Regional Transportation

Stay Informed - Download Our Apps Today!

Get the most up-to-date travel information before heading out the door! Whether you're driving across the George Washington Bridge, taking a bus into the Port Authority Bus Terminal, or hopping on PATH, download our apps today to plan your trip between New York and New Jersey.

RidePATH

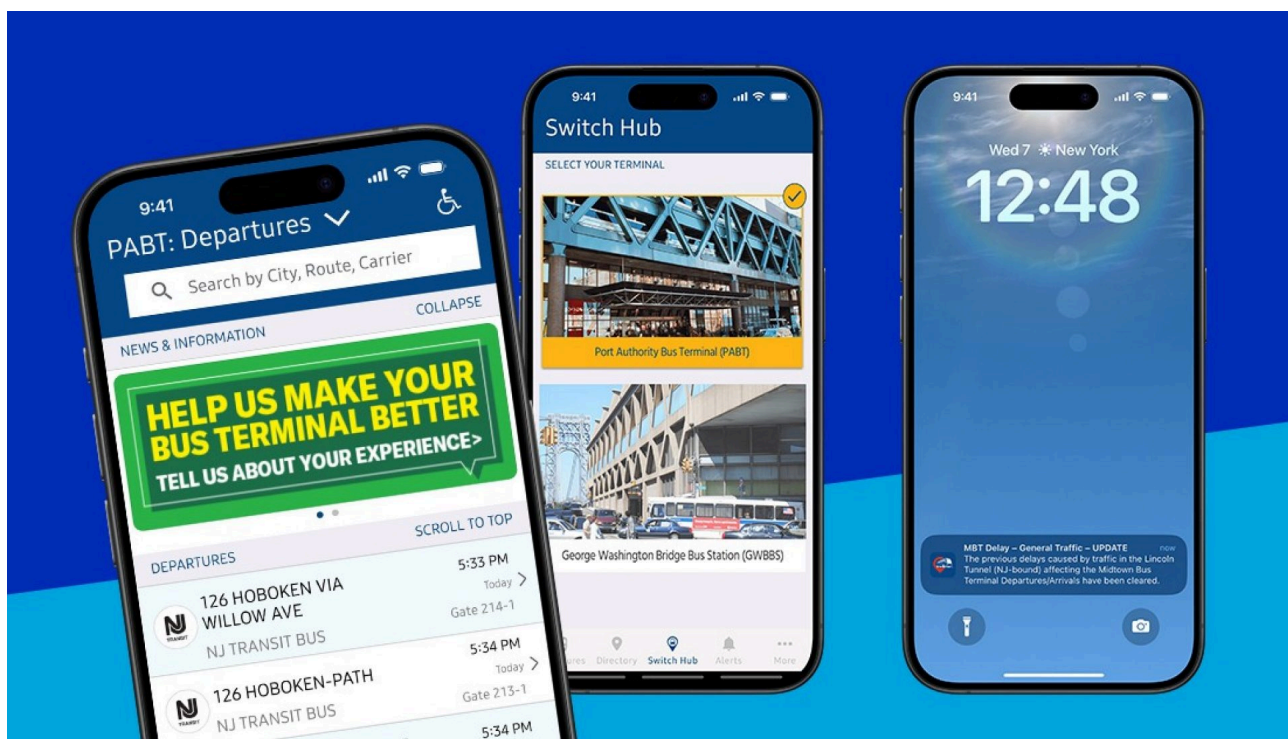

The official **RidePATH** app provides train arrival times, schedules, trip-planning and alerts, all in one convenient place.

With the **RidePATH** app, PATH riders will be able to:

- Receive push service alerts that are customized to your route and time of day
- View real-time data for arriving trains at each PATH station
- Learn about weekend service changes that may impact your trip
- Look up train schedules by station – even when underground
- Set your favorite stations so your normal commute schedule is easily accessible
- Quickly and easily plan your next PATH trip

MyTerminal

MyTerminal, The Port Authority of NY & NJ's official bus terminal app, provides you with information about bus departures and terminal services at the Port Authority Midtown Bus Terminal and the George Washington Bridge Bus Station.

With the **MyTerminal** app, users are able to:

- Get scheduled departure time and gate location for all departing buses. Users can search for departures by destination city.
- Pin their favorite departure routes for easy searching.
- Receive and check real-time alerts about incidents impacting bus service, set custom times for when they want to be notified and when they wish to not be disturbed.
- Receive push service alerts to their device's lock screen.
- View directories showing the location of available services, including ticketing, shops and restaurants, restrooms, ATMs, charging stations and more.

MyTerminal is available for iOS and Android.
