2. Be certified by the New Jersey State Department of Health and, in the case of both Medicare and Medicaid, by the Health Care Financing Administration (HCFA), which assures that the NF meets the Federal requirements for participation in Medicaid and Medicare;

3. Be approved for participation as a NF provider by the New Jersey Medicaid program. This includes the filing of a New Jersey Medicaid Provider Application FD-20 (see Appendix A, incorporated herein by reference), the signing of a Provider Agreement MCNH-38 (see Appendix B, incorporated herein by reference), and submittal of the HCFA-1513, Ownership and Control Interest Disclosure Statement (see Appendix C, incorporated herein by reference). The agreement for participation in the New Jersey Medicaid program stipulates that a NF shall provide all NF services required by N.J.A.C. 10:63. Continued participation as a New Jersey Medicaid provider will be subject to recertification by the New Jersey Department of Health and compliance with all Federal and State laws, rules and regulations. Upon recertification by the Department of Health, each NF will receive notification from the Provider Enrollment Unit, Division of Medical Assistance and Health Services, informing the facility that their provider agreement is being continued.

4. File a completed Cost Study for Long-Term Care Facility form MCNH-1 (see Appendix D, incorporated herein by reference) with the New Jersey State Department of Health and the Division of Medical Assistance and Health Services. After the initial cost study is filed, the provider shall file an MCNH-1 annually.

5. In accordance with 42 CFR 483.12(d)(1)(i)(ii), not require residents or potential residents to waive their rights to Medicare or Medicaid; and not require oral or written assurance that residents or potential residents are not eligible for, or will not apply for Medicare or Medicaid benefits; and

10:63-1.4 Private pay

(a) NFs which are approved for participation as providers of service under the New Jersey Medicaid program shall be prohibited under Section 6(a) of P.L.1985, c. 303 from soliciting or accepting payment, any type of gift, money, contribution, donation or other consideration as a condition of admission or continued stay from a Medicaid recipient or his or her family.

(b) NFs which are providers of service under the New Jersey Medicaid program shall be prohibited under Section 6(b)(c) of P.L.1985, c. 303 from requiring private pay contracts from Medicaid qualified applicants as a condition for admission or continued stay.

1. The prohibitions in (a) and (b) above are applicable regardless of the Medicaid occupancy level in a facility. A violation may be a criminal act punishable as a crime of the third degree.

2. The exception to the above is private pay contracts entered into with life-care communities that are explicitly referenced as such within their Medicaid participation agreement.

(c) An individual may enter a NF on a private pay contract basis only if Medicaid eligibility has not been established and no application to the New Jersey Medicaid program has been made. A private pay contract shall become void as soon as Medicaid eligibility is established.

10:63-1.5 Occupancy level

(a) The NF Medicaid occupancy level shall be calculated by adding the total days for Medicaid and public assistance recipients residing in the NF during the month, dividing this sum by the number of days in the month to determine the average daily census, and dividing this amount by the total number of licensed long-term care beds.

1. A Special Care Nursing Facility (SCNF) which is an identifiable unit within a conventional NF shall calculate its occupancy level separate and apart from the occupancy level of the conventional NF beds using the same formula as cited in (a) above.

2. The NF shall submit the completed Provider Certification Statement for Long Term Care (see Appendix E, incorporated herein by reference), to report the actual calculation of the occupancy level determination of the NF. In addition to the occupancy level determination, the Certification Statement is also used to certify that the billing information is accurate, complete and in accordance with the rules of the New Jersey Health Services Program (Medicaid). The Certification Statement shall be submitted with the monthly Turn Around Document (TAD) (as set forth in Appendix Q, incorporated herein by reference) to the fiscal agent. Billing documents will be returned if the Certification Statement is not completed, signed and attached.

3. The calculation of the occupancy level shall include eligible bed reserve days in the determination of the Medicaid occupancy level.

10:63-1.6 Termination of a NF provider agreement

(a) The Division shall terminate a NF's provider agreement if the Division:

1. Receives notice from the New Jersey State Department of Health or HCFA that the NF is no longer certified to provide NF services. In that case:

i. The provider agreement shall be terminated 23 days from the survey date if the New Jersey State Department of Health or the Secretary of the Department of Health and Human Services find that deficiencies pose immediate jeopardy to residents' health and safety.

ii. If the deficiencies do not pose immediate jeopardy to the resident's health and safety, the provider agreement shall be terminated ninety days from the survey date.

iii. The termination of provider agreement shall be rescinded if, prior to the effective date of termination, the Division is notified by the New Jersey Department of Health or the Secretary of the Department of Health and Human Services that the deficiencies have been satisfactorily corrected and the NF is certified to provide NF services; and

2. Determines that other good cause for such termination exists as cited at N.J.A.C. 10:49-11 or as a result of a pattern of aberrancies reported in a clinical audit as defined at N.J.A.C. 10:63-1.12.

