Statement by Governor Sherrill on Trump Administration’s Fishing Expedition “Investigation” of Abortion Coverage in NJ

Posted on 03/19/2026

“Let me be perfectly clear: I will fight tooth and nail to defend and protect New Jerseyans’ abortion rights against attacks from Donald Trump or anyone else.”

“New Jersey requires health insurance plans to follow all applicable laws, including protecting women’s reproductive freedom. So Donald Trump’s latest ‘[investigation](#)’ is nothing but a fishing expedition wasting taxpayers’ money.

“The Trump Administration wasting time and money is a disservice to our country, especially at a time when everyday prices are skyrocketing. This president’s ineffective leadership is having disastrous ramifications for our country. Costs are up, and the economy is suffering.

“In New Jersey, we are busy tackling this affordability crisis head-on, and these baseless attacks from Donald Trump won’t distract us from our mission to deliver for our residents.”
