For the next order of business, Chairperson Gutierrez-Scaccetti called upon Michael Kanef, Director, Office of Public Finance, NJ Department of the Treasury, to provide a brief summary of the current municipal bond market, the transactions being proposed, and the overall potential savings.

Before Mr. Kanef started his presentation, Chairperson Diane Gutierrez-Scaccetti mentioned to the Board that she hoped the new schedule of meeting more frequently and also providing information both in advance and at the meeting have been helpful. She stated these procedural changes were done in order to help keep Board Members informed of Trust Fund activities and also assist them in their role as Board Members and advocates for the Authority. She stated at the next meeting she would like staff to give a presentation on the \$1.3 billion Capital Plan for Fiscal Year 21. She also noted that she will be testifying in April at the Assembly and Senate Budget Hearings and if any of the Board Members had something they would like added or included in her testimony to please provide that information to Lewis Daidone.

Mr. Kanef began his overview and stated that since the last Board Meeting on February 18th, the bond markets have been quite volatile. He said that rates have increased on taxable securities. Mr. Kanef stated that the proposed transactions being presented to the Board are primarily for the tax exempt market and those rates have remained at about the same level since

the last Board Meeting. He stated that the proposed savings provided to the Board at the February meeting, as of yesterday, have not changed. He also stated the transactions being proposed today are refinancing the System Bond Series 2011A and 2011B with tax-exempt bonds; refinancing the Program Bond Series 2013AA with taxable securities; and refinancing the System Bonds 2012A and Program Bond Series 2012AA with a tax-exempt forward refunding which permits the bonds to be sold today in the tax-exempt market but not close on the bonds until their call date. Mr. Kanef also explained that the proposed fixed rate conversion for the Series 2014BB bond would change the floating interest rate to a fixed rate of 2.63% which is very low and positive for the NJTTFA.

Chairperson Gutierrez-Scaccetti thanked Mr. Kanef for his presentation and proceeded to the next order of business.

Chairperson Gutierrez-Scaccetti called upon Jacqueline Shanes, of McCarter & English, LLC, Bond Counsel to the Authority, to provide a brief overview of the Amended and Restated Ninth Supplemental Transportation Program Bond Resolution. Jacqueline Shanes stated that the Amended and Restated Ninth Supplemental Resolution amends and restates the Ninth Supplemental Resolution adopted by the Authority on February 18, 2021 which authorized the issuance of one or more Series of Transportation Program Bonds in an aggregate principal amount not exceeding \$1,600,000,000 to refund certain of the Authority's Outstanding Transportation Program Bonds in order to permit the forward delivery of certain of those bonds. She stated it provides true interest on each Series, not to exceed five and one-half percent (5.50%) and authorizes a negotiated sale of the Bonds to Citigroup Global Markets Inc., as Manager, on a current or forward basis, and other matters in connection therewith, including the distribution of a Preliminary Official Statement and final Official Statement and the execution and delivery of a Bond Purchase Contract, a Forward Bond Purchase Contract, an Escrow Deposit Agreement, a

Closing Document Escrow Agreement and a Continuing Disclosure Agreement, as applicable. Ms. Shanes concluded her overview by stating that drafts of these documents were included in the agenda package.

Chairperson Gutierrez-Scaccetti asked if anyone had any questions or further discussion. Hearing none, Chairperson Gutierrez-Scaccetti requested a motion to adopt the resolution entitled: "Approval of the Amended and Restated Ninth Supplemental Transportation Program Bond Resolution." Gregory Laveve moved to adopt the Resolution (which is appended to these minutes). The motion was seconded by Michael Kanef and adopted on a call of roll as follows:

Chairperson Gutierrez-Scaccetti declared said motion carried and the resolution was adopted.

For the next item of business, Chairperson Gutierrez-Scaccetti called upon Jacqueline Shanes to provide a brief overview of the Amended and Restated Thirty-Second Supplemental Transportation System Bond Resolution. Jacqueline Shanes stated the Resolution amends and restates in its entirety the Thirty-Second Supplemental Resolution which the Authority adopted on February 18, 2021 and authorizes the issuance of one or more Series of Transportation System Bonds in an aggregate principal amount not exceeding \$1,075,000,000 to refund certain of the Authority's Outstanding Transportation System Bonds in order to permit the forward delivery of certain of those Bonds. She stated it provides true interest cost on each Series of Transportation System Bonds shall not exceed five and one-half percent (5.50%). She said the Amended and

Restated Thirty-Second Supplemental Resolution authorizes a negotiated sale of the Bonds to Citigroup Global Markets Inc., as Manager, on a current or forward basis, and other matters in connection therewith, including the distribution of a Preliminary Official Statement and final Official Statement and the execution and delivery of a Bond Purchase Agreement, a Forward Bond Purchase Agreement, an Escrow Deposit Agreement, a Closing Document Escrow Agreement and a Continuing Disclosure Agreement. Chairperson Gutierrez-Scaccetti declared said motion carried and the resolution was adopted.

Chairperson Diane Gutierrez-Scaccetti stated the next order of business is approval of the Amended and Restated Costs of Issuance Resolution. Chairperson Gutierrez-Scaccetti called upon Michael Kanef, Director, Office of Public Finance, NJ Department of the Treasury, to

provide an overview of this resolution and provide an explanation of the costs of issuing the bonds.

Michael Kanef stated there are no material changes to the Costs of Issuance description given at the February 18th Board Meeting. He also noted there have been no changes to the fees and the fees are reasonable and competitive. Mr. Kanef pointed out to Board members that Agenda Item F, Exhibit A, the fee is still listed at \$358,000, but that it is expected to be reduced to no more than \$290,000.

Chairperson Gutierrez-Scaccetti asked if there were any questions or further discussion on the matter. DAG Aimee Manocchio-Nason sought clarification that the schedule (Exhibit A) appearing in the agenda package was the schedule being approved. Mr. Kanef and Chairperson Gutierrez-Scaccetti confirmed the schedule will remain the same without amendment, but that it is expected at the time of issuance the Standard & Poor's fee will be reduced to no more than \$290,000.

There being no further questions or discussions on this the Costs of Issuance Resolution, Chairperson Gutierrez-Scaccetti requested a motion to approve the Resolution entitled "Amended and Restated Resolution authorizing the payment of Costs of Issuance in connection with the (I) Issuance of the New Jersey Transportation Trust Fund Authority's Transportation System Bonds, 2021 Series (Tax-Exempt) and 2021 Series (Federally Taxable), (II) Issuance of the New Jersey Transportation Trust Fund Authority's Transportation Program Bonds, 2021 Series AA (Tax Exempt) and 2021 Series BB (Federally Taxable), and (III) Remarketing of the New Jersey Transportation Trust Fund Authority's Transportation Program Notes (Fixed Rate), 2014 Series BB-2."

