IMPORTANT NOTICE

Licensees prohibited from price-advertising alcoholic beverages not listed in Minimum Resale Price pamphlets:

Fair Trade Regulations in New Jersey have demonstrated their effectiveness for maintaining an orderly and equitable distribution of alcoholic beverages among the consumer public. I am determined to extend those benefits and to continue to guard against future predatory and destructive price wars among retailers. In fairness to all manufacturers, wholesalers and retailers, equal sales opportunities for all brands must be maintained in this State.

It is, therefore, my ruling that on and after September 11, 1944, the effective date of this Supplemental Minimum Resale Price pamphlet, any alcoholic beverages (except malt beverages) not listed therein or in the publications of April and July 1944, may not be price-advertised (including direct or indirect reference to price) in any periodical, publication, circular, handbill or direct mailing piece in this State by a manufacturer, wholesaler or retailer. Private brands owned or controlled by a retailer, or exclusive brands confined to and distributed by one retailer, are excepted in my ruling, provided such private and exclusive brands were in existence and in the hands of retailers prior to August 24, 1944.

This rule is effective Monday September 11, 1944.

Any violation of the rule shall subject the license to suspension or revocation.

Alfred E. Dusicoll

Commissioner