2. All hearings requested pursuant to this section shall be completed either before the effective date of the denial, termination or non-renewal, or within 120 days thereafter.

3. If the Division elects to provide a hearing after the effective date of denial, termination or non-renewal, the NF will be entitled to an informal reconsideration to be completed prior to the effective date of the denial, termination or non-renewal.

4. The informal reconsideration, if requested by the NF, will include the following:

i. Written notice by the Division to the NF outlining the findings upon which the denial, termination or non-renewal is based;

ii. Notice that the NF is allowed a reasonable opportunity to refute the findings in writing; and

iii. A written affirmation or reversal of the denial, termination or non-renewal.

(b) A (S)NF whose certification or Medicare/Medicaid provider agreement is denied, terminated or not renewed by HCFA, may request a hearing pursuant to 42 CFR 498.40 by submitting a written request to the Health Care Financing Administration, Division of Health Standards and Quality, Attn: Coordinator Hearing and Appeals, Federal Building Room 3821, 26 Federal Plaza, New York, New York 10278.

(b) A Medicaid eligible individual residing in a Medicaid participating NF who is transferred to an acute care hospital shall not require preadmission screening prior to returning to the same or another NF.

(c) A Medicaid eligible individual identified as MI residing in a Medicaid participating NF, who is admitted to a psychiatric unit for treatment, shall not be subject to PA-SARR requirements, prior to returning to the NF. However, if the resident's condition indicates a significant change in mental or behavioral status, the NF shall immediately secure an Annual Resident Review (ARR) as defined in N.J.A.C. 10:63-1.11(e).

(d) In cases of transfer of a NF resident with MI or MR to a hospital or another NF, the admitting NF is responsible for ensuring that copies of the resident's most recent PA-SARR resident assessment reports, SRA and current HSDP accompany the transferring resident.

Within 10 days after the death of a Medicaid recipient, whether death occurred in the NF, in a hospital, or during a period of therapeutic leave, the NF shall send a written notice regarding the existence of PNA funds both to the CWA and the individual identified by the recipient as the person to contact. A NF shall exercise all reasonable efforts to locate and notify any family, representative payee or interested person acting on behalf of the deceased Medicaid recipient.

i. The facility shall advise the contact person or responsible person that any claims made for PNA funds must be directed to the NF. When no CWA claim exists, the executor(rix) or administrator(rix), upon presentation of a letter of administration from the County Surrogate's Office, must be issued a check made payable to the estate of the deceased Medicaid recipient for the PNA funds. A check for the funds shall not be issued unless a Surrogate's letter is presented, except when a recipient dies intestate, leaving no surviving spouse, and the total value of the estate is less than \$5,000; in such case, an affidavit of administration in accordance with N.J.S.A. 3B:10-4 is acceptable.

ii. If there is an outstanding funeral bill which is deemed reasonable and there is no claim by the CWA or an executor/administrator, the NF may directly reimburse the funeral director from the PNA funds.

iii. If no claim for PNA funds is made to the NF within 30 days of death, a check made payable to the "Treasurer, State of New Jersey" shall be forwarded to the Bureau of Administrative Control, Mail Code # 6, CN-712, Trenton, New Jersey 08625-0712. The following information shall be included:

After five years, all claims received by the NF must be referred to the State Treasurer.

v. Any transactions involving distribution of a deceased Medicaid recipient's PNA funds must appear on the NF's record for audit purposes.

(g) Questions regarding personal needs allowance administration, for example, procedures, policy, or use of funds, should be directed to the Director of the Medicaid District Office serving the NF.

10:63-1.17 Residents rights

(b) The NF shall ensure that every resident who is entitled to Medicaid benefits shall receive a written statement of the services covered in the Medicaid per diem rate, those services required to be offered by the NF on an as-needed basis, and any charges not covered under the Medicaid program while in the facility.

(c) The NF shall notify each resident of his or her right under State law to make decisions concerning his medical care and his or her right to formulate an advance directive in compliance with the New Jersey Advance Directives for Health Care Act, P.L.1991, c. 201 and the advance directive provisions of the Omnibus Reconciliation Act of 1990, effective December 1, 1991 and Department of Health licensing requirements at N.J.A.C. 8:39-9.5.

10:63-1.18 Medicare/Medicaid

(a) The New Jersey Medicaid Program will reimburse for NF services provided to combination Medicare/Medicaid recipients only after Medicare covered benefits have been fully utilized or when medically necessary services are not covered by the Medicare Program. (Exceptions—see (e)2i below).