(a) Pursuant to the provisions of the Resolution, one or more Series of Ninth Supplemental Bonds, constituting Refunding Bonds, entitled to the benefit, protection and security of such provisions are hereby authorized to be issued in an aggregate principal amount not exceeding \$1,600,000,000. The Ninth Supplemental Bonds shall be designated as “Transportation Program Bonds” and shall be further distinguished by the designation of the year of issue and the letter of the Series, as such designation may be determined by an Authorized Authority Official in the Series Certificate. Each Series of the Ninth Supplemental Bonds shall be issued as Tax-Exempt Ninth Supplemental Bonds or Taxable Ninth Supplemental Bonds with a fixed rate or rates of interest to maturity and shall be dated, shall mature on such dates and in such principal amounts, shall bear interest from their date at such rate or rates payable on such dates, and shall be subject to redemption prior to maturity on such terms and conditions, as shall be determined by an Authorized Authority Official in the Series Certificate; provided, however, that in no event shall (i) the final maturity of the Ninth Supplemental Bonds be later than the final maturity date of the Refunded Bonds, (ii) the true interest cost of each Series of Tax-Exempt Ninth Supplemental Bonds exceed five and one-half percent (5.50%) per annum, (iii) the true interest cost of each Series of Taxable Ninth Supplemental Bonds exceed six percent (6.00%) per annum, and (iv) the redemption price for any Ninth Supplemental Bond, if expressed as a percentage of the principal amount of such Ninth Supplemental Bond to be redeemed, exceed one hundred three percent (103%) of the principal amount of such Ninth Supplemental Bond; provided, however, that at the option of the Authority, any Taxable Ninth Supplemental Bond may be subject to optional redemption pursuant to a “make whole” provision which may exceed one hundred three percent (103%) of the principal amount of such Taxable Ninth Supplemental Bond, if and as provided in the Series Certificate. (a) The Authority hereby authorizes the sale of each Series of the Ninth Supplemental Bonds on a negotiated basis because the financing involves the sale of bonds having a complex financing structure (simultaneous sale of tax exempt and taxable bonds in a refunding transaction), due to large issue size and volatile market conditions. Upon recommendation of the Treasurer based upon the Department of Treasury's ("Treasury") competitive RFP process and in accordance with Executive Order No. 26 (Whitman 1994) ("Executive Order 26"), the Authority hereby appoints Citigroup Global Markets Inc. as Senior Managing Underwriter in connection with each Series of the Ninth Supplemental Bonds herein authorized and, upon recommendation of the Treasurer based upon Treasury's competitive RFP process and in accordance with Executive Order 26, an Authorized Authority Official is hereby authorized to select additional co-senior managers and co-managers for each Series of the Ninth Supplemental Bonds. (b) The purchase of one or more Series of the Ninth Supplemental Bonds from time to time by the Underwriters and the sale of one or more Series of the Ninth Supplemental Bonds from time to time by the Authority to the Underwriters shall be subject to the execution by the Authority and the Senior Managing Underwriter, as representative of the Underwriters, of either a Bond Purchase Contract (collectively, the "Bond Purchase Contract(s)") or a Forward Bond Purchase Contract (collectively, the "Forward Bond Purchase Contract(s)") for the applicable Series or all Series of the Ninth Supplemental Bonds in substantially the forms presented to this meeting. The Authorized Authority Officials are, and each such Authorized Authority Official is, hereby authorized and directed on behalf of the Authority to approve the terms of the Bond Purchase Contract(s) and Forward Bond Purchase Contract(s) relating to the sale of each of the applicable Series of the Ninth Supplemental Bonds and to execute and deliver such Bond Purchase Contract(s) and Forward Bond Purchase Contract(s) to the Senior Managing Underwriter, as representative of the Underwriters; provided that the provisions of the Bond Purchase Contract(s) and Forward Bond Purchase Contract(s) are acceptable to counsel to the Authority (including Bond Counsel and the State Attorney General) and (i) the amount of the compensation to be paid to the Underwriters does not exceed \$3.80 per \$1,000.00 of the applicable Series of the Ninth Supplemental Bonds, and (ii) the aggregate principal amount, the final maturity date or dates, the true interest cost and the redemption price of such Series of the Ninth Supplemental Bonds does not exceed the limitations set forth in paragraph (a) of Section 2.1 of this Amended and Restated Ninth Supplemental Resolution.

2.5. Approval of the Preliminary Official Statement.

A Preliminary Official Statement (the “Preliminary Official Statement”) relating to the sale of the Ninth Supplemental Bonds in substantially the form presented to this meeting is hereby approved, provided that Appendix I (which is provided by the State) shall be included therein, and provided further that an Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to make such changes, insertions or deletions to and omissions from the form of the Preliminary Official Statement, as may be necessary or appropriate with respect to the Ninth Supplemental Bonds. An Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to execute and deliver a certificate, or to include a provision in the Bond Purchase Contract(s) and Forward Bond Purchase Contract(s), that “deems final” the Preliminary Official Statement relating to the Ninth Supplemental Bonds pursuant to the provisions of Rule 15c2-12, and such certificate or provision relating thereto shall be in a form acceptable to Bond Counsel and the State Attorney General.

2.6. Authorization of the Printing and Distribution of the Preliminary Official Statement.

The printing and distribution, via electronic medium, in addition to or in lieu of physical, printed medium, of the Preliminary Official Statement by an Authorized Authority Official in connection with the sale of each Series of the Ninth Supplemental Bonds, with such changes, insertions, deletions and omissions in such Preliminary Official Statement as the Authorized Authority Official authorized to print and distribute the same shall approve, with the advice of Bond Counsel and the State Attorney General, is hereby authorized. 2.8. Approval of Escrow Deposit Agreement.

An Escrow Deposit Agreement (the “Escrow Deposit Agreement”) to be entered into by the Authority in connection with the Ninth Supplemental Bonds to provide for the refunding and defeasance of the Refunded Bonds to be refunded from the proceeds of the Ninth Supplemental Bonds, in substantially the form presented to this meeting, is hereby approved; provided that an Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to make such changes, insertions and deletions to and omissions from the form of the Escrow Deposit Agreement as may be necessary or appropriate with respect to the Ninth Supplemental Bonds. The Authorized Authority Officials are hereby authorized and directed, with the advice of Bond Counsel and the State Attorney General, to enter into and execute an Escrow Deposit Agreement with U.S. Bank National Association, Edison, New Jersey, the Trustee, as escrow agent (the “Escrow Agent”), relating to the Ninth Supplemental Bonds.

(i) To make the determination of the Series, maturities and/or sinking fund installments within a Series and the principal amounts within each maturity of the Refunded Bonds that are to be refunded with the proceeds of each Series of the Ninth Supplemental Bonds and to give notice to the Trustee, pursuant to the Resolution, directing the optional redemption of any such Refunded Bonds to be redeemed, and to determine the amounts to be credited toward each sinking fund installment to become due (if other than pro rata) in the case of any partial refunding of Refunded Bonds of any Series and maturity for which sinking fund redemption

provisions shall have been established; provided, however, that no Series of the Ninth Supplemental Bonds shall be issued unless an Authorized Authority Official shall first determine that the present value of the aggregate of the principal of and interest on such Series of the Ninth Supplemental Bonds is less than the present value of the aggregate of the principal of and interest on the Refunded Bonds which are refunded with the proceeds of such Series of Ninth Supplemental Bonds, except that, for purposes of this limitation, present value shall be computed using a discount rate equal to the yield of such Series of the Ninth Supplemental Bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid the Authority by the initial purchasers of such Series of the Ninth Supplemental Bonds; and provided further, however, that if the Ninth Supplemental Bonds are issued in more than one Series, a Series of such Ninth Supplemental Bonds may not be issued unless an Authorized Authority Official shall first determine that the present value of the aggregate of the principal of and interest on such Series of the Ninth Supplemental Bonds, when combined with the present value of the aggregate of the principal of and interest on all other Series of the Ninth Supplemental Bonds sold simultaneously with such Series of the Ninth Supplemental Bonds, is less than the present value of the aggregate of the principal of and interest on all of the Refunded Bonds which are refunded with the proceeds of all such Series of Ninth Supplemental Bonds, with the present value of the aggregate of the principal of and interest on all Series of the Ninth Supplemental Bonds and the present value of the aggregate of the principal of and interest on all of the Refunded Bonds being computed as provided herein.

(j) To purchase one or more policies of municipal bond insurance with respect to any or all of the maturities of each Series of the Ninth Supplemental Bonds if an Authorized Authority Official determines that such policy or policies of municipal bond insurance are necessary or desirable to achieve the economic objectives of the Authority, to include in the Series Certificate for such Series of the Ninth Supplemental Bonds such provisions relating to the insurance policy or policies as such Authorized Authority Official, with the advice of Bond Counsel and the State Attorney General, deems appropriate and to include on the form of any Ninth Supplemental Bond which is insured by a municipal bond insurance policy a statement of insurance in the form requested by the issuer of such municipal bond insurance policy. The cost of any such policy or policies of municipal bond insurance may be paid from the proceeds of the applicable Series of the Ninth Supplemental Bonds.

