ABOUT THE WEEKLY BULLETIN

The DEP WEEKLY BULLETIN is an informational service provided free of charge by the N.J. Department of Environmental Protection. It contains a complete list of construction permit applications filed with or acted upon by D.E.P. Interested persons will thus be able to determine the status of applications dealing with Riparian permits, Wetlands permits, Stream Encroachment permits, Sewerage Extension permits, and CAFRA permits (Coastal Area Facility Review Act). In addition the circular provides a calendar of Events of Interest and a Schedule of Public Hearings. (The Public Hearings however, are not official DEP notices). Environmental Impact Statements acted upon during the week are also shown. Any additional information concerning the permits may be obtained by contacting the appropriate person listed below.

A UNIQUE SERVICE FOR THE CONSTRUCTION INDUSTRY

USE THIS SERVICE FOR MAJOR PROJECTS.

The Office of Business Advocacy provides personalized assistance in resolving novel problems encountered when doing business in New Jersey. OBA's technical staff personnel function as industry ombudsmen in all areas of governmental activity.

The Office of Business Advocacy's objective is to cut red tape and get solutions to permit problems. OBA will designate a Permit Expediter to your project. The Permit Expediter will:

- A. Advise you of the state permits required for your project, upon completing "MASTER PERMIT INFORMATION APPLICATION FORM"
- B. Coordinate contacts with relevant local and state regulatory agencies upon request.
- C. Monitor the progress of your permit applications.
- D. Act to ensure processing of most permits within 90 days of application.
- E. Process "OVER THE COUNTER" certain permits meeting appropriate criteria.

September 1, 1978

Dear New Jersey Citizen:

The New Jersey Department of Environmental Protection (DEP) through a special DEP-Citizen Task Force has developed a proposed Public Participation Policy to encourage greater public involvement in environmental decision-making.

The policy, when adopted, will make it easier for citizens to participate actively and constructively in DEP's management and protection of the State's environment and natural resources.

I invite you to comment on this proposed policy, and to attend one of the four informal public information meetings to be held on the following dates:

- OCTOBER 3 -- 8 p.m., Cherry Hill Public Library
Meeting Room, 1100 Kings Highway North,
Cherry Hill
- OCTOBER 5 -- 10 a.m., Rutgers University, Labor
Education Center (Herrmann Hall),
Ryderson Lane (off Route 1), New Brunswick
- OCTOBER 10 -- 8 p.m., Stockton State College,
Building B, Room 116, Pomona
- OCTOBER 12 -- 8 p.m., Bloomfield College, Westminster
Hall, Room 103, Corner of Franklin and
Fremont Streets, Bloomfield

The emphasis at these meetings will be on informal discussion. We will share ideas on the policy itself and on ways the public can become involved in decision-making at DEP.

Since the emphasis is on discussion, would you submit any formal written comments directly to me by mail? All comments, both oral and written, will be given full consideration by the DEP Public Participation Task Force.

The proposed policy and information are available from the DEP Office of Public Participation, Box 1390, Trenton, N.J. 08625, or call (609) 292-2885.

I hope you will join with me and members of the Task Force at one of the meetings.

Sincerely,

Betty Wilson
Deputy Commissioner

Over-the-Counter Permits

Stream Encroachment (609)-292-2402

DEP now has a one-day processing service for certain minor stream encroachment permits. This "over-the-counter" service is limited to minor projects which do not adversely change the water carrying capacity of the floodway, do not increase erosion or sedimentation in the stream, and do not require substantial channel modification or relocation. For further information contact the Bureau of Flood Plain Management, P.O. Box CN029, Trenton, NJ 08625.

Riparian (609)-292-2613

DEP has a one-day processing service for minor Riparian projects. This over-the-counter service applies to waterfront construction activity in man-made lagoons and minor maintenance and/or repair or replacement of lawful existing structures. For further information contact Riparian Lands Management, P.O. Box 1889, Trenton, NJ 08625.
