped us, and I think Pam already spoke on the issue, adjusting ourselves from coming from being past employees here and then becoming Commissioners. I also want to acknowledge Commission Alfano and Commissioner Hodas for their time that we worked together while I was in the state house, so I do appreciate that, and, Mr. McCartney and Mr. Tolotta, as we worked together on the Commission itself. This is a great place, not only to be a Commissioner, but also to be employed, and we find that today in executive session on another issue, that there are sympathetic ears and as a past employee, I certainly appreciate that. Thank you and thank you for all your service."

Commissioner Grace addressed the meeting and said:

"David, what can I say? Normally we sit here and we talk about issues and whatever we talked about, you always made me and everybody here feel welcomed. You never made us feel out of place, but I listened to your speech and, you know, every good leader surrounds himself with competent and smart people. But when you look at the other side of that, there is somebody sitting in my seat, there is always a mentor they can look up to, and you are one of them. So when I look at that right there, that's the elite on the bench. Usually it's the bench warmers looking from this way. I look up at every one of you and say thank you. Thank you for everything you did. It was a pleasure serving with you. Good luck."

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

Vice Chairman Ahmad addressed the meeting and said:

"Well, Dave, I accolade everyone's sentiments. I just have to say thank you. When I came on as Vice-Chair, and it was no secret, the first time I had ever heard of this Commission was when I got a call from the Governor's office saying I'm the Vice-Chair. And I said, 'What the heck?' I didn't know what I was getting myself in to. You know, Jersey, there is a different governor, and now am I going to get thrown in to some political situation and what have you. - Immediately I was impressed with you because you weren't political, but you were political because this is a political animal. It's very difficult to be in this thing, and maintain a sense of integrity. But, more importantly, understanding that it's not about all the political noise, but about real people who are traveling across these bridges and so forth and so on, and you did not get lost there. More importantly, the only way to effect those individuals is to have some type of practicality, and your job -- and I immediately told you, was way more difficult than mine. You know, our Governor says, this is the new bench, but you guys have a whole different dynamic, and you were able to navigate through that for a very, very, long time, for years. That says a lot about you as a person. I am grateful to you for making the transition for me just seamless.. It could had been totally different. You know, you could have been a totally different person, and I would have been, you know, looking like some crazy person, and the Governor would have been what's going on? Why are the bridges falling down? So I really appreciate it, and sometimes, you know, trees fall in the forest and no one hears them. And so you will be missed and are missed. Thank you."

Commissioner Starace addressed the meeting and said:

"David, not to make this last any longer, but it was a pleasure getting to know you, and I'm sure I will see you on the other side of the bridge sooner than later."

Chairman Lavery addressed the meeting and said:

"Dave, it is tough being on the phone because you can't see who is ready to jump in, so I think I'll just go ahead and jump in here. If it wasn't for the fact that I go to my mom and dad's every Easter, I would be there in person. And I feel bad that I can't be there to honor you today. I just want to say that it was a pleasure serving with you the brief time I was a Commissioner while you were Chairman. We have known each other a lot of years. You were a great Chairman. You are a great person and, more importantly, to me, you are a great friend. And I treasure your friendship and look forward to asking you Bridge Commission questions with some regularity. So thank you."

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

Executive Director Resta addressed the meeting and said:

"David, if I may, I apologize for having mislead you slightly for today's events because the former Chairman pretty much said 'I'm not going to come if you do anything', so I do apologize for that. I thank you for your commitment to this Commission and your supportive and sometimes nurturing relationship that you've had with me. It has helped me in whatever success that I've had here, and I will not forget your guidance. Thank you."

INVITE ANY FURTHER COMMENTS

Vice Chairman Ahmad invited any further Comments. No further comments were presented.

SCHEDULING OF THE APRIL 25, 2016 MEETING

Vice Chairman Ahmad addressed the Meeting and stated that the Commission's next meeting will be held April 25, 2016.

The Meeting will be called to Order at 10:30 a.m. in the Boardroom at the New Hope Executive Offices, New Hope Pennsylvania 18938-9519.

Vice Chairman Ahmad assured the Commission Members that an "Official Notice of Meeting" would be forwarded to each and every Member of the Commission.

ADJOURNMENT

Vice Chairman Ahmad invited a motion for Adjournment.

Commissioner Van Vliet then moved that the Meeting be adjourned and Commissioner Grace seconded the motion. The voice vote was unanimously affirmative and the Meeting was adjourned at 11:40 am, Monday, March 28, 2016.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of March 28, 2016
TOLL TRAFFIC AND REVENUE STATISTICS (February, 2016)

Summary: The Commission experienced an increase in total toll revenue for February 2016 in comparison to the February 2015 traffic and revenue statistics. In addition, total toll traffic also reflected an increase for the month of February.

Analysis of February 2016 / February 2015 toll revenue data comparison:

- An overall toll revenue increase of 11.74 percent was recorded at the Commission's seven toll bridges for the month.
- Commercial-vehicle toll revenue reflected a 10.96 percent increase.
- Passenger-vehicle toll revenue generated a 14.08 percent increase.

Analysis of February 2016 / February 2015 traffic data comparison:

- Total toll traffic increased by 330,385 vehicles, or 12.87 percent for the month.
- Commercial-vehicle traffic increased by 40,471 vehicles, or 10.84 percent.
- Passenger-vehicle toll traffic increased by 289,914 vehicles, or 13.21 percent.
- Average daily toll traffic for the Commission's seven toll bridges for February 2016 was 99,930 total vehicles as compared to 91,700 total vehicles in February 2015.
- Total recorded westbound traffic volume at the 11 vehicular toll supported bridges for February 2016 increased by 180,965 vehicles, or 8.32 percent as compared to February 2015. Average daily westbound traffic at the 11 toll supported bridges for February 2016 was 81,225 vehicles as compared to 77,663 in February 2015.

Traffic analysis for 2016 YTD:

- Total YTD toll traffic for the seven toll bridges is reflecting an 8.63 percent increase through the first two months of 2016 as compared to the same period in 2015.
- Recorded westbound traffic on the eleven toll supported bridges is reflecting a 2.49 percent increase for the first two months of 2016 as compared to last year.

DISTRICT REVIEW:

District 1

Total toll traffic at Trenton-Morrisville (TM) for February 2016 reflected a 12.51 percent increase as the result of the increase of 73,782 cars and 303 trucks when compared to February 2015. At New Hope-Lambertville (NHL), increases of 13,208 cars and 668 trucks combined to generate an increase in total toll traffic of 11.22 percent for February 2016 as compared to February 2015.

District II

The I-78 Toll Bridge experienced an increase of 12.94 percent in total toll traffic for the month of February 2016 compared to February 2015 as the result of increases of 71,225 cars and 25,978 trucks. At the Easton-Phillipsburg (EP) Toll Bridge, the increases of 39,094 passenger vehicles and 2,880 trucks combined to generate an 11.59 percent increase in total toll traffic for February 2016.

District III

Portland-Columbia (PC) experienced an 11.85 percent increase in total toll traffic during February 2016 as a result of increases of 8,047 automobiles and 1,331 trucks compared to February 2015. At the Delaware Water Gap (DWG) Toll Bridge, the increase of 71,722 passenger vehicles combined with the increase of 11,182 trucks to generate an overall increase of 13.88 percent in total toll traffic for February 2016 as compared to February 2015. At Milford-Montague (MM), increases of 12,836 passenger vehicles and 129 trucks combined to produce a 16.79 percent increase in total toll traffic for the month of February 2016.

E-ZPass Penetration Rates

The table below provides a comparison of the *E-ZPass* penetration rates for the Commission's seven (7) toll bridges for the months of February, 2016 and February, 2015, and the year-to-date periods ending February 29, 2016 and February 28, 2015.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

STATISTICAL SUMMARY OF EXPENDITURES

This includes reports entitled “**Budget vs Actual**” covering the month of February 2016 and the two months year-to-date (“YTD”) operations of fiscal year 2016 relative to Toll Bridges, Toll Supported Bridges and Administration departments.

Total expense plus encumbrance totaled \$4,574,276 for the month of February. For the 2016 fiscal period, total expense plus encumbrances amounted to \$9,115,446 or 83.22% of the YTD operating budget.