(k) To purchase, or cause the Escrow Agent to purchase, United States Treasury Securities - State and Local Government Series with a portion of the proceeds of each Series of the Ninth Supplemental Bonds in connection with the refunding of any Refunded Bonds, and, in the event that such Authorized Authority Official determines that it is necessary or advantageous to the Authority to purchase other Federal Securities in which a portion of the proceeds of each Series of the Ninth Supplemental Bonds may be invested in connection with the refunding of any Refunded Bonds, to select and appoint a firm, upon recommendation of the Treasurer based on Treasury's competitive RFP process, to serve as bidding agent to solicit bids to purchase such other Federal Securities, and to take all other actions as may be necessary or advisable to effectuate the redemption of all or a portion of the Refunded Bonds in accordance with the provisions of the Resolution.

(l) To determine the application of the balance of moneys, if any, remaining in the Escrow Fund (as defined in the Escrow Deposit Agreement), subject to the provisions of the Escrow Deposit Agreement.

(m) To prepare, execute and submit an application for one or more ratings by the Rating Agencies for the Ninth Supplemental Bonds, and to include in the Series Certificate for the Ninth Supplemental Bonds such provisions relating to the rating(s) as an Authorized Authority Official, with the advice of Bond Counsel and the State Attorney General, deems appropriate. The cost of any such rating(s) may be paid from the proceeds of such Series of the Ninth Supplemental Bonds.

(n) In light of changing market conditions and in order to issue the Ninth Supplemental Bonds on the terms most favorable to the Authority, in addition to all other matters authorized in this Amended and Restated Ninth Supplemental Resolution, the Authorized Authority Officials, in consultation with the Treasurer, are authorized to make such other determinations, to execute such other documents, instruments and agreements and to do such other acts and things as may be necessary or advisable in connection with the issuance of the Ninth Supplemental Bonds or as may be appropriate based on a change in market conditions, provided that any such other determinations, documents, instruments and agreements, acts and things shall be in furtherance of, and not conflict with, the provisions of this Amended and Restated Ninth Supplemental Resolution, the Resolution or the Act. Any and all actions heretofore taken by the Authorized Authority Officials in connection with the issuance of the Ninth Supplemental Bonds are hereby ratified.

(o) To authorize the electronic posting of the Official Statement on the State's website, upon the request of the Treasurer or her designee.

(p) To make the determination of which Series of the Ninth Supplemental Bonds shall be delivered on a current basis and which Series of the Ninth Supplemental Bonds shall be delivered on a forward basis.

(q) With respect to the Ninth Supplemental Bonds which are delivered on a forward basis, to execute a supplement to or an amended and restated final Official Statement of the Authority, dated a date at least 10 days before the date of delivery of such Series of Ninth Supplemental Bonds, substantially in the form of the final Official Statement for the Ninth Supplemental Bonds, with such insertions, revisions, deletions and omissions as may be authorized by the Authorized Authority Official executing the same, with the advice of Bond Counsel and the State Attorney General, and to deliver such supplement to or amended and restated final Official Statement, in hard copy and/or electronic format, to the Underwriters and to authorize the use thereof and the information contained therein in connection with the sale of the Ninth Supplemental Bonds.

(q) To make such other determinations, to execute such other documents, instruments and papers and to do or refrain from doing such acts and things as may be necessary or advisable in connection with the issuance, sale and delivery of, and security for, each Series of the Ninth Supplemental Bonds and the refunding and defeasance of the Refunded Bonds (including the designation of a particular Paying Agent for the Refunded Bonds as escrow agent)

and which are not inconsistent with the provisions of this Amended and Restated Ninth Supplemental Resolution, the Resolution or the Act.

Any and all actions heretofore taken by the Authorized Authority Officials in connection with the issuance of the Ninth Supplemental Bonds are hereby ratified. All matters determined by an Authorized Authority Official under the authority of this Amended and Restated Ninth Supplemental Resolution shall constitute and be deemed matters incorporated into this Amended and Restated Ninth Supplemental Resolution and approved by the Authority, and whenever an Authorized Authority Official is authorized, directed or delegated the power to take or refrain from taking any action pursuant to this Amended and Restated Ninth Supplemental Resolution with or upon the advice, consent or consultation with or by any other person, agency, office or official, a certificate of such Authorized Authority Official may be relied upon as being determinative that such advice, consultation or consent has in fact occurred and that such actions or omissions of the Authorized Authority Official are valid and binding.

2.10. Denomination, Numbers and Letters.

Each Series of the Ninth Supplemental Bonds shall be issued in fully registered form in the denominations as set forth in the applicable Series Certificate. Unless the Authority shall otherwise direct, each Series of the Ninth Supplemental Bonds shall be lettered and numbered from one upward preceded by the letter “R” prefixed to the number. Subject to the provisions of the Resolution, the form of the Ninth Supplemental Bonds and the Trustee’s Certificate of Authentication thereon shall be substantially in the form set forth in Section 2.14 of this Amended and Restated Ninth Supplemental Resolution.

2.11. Redemption.

Each Series of the Ninth Supplemental Bonds may be subject to redemption prior to maturity as provided in the applicable Series Certificate.

2.12. Book-Entry Only System.

1. Except as provided in subparagraph (3) of this Section 2.12, the registered Holder of all of the Ninth Supplemental Bonds shall be, and the Ninth Supplemental Bonds shall be registered in the name of, Cede & Co., as nominee of DTC. With respect to the Ninth Supplemental Bonds for which Cede & Co. shall be the registered Holder, payment of interest on such Ninth Supplemental Bonds shall be made by wire transfer of same day funds to the account of Cede & Co. on the Interest Payment Dates for the Ninth Supplemental Bonds at the address indicated for Cede & Co. in the registration books of the Authority kept by the Trustee, as Bond Registrar.

2. The Ninth Supplemental Bonds of each Series shall be initially issued in the form of a separate fully registered bond in the amount of each separate maturity. Upon initial issuance, the ownership of each such Ninth Supplemental Bond shall be registered on the registration books of the Authority kept by the Trustee in the name of Cede & Co. With respect to Ninth Supplemental Bonds so registered in the name of Cede & Co., the Authority and the Trustee shall have no responsibility or obligation to any DTC participant, indirect DTC

participant, or any beneficial owner of a Ninth Supplemental Bond. Without limiting the immediately preceding sentence, the Authority and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC participant or indirect DTC participant with respect to any beneficial ownership interest in a Ninth Supplemental Bond, (ii) the delivery to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any notice with respect to a Ninth Supplemental Bond, or (iii) the payment to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any amount with respect to the principal of, redemption premium, if any, or interest on a Ninth Supplemental Bond. The Authority and the Trustee may treat DTC as, and deem DTC to be, the absolute registered Holder of each Ninth Supplemental Bond for the purpose of (i) payment of the principal of, redemption premium, if any, and interest on each such Ninth Supplemental Bond, (ii) giving notices with respect to the Ninth Supplemental Bond, (iii) registering transfers with respect to a Ninth Supplemental Bond and (iv) for all other purposes whatsoever. The Trustee shall pay the principal of, redemption premium, if any, and interest on each Ninth Supplemental Bond only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to such principal and interest to the extent of the sum or sums so paid. No person other than DTC shall receive a Ninth Supplemental Bond evidencing the obligation of the Authority to make payments of principal and interest thereon pursuant to this Amended and Restated Ninth Supplemental Resolution. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions hereof, the words "Cede & Co." in this Amended and Restated Ninth Supplemental Resolution shall refer to such new nominee of DTC.

