

CHAPTER 3

LIVESTOCK AND POULTRY IMPORTATION

Authority

N.J.S.A. 4:5-54 through 75.

Source and Effective Date

R.1999 d.258, effective August 16, 1999.
See: 31 N.J.R. 1399(a), 31 N.J.R. 2325(a).

Chapter Expiration Date

In accordance with N.J.S.A. 52:14B-5.1c, Chapter 3, Livestock and Poultry Importation, expires on February 12, 2005. See: 36 N.J.R. 4285(a).

Chapter Historical Note

Chapter 3, Livestock and Poultry Importation, was filed and became effective prior to September 1, 1969.

Pursuant to Executive Order No. 66(1978), Chapter 3, Livestock and Poultry Importation, was readopted as R.1983 d.452, effective September 29, 1983. See: 15 N.J.R. 1205(a), 15 N.J.R. 1754(a).

Pursuant to Executive Order No. 66(1978), Subchapter 4, Livestock for Immediate Slaughter, expired on January 8, 1986.

Pursuant to Executive Order No. 66(1978), Chapter 3, Livestock and Poultry Importation, expired on June 18, 1989.

Chapter 3, Livestock and Poultry Importation, was adopted as new rules by R.1989 d.455, effective August 21, 1989. See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

Pursuant to Executive Order No. 66(1978), Chapter 3, Livestock and Poultry Importation, was readopted as R.1994 d.399, effective July 7, 1994. See: 26 N.J.R. 1908(a), 26 N.J.A.C. 3159(a). Pursuant to Executive Order No. 66(1978), Chapter 3 expired on July 7, 1999.

Chapter 3, Livestock and Poultry Importation, was adopted as new rules by R.1999 d.258, effective August 16, 1999, and former 2:5-3.1, Poultry importation, and 2:5-3.4, Routes: Interstate shipment through New Jersey of live poultry, were readopted by R.1999 d.258, effective July 15, 1999, and recodified as 2:3-6.4 and 2:3-6.5 and amended by R.1999 d.258, effective August 16, 1999. See: Source and Effective Date.

CHAPTER TABLE OF CONTENTS

SUBCHAPTER 1. GENERAL REQUIREMENTS

- 2:3-1.1 Interstate health certificate to accompany animals entering State
- 2:3-1.2 Contents of Certificate of Veterinary Inspection
- 2:3-1.3 Copy of Certificate of Veterinary Inspection to New Jersey Department of Agriculture
- 2:3-1.4 Expiration date of Certificates of Veterinary Inspection
- 2:3-1.5 Quarantine of livestock and poultry entering State
- 2:3-1.6 Importing diseased livestock and poultry
- 2:3-1.7 Prior import permits
- 2:3-1.8 Procedure on failure to meet importation requirements

SUBCHAPTER 2. CATTLE AND BISON IMPORTATIONS

- 2:3-2.1 Compliance with subchapter and importation requirements
- 2:3-2.2 Definitions
- 2:3-2.3 Tuberculosis testing
- 2:3-2.4 Tuberculosis test for imported cattle and bison

- 2:3-2.5 Brucellosis testing—Class Free States or areas
- 2:3-2.6 Brucellosis testing—Class A States or areas
- 2:3-2.7 Brucellosis testing—Class B and C States and areas
- 2:3-2.8 Brucellosis test for imported cattle and bison
- 2:3-2.9 Anaplasmosis or Bluetongue

SUBCHAPTER 3. SWINE IMPORTATION

- 2:3-3.1 Compliance with subchapter and importation requirements
- 2:3-3.2 Definitions
- 2:3-3.3 Brucellosis testing
- 2:3-3.4 Pseudorabies testing
- 2:3-3.5 Feeding swine

SUBCHAPTER 4. SHEEP AND GOAT IMPORTATION

- 2:3-4.1 Compliance and importation requirements

SUBCHAPTER 5. EQUINE IMPORTATION

- 2:3-5.1 Compliance with subchapter and importation requirements
- 2:3-5.2 Coggins test