All of the expense line categories are within their normal line item budget except for Overtime. Overtime Wages exceed the YTD budget by \$9,343 or 10.1% due to the of adverse weather activity during January 2016. This expense item is anticipated to come into line with the budget during the next several months.

There were no unusual expenses or charges during the month of February.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

MONTHLY PURCHASING REPORT

FEBRUARY 2016

This report itemizes all orders for purchases made for the month of February, 2016, showing the divisions chargeable for the expense and the source of authority for issuance of the purchase order. This authority is broken into three categories:

- (1) By authority of the Commission
- (2) By authority of the Executive Director or his designate
- (3) By authority of the Superintendent

The purchasing activities for the month culminated in the preparation and placement of 51 purchase orders in the total amount of \$423,619.60. To secure competitive prices on items being purchased, 8 price inquiries were sent out for 24 of the requisitions leading to purchase orders, an average of 3.0 per order ($24/8 = 3.0$).

Procurements of over \$5,000.00 during the period of February 2016 are shown below:

- A Purchase Order was issued, in the total amount of \$146,923.20 under the 2016 approved Capital Equipment Budget for a John Deere Backhoe for the Portland-Columbia Toll Bridge Facility.
- A Purchase Order was issued, in the total amount of \$87,512.00 for ESS System Repairs/Upgrades at the Delaware Water Gap Toll Bridge Facility. This is due to a vehicle accident and an insurance claim has been submitted.
- A Purchase Order was issued, in the total amount of \$38,250.00, for the USGS Agreement for river gauges at four Commission locations.
- Two (2) Purchase Orders were let, in the total amount of \$35,174.14, for the Commission's tower lease agreements for Districts I and II.
- A Purchase Order was issued, in the total amount of \$16,230.00, for Lane 4 Toll Booth repairs at the New Hope-Lambertville Toll Bridge Facility. This is the result of a vehicle accident and an insurance claim has been submitted.

In addition to the practices employed incidental to purchase of materials, etc., from vendors on a direct basis, the Commission also purchases via direct utilization of the purchasing processes of the State of New Jersey, the Commonwealth of Pennsylvania and other joint purchasing arrangements.

E-Z PASS REPORT
CUSTOMER SERVICE CENTER/VIOLATIONS PROCESSING CENTER (CSC/VPC)
OPERATIONS REPORT FOR THE E-ZPASS SYSTEM
FEBRUARY 2016

CSC/VPC Pre-Migration Collection Accounts:

As a result of pre-migration collection efforts from January 2015 through February 2016, LES Duncan Solutions reports \$126,088.54 collected in outstanding tolls and fees.

LES-Duncan Solutions Company continues to provide the Commission with weekly updates representing the number of mailed notifications and payments in response to these notifications. Collection activity will continue to be monitored by the E-ZPass Department.

New Jersey Customer Service Center (CSC) Update:

Implementation Requirements Workshops were scheduled on select dates in January and February. Representatives from the Commission, the New Jersey Turnpike Authority, South Jersey Transportation Authority (SJTA), Delaware River Port Authority (DRPA), Delaware River and Bay Authority (DRBA) and the Burlington County Bridge Commission (BCBC) are participating in interface requirements and Vector functionality workshops on select dates each month.

Violation and DVAS Camera Monitoring:

The E-ZPass Department in tandem with Xerox Field Service Technicians (FSTs) monitors vehicle transactions and images in Districts I, II and III through the Commission's Violation Enforcement System (VES) and Digital Video Audit System (DVAS).

IAG, New Jersey Turnpike Authority (NJTA) and Electronic Toll Collection System (ETC) Meetings and Workshops

Continue to represent the Commission at the following committees, meetings and workshops:

1. IAG Reciprocity Committee
2. IAG Public Relations & Marketing Committee
3. IAG Legal Committee
4. New Jersey Turnpike Authority Project Status Meetings
5. New Jersey Customer Service Center Implementation Requirements Workshops
6. Electronic Toll Collection System Replacement Workshops

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of March 28, 2016

ELECTRONIC TOLL COLLECTION PROGRAM
MONTH OF FEBRUARY 2016

The following items were recently initiated, accomplished or performed during the above noted month:

Activities for the In-Lane Toll System

1. Xerox and TransCore continue to perform preventative maintenance for the electronic toll collection system and violation enforcement system. Commission Staff met with Xerox and TransCore to review maintenance activity for the month.
2. We have worked with TransCore to procure several overhead laser scanners and toll attendant touch screens. Both of these devices are end of life and no longer readily available. Therefore, we purchased several units from TransCore and they have been turned over to Xerox for storage in our spare parts inventory.
3. TransCore submitted the final Software Design Plan, QA Plan and Staffing Plan. TransCore facilitated bi-weekly project status meetings, System Configuration Workshops and Reports Workshops with Commission Staff. Draft submittals that were received and being reviewed this month include the draft engineering plans and draft Business Rules document.

Activities for the E-ZPass Customer Service Center/Violation Processing Center

1. The design of the new NJ Customer Service Center (CSC) is underway. The New Jersey Turnpike Authority (NJTA), as the lead agency, is facilitating all meetings with the other agencies and Xerox. The new CSC is expected to go live in February 2017.
2. A quarterly NJ E-ZPass Customer Service Center operations meeting occurred at the New Jersey Turnpike Traffic Control Building.

General Electronic Toll Collection Program Activities

1. Mr. Stracciolini participated in the IAG E-ZPass Executive Management Committee and Policy Committee meetings.
2. Mr. Stracciolini served on the Non-toll Opportunities subgroup for the IAG. This subgroup is preparing a policy and procedure document that provides a method for the IAG to follow for non-toll opportunities, such as use of the E-ZPass transponder system at parking garages or drive-thru services.

STATUS UPDATES

During the month of February, the Contract Compliance Department (CCD) Director and Manager met with Mr. Joseph Resta and Mr. Arnold Conoline to present strategies regarding how the developments and various improvements made in the operation area of the department. During their February 29th meeting the Commissioners approved the assignment of Ms. Ivette Montalvo as an Administrative Specialist in the CCD. The additional staff will further assist the CCD to continue the enhancement of the services provided to the prime contractors/consultants and sub-contractors/Consultants who are awarded Commission projects, as well as to the Commission's Engineering Department.

B2GNOW and LCP TRACKER CONTRACT COMPLIANCE DEPARTMENT SYSTEMS

- The CCD staff continues to audit, service and monitor the prime professional consultant/construction services payments and their subcontractors/consultants services through the established B2GNOW program.
- The CCD staff continues to work on setting the services for the LCP Tracker Program. The CCD staff is coordinating an LCPTracker training/webinar session for the engineering department staff for the early March.

IDENTIFIED BUSINESS ENTERPRISES (IBE) PROGRAM

- Contract Compliance IBE Target of 25% of the total contract award became effective on July 1, 2014. From the start of the IBE program to date, the Commissioners have awarded a total of seventeen (17) projects with the new IBE program requirements.

B2GNOW and LCP TRACKER CONTRACT COMPLIANCE DEPARTMENT SYSTEMS

- The CCD staff continues to monitor and audit the prime consultant Professional and services as well as the construction services through the established B2GNOW program. The CCD staff also enters all new IBE participating contracts information into the B2GNOW program and guide the prime consultants/contractors and their subconsultants/subcontractors on how to follow through with their payment posting responsibility.
- The CCD staff will has been trained in new LCP Tracker Program and will begin tracking the certified payrolls workforce utilization of construction projects through this new newly acquired tool.

IDENTIFIED BUSINESS ENTERPRISES (IBE) PROGRAM

- Contract Compliance IBE Target of 25% of the total contract award became effective on July 1, 2014. From the start of the IBE program to date, the Commissioners have awarded a total of seventeen (20) contracts and there have been 2 task orders also awarded with the new IBE program requirements. These contracts will appear in next month's B2GNOW report.

CONTRACT AWARDS:

- During their February meeting the Commissioners approved three new contracts and authorized the Executive Director to negotiate 2 new IBE related engineering projects.