3. (a) DTC may determine to discontinue providing its services with respect to a particular Series of the Ninth Supplemental Bonds at any time by giving written notice to the Authority and discharging its responsibilities with respect thereto under applicable law. Upon receipt of such notice, the Authority shall promptly deliver a copy of same to the Trustee.

(b) The Authority, (i) in its sole discretion and without the consent of any other person, may discontinue the use of book-entry-only transfer through DTC (or a successor securities depository) with respect to a particular Series of the Ninth Supplemental Bonds, in which event certificates for such Ninth Supplemental Bonds shall be printed and delivered to DTC, and (ii) shall terminate the services of DTC with respect to a particular Series of the Ninth Supplemental Bonds upon receipt by the Authority and the Trustee of written notice from DTC to the effect that DTC has received written notice from DTC participants or indirect DTC participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding Ninth Supplemental Bonds of such Series to the effect, that (A) DTC is unable to discharge its responsibilities with respect to such Ninth Supplemental Bonds; or (B) a continuation of the requirement that all of the Outstanding Ninth Supplemental Bonds of such Series be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the Ninth Supplemental Bonds of such Series.

(c) Upon the termination of the services of DTC with respect to the Ninth Supplemental Bonds of a Series pursuant to subsection 2.12(3)(b)(ii)(A) hereof, or upon the discontinuance or termination of the services of DTC with respect to the Ninth Supplemental Bonds of such Series pursuant to subsection 2.12(3)(a) or 2.12(3)(b)(ii)(B) hereof, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority, is willing and able to undertake such functions upon reasonable and customary terms, such Ninth Supplemental Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Holders of such Ninth Supplemental Bonds transferring or exchanging such Ninth Supplemental Bonds shall designate, in accordance with the provisions of the Resolution. Upon the determination by any party authorized herein that the Ninth Supplemental Bonds of such Series shall no longer be limited to book-entry only form, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such Ninth Supplemental Bonds from such book-entry only form to a fully registered form.

4. Notwithstanding any other provision of this Amended and Restated Ninth Supplemental Resolution to the contrary, so long as any Ninth Supplemental Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, redemption premium, if any, and interest on, and all notices with respect to, such Ninth Supplemental Bond shall be made and given, respectively, to DTC as provided in the Letter of Representations of the Authority and the Trustee, addressed to DTC, with respect to the applicable Series of Ninth Supplemental Bonds.

5. In connection with any notice or other communication to be provided to Holders of the Ninth Supplemental Bonds of any Series pursuant to the Resolution by the Authority or the Trustee with respect to any consent or other action to be taken by such Holders, the Authority or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

6. The Authority hereby authorizes the Treasurer, by and on behalf of the Authority, and in consultation with an Authorized Authority Official, to determine from time to time, subject to confirmation and ratification by the Authority, whether or not it is advisable for the Authority to continue the book-entry system or to replace DTC with another qualified securities depository as successor to DTC.

2.13. Application of Proceeds of the Ninth Supplemental Bonds.

The proceeds of each Series of the Ninth Supplemental Bonds shall be applied as set forth in the applicable Series Certificate with respect to such Series, subject to the following provisions:

1. In the event an Authorized Authority Official determines to purchase one or more policies of municipal bond insurance and/or commitments for municipal bond insurance as authorized pursuant to Section 2.9(j) of this Amended and Restated Ninth Supplemental Resolution, there shall be sent by wire transfer directly from the Senior Managing Underwriter to

the provider of such policy or policies of municipal bond insurance, an amount as shall be specified in the applicable Series Certificate constituting the premium for such policy or policies;

2. There shall be deposited in the Transportation Program Improvement Fund established under the Resolution in a special account hereby established therein with respect to each Series of the Ninth Supplemental Bonds, to be known as the “[Year Designation] Series [Letter Designation] Bonds Transportation Program Improvement Account,” which may be combined with any other moneys in the Transportation Program Improvement Fund for purposes of investment, such amount as may be designated by an Authorized Authority Official to be applied to the payment of the costs of issuance of the applicable Series of the Ninth Supplemental Bonds, as specified in the applicable Series Certificate; and

3. There shall be deposited in the Escrow Fund created and established under the Escrow Deposit Agreement a portion of the proceeds of each Series of the Ninth Supplemental Bonds in the amount specified in the applicable Series Certificate.

2.14. Form of the Ninth Supplemental Bonds and Trustee’s Certificate of Authentication.

Subject to the provisions of the Resolution, the form of each Series of the Ninth Supplemental Bonds and the Trustee’s Certificate of Authentication thereon shall be of substantially the following tenor:

Unless this Certificate is presented by the authorized representative of The Depository Trust Company to the Authority or its agent for registration of transfer, exchange or payment, and any certificate issued is registered in the name of CEDE & CO., or any other name as requested by an authorized representative of The Depository Trust Company (and any payment is made to CEDE & CO., or to such other entity as is requested by an authorized representative of The Depository Trust Company), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, CEDE & CO., has an interest herein.

This 202_ Series __ Bond is one of a duly authorized series of bonds of the Authority designated “Transportation Program Bonds, 202_ Series __” (herein called the 202_ Series __ Bonds”), in the original aggregate principal amount of \$ _____ issued under and in full compliance with the Constitution and Statutes of the State, and particularly Chapter 73 of the Laws of New Jersey, 1984, as amended and supplemented, including without limitation, by L. 2012, c. 13 and L. 2016, c. 56 (herein called the “Act”), and under and pursuant to a Resolution

adopted by the Authority on October 26, 2012 entitled “2012 Transportation Program Bond Resolution,” as supplemented, including as supplemented by an Amended and Restated Ninth Supplemental Transportation Program Bond Resolution of the Authority authorizing the 202_ Series __ Bonds adopted on March 18, 2021 and a Series Certificate duly executed by an Authorized Authority Official as of _____, 2021 (collectively, the “Resolution”).

As provided in the Resolution, the 202_ Series __ Bonds and all other bonds issued under the Resolution on a parity with the 202_ Series __ Bonds (herein collectively called the “Bonds”) are special obligations of the Authority payable solely from and secured as to payment of the principal and Redemption Price thereof, and interest thereon, in accordance with their terms and the provisions of the Resolution, solely by the Pledged Property, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution. Pledged Property under the Resolution includes, without limitation, the State Contract, all Revenues and Funds, including Investment Securities held in any such Funds thereunder, together with all proceeds and revenues of the foregoing and all of the Authority’s right, title and interest in and to the foregoing and all other moneys, securities or funds pledged for the payment of the principal or Redemption Price of and interest on the Bonds in accordance with the terms and provisions of the Resolution; provided, however, that all amounts paid to the Authority from the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds created under the Act are subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature (the “State Legislature”). Copies of the Resolution are on file at the office of the Authority and at the above mentioned office of the Trustee, and reference is hereby made to the Act and to the Resolution and any and all supplements thereto and modifications and amendments thereof for a description of the pledge and assignment and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the holders of the Bonds with respect thereto, the terms and conditions upon which the Bonds are issued and may be issued thereunder, the terms and provisions upon which this 202_ Series __ Bond shall cease to be entitled to any lien, benefit or security under the Resolution and for the other terms and provisions thereof. All covenants, agreements and obligations of the Authority under the Resolution may be discharged and satisfied at or prior to the maturity or redemption of this 202_ Series __ Bond if moneys or certain specified securities shall have been deposited with the Trustee.

As provided in the Resolution, Bonds may be issued from time to time pursuant to supplemental resolutions or series certificates in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as in the Resolution provided. The aggregate principal amount of Bonds which may be issued under the Resolution is not limited except as provided in the Act, and all Bonds issued and to be issued under the Resolution are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Resolution.

To the extent and in the manner permitted by the terms of the Resolution, the provisions of the Resolution, or any resolution amendatory thereof or supplemental thereto, may be modified or amended by the Authority, with the written consent of the holders of at least a majority in principal amount of the Bonds outstanding under the Resolution at the time such

No such modification or amendment shall permit a change in the terms of redemption (including sinking fund installments) or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written assent thereto.