SUBCHAPTER 6. POULTRY AND HATCHING EGG IMPORTATION

- 2:3-6.1 Compliance with subchapter and importation requirements
- 2:3-6.2 Pullorum testing
- 2:3-6.3 Salmonella enteritidis
- 2:3-6.4 Avian Influenza
- 2:3-6.5 Routes: Shipment of live poultry and poultry products
- 2:3-6.6 Exceptions

SUBCHAPTER 7. OSTRICH, EMU AND RHEA IMPORTATION

- 2:3-7.1 Compliance with importation requirements

SUBCHAPTER 8. CAPTIVE CERVID IMPORTATION

- 2:3-8.1 Compliance with importation requirements
- 2:3-8.2 Definitions
- 2:3-8.3 Tuberculosis testing

SUBCHAPTER 9. LLAMA IMPORTATION

- 2:3-9.1 Compliance with importation requirements

SUBCHAPTER 10. NUTRIA (MYOCASTER COYPU) IMPORTATION

- 2:3-10.1 Compliance with importation requirements

SUBCHAPTER 11. LIVESTOCK AND POULTRY FOR EXHIBITION

- 2:3-11.1 Compliance with importation requirements

SUBCHAPTER 1. GENERAL REQUIREMENTS

2:3-1.1 Interstate health certificate to accompany animals entering State

All livestock and poultry moved into New Jersey, except for immediate slaughter, shall be accompanied by an official Certificate of Veterinary Inspection approved by the livestock disease control agency of the state or county of origin. A Poultry Inspection Certificate or a Certification by the

appropriate state animal health official or its agent, in conformance with N.J.A.C. 2:9-1.3, may be used for poultry being transported directly to live bird markets in lieu of the Certificate of Veterinary Inspection. A National Poultry Improvement Plan (NPIP) Form 9-2 may be used for poultry transported to premises other than live poultry markets in lieu of the Certificate of Veterinary Inspection.

As amended, R.1978 d.402, eff. November 21, 1978.

See: 10 N.J.R. 416(a), 11 N.J.R. 2(b).

Amended by R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

Reference to Certificate of Veterinary Inspection and to NPIP Form 3-B, added.

Amended by R.2001 d.283, effective August 20, 2001.

See: 33 N.J.R. 1886(a), 33 N.J.R. 2806(a).

Inserted sentence following first sentence, substituted "9-2" for "3-8" and inserted "other than live poultry markets" in last sentence.

2:3-1.2 Contents of Certificate of Veterinary Inspection

(a) The official Certificate of Veterinary Inspection shall indicate that the livestock or poultry designated thereon comply with all requirements for entry into New Jersey.

(b) The official Certificate of Veterinary Inspection shall include a legible report of the following:

1. Complete name and address of consignor;
2. Origin of the livestock;
3. Complete name and address of consignee;
4. Destination of the livestock;
5. Description of the livestock which shall include species, breed, sex, and age of the animals. Cattle, sheep, goats and swine also shall be identified by ear tag, tattoo or registration name and number. Horses shall be identified by physical description and/or tattoo brand, or microchip;
6. A statement that the examining veterinarian personally inspected the animals described and found them free from visible symptoms of infectious, contagious, or communicable disease or known exposure thereto within 30 days of shipment; and
7. Additional information as required for each specific class of livestock or poultry.

As amended, R.1978 d.402, eff. November 21, 1978.

See: 10 N.J.R. 416(a), 11 N.J.R. 2(b).

Amended by R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

Certificate of Veterinary Inspection replaced interstate health certificate, at (b)5 method of identifying horses added and at (b)6 ... "not showing signs ..." added.

2:3-1.3 Copy of Certificate of Veterinary Inspection to New Jersey Department of Agriculture

A copy of the official Certificate of Veterinary Inspection shall be mailed promptly by the approving agency to the New Jersey Department of Agriculture, Division of Animal Health, PO Box 330, Trenton, New Jersey 08625-0330.

Amended by R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

Certificate of Veterinary Inspection replaced interstate health certificate.

2:3-1.4 Expiration date of Certificates of Veterinary Inspection

Official Certificates of Veterinary Inspection shall be void 30 days after issuance.

Amended by R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

Rule formerly at this cite was entitled "Notification of Department on receipt of livestock" repealed; current rule recodified from N.J.A.C. 2:3-1.5 and Certificate of Veterinary Inspection replaced interstate health certificate.

