SUBCHAPTER 1. GENERAL PROVISIONS

10:99-1.1 Purpose

The purpose of these rules is to further the policy of the State to encourage and assist people with severe disabilities to achieve maximum personal independence through productive employment by assuring a continuous market for commodities and services provided by them, thereby enhancing their dignity and capacity for self-support and minimizing their dependence on public assistance and the need for costly institutionalization.

Amended by R.2002 d.242, effective August 5, 2002.
See: 34 N.J.R. 1402(b), 34 N.J.R. 2840(b).

Substituted "people with severe disabilities" for "severely disabled individuals" and deleted "manufactured" following "commodities".

10:99-1.2 Scope

This chapter establishes a mechanism through which people with severe disabilities throughout the State of New Jersey are encouraged and enabled to become productively employed through participation in community rehabilitation programs. The rules ensure market continuity by placing commodity items and services on set-aside contracts for purchase by State agencies, municipalities, school districts, counties, quasi-State agencies, county and State colleges, volunteer fire departments, volunteer first aid and rescue squads, and independent institutions of higher learning.

Amended by R.2002 d.242, effective August 5, 2002.
See: 34 N.J.R. 1402(b), 34 N.J.R. 2840(b).
