Dear Governor Murphy:

Pursuant to Executive Order No. 4, the Motor Vehicle Commission (MVC), as an entity that regularly interacts with the public, plans to undertake the following measures to provide information to the public regarding the Affordable Care Act marketplace and ways to enroll.

The MVC current has thirty-nine (39) agencies that are public facing as well as our Headquarters building in Trenton. The placement of multiple posters in the front viewing windows of each will allow for the immediate notification and awareness to the public of the existence of the Marketplace, as well as the applicable open enrollment periods. Upon successful creation of such materials by the ACA Outreach Working Group, the MVC will coordinate the display of posters.

Sincerely,

B. Sue Fulton  
Chair and Chief Administrator