2:3-1.5 Quarantine of livestock and poultry entering State

All livestock and poultry entering the State are subject to quarantine by the New Jersey Department of Agriculture.

Amended by R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

Recodified from N.J.A.C. 2:3-1.6, slight language change.

2:3-1.6 Importing diseased livestock and poultry

Livestock and poultry from herds or flocks under quarantine because of any infectious, contagious, or communicable disease, or livestock and poultry currently classified as suspect because of any infectious, contagious, or communicable disease shall not be imported into the State.

2:3-1.7 Prior import permits

Permits for entry as required for a specific class of livestock or poultry may be obtained by the consignee from the New Jersey Department of Agriculture, Director, Division of Animal Health, PO Box 330, Trenton, New Jersey 08625-0330, telephone number 609-292-3965.

R.1983 d.445, effective October 17, 1983.

See: 15 N.J.R. 1290(a), 15 N.J.R. 1754(b).

Recodified from N.J.A.C. 2:3-1.8, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

2:3-1.8 Procedure on failure to meet importation requirements

Livestock and poultry not meeting the requirements of this subchapter shall be refused entry into the State, or if already in the State, shall remain under quarantine until slaughtered, returned to State or country of origin, or disposed of in accordance with decision of the New Jersey Department of Agriculture.

SUBCHAPTER 2. CATTLE AND BISON IMPORTATIONS

2:3-2.1 Compliance with subchapter and importation requirements

In addition to the general requirements for importation, all cattle and bison moved into New Jersey shall meet the specific requirements of this subchapter.

2:3-2.2 Definitions

The following words and terms, as used in this subchapter, shall have the following meanings, unless the context clearly indicates otherwise:

"Accredited free state" shall mean a state as defined in 9 C.F.R. Part 77.1.

"Accredited herd" shall mean a herd as defined in 9 C.F.R. Part 77.1.

"Certified brucellosis-free herd" shall mean a herd as defined in 9 C.F.R. Part 78.1.

"Class A State or area" shall mean a state or area as defined in 9 C.F.R. Part 78.1.¹

"Class B State or area" shall mean a state or area as defined in 9 C.F.R. Part 78.1.¹

"Class C State or area" shall mean a state or area as defined in 9 C.F.R. Part 78.1.¹

"Class Free State or area" shall mean a state or area as defined in 9 C.F.R. Part 78.1.¹

New Rule, R.1984 d.226, effective May 31, 1984.

See: 16 N.J.R. 294(a), 16 N.J.R. 1469(b).

Old section 2.2 "Importing diseased cattle and goats" recodified to 2:3-2.3.

Amended by R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

Definition of "accredited herd" repealed and replaced and C.F.R. cites corrected.

¹ Copies are filed with and may be received by writing to: Director, Division of Animal Health, New Jersey Department of Agriculture, Health-Agriculture Building, John Fitch Plaza, PO Box 330, Trenton, New Jersey 08625.

2:3-2.3 Tuberculosis testing

(a) All imported cattle and bison six months of age or over shall be negative to an official tuberculin test within 60 days prior to entry.

(b) Under special permit, steers or spayed heifers may be moved into New Jersey without an official tuberculin test prior to entry, provided they are held in quarantine apart from all other animals and tuberculin tested at no expense to the State within 30 days after entry; or steers and spayed heifers need not be tuberculin tested provided they are held in quarantine separate and apart from all other cattle, after entry, until sent to slaughter.

(c) Animals that originate from an accredited-free State or an accredited herd are exempt from tuberculosis testing. For an accredited herd, the Certificate of Veterinary Inspection shall include the accredited herd number of the herd of origin, the date on which the herd of origin was last tuberculin tested, and a statement by the accredited veterinarian that the animals were included in that last herd test, or were natural additions to the herd.

Amended by R.1976 d.98, effective April 1, 1976.

See: 8 N.J.R. 95(a), 8 N.J.R. 215(a).

Revised (a)-(c).

Amended by R.1981 d.39, effective February 4, 1981.

See: 13 N.J.R. 4(b), 13 N.J.R. 115(a).

Revised text.

