**SUBCHAPTER 3. STANDARDS FOR LICENSURE OR QUALIFICATION**

**19:43-3.1 Undue economic concentration**

(a) In accordance with N.J.S.A. 5:12-82e, no casino license shall be issued to or held by a person if the Commission determines that such issuance or holding will result in undue economic concentration in Atlantic City casino operations by that person. Whether a person is considered the holder of a casino license is defined in N.J.S.A. 5:12-82e.

(b) For purposes of N.J.S.A. 5:12-82e and this section, "undue economic concentration" means that a person would have such actual or potential domination of the casino gaming market in Atlantic City as to substantially impede or suppress competition among casino licensees or adversely impact the economic stability of the casino industry in Atlantic City.

(c) In determining whether the issuance or holding of a casino license by a person will result in undue economic concentration, the Commission shall consider the following criteria:

1. The percentage share of the market presently controlled by the person in each of the following categories:

- i. The total number of licensed casinos in this State;
- ii. Total casino and casino simulcasting facility square footage;
- iii. Number of guest rooms;
- iv. Number of slot machines;
- v. Number of table games;
- vi. Net revenue;
- vii. Table game win;
- viii. Slot machine win;
- ix. Table game drop;
- x. Slot machine drop; and
- xi. Number of persons employed by the casino hotel;

2. The estimated increase in the market shares in the categories in (c)1 above if the person is issued or permitted to hold the casino license;

3. The relative position of other persons who hold casino licenses, as evidenced by the market shares of each such person in the categories in (c)1 above;

4. The current and projected financial condition of the casino industry;

5. Current market conditions, including level of competition, consumer demand, market concentration, any consolidation trends in the industry and any other relevant characteristics of the market;

6. Whether the licensed casinos held or to be held by the person have separate organizational structures or other independent obligations;

7. The potential impact of licensure on the projected future growth and development of the casino industry and Atlantic City;

8. The barriers to entry into the casino industry, including the licensure requirements of the Act, and whether the issuance or holding of a casino license by the

person will operate as a barrier to new companies and individuals desiring to enter the market;

9. Whether the issuance or holding of the license by the person will adversely impact on consumer interests, or whether such issuance or holding is likely to result in enhancing the quality and customer appeal of products and services offered by casino licensees in order to maintain or increase their respective market shares;

10. Whether a restriction on the issuance or holding of an additional license by the person is necessary in order to encourage and preserve competition and to prevent undue economic concentration in casino operations; and

11. Any other evidence deemed relevant by the Commission.

New Rule, R.1995 d.308, effective June 19, 1995.  
See: 27 N.J.R. 1532(a), 27 N.J.R. 2459(a).

#### 19:43-4.2 Financial stability

(a) Each casino licensee or applicant shall establish its financial stability by clear and convincing evidence in accordance with section 84(a) of the Act and this subchapter.

(b) The Commission may consider any relevant evidence of financial stability; provided, however, that a casino licensee or applicant shall be considered to be financially stable if it establishes by clear and convincing evidence that it meets each of the following standards:

1. The ability to assure the financial integrity of casino operations by the maintenance of a casino bankroll or equivalent provisions adequate to pay winning wagers to casino patrons when due. A casino licensee or applicant shall be found to have established this standard if it maintains, on a daily basis, a casino bankroll, or a casino bankroll and equivalent provisions, in an amount which is at least equal to the average daily minimum casino bankroll or equivalent provisions, calculated on a monthly basis, for the corresponding month in the previous year. For any casino licensee or applicant which has been in operation for less than a year, such amount shall be determined by the Commission based upon levels maintained by a comparable casino licensee;

2. The ability to meet ongoing operating expenses which are essential to the maintenance of continuous and stable casino operations. A casino licensee or applicant shall be found to have established this standard if it demonstrates the ability to achieve positive gross operating profit, measured on an annual basis;

3. The ability to pay, as and when due, all local, State and Federal taxes, including the tax on gross revenues imposed by subsection 144(a) of the Act, the investment alternative tax obligations imposed by subsection 144(b) and section 144.1 of the Act, and any fees imposed by the Act and Commission rules;

4. The ability to make necessary capital and maintenance expenditures in a timely manner which are adequate to ensure maintenance of a superior first class facility of exceptional quality pursuant to subsection 83(i) of the Act. A casino licensee or applicant shall be found to have established this standard if it demonstrates that its capital and maintenance expenditures, over the five-year period which includes the three most recent calendar years and the upcoming two calendar years, average at least five percent of net revenue per annum, except that any casino licensee or applicant which has been in operation for less than three years shall be required to otherwise establish compliance with this standard; and

5. The ability to pay, exchange, refinance or extend debts, including long-term and short-term principal and interest and capital lease obligations, which will mature or otherwise come due and payable during the license term, or to otherwise manage such debts and any default with respect to such debts. The Commission also may require that a casino licensee or applicant advise the Commission and Division as to its plans to meet this standard with respect to any material debts coming due and payable within 12 months after the end of the license term.

Any transaction not specified in this subsection shall not require prior Commission review and approval with regard to the financial stability standards set forth in this subchapter.

1. An agreement which provides for any borrowing for a purpose other than capital and maintenance expenditures; or

2. A guarantee of the debt of an affiliate, whether by cosignature or otherwise; an assumption of the debt of an affiliate, or an agreement to place any encumbrance on its approved casino hotel facility to secure the debts of an affiliate.

(b) In reviewing any transaction pursuant to (a) above, the Commission shall consider whether the transaction would deprive the casino licensee of financial stability, as defined by N.J.A.C. 19:43-4.2, taking into account the financial condition of the affiliate and the potential impact of any default on the licensee.

(c) Any subsequent use of the proceeds of a transaction previously approved by the Commission pursuant to (a) above, including subsequent drawings under previously approved borrowings, shall not require further Commission approval.

(d) The Commission may restrict or prohibit the transfer of cash to, or the assumption of liabilities on behalf of, an affiliate if, in the judgment of the Commission, such transfer or assumption would deprive the casino licensee of financial stability as defined by N.J.A.C. 19:43-4.2.

(d) Promptly after the filing of a notice pursuant to (c) above, the Commission shall inspect the physical changes actually made to the casino, casino simulcasting facility and any restricted area to ensure that those changes conform to the floor plan accompanying the notice and the description previously submitted to the Commission, as modified by any properly filed amendments thereto. Following such inspection, the Commission shall notify the casino licensee in writing as to which physical change is approved and which is rejected, whereupon:

1. The casino licensee, in the event any change is rejected, shall either:
