New Jersey's Clean Energy Program

Our statewide programs offer incentives, programs, and services that benefit New Jersey residents, businesses, educational and non-profit entities, and government entities to help them save energy, money, and the environment.

Energy Saving Tips

Make it a priority to stay energy-efficient during the spring, summer, fall and winter!

These energy savings tips can not only lower your utility bills, but also ensure a sustainable clean energy future to generations to come.

Energy Assistance

Discover free assistance programs in New Jersey, such as Comfort Partners which help to lower your utility bills.