Recodified from 2:3-2.3 and amended by R.1984 d.226, effective May 31, 1984.

See: 16 N.J.R. 294(a), 16 N.J.R. 1469(b).

Old section "Brucellosis test for imported cattle" recodified to 2:3-2.9.

Amended by R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

Deleted (a); redesignated existing (b) to (a); added new (b) and (c).

2:3-2.4 Tuberculosis test for imported cattle and bison

The Department may require cattle and bison imported to be tested for tuberculosis if in its judgment such testing would be necessary to prevent introduction of the disease.

2:3-2.5 Brucellosis testing—Class Free States or areas

All animals imported from Class Free States or areas are exempt from an official brucellosis test prior to entry.

New Rule, R.1984 d.226, effective May 31, 1984.

See: 16 N.J.R. 294(a), 16 N.J.R. 1469(b).

2:3-2.6 Brucellosis testing—Class A States or areas

(a) All animals imported from Class A States or areas except steers or spayed heifers must originate from and be members of, or natural additions to a herd that has been brucellosis tested negative within 15 months or 450 days of entry, but prior to 90 days of shipment, and the herd test date shall be entered on the Certificate of Veterinary Inspection.

(b) All animals imported from Class A States or areas six months of age or over shall be negative to an official brucellosis test within 30 days prior to entry.

(c) Official brucellosis vaccinated heifers under 14 months of age, steers and spayed heifers from Class A States or areas are exempt from brucellosis testing.

(d) Animals that originate from a certified brucellosis-free herd in a Class A State or area are exempt from brucellosis testing. For a certified brucellosis-free herd, the Certificate of Veterinary Inspection shall include the certified herd number of the herd of origin, the date on which the herd of origin was last tested for brucellosis, and a statement by the accredited veterinarian that the animals were included in the last herd test, or were natural additions to the herd.

New Rule, R.1984 d.226, effective May 31, 1984.

See: 16 N.J.R. 294(a), 16 N.J.R. 1469(b).

2:3-2.7 Brucellosis testing—Class B and C States and areas

(a) The conditions in this section apply to animals imported from Class B and Class C States and areas.

(b) A prior permit for movement shall be obtained by the consignee from the New Jersey Department of Agriculture, Director, Division of Animal Health.

(c) All animals to be imported must be members of or natural additions to a certified brucellosis-free herd.

(d) All animals six months of age or over shall be negative to an official brucellosis test within 30 days prior to entry, except official brucellosis vaccinated heifers under 14 months of age.

(e) The Certificate of Veterinary Inspection shall include the prior permit number, certified brucellosis-free herd number of the herd of origin, the date on which the herd of origin was last tested for brucellosis, and a statement by an accredited veterinarian that the animals being imported were included in the last herd test, or were natural additions to the herd.

(f) The imported animals shall be quarantined separate and apart from native animals upon entry into the State until brucellosis-tested negative at owner's expense, not less than 45 or more than 120 days after entry into the State.

Repeal and New Rule, R.1984 d.226, effective May 31, 1984.
See: 16 N.J.R. 294(a), 16 N.J.R. 1469(b).

Old section was "Dip treatment of sheep originating in state with scabies".

Amended by R.1989 d.455, effective August 21, 1989.
See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

New (a)2 added, requirements for contents of Certificate of Veterinary Inspection; recodified (a)2-3 as (a)3-4, old 4 deleted, at (a)5 owners expense added and (a)6 deleted and new language added.

2:3-2.8 Brucellosis test for imported cattle and bison

(a) The Department may require cattle and bison imported to be tested for brucellosis if in its judgment such testing would be necessary to prevent introduction of the disease.

(b) Brucellosis test requirements shall be waived if it is determined that cattle and bison are from an area of equal disease-free states as New Jersey, and did not pass through a livestock auction.

Amended by R.1981 d.39, effective February 4, 1981.

See: 13 N.J.R. 4(b), 13 N.J.R. 115(a).

Stylistic changes in (a); added (b).

Recodified from 2:3-2.4 and amended by R.1984 d.226, effective May 31, 1984.

See: 16 N.J.R. 294(a), 16 N.J.R. 1469(b).