2.1. Maximum Principal Amount, Designation, Series and Other Details.

(a) Pursuant to the provisions of the Resolution, one or more Series of Thirty-Second Supplemental Bonds, constituting Refunding Bonds, entitled to the benefit, protection and security of such provisions are hereby authorized to be issued in an aggregate principal amount not exceeding \$1,075,000,000. The Thirty-Second Supplemental Bonds shall be designated as “Transportation System Bonds” and shall be further distinguished by the designation of the year of issue and the letter of the Series, as such designation may be determined by an Authorized Authority Official in the Series Certificate. Each Series of the Thirty-Second Supplemental Bonds shall be issued as Tax-Exempt Thirty-Second Supplemental Bonds or Taxable Thirty-Second Supplemental Bonds with a fixed rate or rates of interest to maturity and shall be dated, shall mature on such dates and in such principal amounts, shall bear interest from their date at such rate or rates payable on such dates, and shall be subject to redemption prior to maturity on such terms and conditions, as shall be determined by an Authorized Authority Official in the Series Certificate; provided, however, that in no event shall (i) the final maturity of the Thirty-Second Supplemental Bonds be later than the final maturity date of the Refunded Bonds, (ii) the true interest cost of each Series of Tax-Exempt Thirty-Second Supplemental Bonds exceed five and one-half percent (5.50%) per annum, (iii) the true interest cost of each Series of Taxable Thirty-Second Supplemental Bonds exceed six percent (6.00%) per annum, and (iv) the redemption price for any Thirty-Second Supplemental Bond, if expressed as a percentage of the principal amount of such Thirty-Second Supplemental Bond to be redeemed, exceed one hundred three percent (103%) of the principal amount of such Thirty-Second Supplemental Bond; provided, however, that at the option of the Authority, any Taxable Thirty-Second Supplemental Bond may be subject to optional redemption pursuant to a “make whole” provision which may exceed one hundred three percent (103%) of the principal amount of such Taxable Thirty-Second Supplemental Bond, if and as provided in the Series Certificate. The Thirty-Second Supplemental Bonds may be issued and sold in one or more sub-Series as may be provided in the Series Certificate. The Thirty-Second Supplemental Bonds may be delivered on a current delivery or a forward delivery basis as may be provided in the Series Certificate.

(b) Without limiting the generality of the authorization contained in the immediately preceding paragraph (a) of Section 2.1 of this Amended and Restated Thirty-Second Supplemental Resolution, it is presently anticipated, but not required, that the Thirty-Second Supplemental Bonds will be issued as two Series of Bonds and sold to the Underwriters pursuant to the Bond Purchase Contract for the Thirty-Second Supplemental Bonds being delivered on a current basis and pursuant to the Forward Bond Purchase Contract for the Thirty-Second Supplemental Bonds being delivered on a forward basis.

2.2. Purpose.

2.3. Reserved.

2.4. Authorization of Negotiated Sale.

(a) The Authority hereby authorizes the sale of each Series of the Thirty-Second Supplemental Bonds on a negotiated basis because the financing involves the sale of bonds having a complex financing structure (simultaneous sale of tax exempt and taxable bonds in a refunding transaction) and due to large issue size and volatile market conditions. Upon recommendation of the Treasurer based upon the Department of Treasury's ("Treasury") competitive RFP process and in accordance with Executive Order No. 26 (Whitman 1994) ("Executive Order 26"), the Authority hereby appoints Citigroup Global Markets Inc. as Senior Managing Underwriter in connection with each Series of the Thirty-Second Supplemental Bonds herein authorized and, upon recommendation of the Treasurer based upon Treasury's competitive RFP process and in accordance with Executive Order 26, an Authorized Authority Official is hereby authorized to select additional co-senior managers and co-managers for each Series of the Thirty-Second Supplemental Bonds. All such appointment(s) shall be evidenced by the execution of the Bond Purchase Contract(s) and Forward Bond Purchase Contract(s). Notwithstanding anything to the contrary contained herein, the appointment of a firm to serve as a co-senior manager or co-manager for any Series of the Thirty-Second Supplemental Bonds does not provide any assurance that such firm will serve as a co-senior manager or co-manager for any other Series of the Thirty-Second Supplemental Bonds authorized to be issued under this Amended and Restated Thirty-Second Supplemental Resolution.

(b) The purchase of one or more Series of the Thirty-Second Supplemental Bonds from time to time by the Underwriters and the sale of one or more Series of the Thirty-Second Supplemental Bonds from time to time by the Authority to the Underwriters shall be subject to the execution by the Authority and the Senior Managing Underwriter, as representative of the Underwriters, of either a Bond Purchase Contract (collectively, the "Bond Purchase Contract(s)") or a Forward Bond Purchase Contract (collectively, the "Forward Bond Purchase Contract(s)") for the applicable Series or all Series of the Thirty-Second Supplemental Bonds in substantially the forms presented to this meeting. The Bond Purchase Contract(s) and the

Forward Bond Purchase Contract(s), in substantially the forms presented to this meeting, are hereby approved, provided that an Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the Attorney General of the State (the “State Attorney General”), to make such changes, insertions and deletions to and omissions from such forms as may be necessary or appropriate in connection with the applicable Series of the Thirty-Second Supplemental Bonds. The Authorized Authority Officials are each hereby authorized and directed, in consultation with Bond Counsel and the State Attorney General, to negotiate the terms of the Bond Purchase Contract(s) and Forward Bond Purchase Contract(s), to be dated the date of sale of the applicable Series of the Thirty-Second Supplemental Bonds, between the Authority and the Senior Managing Underwriter, as representative of the Underwriters. The Authorized Authority Officials are, and each such Authorized Authority Official is, hereby authorized and directed on behalf of the Authority to approve the terms of the Bond Purchase Contract(s) and Forward Bond Purchase Contract(s) relating to the sale of each of the applicable Series of the Thirty-Second Supplemental Bonds and to execute and deliver such Bond Purchase Contract(s) and Forward Bond Purchase Contract(s) to the Senior Managing Underwriter, as representative of the Underwriters; provided that the provisions of the Bond Purchase Contract(s) and Forward Bond Purchase Contract(s) are acceptable to counsel to the Authority (including Bond Counsel and the State Attorney General) and (i) the amount of the compensation to be paid to the Underwriters does not exceed \$3.80 per \$1,000.00 of the applicable Series of the Thirty-Second Supplemental Bonds, and (ii) the aggregate principal amount, the final maturity date or dates, the true interest cost and the redemption price of such Series of the Thirty-Second Supplemental Bonds does not exceed the limitations set forth in paragraph (a) of Section 2.1 of this Amended and Restated Thirty-Second Supplemental Resolution.

2.5. Approval of the Preliminary Official Statement.

A Preliminary Official Statement (the “Preliminary Official Statement”) relating to the sale of the Thirty-Second Supplemental Bonds in substantially the form presented to this meeting is hereby approved, provided that Appendix I (which is provided by the State) shall be included therein, and provided further that an Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to make such changes, insertions or deletions to and omissions from the form of the Preliminary Official Statement, as may be necessary or appropriate with respect to the Thirty-Second Supplemental Bonds. An Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to execute and deliver a certificate, or to include a provision in the Bond Purchase Contract(s) and Forward Bond Purchase Contract(s), that “deems final” the Preliminary Official Statement relating to the Thirty-Second Supplemental Bonds pursuant to the provisions of Rule 15c2-12, and such certificate or provision relating thereto shall be in a form acceptable to Bond Counsel and the State Attorney General.

