**NEW JERSEY DEPARTMENT OF ENVIRONMENTAL PROTECTION
NOTICE OF FINAL SETTLEMENT
HIGHLANDS WATER PROTECTION AND PLANNING ACT**

TAKE NOTICE THAT THE DEPARTMENT OF ENVIRONMENTAL PROTECTION, Division of Watershed Management, has entered into a Settlement Agreement with Crossroads Outdoor Ministries that finds that the construction of a Chapel Retreat Building including 30 beds, the removal of 3 existing tent platforms which presently have the capacity to accommodate 60 beds, the construction of a new director's house limited to the same number of bedrooms as the existing Director's House, the conversion of the existing Director's House to office use and addition of bathrooms to the Oakwood Cabin units is exempt from the Highlands Water Protection and Planning Act (Highlands Act). Crossroads Outdoor Ministries is located on property designated as Block 51, Lot 13 on the tax maps of Lebanon Township, Hunterdon County, New Jersey. The Highlands Act exemption is based on plans, consisting of 2 sheets entitled "Impervious Development for Crossroads Camping and Retreat Center Block 51, Lot 13 Township of Lebanon Hunterdon New Jersey," by Schoor DePalma Engineers and consultants, dated August 24, 2007, unrevised. These plans, together with conditions included in the settlement agreement, result in a major Highlands development that does not increase impervious surfaces by .25 of an acre or more and does not exceed 125 percent of the footprint of lawfully existing impervious surface on the subject property. The Settlement Agreement requires the removal and revegetation of 1,200 linear feet of an existing gravel road, which eliminates 10,800 square feet of impervious surface as defined in the Highlands Act. Therefore, based on the plans cited above, the Department has determined that the activities shown on those plans meet the requirements of N.J.S.A. 13:20-28a. (4) for exemption from the Highlands Act as a reconstruction of any building or structure for any reason. This Notice of Final Settlement, and the Settlement Agreement resolves the appeal by Crossroads Outdoor Ministries of DEP's August 23, 2005 Highlands Applicability Determination that these improvements were not exempt from regulation under the Highlands Act.

The New Jersey Department of Environmental Protection, Division of Watershed Management, has reviewed the below-listed Highlands Applicability and Water Quality Management Plan (WQMP) Consistency Determination Application(s) according to the requirements under N.J.S.A. 13:20 (The Highlands Water Protection and Planning Act) and issued the indicated determinations.