Recodified from 2:3-2.4 to 2.9 with revisions in (b).

Repeal and recodification from 2:3-2.9 by R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

Revised text. Old section was "Interstate health certificate. The following annotation was originally part of 2:3-2.8 Interstate health certificate:"

New Rule, R.1984 d.226, effective May 31, 1984.

See: 16 N.J.R. 294(a), 16 N.J.R. 1469(b).

2:3-2.9 Anaplasmosis or Bluetongue

(a) Cattle or bison from states with endemic Anaplasmosis or Bluetongue, as determined by the United States Department of Agriculture, must have a negative test within 30 days of entry, or be tested negative at owner's expense following entry.

(b) Anaplasmosis positive animals will be quarantined until three repeated tests at least 30 days apart are negative or returned to state of origin.

(c) Bluetongue positive animals will be quarantined and must be isolated until epidemiology and retesting discloses no potential threat to contact animals.

New Rule, R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

Old section "Brucellosis test for imported cattle" was recodified to 2:3-2.8.

SUBCHAPTER 3. SWINE IMPORTATION

2:3-3.1 Compliance with subchapter and importation requirements

In addition to the general requirements for importation, N.J.A.C. 2:3-1.1 through 1.4, all swine moved into New Jersey shall meet the specific requirements of this subchapter.

Amended by R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

N.J.A.C. cite corrected.

2:3-3.2 Definitions

The following words and terms, as used in this subchapter, shall have the following meanings, unless the context clearly indicates otherwise.

"Qualified pseudorabies negative herd" shall mean a herd as defined in 9 C.F.R. Part 85.1, incorporated herein by reference, as amended and supplemented.

"Validated brucellosis-free herd" shall mean a herd as defined in 9 C.F.R. Part 78.1, incorporated herein by reference, as amended and supplemented.

"Validated brucellosis-free state" shall mean a state as defined in 9 C.F.R. Part 78.1, incorporated herein by reference, as amended and supplemented.

2:3-3.3 Brucellosis testing

(a) All imported swine shall be negative to an official brucellosis test within 30 days prior to entry.

(b) Swine that originate from a validated brucellosis-free state or a validated brucellosis-free herd are exempt from brucellosis testing. For a validated brucellosis-free herd, the Certificate of Veterinary inspection must include the validated brucellosis-free herd number of the herd of origin and the date on which the herd of origin was last tested for brucellosis.

2:3-3.4 Pseudorabies testing

(a) As used in this section, "Stage II State/Area," "Stage III State/ Area," "Stage IV State/Area" and "Stage V State/Area" refer to those Stages established under "Pseudorabies Eradication State-Federal Industry Uniform Methods and Rules" (U.S. Department of Agriculture, 1999, APHIS 91-55-047, as amended and supplemented).

(b) All imported swine shall be negative to an official pseudorabies test within 30 days prior to entry. Swine shall be held in quarantine on the farm of destination separate and apart from all native animals until retested in 30 to 60 days following importation.

(c) Swine that originate from a pseudorabies Stage IV or V State/Area or originate from a qualified pseudorabies negative herd are exempt from pseudorabies testing. For a qualified pseudorabies negative herd, the Certificate of Veterinary Inspection shall include the qualified pseudorabies negative herd number of the herd of origin, and the date on which the herd of origin was last tested for pseudorabies.

(d) Swine that are imported for the exclusive purpose of feeding for slaughter ("feeder swine") are exempt from pseudorabies testing if:

1. Shipped directly from a farm of origin in a pseudorabies Stage III State/Area; or
2. Shipped directly from a feeder-pig-monitored herd in a pseudorabies Stage II State/Area under the following conditions:
 - i. The swine shall enter on permit directly to a designated feedlot;
 - ii. The swine shall originate from an approved feeder pig market; or
 - iii. The swine shall be quarantined until they are sent to slaughter.

(e) Importation into the State of New Jersey of swine vaccinated for pseudorabies is prohibited unless a permit has been issued by the New Jersey Department of Agriculture, Director, Division of Animal Health.

Amended by R.2001 d.283, effective August 20, 2001.

See: 33 N.J.R. 1886(a), 33 N.J.R. 2806(a).