OUTREACH EFFORTS: Membership discussion with the African American Chamber of Commerce of New Jersey.

Delaware River Joint Toll Bridge Commission

Meeting of March 28, 2016

CONTRACT COMPLIANCE REPORT

MEETINGS AND TEC ORAL INTERVIEWS ATTENDED FOR DECEMBER:

- Participated in the TEC for the CI-665A, CI Services SFB PA Noise Walls - Presentations/Interviews
- Participated in the TEC Oral Interviews for the Retainer 27-15 Media Consulting/Public Relations Services
- Staff meeting at NHL
- Participated in the C-684A 2015-2016 General Engineering Consultant Annual Inspections - 2016 Toll-Supported Bridge Inspections Kick-off meeting
- Participated in the Pre-bid meeting and Site Tour for Contract T-666A, PA Noise Walls Contract for the SFB Replacement Project

PROGRAMS OVERVIEW:

MWSBE PROGRAM – The MBE/WBE/SBE Program goals up to June 30, 2014 were:

- a. For Pennsylvania assigned Professional Services contracts the goals were 7% MBE and a 3% WBE goal.
- b. For New Jersey assigned Professional Services contracts the goal was 25% SBE.
- c. For Professional Services contracts with no State assignment there was a 7% MBE goal, and a 3%WBE goal.
- d. For Capital Plan Construction Contracts there was a 7% MBE goal and a 3%WBE goal.

PROGRAM UPDATE –

- **February's numbers of the MWSBE program are reflected below.**
 - 78 Contracts were awarded under the MWSBE Program.
 - 57 Contracts completed (closed)
 - 21 Contracts active (open)
 - 132 MWSBE Businesses selected by Prime Contractors/Consultants to work on Commission Projects
- ❖ The Contract Compliance Department continues to monitor, update and analyze the M/W/SBE Program Goals and the IBE Program target of 25% for all IBE participation as well as attending relevant engineering meetings and doing outreach to various organizations to promote and enhance the participation of IBE sub-consultants and sub-contractors.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of March 28, 2016

COMMUNICATIONS REPORT
February 2016

• **COMMISSION AWARENESS EFFORTS:**

Commission Informational Video for Website Redesign – Communications Department reviewed first version of Stokes Creative Group video to promote the Commission on the soon-to-be completed redesign of the Commission's public website. The video is based on a script rewritten by Communications in an effort to highlight the agency's major personnel units, its ongoing capital improvement efforts, and its strong financial metrics in advance of this year's anticipated bond offering for the Scudder Falls Bridge Replacement Project. The review required retrieval of additional digital photographs from the Communications Department's archives and detailed outlines of time signatures, photo placements and item swaps. With further reviews and modifications, the video should be ready for early March. The video will be featured on the Commission's public website once its redesign is completed.

Scudder Falls Bridge Replacement Project – Worked with the engineering department, project team, design engineers Michael Baker Inc., Stokes Creative Group and public involvement consultants McCormick Taylor to prepare for New Jersey-focused project open house and no-net-loss public reforestation hearing on March 15 in Ewing, NJ. A series of activities and work-product reviews were conducted including establishment of a new easier-to-remember information hotline number – 855-I95-SPAN – and rewrites of a stakeholder invitation letter and public notice. Other work included the issuance of a press release for the March 15 hearing, revised posting updates on the Commission's website and the project website – www.scudderfallsbridge.com.

2014 Annual Report – The completed 2014 report was posted on the current website in a manner consistent with prior annual reports. Completed the report's contents page and photographer information. An additional historical photograph will be inserted into the report once it can be acquired from archives in Philadelphia. The one alteration ideally will coincide with the public availability of redesigned website.

Media Consultant/Public Relations – The technical evaluation of firms proposing for the next three-year media consultant/public information retainer was revised after oral interviews were conducted by the procurement's Technical Evaluation Committee in early February. The findings were presented to the Senior Selection Committee and the Commission approved a resolution for the highest scoring firm, Bellevue Communications Group, at the February 29 meeting.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of March 28, 2016

- **MEDIA RELATIONS:**

Hot Topics: Truck crashes into I-78 toll plaza, forcing extended closure of mixed-mode lane; cash-paying motorists urged to expect delays at I-78 toll plaza; photograph of ice at Lower Trenton Bridge; slope stabilization project along Route 22 east exit ramp in Phillipsburg; cross-river adventure at Washington Crossing Bridge; River Road/PA Route 32 to close north of Centre Bridge-Stockton Toll-Supported Bridge; shooting near Route 22 bridge locks down Phillipsburg High School.

- **COMMUNITY AFFAIRS:** (Please refer to Community Affairs report)

Worked with Director of Community Affairs Jodee Inscho on a variety of issues in an effort to integrate her in project and operations matters. Edited draft stakeholder letter for property owners/residents of Morris Street, Phillipsburg lots & homes regarding upcoming Easton-Phillipsburg Toll Bridge Ramp C Slope Stabilization Project.

- **CAPITAL IMPROVEMENT PROGRAM**

Scudder Falls Bridge Replacement Project – (Please refer to Commission Awareness Efforts)

- **CONTRACT COMPLIANCE**

Worked with Contract Compliance Manager Christine Baker to complete reviews of updated support materials and submissions for TEC review of Media Consultant/Public Information proposers. Retrieved New Jersey No-Net-Loss Reforestation Hearing law and regulations and reviewed Commission compliance obligations.

- **WEBSITE**

Important Documents – Worked with engineering department to secure final digital version of 2015 Traffic Engineering Report and 2015 Bridge Inspections Report. These were uploaded to the website CMS. Instructions were forwarded to website consultants Liquid INT to update the graphics for these respective document pages in the Bridge Information section. Both reports will be fully available to web visitors in early March.

Meeting Minutes – Uploaded and posted November and December meeting minutes to the website. Worked with website consultant to establish 2016 minutes folder and added January meeting minutes. Instructed administrative assistant Kim Carr on the process for adding meeting minutes in the CMS. Corrected 2016 press release file entry and display on website.

INTERNAL/EXTERNAL COMMUNICATIONS

- Recorded 11,663 sessions (visits to) the Commission's website in February. This reflects a decrease from previous-month January 2016 (12,582) and an increase over previous-year February 2015 (10,361).

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of March 28, 2016

- Facilitated and attended meeting between James W. Hughes, PhD., dean of the Edward J. Bloustein School of Planning and Public Policy at Rutgers University, and Becky Bradley, executive director of the Lehigh Valley Planning Commission. Discussed office building vacancies, changes along the I-78 corridor and other regional transportation/growth trends.
- Chaired the Technical Evaluation Committee for Public Information/Media Consultant procurement.
- Attended meeting with Lower Makefield council president and township manager regarding the Scudder Falls Bridge Replacement Project and the Commission's interest in the under-utilized township-owned park and ride lot off I-95 and the surrounding township-owned land parcel.
- Posted update on Scudder Falls Bridge tree cutting on project website.
- Attended conference call on stakeholder distribution lists for March 15 Scudder Falls Bridge Replacement Project open house and New Jersey No-Net-Loss Reforestation Hearing.
- Attended public involvement services review session of materials to be displayed/distributed at the March 15 Scudder Falls open house/public hearing.
- Compiled various comments and compiled critique of pending New Jersey legislation regarding lane closure notifications and Commission's procedures for communicating with the public about such events.
- Participated in conference call on the Commission's latest annual report design and recommended final changes.
- Provided various photographs of the Lower Trenton Bridge to the New Jersey Reinvestment Authority for display at their offices.
- Reviewed and edited the New Jersey Investors Guide entry on the Commission. Compiled other changes with Joe Resta, Steve Cathcart and James Fagan of NW Financial.
- Compiled various executive comments and compiled first draft of letter to IBTTA regarding issues of concern with that organization and continued Commission participation with that organization.
- Communicated with Mid-Jersey Chamber of Commerce regarding potential breakfast meeting presentation on the Scudder Falls Bridge Replacement Project by Commission executives and the project team in April. An April 12 date at NJM headquarters was later set.
- Established line of communication with New Jersey AAA lobbyist Gene Mulroy.
- Contacted archivist Jim Mundy of the Union League in Philadelphia regarding historic photograph of Samuel Grant and William S. Grant, former private owners of the New Hope Delaware Bridge.
- Called Rich Lurie of the New Jersey Legislative Manual regarding corrections to the Commissioners entry in that publication.
- Posted NJ511 system travel alert regarding the potential traffic backups/delays in the wake of the truck collision and toll collection lane closure at the I-78 Toll Plaza.
- Responded to Express-Times reporter Tony Rhodin's inquiry on the I-78 Toll Plaza truck accident.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of March 28, 2016

