My Transit: NJ TRANSIT's Free Email Alert System

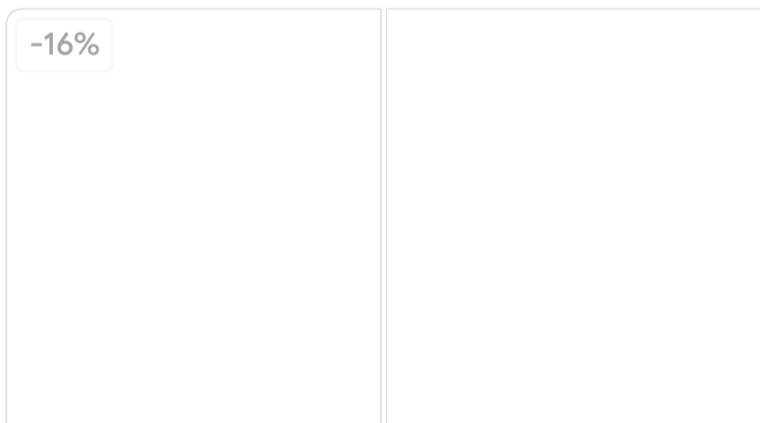

NJ TRANSIT's My Transit Alerts will keep you informed, 24 hours a day, 7 days a week, of:

- Delays of 15 minutes or more that affect your trip.
- Schedule changes and other service adjustments.
- Station advisories at your origin and destination, including updates about elevators, escalators and boarding changes.
- Other important announcements that may affect your trip.

Ways to Get Your My Transit Alerts

Get your alerts in the way that is most convenient for you. The choice is yours!

NJ TRANSIT Mobile App – The best way to receive alerts is through the NJ TRANSIT Mobile App. You can customize alerts for your trips within the app by selecting your train times, bus route and/or light rail line and receive instant push notifications of My Transit alerts right on your mobile device.

Twitter – Follow the individual handle for your train bus or, light rail service on Twitter for live updates in your feed. Check the listing of service lines at the right.

Email – Sign up to receive My Transit alerts and advisories sent to your inbox.

Text – Register to receive short texts delivered directly to your phone. Standard text messaging and data rates from your wireless carrier may apply.