In (a), substituted "Pseudorabies Eradication" for "Brucellosis Control/Eradication", "1999" for "1990", and "047" for "016".

2:3-3.5 Feeding swine

Feeding swine shall be consigned to a recognized feeder and shall remain on the premises of the consignee until slaughtered or remain on the premises a minimum of 30 days before being consigned to a second recognized feeder. Such transfer shall be under permit. Feeding swine shall be maintained separate and apart from breeding swine and shall not be converted to breeding purposes.

R.1982 d.237, effective August 2, 1982.

See: 14 N.J.R. 487(b), 14 N.J.R. 833(a).

Recodified from N.J.A.C. 2:3-3.7, R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

N.J.A.C. 2:3-3.6 was formerly rules entitled Quarantine of imported feeder swine and the following annotations pertain to that rule:

As amended, R.1970 d.89, eff. July 31, 1970.

See: 2 N.J.R. 53(a), 2 N.J.R. 69(a).

As amended, R.1972 d.134, eff. July 1, 1972.

See: 4 N.J.R. 115(b), 4 N.J.R. 180(d).

As amended, R.1975 d.80, eff. April 1, 1975.

See: 7 N.J.R. 90(b), 7 N.J.R. 190(a).

Repealed by R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

SUBCHAPTER 4. SHEEP AND GOAT IMPORTATION

2:3-4.1 Compliance and importation requirements

All sheep and goats moved into New Jersey shall meet the general requirements for importation, N.J.A.C. 2:3-1.1 through 1.4.

SUBCHAPTER 5. EQUINE IMPORTATION

2:3-5.1 Compliance with subchapter and importation requirements

In addition to the general requirements for importation, N.J.A.C. 2:3-1.1 through 1.4, all equidae moved into New Jersey shall meet the specific requirements of this subchapter.

2:3-5.2 Coggins test

All imported equidae shall have had a negative Coggins test for equine infectious anemia conducted at a jointly approved United States Department of Agriculture—State laboratory within the past 12 months. Equidae younger than six months and accompanied by a dam that has a negative Coggins test within the past 12 months are exempt from this testing requirement.

Amended by R.2001 d.283, effective August 20, 2001.

See: 33 N.J.R. 1886(a), 33 N.J.R. 2806(a).

Added sentence.

SUBCHAPTER 6. POULTRY AND HATCHING EGG IMPORTATION

2:3-6.1 Compliance with subchapter and importation requirements

(a) In addition to the general requirements for importation, N.J.A.C. 2:3-1.1 through 1.4, all poultry and hatching eggs moved into New Jersey shall meet the specific requirements of this subchapter.

(b) For purposes of these subchapters, "flock" is defined as a group of birds held separately from other poultry that have been housed together for at least 21 days.

Emergency amendment, R.2004 d.119, effective February 23, 2004 (to expire April 23, 2004).

See: 36 N.J.R. 1608(a).

Codified section as (a) and added (b).

Adopted concurrent amendment, R.2004 d.197, effective April 23, 2004.

See: 36 N.J.R. 1608(a), 36 N.J.R. 1751(a), 36 N.J.R. 2488(b).

Provisions of R.2004 d.119 adopted without change.

2:3-6.2 Pullorum testing

(a) All poultry imported for flock replacement shall originate from flocks classified as pullorum-typhoid clean under the National Poultry Improvement Plan, 9 C.F.R. Chapter 1 (1-1-99 Edition), Subchapter G, Part 145.

(b) All eggs imported for hatching shall originate from hatcheries or premises classified as pullorum-typhoid clean under the National Poultry Improvement Plan.

2:3-6.3 Salmonella enteritidis

Chickens imported into the State for the purpose of producing eggs for human consumption and hatching eggs imported for the purpose of raising chickens that will produce eggs for human consumption shall meet the standards of the United States Sanitation Monitored Program of the National Poultry Improvement Plan, 9 C.F.R. Chapter 1 (1-1-99 Edition), Subchapter G, Part 145, incorporated herein by reference, as amended and supplemented.