- Spoke with Lafayette College alumni magazine writer Brook Bryan inquiry on renowned bridge engineer James Madison Porter III and the Commission's Northampton Street Bridge.
- Fielded HART executive director Tara Shepherd's call on the I-78 Toll Plaza lane closure for posting on their commuter info system.
- Distributed official notice of the March 15 Scudder Falls Bridge project open house and reforestation hearing.
- Posted Addendum 1 for noise wall construction contract (T-666A) as per request from Chris Rood.
- Removed D&R Canal public notice of right-of-way acquisition from Commission website after expiration of public comment period.
- Responded to Wisconsin motorist inquiry regarding traffic statistics for Delaware Water Gap Toll Bridge.
- Drafted detailed memo/email on aberrations in traffic statistics at the Milford-Montague Toll Bridge and forwarded to Chip Straccioli and Steve Cathcart.
- Reviewed Commission membership status/annual dues with Gina Martens of the Greater Lehigh Valley Chamber of Commerce.
- Drafted/distributed/posted three press releases for the month: travel delays expected in the wake of I-78 Toll Plaza truck crash; start of construction activities for Easton-Phillipsburg Toll Bridge Ramp C Slope Stabilization Project; and announcement of March 15 New Jersey open house/reforestation hearing for Scudder Falls Bridge Replacement Project.
- Secure various photographer permissions for photograph use in new website video.
- Responded to WRNJ reporter Joyce Estey interview request on the slope stabilization project and traffic impacts in Phillipsburg.
- Add Assistant Chief Engineer Kevin Skeels to website's Commission staff listing.
- Wrote resolution and summary statement for Bellevue Communications Group retainer approval at February 29 Commission meeting.
- Updated Scudder Falls Bridge project home page's latest information banner bar to promote March 15 hearing; assistance provided by Qiao Wu of Stokes Creative Group.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of March 28, 2016

Community Affairs Report

February 2016

The following Community Affairs activity took place during February:

Scudder Falls Participated in ongoing plans for the March 15 Project Open House and Reforestation public hearing. Provided updated local officials list to McCormick-Taylor for mailing of meeting notice.

Meeting with the Mid-Jersey Chamber of Commerce tentatively planned for April 12, to include a presentation on the project.

Participated in conference call with New Jersey DEP official regarding Delaware & Raritan Canal parkland easement acquisition and public comment. As per K. Skeels, no community interaction necessary at this time.

Knowlton/Columbia salt issue

Participated in review of response to resident's RTK request regarding the salt issue. J. Resta advised "Low Salt Zone" signs that had been placed on Commission property by the Township have been removed. I have received no response from the township to that action.

Phillipsburg Slope Stabilization:

Reviewed plans and documents for the Phillipsburg Slope Stabilization. Met with Town Clerk Victoria Kleiner and Police Chief Jim Faulborn to advise of ramp closure. Confirmed adjacent property owners and sent written notification of work to be performed. Received phone call from Richard Frinzi, concerned about drainage ditch in back of his property. Forwarded to C. Harney. Engineer met on-site with Mr. Frinzi; he is satisfied.

Tree service identified one tree that needs to be removed, just over the property line. I reached out to property owner Alexander Curtis. After looking at it, Mr. Curtis gave his approval to remove tree.

Riverton-Belvidere Attended meeting for RB Critical Members Strengthening project. Extent of community impacts will depend on which option is chosen. All options involve single-lane closures. The main area of concern will be noise. Spoke to Municipal Clerks of Belvidere and Upper Mount Bethel about inspection and survey crews on site.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of March 28, 2016

Central Jersey Transportation Forum

Attended meeting of Central Jersey Transportation Forum at Mercer County College. Focus of meeting was public transportation and rail service in the area. They might be interested in a SF update in the future.

Pike County Road Task Force

Attended meeting of the Pike County Road Task Force. Presented final 2015 traffic count statistics. Spoke with National Park Service Facility Manager Bill Tagye, who indicated the increase in their visitor numbers for 2015 were in-line with our traffic counts.

Emergency Vehicles Received an email from Allamuchy First Aid Squad (via NJ Asm. DiMaio's office) regarding toll violations they routinely receive at the DWGTB (I-80). Captain Lou Caruso represented the squad follows the proper protocol of calling ahead and using the lane as directed by the bridge personnel. He is concerned about receiving the violations, and the multiple phone calls needed to have violations dismissed. (They have been calling the main E-ZPass customer service center, not the Commission.)

Yvonne Kushner reviewed and dismissed the violation in question, in addition to two violations that were received in the following weeks. In reviewing the procedures and the violations with S. Hill and J. Clark, it seems each violation is due to different reasons: mechanical failure, bridge personnel error, weather conditions, squad error (traveling too fast.)

Mr. Caruso attended a meeting of the Warren County Emergency Services Officers' Association, where several other squads had the same concerns. He told them to call the Commission directly instead of E-ZPass customer service. As per Warren County Public Safety Director Frank Wheatley, the squads are appreciative of having a Commission contact to assist them with this. They have asked about the possibility of "non-revenue" transponders, as the Turnpike and Parkway provide. I advised that the Commission does not issue any transponders.

J. Resta shared previous correspondence from Sen. Santarsiero with a similar request. I am researching other agencies' policies and will follow-up with full report.

Photography Policy At J. Donnelly's request, I researched photography policies of other transportation agencies. Of those with policies posted on their website, most have limited restrictions on photography for personal use, provided the individual is not trespassing in a restricted area or impeding the flow of vehicular or pedestrian traffic. All commercial use requires permits.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of March 28, 2016

Host Communities Attended "Meet the Mayor" event for newly-elected Phillipsburg Mayor Stephen Ellis, hosted by the Greater Lehigh Valley Chamber of Commerce. Met Mayor Ellis and Chamber Director Alison Pickel; intend to follow-up with both for more involved conversations. Mayor Ellis' plan to re-vitalize the town include business development on North and South Main Street, a raised boardwalk along the river and more interaction with officials in Easton.

Met Trans-Bridge Bus Lines President Thomas JeBran. He would like to discuss the possibility of using the Northampton Street Bridge for crossings of localized jitney-sized buses on a regular basis, as they did during the E-P rehab project construction.

While in District III for Pike County meeting, visited the municipal buildings of Montague, Milford and Dingman Township to introduce myself. Staff there had no concerns to report.

Misc. Customer relations

Barbara Auber of Arizona asked for permission to scatter her parents' ashes off the Washington Crossing Bridge when she comes east in November for a family wedding. Her father always joked that he was so old, that he crossed the Delaware with George Washington, so she thought it fitting to have that be his final resting place. As per Sean Hill, we do not have a specific policy for this, and would only require a use permit if they are impeding the flow of traffic or pedestrians, which they will not be. Whether or not DEP has regulations concerning putting ashes in the river is out of the Commission's jurisdiction. I will reach out to her in the fall to confirm her plans.

Received email via website from Jerry Horan, owner of Centre Bridge Inn, concerned about upcoming construction/closure of Rt. 32 north of the bridge, and the increase of speeding since there is only sporadic bridge monitor coverage at the bridge, and then only on the New Jersey side. Forwarded his concerns about Rt. 32 to PennDOT community affairs rep Charles Metzgar. I will visit Mr. Horan to listen to his other concerns.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 2016 PROJECT STATUS REPORT

LOWER TRENTON TOLL-SUPPORTED BRIDGE APPROACH ROADWAYS IMPROVEMENTS

CONSTRUCTION Contract No. TS-639B

Mount Construction Company, Inc. (Mount) was awarded this construction contract at the Commission's January 2015 Meeting and Notice to Proceed was issued effective March 9, 2015. Mount reached Substantial Completion on September 3, 2015 and all closeout documentation, including the final PSE&G invoices, have been received. Mount's final invoice and close out change order are being processed.

LOWER TRENTON TOLL-SUPPORTED BRIDGE TRENTON MAKES SIGN CONCEPT STUDY

DESIGN Contract No. C-628A-5

Dewberry was issued Notice to Proceed effective February 22, 2016. A project kick-off meeting was held with Dewberry and their subconsultant, The Lighting Practice, on March 3, 2016. The designer is proceeding with required tasks. The concept report will investigate newer technologies to effectively light the sign and is expected in early May 2016.

SCUDDER FALLS BRIDGE REPLACEMENT PROJECT FINAL DESIGN SERVICES

FINAL DESIGN Contract No. C-660A

Michael Baker Jr., Incorporated (MBJ) of Hamilton New Jersey was issued the Notice to Proceed effective March 11, 2015. The latest Progress Meeting was held with Baker on February 9th to review the status of the contract and progress of the work completed to date. As of January 31st, Baker is reported to be approximately 60% complete with 58% of the budget expended. The Baker progress submittals made during the month of February included the following: *Design Schedule Update No. 7, Draft Letter Report for Ramp M Access to I-95 Northbound, NJ No Net Loss Reforestation Application Package, and the revised alignment for the NJ Pedestrian/Bicycle Facility Ramp Structure connection to the Main River Bridge*. In addition, Baker made the following 60% design submittals: *Main River Bridge (Steel and Concrete Alternates), Package A (PennDOT and DRJTBC Jurisdiction) Roadway Design, Package B (NJDOT Jurisdiction) Roadway Design, Highway Lighting Design Reports for PA & NJ, PA Traffic Signals Design Report, Construction Schedule, Geotechnical Reports (Main River Bridge, PA Structures and NJ Structures), Draft Incident Management Plan, Draft Transportation Management Plan, and the Construction Cost Estimate*. Each of these

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 2016 PROJECT STATUS REPORT

submissions is being reviewed and commented on by Engineering and DMC Staff. The draft meeting minutes for Progress Meeting No. 11 were also received and reviewed by Engineering and DMC staff.

On-Board Review Meetings were held with Baker on February 1st and 2nd to review the 60% Design submittals made in January. A meeting was also held with Jacobs on February 3rd to coordinate the redesignation of I-95 in the area of the SFB Project and the signing changes associated with the redesignation to I-295. Field Meetings were also held with the various PA and NJ impacted utility companies to review relocation schemes.

CONSTRUCTION MANAGEMENT SERVICES FOR THE SCUDDER FALLS BRIDGE REPLACEMENT PROJECT

Construction Management
Contract No. CM-664A

This Contract's Award to Greenman Pedersen, Inc. (GPI) of Lebanon, NJ was approved at the February 29, 2016 Commissioners' Meeting. Subsequently GPI was issued their Notice of Award and Limited Notice to Proceed effective March 1, 2016. The Contract's Kick-Off Meeting is scheduled for March 3, 2016.

Michal Baker Jr. Inc. recently submitted the 60% Design level drawings and engineers estimate for the Scudder Falls Bridge Replacement project under the C-660A contract. As part of their base scope, the GPI team will expedite the constructability review and independent engineers estimate preparation for these 60% design documents.

SUBSURFACE BORING AND SAMPLING CONTRACT FOR SCUDDER FALLS BRIDGE REPLACEMENT PROJECT

Construction
Contract No. T-661A

TRC Engineers, Inc. (TRC) has completed all of the Contract Phase 1 boring work, which included borings for the noise walls, the main river bridge, the sign structures, the retaining walls, the approach bridges and the pedestrian/bike bridge, and also the taking of pavement cores and bulk sampling. TRC reached Contract Substantial Completion on November 23rd, two weeks ahead of schedule. TRC is now into the contract recall phase in case as the Scudder Falls Bridge Replacement Final Design progresses additional borings are required. This recall phase ends with the Contract Completion date of May 18, 2016.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

**Meeting of March 2016
PROJECT STATUS REPORT**

**PRE-CONSTRUCTION TRAFFIC STUDY
FOR THE
SCUDDER FALLS BRIDGE REPLACEMENT PROJECT**

**DESIGN
Contract No. C-663A**

Pennoni Associates, Inc. (Pennoni) was issued Notice of Award and Limited Notice to Proceed effective July 28, 2015. This Contract is for professional traffic engineering services for a pre-construction traffic study required prior to construction of the Scudder Falls Bridge Replacement Project, in accordance with the Interagency Agreement (IA) dated April 30, 2012 between the DRJTBC, PennDOT and NJDOT. This study will serve as the baseline for purposes of determining the traffic diversion impacts from tolling the new Scudder Falls Bridge. As prescribed in the IA, the study area includes bridge crossings, various County and State road networks, intersections and interchanges that may be affected by the tolling of the new bridge. The scope of services includes traffic counts, data collection and traffic analysis.

The Pennoni team has completed the traffic data collection, the base modelling of the regional traffic network and they have finalized the Pre-Final Pre-Construction Traffic Study Report. The Report was submitted for review on January 30, 2016. Commission comments have been returned to Pennoni and the Final Report is scheduled for submission on 3/9/2016.

**SCUDDER FALLS BRIDGE REPLACEMENT PROJECT
PUBLIC INVOLVEMENT SERVICES**

**FINAL DESIGN
Contract No. C-662A**

McCormick Taylor, Inc. (MT) was awarded this Public Involvement (PI) Contract at the Commission's September 28, 2015 Meeting, and issued Notice to Proceed effective October 29, 2015. A kickoff meeting was held with MT on November 25, 2015. The Commission provided comments to MT's draft PI plan and is awaiting a revised draft. MT is attending C-660A progress meetings, has successfully transferred responsibility of the project hotline and website to the MT team and is currently preparing for a mid-March 2016 Open House/ No Net Loss Public Hearing to be held in Ewing Township.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 2016 PROJECT STATUS REPORT

SCUDDER FALLS BRIDGE REPLACEMENT PROJECT TREE CLEARING CONTRACT

CONSTRUCTION Contract No. T-667A

A.P. Construction Company, Inc. (AP) was awarded this construction contract at the Commission's November 2015 Meeting and AP was issued a Notice to Proceed effective December 23, 2015. AP completed the installation of the Rock Construction Entrances (RCE) and has installed the majority of the HD Silt Fence in Stage 1. The Stage 1 tree clearing continued through February along the northbound side of I-95 in Pennsylvania between exits 49 and 51.

CAPITAL PROGRAM MANAGEMENT CONSULTANT (CPMC) & DESIGN MANGEMENT CONSULTANT (DMC) SERVICES FOR THE I-95/SCUDDER FALLS BRIDGE IMPROVEMENT PROJECT

CPMC SERVICES – YEAR 2015 Task Order Assignment No. C-502A-1J

The Capital Program Management Consultant (CPMC) services are being continued under this Task Order Assignment, which began in March 2015. AECOM is providing one (1) full-time Project Manager and one (1) part-time Program Area Manager to oversee and manage various design and construction projects that are being advanced in the Capital Improvement Program. CPMC Staff are currently providing management and oversight of other CPMC assigned projects and have been coordinating the procurement process for Contract C-644A, I-78 Roadway Approach/Transition Slabs Rehabilitation and the Rehabilitation of the Cedarville Road Overpass. Authorization to Negotiate with the selected team was received at the January 25, 2016 Commission Meeting and award of contract was made at the February 29, 2016 Commission Meeting.

CPMC COMMUNICATIONS INFRASTRUCTURE SUPPORT SERVICES Task Order Assignment No. C-502A-1K

AECOM continues to develop procurement materials for use by the Commission in soliciting proposals from various communication solutions providers, managed services vendors and equipment suppliers for a more robust and cost efficient Wide Area Network (WAN) that supports both the ESS and internal DRJTBC network requirements.

