

## Search Your Location

Enter your city and state, or ZIP code

English [Español](#)

The most important information about disasters and emergency management comes from your local officials and community leaders. Local governments plan, prepare and respond to disasters with the support of the state and federal governments.

[Find tribal resources](#)

Find the most relevant information by searching your location, including:

- Active and past disaster declarations.
- Helpful resources specific to your state or territory, like how to get in touch with your local emergency management offices.
- Latest news releases, fact sheets and other communications around disasters and emergencies in your location.