2:3-6.4 Avian influenza

(a) No live poultry originating from those designated areas or counties with confirmed cases of Avian Influenza, so designated by the New Jersey Department of Agriculture, United States Department of Agriculture, or other state Departments of Agriculture shall be imported into New Jersey for any purposes unless inspected by, or under a prior permit of, the New Jersey Department of Agriculture.

(b) No hatching eggs, chicks or poults shall be imported into New Jersey from a designated area or county with confirmed cases of Avian Influenza unless inspected by, or under a prior permit of, the New Jersey Department of Agriculture.

(c) The New Jersey Department of Agriculture may enter into agreements with the United States Department of Agriculture or the Departments of Agriculture of other states to allow the importation of those items enumerated in (a) and (b) above, if originating from a designated county or area of Avian Influenza and from a flock operating under the National Poultry Improvement Plan which agreements shall include, but not necessarily be limited to, the following:

1. A Certificate of Veterinary Inspection;
2. A certificate of origin;
3. A certificate of transportation; and
4. An agreement to follow the rules and orders of the Department of Agriculture.

(d) Permits may be obtained from the New Jersey Department of Agriculture, Director, Division of Animal Health, PO Box 330, Trenton, New Jersey 08625-0330, telephone number 609-292-3965.

(e) No person shall import any poultry or hatching eggs into the State for auctions and live bird markets, unless the poultry or hatching eggs:

1. Originate from a flock that participates in the National Poultry Improvement Plan (NPIP) "U.S. Avian Influenza Clean" program and the shipment is accompanied by a USDA form 9-3 or other NPIP form;
2. Originate from an Avian Influenza monitored flock, which is a flock that is being tested routinely for Avian Influenza using a test approved by the USDA, in which at least 10 birds from each group housed together are tested monthly and any additions shall originate from a similar flock;
3. Originate from a flock in which a random sample of 10 birds from each group housed together are serologically tested negative for Avian Influenza within 10 days prior to the date of movement into New Jersey, using a test approved by the USDA; or
4. Each individual bird shall serologically test negative for Avian Influenza within 10 days prior to the date of movement into New Jersey, using a test approved by the USDA.

Amended by R.1989 d.454, effective August 21, 1989.

See: 21 N.J.R. 1479(a), 21 N.J.R. 2472(a).

Punctuation and upper casing corrected.

Administrative correction to (b).

See: 22 N.J.R. 628(a).

Emergency amendment, R.2004 d.119, effective February 23, 2004 (to expire April 23, 2004).

See: 36 N.J.R. 1608(a).

Added (e).

Adopted concurrent amendment, R.2004 d.197, effective April 23, 2004.

See: 36 N.J.R. 1608(a), 36 N.J.R. 1751(a), 36 N.J.R. 2488(b).

Provisions of R.2004 d.119 adopted without change.

2:3-6.5 Routes: Shipment of live poultry and poultry products

(a) All trucks carrying live poultry through New Jersey from out-of-State markets shall confine themselves to interstate highway system roads.

(b) All trucks carrying birds for slaughter in New Jersey, live poultry, poultry offal, poultry manure or litter through or into New Jersey shall follow routes designated by the Director of the Division of Animal Health. The Director may order additional routing requirements as conditions warrant.

(c) All trucks specified in (b) above shall adhere to the following routes:

1. All trucks traveling through New Jersey shall travel only on the interstate highway system, excluding Route 40, which is in close proximity to large poultry production houses.

2. Trucks entering New Jersey for the Vineland vicinity shall adhere to one of the following routes:

i. From Pennsylvania or Delaware: Across the Delaware Memorial Bridge north on I-295, or the New Jersey Turnpike to Route 322, east on Route 322 to Route 55 south.

(1) To B & B Poultry: Take State Route 56 West to County Route 638 then to Almond Road (County Route 540).

(2) To Vineland Kosher Poultry, Inc.: Take State Route 56 East to South Mill Road.

ii. From Pennsylvania or Delaware: Across the Commodore Barry Bridge to Route 322 to Route 55 and then follow one of the routes set forth in (c)2i above.

iii. From New York: On the New Jersey Turnpike to Route 322 east and then follow one of the routes set forth in (c)2i above.

3. Routes for other destinations in New Jersey will be provided upon request to the Department of Agriculture, Division of Animal Health.