(b) Only skilled nursing facilities (SNFs), as defined in N.J.A.C. 10:63-1.2, certified by the Health Care Financing Administration (HCFA) and the New Jersey Department of Health are eligible to be reimbursed by Medicare for services rendered consistent with all Medicare requirements.

(c) Medicare covers eligible beneficiaries needing post-hospital skilled nursing care when they are placed in Medicare certified facilities.

(d) When Medicare benefits are terminated or exhausted because of coverage limitations, Medicaid may be billed on behalf of eligible recipients, provided that:

1. The services are allowable and provided within the standards and procedures established by the New Jersey Medicaid Program as described in this manual.

2. The certified facility provides written documentation of a denial of Medicare coverage:

i. The certified facility shall indicate for all Medicare eligible beneficiaries through status reports, that the effort was made to apply for Medicare reimbursement prior to Medicaid billing. Status reports affirming denial shall be obtained from the Medicare Fiscal Intermediary. Status reports shall consist of:

(1) A copy of form Inpatient Hospital and Skilled Nursing Facility Admission and Billing SSA-1453; or

(2) A notice of denial of coverage form Notice of Medicare Claim Determination SSA-1954 or form Notice of Medicare Claim Determination SSA-1955; or

(e) Medicare Part A coinsurance may be paid by the New Jersey Medicaid Program, but the total combined Medicare/Medicaid reimbursement may never exceed the facility's Medicaid Nursing Facility rate. If the Medicaid recipient has available income during the coinsurance period of Medicare eligibility, it shall be used to offset the coinsurance charges, prior to billing Medicaid. New Jersey Medicaid will pay Part B Medicare insurance premiums for all eligible Medicare-Medicaid recipients. Claims for Part B services shall be billed to Medicaid only after Medicare benefits have been exhausted. Medicare timely filing requirements shall be met prior to the reimbursement of coinsurance by Medicaid.

1. Coinsurance and deductible payment shall be made as follows:

i. Medicaid will not assume responsibility for payment of coinsurance for certain services under Part B Medical Insurance when the basis of payment is fee for service (for example, physicians or podiatrists). However, coinsurance is paid for certain other Part B Provider services where the basis for payment is not fee for service (for example, durable medical equipment), but only in those instances where the Medicare allowable reimbursement is less than the Medicaid established reimbursement for those items.

ii. Medicaid will assume responsibility for deductible payments for Part B Medical Insurance services.

SUBCHAPTER 2. NURSING FACILITY SERVICES

10:63-2.1 Nursing facility services; eligibility

(a) Eligibility for nursing facility (NF) services will be determined by the RSN, based on a comprehensive needs assessment which demonstrates that the recipient requires, at a minimum, the basic NF services described in N.J.A.C. 10:63-2.2.

1. Individuals requiring NF services may have unstable medical, emotional/behavioral and psychosocial conditions which require ongoing nursing assessment, intervention and/or referrals to other disciplines for evaluation and appropriate treatment. Typically, adult NF residents have severely impaired cognitive and related problems with memory deficits and problem solving. These deficits severely compromise personal safety and therefore, require a structured therapeutic environment. NF residents are dependent in several activities of daily living. Dependency in activities of daily living (ADL) may have a high degree of individual variability. Each separate ADL may be classified as either independent, requiring some assistance, or totally dependent.

i. Children requiring NF services exhibit functional limitations identified either in terms of developmental delay requiring nursing care over and above routine parenting or are limited in terms of specific age-appropriate physical and cognitive activities, functional abilities (ADL) or abnormal behavior, as demonstrated by performance at home, school or recreational activities.

(1) Children who have achieved developmental milestones within appropriate time frames and who require only well child care and/or treatment of acute, time limited illnesses or injuries shall not be eligible for NF services.

2. NF residents shall be those individuals who require services which address the medical, nursing, dietary and psychosocial needs that are essential to obtaining and maintaining the highest physical, mental, emotional and functional status of the individual. Care and treatment shall be directed toward development, restoration, maintenance, or the prevention of deterioration. Care shall be delivered in a therapeutic health care environment with the goal of improving or maintaining overall function and health status. The therapeutic environment shall ensure that the individual does not decline (within the confines of the individual's right to refuse treatment) unless the individual's clinical condition demonstrates that deterioration was unavoidable.

(b) All Medicaid participating NFs shall provide or arrange for services in accordance with statutory and regulatory requirements under 42 CFR 483 and Department of

Health licensing rules at N.J.A.C. 8:39. Reimbursement of NF services is discussed in N.J.A.C. 10:63-3.