2.6. Authorization of the Printing and Distribution of the Preliminary Official Statement.

The printing and distribution, via electronic medium, in addition to or in lieu of physical, printed medium, of the Preliminary Official Statement by an Authorized Authority Official in connection with the sale of each Series of the Thirty-Second Supplemental Bonds, with such

changes, insertions, deletions and omissions in such Preliminary Official Statement as the Authorized Authority Official authorized to print and distribute the same shall approve, with the advice of Bond Counsel and the State Attorney General, is hereby authorized. Any Authorized Authority Official is further authorized and directed to take all such other actions as such Authorized Authority Official shall deem necessary or desirable to effect a public sale of each Series of the Thirty-Second Supplemental Bonds.

2.7. Approval of Continuing Disclosure Agreement.

A Continuing Disclosure Agreement (the “Continuing Disclosure Agreement”) relating to the sale of the Thirty-Second Supplemental Bonds in substantially the form presented to this meeting, is hereby approved, provided that an Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to make such changes, insertions and deletions to and omissions from the form of the Continuing Disclosure Agreement as may be necessary or appropriate with respect to the Thirty-Second Supplemental Bonds. The Authorized Authority Officials are hereby authorized and directed, with the advice of Bond Counsel and the State Attorney General, to enter into and execute a Continuing Disclosure Agreement with the Treasurer and the Trustee, as dissemination agent, relating to the Thirty-Second Supplemental Bonds and to execute such documents and instruments relating to continuing disclosure as may be necessary or desirable to enable brokers, dealers and municipal securities dealers to comply with Rule 15c2-12.

2.8. Approval of Escrow Deposit Agreement.

An Escrow Deposit Agreement (the “Escrow Deposit Agreement”) to be entered into by the Authority in connection with the Thirty-Second Supplemental Bonds to provide for the refunding and defeasance of the Refunded Bonds to be refunded from the proceeds of the Thirty-Second Supplemental Bonds, in substantially the form presented to this meeting, is hereby approved; provided that an Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to make such changes, insertions and deletions to and omissions from the form of the Escrow Deposit Agreement as may be necessary or appropriate with respect to the Thirty-Second Supplemental Bonds. The Authorized Authority Officials are hereby authorized and directed, with the advice of Bond Counsel and the State Attorney General, to enter into and execute an Escrow Deposit Agreement with U.S. Bank National Association, Edison, New Jersey, the Trustee, as escrow agent (the “Escrow Agent”), relating to the Thirty-Second Supplemental Bonds.

2.9. Additional Proceedings.

As additional proceedings of the Authority in connection with the sale, issuance and delivery of each Series of the Thirty-Second Supplemental Bonds hereby authorized, there is hereby delegated to the Authorized Authority Officials the power to take the following actions and make the following determinations as to each Series of the Thirty-Second Supplemental Bonds by executing and delivering a Series Certificate or Certificates of any one such Authorized Authority Official, provided that the final terms and conditions of each Series of the Thirty-Second Supplemental Bonds as set forth in the Series Certificate shall be subject to the

written approval of the Treasurer:

(a) To determine, subject to the provisions of this Amended and Restated Thirty-Second Supplemental Resolution, the appropriate Series designations, respective principal amounts and/or sinking fund installments, the interest rate or rates, the dated dates, the interest and principal payment and maturity dates, the denomination or denominations and the redemption provisions of each Series of the Thirty-Second Supplemental Bonds, and any other provisions necessary to comply with the Resolution or deemed necessary or advisable by such Authorized Authority Official and which provisions are not in conflict with or in substitution for the provisions of the Resolution or the Act.

(b) To acknowledge receipt of prior approval letters of the Governor and the Treasurer as required by Section 9(a) of the Act approving the adoption by the Authority of this Amended and Restated Thirty-Second Supplemental Resolution and the issuance of the Thirty-Second Supplemental Bonds.

(c) To acknowledge receipt of the approval of the Joint Budget Oversight Committee as required by Section 9(k) of the Act relating to the issuance of the Thirty-Second Supplemental Bonds.

(d) Prior to the issuance of the first Series of the Thirty-Second Supplemental Bonds, to make such revisions to this Amended and Restated Thirty-Second Supplemental Resolution as may be requested by the Joint Budget Oversight Committee as a condition to its approval of the issuance of the Thirty-Second Supplemental Bonds, provided such revisions, if any, shall be set forth in the Series Certificate for the Thirty-Second Supplemental Bonds.

(e) Prior to the issuance of the first Series of Thirty-Second Supplemental Bonds, to make such revisions to this Amended and Restated Thirty-Second Supplemental Resolution as may be requested by any Rating Agency in connection with its respective rating of such Series of Thirty-Second Supplemental Bonds, or by the issuer of any municipal bond insurance policy insuring any of the Thirty-Second Supplemental Bonds, provided such revisions, if any, shall be set forth in the Series Certificate for such Series of the Thirty-Second Supplemental Bonds.

(f) To file, with the Trustee, a copy of this Amended and Restated Thirty-Second Supplemental Resolution certified by an Authorized Authority Official, along with an opinion of Bond Counsel, which filing is required by Article X of the Resolution.

(g) With respect to the Thirty-Second Supplemental Bonds, to execute a final Official Statement of the Authority, dated the date of sale of the Thirty-Second Supplemental Bonds, substantially in the form of the Preliminary Official Statement for the Thirty-Second Supplemental Bonds, with such insertions, revisions, deletions and omissions as may be authorized by the Authorized Authority Official executing the same, with the advice of Bond Counsel and the State Attorney General, and to deliver such final Official Statement to the Underwriters, in hard copy and/or electronic format, and to authorize the use of such final Official Statement and the information contained therein in connection with the offering and sale of the Thirty-Second Supplemental Bonds.

(h) To determine the application of the proceeds of each Series of the Thirty-Second Supplemental Bonds in accordance with the provisions of Section 2.2 hereof.

(i) To make the determination of the Series, maturities and/or sinking fund installments within a Series and the principal amounts within each maturity of the Refunded Bonds that are to be refunded with the proceeds of each Series of the Thirty-Second Supplemental Bonds and to give notice to the Trustee, pursuant to the Resolution, directing the optional redemption of any such Refunded Bonds to be redeemed, and to determine the amounts to be credited toward each sinking fund installment to become due (if other than pro rata) in the case of any partial refunding of Refunded Bonds of any Series and maturity for which sinking fund redemption provisions shall have been established; provided, however, that no Series of the Thirty-Second Supplemental Bonds shall be issued unless an Authorized Authority Official shall first determine that the present value of the aggregate of the principal of and interest on such Series of the Thirty-Second Supplemental Bonds is less than the present value of the aggregate of the principal of and interest on the Refunded Bonds which are refunded with the proceeds of such Series of Thirty-Second Supplemental Bonds, except that, for purposes of this limitation, present value shall be computed using a discount rate equal to the yield of such Series of the Thirty-Second Supplemental Bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid the Authority by the initial purchasers of such Series of the Thirty-Second Supplemental Bonds; and provided further, however, that if the Thirty-Second Supplemental Bonds are issued in more than one Series, a Series of such Thirty-Second Supplemental Bonds may not be issued unless an Authorized Authority Official shall first determine that the present value of the aggregate of the principal of and interest on such Series of the Thirty-Second Supplemental Bonds, when combined with the present value of the aggregate of the principal of and interest on all other Series of the Thirty-Second Supplemental Bonds sold simultaneously with such Series of the Thirty-Second Supplemental Bonds, is less than the present value of the aggregate of the principal of and interest on all of the Refunded Bonds which are refunded with the proceeds of all such Series of Thirty-Second Supplemental Bonds, with the present value of the aggregate of the principal of and interest on all Series of the Thirty-Second Supplemental Bonds and the present value of the aggregate of the principal of and interest on all of the Refunded Bonds being computed as provided herein.