4. A map or directions with required travel routes is available upon request to the Department of Agriculture, Division of Animal Health.

Amended by R.1989 d.454, effective August 21, 1989.

See: 21 N.J.R. 1479(a), 21 N.J.R. 2472(a).

(a)1 and 2 deleted.

Emergency amendment, R.2004 d.119, effective February 23, 2004 (to expire April 23, 2004).

See: 36 N.J.R. 1608(a).

Rewrote (b); added (c).

Adopted concurrent amendment, R.2004 d.197, effective April 23, 2004.

See: 36 N.J.R. 1608(a), 36 N.J.R. 1751(a), 36 N.J.R. 2488(b).

Provisions of R.2004 d.119 adopted without change.

2:3-6.6 Exceptions

The State Veterinarian may grant a request to waive the requirements of this subchapter. The State Veterinarian shall grant waivers only in writing and upon epidemiological evaluation and risk determination.

Emergency New Rule, R.2004 d.119, effective February 23, 2004 (to expire April 23, 2004).

See: 36 N.J.R. 1608(a).

Adopted concurrent new rule, R.2004 d.197, effective April 23, 2004.

See: 36 N.J.R. 1608(a), 36 N.J.R. 1751(a), 36 N.J.R. 2488(b).

Provisions of R.2004 d.119 adopted without change.

SUBCHAPTER 7. OSTRICH, EMU AND RHEA IMPORTATION**2:3-7.1 Compliance with importation requirements**

Ostrich, emu and rhea moved into New Jersey shall meet the general requirements for importation, N.J.A.C. 2:3-1.1 through 1.4.

SUBCHAPTER 8. CAPTIVE CERVID IMPORTATION**2:3-8.1 Compliance with importation requirements**

In addition to the general requirements of importation, N.J.A.C. 2:3-1.1 through 1.4, all captive cervids moved into New Jersey shall meet the specific requirements of this subchapter.

2:3-8.2 Definitions

The following words and terms, as used in this subchapter, shall have the following meanings, as defined in 9 C.F.R. Part 77, Subpart B-Captive Cervids.

“Accredited herd” shall mean a herd of captive cervids that has tested negative to at least three consecutive official tuberculosis tests of all eligible cervids conducted at nine to 15-month intervals.

“Captive cervids” shall mean all species of deer, elk, and moose, and all other members of the family Cervidae raised or maintained in captivity for the production of meat and other agricultural products, for sport, or for exhibition.

“Qualified herd” shall mean a herd of captive cervids that has tested negative to at least one official tuberculosis test of all eligible captive cervids within the past 12 months, and that is not classified as an accredited herd.

2:3-8.3 Tuberculosis testing

(a) All captive cervids:

1. Shall have passed an official tuberculin test twice, 90 days apart, prior to entry;
2. Shall have originated from an accredited herd provided that they are accompanied by a Certificate of Veterinary Inspection stating that such animals originate from an accredited herd; or
3. Shall have originated from a qualified herd provided that they are accompanied by a Certificate of Veterinary Inspection stating that such animals originate from a qualified herd and have been classified negative to an official tuberculosis test that was conducted within 90 days prior to the date of movement.

SUBCHAPTER 9. LLAMA IMPORTATION
2:3-9.1 Compliance with importation requirements

Llamas moved into New Jersey shall meet the general requirements for importation, N.J.A.C. 2:3-1.1 through 1.4.

**SUBCHAPTER 10. NUTRIA (MYOCASTER
COYPU) IMPORTATION**
2:3-10.1 Compliance with importation requirements

All nutria shall meet the general requirements for importation, N.J.A.C. 2:3-1.1 through 1.4.

Amended by R.1989 d.455, effective August 21, 1989.

See: 21 N.J.R. 1477(a), 21 N.J.R. 2470(a).

Nutria, spelling correction.

**SUBCHAPTER 11. LIVESTOCK AND POULTRY
FOR EXHIBITION**
2:3-11.1 Compliance with importation requirements

In addition to the general requirements for importation, N.J.A.C. 2:3-1.1 through 1.4, all livestock and poultry imported for exhibition, including rodeo stock, shall also comply with the requirements for each specific class of livestock or poultry.