Meeting of March 2016 PROJECT STATUS REPORT

DMC ADVANCED ENGINEERING SERVICES FOR PRIORITY ITEMS OF WORK

Task Order Assignment No. C-502A-2D

All of the remaining DMC environmental activities are now being completed under Task Order Assignment C-502A-2G. This Task Order Assignment remains open for any Right-of-Way (ROW) technical support that is needed as part of the ROW acquisition process for the project

DMC SERVICES FOR MANAGEMENT AND OVERSIGHT OF FINAL DESIGN

Task Order Assignment No. C-502A-2G

AECOM's Design Management Consultant (DMC) Services are being continued under this Task Order Assignment that was authorized on January 16, 2015. The DMC services being provided under this Task Order Assignment include management and oversight of final design for the project through award of the Scudder Falls Bridge Replacement project main construction contract. The DMC Services also include support to the Commission with the following: agency coordination, ROW acquisition plan development, ROW acquisition process coordination, environmental permitting, public involvement support, and coordination of necessary agreements with outside agencies. **Environmental permitting** agency coordination continues as well as preparation of the USACE and PADEP permit application packages, including all back-up documentation. The Joint USACE/PADEP Permit Application Package for the portion of the project within the Commission's jurisdiction was submitted to the PADEP on February 29, 2016. Coordination has also been ongoing with NJDEP – Green Acres regarding the final application package for the Parkland Diversion Permit, and the draft Memorandum of Understanding for the maintenance and operation of the NJ Pedestrian/Bicycle Facility. NJDEP – Green Acres requires another 30-day public comment period as part of the application process. The comment period will be from March 6th through April 7th. We are still awaiting preliminary approval of the Revised Jurisdictional Determination (JD) Plans that were submitted to the USACE on December 11, 2015. The PA Wetlands Mitigation Site Design was completed and is being submitted to the PADEP and the USACE as part of the Joint Permit Applications.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 2016 PROJECT STATUS REPORT

The ROW acquisition process continued during the month of January, including coordination between Commission staff and the Commission's NJ and PA Legal Counsel. The Commission closed on Parcel 20-030-084 at 1140 Woodside Road during the month of January and now owns that parcel. A closing date of April 30, 2016 is anticipated for Parcels 20-030-083 and 20-030-096, at 185 River Road. On February 24th an Agreement of Sale was executed for the Morris property (Parcels 20-030-059 and 20-030-059-001) with a closing date scheduled for no later than May 31, 2016. The partial acquisition of the Willard property for (Parcel 20-027-007) was completed during the month of February.

Coordination and support with the Public Involvement process for the Project, including oversight of the Project Website and Project Hotline was completed in January and all responsibilities turned over to the Commission's Public Involvement Consultant.

DMC Staff are coordinating and overseeing the performance of Contract T-661, Geotechnical Boring Contract for the SFB Project that was awarded at the May 18, 2015 Commission Meeting. The boring work began June 22nd. All work under the initial phase of the boring contract was substantially complete on November 24, 2015. Any additional boring work that needs to be done for the project will need to be completed by the call back date of May 18, 2016. The DMC is also providing RE and CI services for the T-667A, Advanced Tree Clearing Contract. Phase 1 work began in early January and is scheduled to be completed by the end of March 2016. Phase 2 work will begin in October of this year. The latest Progress Meeting for Contract C-660A was held on February 9th, 2016.

Various design submittals were reviewed by the DMC Staff during the month of February. In addition, coordination meetings with the PA and NJ utility companies that are being impacted by the proposed construction were held throughout the month. Utility Agreements will be required with each of the impacted utility companies. The Utility companies are currently preparing cost estimates for the relocation of their facilities. The Commission is working with NJDOT on the NJ utility relocation effort and coordinating the necessary utility agreements with them for the impacted NJ utility companies. The Commission will reimburse the NJDOT for the costs associated with relocating the impacted NJ utility companies,

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 2016 PROJECT STATUS REPORT

SCUDDER FALLS BRIDGE INTERIM DECK REPAIRS

CONSTRUCTION Contract No. TS-677A

Sparwick Contracting, Inc. (SCI) completed all deck repairs and roadway striping by September 8, 2015. SCI is now into the on-call and emergency spill repairs phase of the contract for the next two years, on an as-needed basis, as part of their construction contract.

2015 SCUDDER FALLS TOLL SUPPORT BRIDGES SCOUR CRITICAL BRIDGE UNDERWATER INSPECTION

Task Order Assignment C-628A-4

Under this Task Order Assignment (TOA) the Consultant, Dewberry Engineers Inc. (Dewberry) will perform the underwater inspection of the substructures for the Scudder Falls TSB. Because this bridge was found to be scour critical an underwater inspection must be performed every two (2) years. Dewberry performed the underwater inspection on November 18, 2015, and submitted draft report December 9, 2015. Final report was submitted on December 31, 2015. Final invoice was received and project will be closed out.

I-78 TOLL BRIDGE MAINTENANCE GARAGE PRELIMINARY, FINAL & POST DESIGN SERVICES Contract No. C-508A

This contract is for Preliminary, Final and Post-Design Services for renovations and expansion at the I-78 Maintenance Garage as identified under a Task Order Assignment for Space Utilization Program and Concept Study provided by Buchart Horn, Inc. / BASCO Associates.

Burns Engineering Inc. (BE) was issued Notice of Award and Limited Notice to Proceed effective July 28, 2015. A kick-Off Meeting was conducted on August 4th, and the Consultant collected As-Built information on August 11, 2015.

Subsurface borings exploration were completed on August 26, and a site visit was conducted on September 1, 2015 attended by the Architectural, Structural, Mechanical, Electrical, Security and Industrial discipline task leaders. Preliminary Topographic Land Survey submission, Design Criteria and preliminary Geotechnical Reports were received on September 22, 2015. User group work session was held with the Commission senior staff on October 9, reviewed the building systems' infrastructure requirements necessary to support the Commission's maintenance and operation functions for inclusion in the Consultant's first design Submission. Final Topographic Land Survey and Survey

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 2016 PROJECT STATUS REPORT

Control Report were received November 3, 2016. Geotechnical engineering report was completed and a Preliminary Design Submission was received early December 7 2015.

A 60% design submission review meeting was conducted on December 17, 2015 with the Commission staff and comments were provided to the Consultant on December 22.

A Pre-Final Design Submission was received on February 10 2016 and is currently being reviewed by the Commission's operation, engineering and senior staff. Constructability, Peer and Code Plan reviews is also being provided for this submission in preparation of a design submission review meeting scheduled for March 21, 2016.

CODE COMPLIANCE PLAN REVIEW AND INSPECTIONS Task Order Assignment No. C-696A-1

Utilizing the Commission's current Facilities Task Order Agreement with Johnson, Mirmiran & Thompson (JMT), this Task Order Assignment is to provide Code Plan Reviews, and Code Compliance Inspections on as needed basis for the I-78 Maintenance Garage Expansion Project. Said services will be provided by a Commonwealth of Pennsylvania Department of Labor and Industry (PA L&I) Certified Third-Party Agency in the appropriate building trade categories in accordance with the current Uniform Construction Code Inspection Procedures UCC-9.

Kick-Off Meeting was conducted with JMT on February 25, 2016, and the Consultant is currently providing Peer and Code Plan reviews of the Pre-Final Design Submission.

CONSTRUCTION MANAGEMENT SERVICES CM-508A

This contract is for Construction Management (CM) Services in connection with the renovations and expansion of I-78 Maintenance Garage Project. Constructability review will be provided by the Consultant as part of the CM services and during the Final Design Phase of contract C-508A.

STV Inc. (STV) was issued Notice of Award and Limited Notice to Proceed effective March 1, 2016. A meeting with the Consultant was conducted on March 2nd to review the Commission's expectations and initiate the Constructability review of the Pre-Final design submission in preparation for its related submission review meeting on March 21, 2016.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 2016 PROJECT STATUS REPORT

I-78 BRIDGES AND APPROACH SLAB REHABILITATION

DESIGN Contract No. C-644A

Gannett Fleming, Inc. was awarded this design contract at the Commission's February 2016 Meeting and Notice of Award/Limited Notice to Proceed was issued effective March 1, 2016. This design project is for the repair of various bridge, pavement and other miscellaneous deficiencies associated with the 13 bridges and approach roadways located within the DRJTBC's jurisdiction on I-78. A Kick-off meeting is scheduled for early March 2016.