(j) To purchase one or more policies of municipal bond insurance with respect to any or all of the maturities of each Series of the Thirty-Second Supplemental Bonds if an Authorized Authority Official determines that such policy or policies of municipal bond insurance are necessary or desirable to achieve the economic objectives of the Authority, to include in the Series Certificate for such Series of the Thirty-Second Supplemental Bonds such provisions relating to the insurance policy or policies as such Authorized Authority Official, with the advice of Bond Counsel and the State Attorney General, deems appropriate and to include on the form of any Thirty-Second Supplemental Bond which is insured by a municipal bond insurance policy a statement of insurance in the form requested by the issuer of such municipal bond insurance policy. The cost of any such policy or policies of municipal bond insurance may be paid from the proceeds of the applicable Series of the Thirty-Second Supplemental Bonds.

(k) To purchase, or cause the Escrow Agent to purchase, United States Treasury Securities - State and Local Government Series with a portion of the proceeds of each Series of the Thirty-Second Supplemental Bonds in connection with the refunding of any Refunded Bonds, and, in the event that such Authorized Authority Official determines that it is necessary or advantageous to the Authority to purchase other Federal Securities in which a portion of the proceeds of each Series of the Thirty-Second Supplemental Bonds may be invested in connection with the refunding of any Refunded Bonds, to select and appoint a firm, upon recommendation of the Treasury based on the Treasury's competitive RFP process, to serve as bidding agent to solicit bids to purchase such other Federal Securities, and to take all other actions as may be necessary or advisable to effectuate the redemption of all or a portion of the Refunded Bonds in accordance with the provisions of the Resolution.

(l) To determine the application of the balance of moneys, if any, remaining in the Escrow Fund (as defined in the Escrow Deposit Agreement), subject to the provisions of the Escrow Deposit Agreement.

(m) To prepare, execute and submit an application for one or more ratings by the Rating Agencies for the Thirty-Second Supplemental Bonds, and to include in the Series Certificate for the Thirty-Second Supplemental Bonds such provisions relating to the rating(s) as an Authorized Authority Official, with the advice of Bond Counsel and the State Attorney General, deems appropriate. The cost of any such rating(s) may be paid from the proceeds of such Series of the Thirty-Second Supplemental Bonds.

(n) In light of changing market conditions and in order to issue the Thirty-Second Supplemental Bonds on the terms most favorable to the Authority, in addition to all other matters authorized in this Amended and Restated Thirty-Second Supplemental Resolution, the Authorized Authority Officials, in consultation with the Treasurer, are authorized to make such other determinations, to execute such other documents, instruments and agreements and to do such other acts and things as may be necessary or advisable in connection with the issuance of the Thirty-Second Supplemental Bonds or as may be appropriate based on a change in market conditions, provided that any such other determinations, documents, instruments and agreements, acts and things shall be in furtherance of, and not conflict with, the provisions of this Amended and Restated Thirty-Second Supplemental Resolution, the Resolution or the Act. Any and all actions heretofore taken by the Authorized Authority Officials in connection with the issuance of the Thirty-Second Supplemental Bonds are hereby ratified.

(o) To authorize the electronic posting of the Official Statement on the State's website, upon the request of the Treasurer or her designee.

(p) To make the determination of which Series of the Thirty-Second Supplemental Bonds shall be delivered on a current basis and which Series of the Thirty-Second Supplemental Bonds shall be delivered on a forward basis.

(q) With respect to the Thirty-Second Supplemental Bonds which are delivered on a forward basis, to execute a supplement to or an amended and restated final Official Statement of the Authority, dated a date at least 10 days before the date of delivery of

such Series of Thirty-Second Supplemental Bonds, substantially in the form of the final Official Statement for the Thirty-Second Supplemental Bonds, with such insertions, revisions, deletions and omissions as may be authorized by the Authorized Authority Official executing the same, with the advice of Bond Counsel and the State Attorney General, and to deliver such supplement to or amended and restated final Official Statement, in hard copy and/or electronic format, to the Underwriters and to authorize the use thereof and the information contained therein in connection with the sale of the Thirty-Second Supplemental Bonds.

(r) To make such other determinations, to execute such other documents, instruments and papers and to do or refrain from doing such acts and things as may be necessary or advisable in connection with the issuance, sale and delivery of, and security for, each Series of the Thirty-Second Supplemental Bonds and the refunding and defeasance of the Refunded Bonds (including the designation of a particular Paying Agent for the Refunded Bonds as escrow agent) and which are not inconsistent with the provisions of this Amended and Restated Thirty-Second Supplemental Resolution, the Resolution or the Act.

All matters determined by an Authorized Authority Official under the authority of this Amended and Restated Thirty-Second Supplemental Resolution shall constitute and be deemed matters incorporated into this Amended and Restated Thirty-Second Supplemental Resolution and approved by the Authority, and whenever an Authorized Authority Official is authorized, directed or delegated the power to take or refrain from taking any action pursuant to this Amended and Restated Thirty-Second Supplemental Resolution with or upon the advice, consent or consultation with or by any other person, agency, office or official, a certificate of such Authorized Authority Official may be relied upon as being determinative that such advice, consultation or consent has in fact occurred and that such actions or omissions of the Authorized Authority Official are valid and binding.

2.10. Denomination, Numbers and Letters.

Each Series of the Thirty-Second Supplemental Bonds shall be issued in fully registered form in the denominations as set forth in the applicable Series Certificate. Unless the Authority shall otherwise direct, each Series of the Thirty-Second Supplemental Bonds shall be lettered and numbered from one upward preceded by the letter “R” prefixed to the number. Subject to the provisions of the Resolution, the form of the Thirty-Second Supplemental Bonds and the Trustee’s Certificate of Authentication thereon shall be substantially in the form set forth in Section 2.14 of this Amended and Restated Thirty-Second Supplemental Resolution.

2.11. Redemption.

Each Series of the Thirty-Second Supplemental Bonds may be subject to redemption prior to maturity as provided in the applicable Series Certificate.

2.12. Book-Entry Only System.

1. Except as provided in subparagraph (3) of this Section 2.12, the registered Holder of all of the Thirty-Second Supplemental Bonds shall be, and the Thirty-Second Supplemental Bonds shall be registered in the name of, Cede & Co., as nominee of DTC. With

respect to the Thirty-Second Supplemental Bonds for which Cede & Co. shall be the registered Holder, payment of interest on such Thirty-Second Supplemental Bonds shall be made by wire transfer of same day funds to the account of Cede & Co. on the Interest Payment Dates for the Thirty-Second Supplemental Bonds at the address indicated for Cede & Co. in the registration books of the Authority kept by the Trustee, as Bond Registrar.

2. The Thirty-Second Supplemental Bonds of each Series shall be initially issued in the form of a separate fully registered bond in the amount of each separate maturity. Upon initial issuance, the ownership of each such Thirty-Second Supplemental Bond shall be registered on the registration books of the Authority kept by the Trustee in the name of Cede & Co. With respect to Thirty-Second Supplemental Bonds so registered in the name of Cede & Co., the Authority and the Trustee shall have no responsibility or obligation to any DTC participant, indirect DTC participant, or any beneficial owner of a Thirty-Second Supplemental Bond. Without limiting the immediately preceding sentence, the Authority and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC participant or indirect DTC participant with respect to any beneficial ownership interest in a Thirty-Second Supplemental Bond, (ii) the delivery to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any notice with respect to a Thirty-Second Supplemental Bond, or (iii) the payment to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any amount with respect to the principal of, redemption premium, if any, or interest on a Thirty-Second Supplemental Bond. The Authority and the Trustee may treat DTC as, and deem DTC to be, the absolute registered Holder of each Thirty-Second Supplemental Bond for the purpose of (i) payment of the principal of, redemption premium, if any, and interest on each such Thirty-Second Supplemental Bond, (ii) giving notices with respect to the Thirty-Second Supplemental Bond, (iii) registering transfers with respect to a Thirty-Second Supplemental Bond and (iv) for all other purposes whatsoever. The Trustee shall pay the principal of, redemption premium, if any, and interest on each Thirty-Second Supplemental Bond only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to such principal and interest to the extent of the sum or sums so paid. No person other than DTC shall receive a Thirty-Second Supplemental Bond evidencing the obligation of the Authority to make payments of principal and interest thereon pursuant to this Amended and Restated Thirty-Second Supplemental Resolution. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions hereof, the words "Cede & Co." in this Amended and Restated Thirty-Second Supplemental Resolution shall refer to such new nominee of DTC.

