The New Jersey Department of Environmental Protection's Division of Fish and Wildlife alerts hunters to an error in the Special Area Hunting Season Information section on page 38 of the 2002 New Jersey Fish and Wildlife Digest, August [Hunting Issue](#).

For the Mahlon Dickerson Reservation and Silas Condict County Park under the Morris County Park System, the Zone 6 Permit Shotgun Season bag limit is one deer of either sex. However, if two antlered deer were taken in the Six-day Firearm Season, the Permit Shotgun Season bag limit is one antlerless deer. Only one Zone 6 shotgun permit may be purchased per hunter. Three-point antler point restrictions apply.