EASTON-PHILLIPSBURG TOLL BRIDGE RAMP C SLOPE STABILIZATION

PRELIMINARY, FINAL & POST DESIGN SERVICES DESIGN Contract No. C-628B-3

The Louis Berger Group (LBG) was issued Notice of Award and Limited Notice to Proceed effective July 17, 2015. This assignment is for Preliminary, Final and Post-Design Services for work at the large slope located behind the Easton-Phillipsburg Toll Bridge Operations Building along Ramp C. LBG is currently performing post design tasks associated with the assignment.

CONSTRUCTION Contract No. T-641A

Merco of NJ, Inc. (Merco) was awarded this construction contract at the Commission's November 23, 2015 Meeting and issued Notice of Award and Limited Notice to Proceed effective November 24, 2015. A kick-off meeting was held on December 18, 2015 with Merco as well as members of the project team from LBG, Baker and Commission staff in attendance. Field work commenced on February 29th and is proceeding on schedule. Completion is anticipated in early June 2016.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 2016 PROJECT STATUS REPORT

CONSTRUCTION MANAGEMENT

Contract No. C-629B-2

Michael Baker Jr. Inc. (Baker) was issued their Notice to Proceed for this Task Order Assignment (TOA) for Construction Management/Inspection Services associated with Construction Contract T-641A effective December 14, 2015. The TOA kick off meeting was held on December 16th. Baker attended the T-641A kick-off meeting on December 18th and is currently providing on-site construction management services.

RIVERTON-BELVIDERE TOLL SUPPORTED BRIDGE CRITICAL MEMBERS STRENGTHENING

DESIGN

Contract No. C-650A

Progress Meeting No. 3 was held on February 16, 2016 at the Commission's Trenton-Morrisville Toll Bridge facility and was attended by representatives of Ammann & Whitney as well as members of Commission staff. On March 1, 2016, Ammann & Whitney submitted their final Scope Development Report. Current activities include preparation of Preliminary Design documents.

APPROACH SLOPE STABILIZATION

DESIGN

Task Order Assignment No. C-628A-3

Dewberry Engineers is performing design services for storm water treatment as well as slope stabilization facilities within the vicinities of the Pennsylvania and New Jersey approaches to the Riverton-Belvidere Toll-Supported Bridge. Dewberry Engineer's Preliminary Design Submission is currently under review by the Commission.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 2016 PROJECT STATUS REPORT

PORTLAND-COLUMBIA TOLL BRIDGE APPROACH ROADWAY IMPROVEMENTS

CONSTRUCTION Contract No. T-566A

Intercounty Paving Associates, LCC (IPA) was awarded this construction contract at the Commission's February 2015 Meeting; issued Notice of Award and Limited Notice to Proceed effective February 25, 2015; and issued Notice to Proceed effective March 26, 2015 upon the approval of IPA's insurance. IPA's Preliminary Schedule and Health and Safety Program (HASP) have both been submitted and are under review. IPA has also begun submitting RFIs. A preconstruction meeting was held on April 9, 2015 and field work has commenced and proceeding on schedule. Substantial Completion was achieved on October 23, 2015. A final inspection was performed on November 13, 2015. Remaining punch list items have been completed and the contract is in the process of being closed out.

VARIOUS BRIDGES AND FACILITIES

DISTRICT 3 TOLL FACILITIES EMERGENCY STANDBY GENERATORS IMPROVEMENTS

FINAL DESIGN AND POST DESIGN SERVICES Task Order Assignment No. C-627B-2

Under this Task Order Assignment (TOA) the Consultant, French & Parrello Associates (FPA) developed the final design for placing each of the three District 3 Toll Bridge Facilities (PCTB, DWGTB and MMTB) completely on standby generator power. FPA continues providing their Post-Design Services by reviewing and responding to contractor submittals and has finalized the project's As-Built drawings.

CONSTRUCTION Contract No. T-514A

Westside Hammer Electrical Services, Inc. (WSH) field work began on August 31, 2015 and continues, on schedule, at all three District 3 Toll Bridge Facilities. The cut over work associated with the existing generator at the Delaware Water Gap Toll Bridge Facility was completed on December 5th. WSH reached Contract Substantial Completion on time on December 11 and Contract Final Completion on January 8, 2016. WSH has completed their submittal of the contract close out documentation and has submitted their final invoice. This contract will be closed out upon final processing and payment of this invoice.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 2016 PROJECT STATUS REPORT

CONSTRUCTION MANAGEMENT SERVICES Task Order Assignment No. C-657A-2

Under this Task Order Assignment (TOA) the Consultant, Joseph Jingoli & Sons (JJS) is providing construction management services for the T-514A project. JJS is supplying staff to oversee and monitor the activities of the T-514A contractor. JJS completed processing contractor submittals and contractor close out documentation and is packaging the Project files for submission to the Commission. JJS's final invoice and TOA close modification are being processed, after which this TOA will be closed out.

ELECTRONIC SURVEILLANCE / DETECTION SYSTEM

ESS MAINTENANCE CONTRACT Contract No. DB-575A

Schneider Electric Building Americas, Inc. continues to provide maintenance services in support of the Electronic Surveillance / Detection System under the direction of the Commission's Electronic Security and Surveillance Staff, who operate the system from the Primary Control Center located at the New Jersey State Police's Regional Operation and Information Center (ROIC) in West Trenton, New Jersey.

WIRELESS VIDEO NETWORK SPECIFICATION AND PEER REVIEW Contract No. C-621A-5

On March 1, 2016, Sentinel Consulting submitted their draft design-build type performance specifications document as part of plans to upgrade the wireless communication system at the I-78/611 site to address current and future needs.

ELECTRONIC TOLL COLLECTION SYSTEM DESIGN-BUILD

Contract No. DB-427

In-Lane Toll System Design-Build-Maintain Project TO-427C

Xerox and TransCore continue to perform preventative maintenance for the electronic toll collection system and violation enforcement system. Commission Staff met with Xerox and TransCore to review maintenance activity for the month.

We have worked with TransCore to procure several overhead laser scanners and toll attendant touch screens. Both of these devices are end of life and no longer readily available. Therefore, we purchased several units from TransCore and they have been turned over to Xerox for storage in our spare parts inventory.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 2016 PROJECT STATUS REPORT

Customer Service Center/Violation Processing Center Project

DB-584

The design of the new NJ Customer Service Center (CSC) is underway. The New Jersey Turnpike Authority (NJTA), as the lead agency, is facilitating all meetings with the other agencies and Xerox. The new CSC is expected to go live in February 2017.

A quarterly NJ E-ZPass Customer Service Center operations meeting occurred at the New Jersey Turnpike Traffic Control Building.

TRAFFIC COUNT PROGRAM UPGRADE

DR-550A

Commission staff has reviewed and accepted the data from the Upper Black Eddy-Milford test site. A proposal to install the new radar traffic counters at the remaining seventeen (17) bridges has been requested from Signal Service. Signal Service has asked the Commission for details of the required reports before they can send in their proposal. Commission staff is in the process of reviewing this request.

ELECTRONIC TOLL COLLECTION SYSTEM REPLACEMENT

IMPLEMENTATION ADVISOR

Task Order Assignment No. C-621A-4

The RK&K team continues to support the Commission in its design of the replacement Electronic Toll Collection System (DB-540A). Team members attended bi-weekly status meetings, System Configuration Workshops and Reports Workshops. Additionally, the team reviewed the revised submissions of the Software Design Plan, QA Plan and Staffing Plan submitted by TransCore. The RK&K also reviewed and compiled comments for the draft engineering plans and Business Rules document.

RK&K prepared a white paper for Commission Staff that discusses various toll payment options for the Commission's low volume bridges. This document is under review by Commission Staff.

DESIGN, BUILD AND MAINTAIN

Contract No. DB-540A

(CAS/RWL)

TransCore submitted the final Software Design Plan, QA Plan and Staffing Plan. TransCore facilitated bi-weekly project status meetings, System Configuration Workshops and Reports Workshops with Commission Staff. Draft submittals that were received and being reviewed this month include the draft engineering plans and draft Business Rules document.