3. (a) DTC may determine to discontinue providing its services with respect to a particular Series of the Thirty-Second Supplemental Bonds at any time by giving written notice to the Authority and discharging its responsibilities with respect thereto under applicable law. Upon receipt of such notice, the Authority shall promptly deliver a copy of same to the Trustee.

(b) The Authority, (i) in its sole discretion and without the consent of any other person, may discontinue the use of book-entry-only transfer through DTC (or a

successor securities depository) with respect to a particular Series of the Thirty-Second Supplemental Bonds, in which event certificates for such Thirty-Second Supplemental Bonds shall be printed and delivered to DTC, and (ii) shall terminate the services of DTC with respect to a particular Series of the Thirty-Second Supplemental Bonds upon receipt by the Authority and the Trustee of written notice from DTC to the effect that DTC has received written notice from DTC participants or indirect DTC participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding Thirty-Second Supplemental Bonds of such Series to the effect, that (A) DTC is unable to discharge its responsibilities with respect to such Thirty-Second Supplemental Bonds; or (B) a continuation of the requirement that all of the Outstanding Thirty-Second Supplemental Bonds of such Series be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the Thirty-Second Supplemental Bonds of such Series.

(c) Upon the termination of the services of DTC with respect to the Thirty-Second Supplemental Bonds of a Series pursuant to subsection 2.12(3)(b)(ii)(A) hereof, or upon the discontinuance or termination of the services of DTC with respect to the Thirty-Second Supplemental Bonds of such Series pursuant to subsection 2.12(3)(a) or 2.12(3)(b)(ii)(B) hereof, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority, is willing and able to undertake such functions upon reasonable and customary terms, such Thirty-Second Supplemental Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Holders of such Thirty-Second Supplemental Bonds transferring or exchanging such Thirty-Second Supplemental Bonds shall designate, in accordance with the provisions of the Resolution. Upon the determination by any party authorized herein that the Thirty-Second Supplemental Bonds of such Series shall no longer be limited to book-entry only form, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such Thirty-Second Supplemental Bonds from such book-entry only form to a fully registered form.

4. Notwithstanding any other provision of this Amended and Restated Thirty-Second Supplemental Resolution to the contrary, so long as any Thirty-Second Supplemental Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, redemption premium, if any, and interest on, and all notices with respect to, such Thirty-Second Supplemental Bond shall be made and given, respectively, to DTC as provided in the Letter of Representations of the Authority and the Trustee, addressed to DTC, with respect to the applicable Series of Thirty-Second Supplemental Bonds.

5. In connection with any notice or other communication to be provided to Holders of the Thirty-Second Supplemental Bonds of any Series pursuant to the Resolution by the Authority or the Trustee with respect to any consent or other action to be taken by such Holders, the Authority or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

6. The Authority hereby authorizes the Treasurer, by and on behalf of the Authority, and in consultation with an Authorized Authority Official, to determine from time to time, subject to confirmation and ratification by the Authority, whether or not it is advisable for the Authority to continue the book-entry system or to replace DTC with another qualified securities depository as successor to DTC.

2.13. Application of Proceeds of the Thirty-Second Supplemental Bonds.

The proceeds of each Series of the Thirty-Second Supplemental Bonds shall be applied as set forth in the applicable Series Certificate with respect to such Series, subject to the following provisions:

1. In the event an Authorized Authority Official determines to purchase one or more policies of municipal bond insurance and/or commitments for municipal bond insurance as authorized pursuant to Section 2.9(j) of this Amended and Restated Thirty-Second Supplemental Resolution, there shall be sent by wire transfer directly from the Senior Managing Underwriter to the provider of such policy or policies of municipal bond insurance, an amount as shall be specified in the applicable Series Certificate constituting the premium for such policy or policies;

2. There shall be deposited in the Transportation Improvement Fund established under the Resolution in a special account hereby established therein with respect to each Series of the Thirty-Second Supplemental Bonds, to be known as the “[Year Designation] Series [Letter Designation] Bonds Transportation System Improvement Account,” which may be combined with any other moneys in the Transportation Improvement Fund for purposes of investment, such amount as may be designated by an Authorized Authority Official to be applied to the payment of the costs of issuance of the applicable Series of the Thirty-Second Supplemental Bonds, as specified in the applicable Series Certificate; and

3. There shall be deposited in the Escrow Fund created and established under the Escrow Deposit Agreement a portion of the proceeds of each Series of the Thirty-Second Supplemental Bonds in the amount specified in the applicable Series Certificate.

2.14. Form of the Thirty-Second Supplemental Bonds and Trustee’s Certificate of Authentication.

Subject to the provisions of the Resolution, the form of each Series of the Thirty-Second Supplemental Bonds and the Trustee’s Certificate of Authentication thereon shall be of substantially the following tenor:

UNITED STATES OF AMERICA

As provided in the Resolution, the 202_ Series __ Bonds and all other bonds issued under the Resolution on a parity with the 202_ Series __ Bonds (herein collectively called the "Bonds") are direct and special obligations of the Authority payable solely from and secured as to payment of the principal and Redemption Price thereof, and interest thereon, in accordance with their terms and the provisions of the Resolution, solely by the Pledged Property, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution. Pledged Property under the Resolution includes the Revenue Contracts, the Revenues and Funds, including Investment Securities held in any such Funds thereunder, together with all proceeds and revenues of the foregoing and all of the Authority's right, title and interest in and to the foregoing and all other moneys, securities or funds pledged for the payment of the principal or Redemption Price of and interest on the Bonds in accordance with the terms and provisions of the Resolution; provided, however, that all amounts paid to the Authority from the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds created under the Act are subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature (the "State Legislature"). The State Legislature has no legal obligation to make any such appropriations. Copies of the Resolution are on file at the office of the Authority and at the above mentioned office of the Trustee, and reference is hereby made to the Act and to the Resolution and any and all supplements thereto and modifications and amendments thereof for a description of the pledge and assignment and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the holders of the Bonds with respect thereto, the terms and conditions upon which the Bonds are issued and may be issued thereunder, the terms and provisions upon which this 202_ Series __ Bond shall cease to be entitled to any lien, benefit or security under the Resolution and for the other terms and provisions thereof. All covenants, agreements and obligations of the Authority under the Resolution may be discharged and satisfied at or prior to the maturity or redemption of this 202_ Series __ Bond if moneys or

certain specified securities shall have been deposited with the Trustee.

As provided in the Resolution, Bonds may be issued from time to time pursuant to supplemental resolutions in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as in the Resolution provided. To the extent and in the manner permitted by the terms of the Resolution, the provisions of the Resolution, or any resolution amendatory thereof or supplemental thereto, may be modified or amended by the Authority, with the written consent of the holders of at least a majority in principal amount of the Bonds outstanding under the Resolution at the time such consent is given, and, in case less than all of the several series of Bonds then outstanding are affected thereby, with such consent of at least a majority in principal amount of the Bonds of each series so affected and outstanding; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like series and maturity remain outstanding under the Resolution, the consent of the holders of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. No such modification or amendment shall permit a change in the terms of redemption (including sinking fund installments) or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written assent thereto.

The principal amount of the 202_ Series __ Bonds otherwise required to be redeemed

may be reduced by the principal amount of such 202_ Series __ Bonds theretofore purchased by the Trustee at the direction of the Authority out of moneys deposited for such purpose in the Debt Service Fund.

If less than all bonds of like maturity are to be redeemed, the particular bonds to be redeemed shall be selected by the Trustee.