Meeting of March 2016 PROJECT STATUS REPORT

TOLL PLAZA SIGN REPLACEMENT

NEW HOPE - LAMBERTVILLE, EASTON-PHILLIPSBURG, PORTLAND-
COLUMBIA, MILFORD-MONTAGUE TOLL BRIDGES

Task Order Assignment No. C-621A-3

RK&K submitted the draft Concept and Feasibility Report summarizing the results of their toll plaza inspections. Commission Staff reviewed the report and provided comments. Final design is underway.

BRIDGE MONITORING SYSTEM

STUDY FOR SELECT VEHICULAR BRIDGES
Contract No. C-556A

Pennoni Associates submitted their final report outlining opportunities for implementation of structural health monitoring as well as overweight / oversized vehicle detection, deterrence and enforcement through the long term application of sensor type technologies together with a data acquisition / reporting system to function as an integrated Bridge Monitoring System.

The Commission is currently evaluating the recommendation to recommission the monitoring equipment at New Hope-Lambertville and Riverton-Belvidere Toll Supported bridges.

DESIGN FOR SELECT BRIDGES
Task Order Assignment C-628B-6

Under this Task Order Assignment (TOA) the Consultant, the Louis Berger Group, Inc. (Berger), will provide professional services to provide the design of the installation of overweight / oversized vehicle detection linked to alarms, signage and camera to discourage the passage of these vehicles over selected bridges. The TOA request for proposal was sent to Berger on October 26, 2015 for them to prepare a scope of services and provide a cost estimate. The Berger proposal was received on November 18, 2015 and negotiations held on November 24, 2015. Proposal was resubmitted on December 3, 2015. Based on clarified scope and negotiations the fee was reduced from \$319,959.87 to \$204,398.9. Notice to proceed was given on December 15, 2015. Kick off meeting was held on January 15, 2016. Existing plans were transmitted to Consultant in order to start construction plan preparation. Consultant conducted field visit to all five bridge sites February 18 & 19, 2016.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 2016 PROJECT STATUS REPORT

LEVEL 3 – INVESTMENT GRADE TRAFFIC AND REVENUE FORECASTS

Contract No. C-549AR

Commission Staff and Jacobs Engineering kicked-off the update to the traffic and revenue forecasts that are needed for the Commission to move forward with setting the proposed toll structure for the Scudder Falls Bridge and to obtain the necessary project financing. Traffic data from the Pre-Construction Traffic Study for the Scudder Falls Bridge Replacement (C-663A) was provided to Jacobs Engineering.

TRAFFIC ENGINEERING CONSULTANT 2015–2016 ANNUAL REPORTS

C-686A

Pennonni prepared the final 2015 Traffic Engineering Report, addressing comments from Commission Staff review. A presentation was prepared and provided at the February Committee Meeting. The report was accepted at the February Commission Meeting.

GENERAL ENGINEERING CONSULTANT 2015-2016 ANNUAL INSPECTIONS

Contract No. C-684A

As the Commission's General Engineering Consultant (GEC), Cherry, Weber & Associates (CWA) is providing Annual Inspection Services for the Toll-Supported Bridges in 2016. CWA was provided with Notice to Proceed on March 23, 2015. A kick-off meeting was held on February 25, 2016 at the Easton - Phillipsburg Toll Bridge Administration Building and attended by representatives from District 1, District 2, Operations, Engineering and CWA.

Inspections of the Toll-Supported bridges are scheduled to begin in late March at Centre Bridge – Stockton, Upper Black Eddy – Milford, and Riverton – Belvidere and continue into mid-June for the remaining Toll-Supported bridges with the exception of Scudder Falls. Scudder Falls is scheduled to be inspected in August because of the Peregrine Falcon nesting cycle.

CWA will be required to update the PennDOT BMS and NJDOT Combis system for each of the scheduled bridges within 30 days of the completion of the field inspection of each bridge.

Facilities Inspections will be scheduled for mid-June in Districts 1, 2 and 3. Sign retroreflectivity testing has been tentatively scheduled for the toll-supported bridges sans Scudder Falls in June.

ELECTRONIC SECURITY AND SURVEILLANCE REPORT

Subject	Description	Page Numbers
Electronic Security and Surveillance	Status Report for the Month of February 2016	1 - 4

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

ELECTRONIC SECURITY AND SURVEILLANCE REPORT MONTH OF FEBRUARY 2016

The below-listed items represent meetings, communications, tasks, and projects involving the Electronic Security and Surveillance Department:

Radio System

- During the month of February 2016, ESS personnel continued working with Motorola and the New Jersey State Police to upgrade the Commission's radio system to 700 MHz/P25 and utilize the GPS feature in the new radios installed in District III. Funding was approved by the Commissioners at the February 29, 2016 Commission Meeting to complete the acquisition and installation of the entire radio system upgrade. The process is continuing.
- ESS personnel arranged for various radio installations and repairs during the month of February 2016.
- ESS personnel alone, and in conjunction with the New Jersey State Police investigated various other DRJTBC radio issues both during and after normal working hours.
- ESS personnel continue to work with the Districts and IT to update the Cartegraph radio inventory database.

Access Control System

- During the month of February 2016, ESS personnel worked with General Supply (Commission's lock smith) to address various lock issues.
- In February 2016, ESS personnel created ID badges for new employees and consultants. Additionally, ESS continued making "Essential Employee" ID badges for current employees.
- During the month of February 2016, the ACS database was audited and the system was purged of invalid employee and contractor cards. Various other employee ACS rights were updated and/or changed at the request of supervisors.
- Various door alarms and ACS issues were addressed both during and after normal working hours.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

ELECTRONIC SECURITY AND SURVEILLANCE REPORT MONTH OF FEBRUARY 2016

ESS

- On February 24, 2016, ESS and Schneider Electric personnel viewed a fully functional command center that utilized the Genetec video management and access control system.
- During the month of February, Schneider Electric continued the installation of the new ESS Primary Control Center (PCC) at the New Jersey State Police Regional Operations Intelligence Center (ROIC). To date the video wall and Activu System is up and running and one monitor station is operational. The second monitor station will be fully operational upon the State Police installing the radio and telephone.
- During the month of February 2016, ESS personnel, along with Engineering continued to meet with Sentinel Consultants regarding the I-78 wireless renovation project.
- During the month of February 2016, ESS personnel worked with Engineering to design the ESS and fire alarm components for the new I-78 maintenance facility.
- During the month of February 2016, ESS personnel met with Engineering reference the new Scudder Falls facility.
- During the month of February 2016, ESS personnel worked with Schneider Electric on various pending and current construction projects.
- ESS personnel reviewed and purged the ESS video storage database that contains copies of videos requested by DRJTBC personnel and outside agencies.
- ESS personnel worked during, and after normal working hours on numerous ESS issues and problems raised by Commission members.
- The ESS Primary Control Center continues to operate 24/7 and detected, documented, and assisted the District bridges with various emergencies, traffic, and security related incidents.
- During the month of February 2016, ESS personnel investigated and processed thirteen video requests. Please see the attached "ESS Request Video" Report for a summary of information on each request.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of March 28, 2016

ELECTRONIC SECURITY AND SURVEILLANCE REPORT MONTH OF FEBRUARY 2016

Miscellaneous

- On February 17, 2016, ESS personnel conducted a fire drill and active shooter discussion at the Trenton-Morrisville Toll Bridge Facility (TM).
- On February 18 and 19, 2016, ESS personnel attended the meetings for the new toll collection system.
- On February 22, 2016, the ESS Department held a meeting to discuss department operations.
- On February 23, 2016, ESS personnel attended a meeting wherein new scheduling software was displayed by an outside vendor.
- On February 26, 2016, ESS personnel conducted an active shooter follow up discussion with members of the TM Accounting Department.
- During the month of February 2016, ESS personnel continued to work with the Districts to review, update and develop incident response plans for each toll bridge.
- During the month of February 2016, ESS personnel worked with IT and Weather Works (Commission's weather forecasting service) to develop a new District I weather notification group.
- During the month of February 2016, ESS personnel assisted Human Resources and the Districts with various internal issues, investigations, and terminations.
