1:30-5.3 Informal public input; notice of pre-proposal

(a) Where, prior to the initiation of a formal rulemaking proceeding, an agency seeks assistance in formulating a rule or wishes comments on a preliminary rule draft, it may solicit public input regarding the rulemaking. An agency may use any reasonable informal procedures and means of notice to solicit participation from the regulated or interested public.

(b) Where, pursuant to N.J.S.A. 52:14B-4(e), an agency determines to conduct a deliberative proceeding with respect to a contemplated rulemaking, the agency shall submit a "notice of pre-proposal" to the OAL for publication in the *New Jersey Register* at least 30 days prior to submission of any formal notice of proposal on the same subject.

(c) The notice of pre-proposal shall include:

1. The name of the adopting officer and agency;
2. The subject matter, problem and purpose which the agency contemplates addressing; and, when available, draft text of the contemplated rule;
3. A citation of the legal authority authorizing the contemplated action;

(c) If a proposal has not been adopted and filed with the OAL within one year from the date the notice of proposal was published in the New Jersey Register, the proposal expires. Before the proposed rule amendment, repeal or re-adoption can be adopted, the agency must resubmit the notice of proposal for publication in the Register and must comply again with the notice and opportunity to be heard requirements of the Act.

1:30-6.3 Variance between the rule as proposed and as adopted

(a) Where, following the notice of proposal, an agency determines to make changes in the proposed rule which are so substantial that the changes effectively destroy the value of the original notice, the agency shall give a new notice of proposal and public opportunity to be heard.

(b) In determining whether the changes in the proposed rule are so substantial, consideration shall be given to the extent that the changes:

1. Enlarge or curtail who and what will be affected by the proposed rule;
2. Change what is being prescribed, proscribed or otherwise mandated by the rule;
3. Enlarge or curtail the scope of the proposed rule and its burden on those affected by it.

(c) Where the changes between the rule as proposed and as adopted are not substantial, the changes shall not prevent the adopted rule from being accepted for filing. Changes which are not substantial include:

1. Spelling, punctuation, technical, and grammatical corrections;
2. Language or other changes, whose purpose and effect is to clarify the proposal or correct printing errors; and
3. Minor substantive changes which do not significantly enlarge or curtail the scope of the rule and its burden, enlarge or curtail who or what will be affected by the rule, or change what is being prescribed, proscribed or mandated by the rule.

In (a), substituted "proposal" for "proposed rule".

Case Notes

Adopted rule regarding water quality management planning rules for septic-reliant developments was a significant change from noticed proposal to which public responded regarding comprehensive change in clean water policy, and thus new notice of proposal and public opportunity to be heard were required. In Re Amendments N.J.A.C. 7:15-8, 349 N.J.Super. 320, 793 A.2d 773.

Board of Public Utilities was not required to request additional notice and comments after initial rule proposal and comment period with respect to regulations establishing rate caps on alternate operator service (AOS) providers in telecommunications industry, where there were no changes to actual regulations proposed by the Board, and final rules were essentially identical to those proposed by the Board. In the Matter of the Regulation of Operator Service Providers, 778 A.2d 546 (2001).

Board of Public Utilities' adoption of rate caps on alternate operator service (AOS) providers in telecommunications industry after change in operator service provider's (OSP) rates which Board selected as appropriate benchmark for calls which required intervention of live operator was not arbitrary, capricious, or an abuse of discretion, where the Board stated that it analyzed OSP's increase and was satisfied that caps were still reasonable and met Board's goal of striking a balance between financial integrity of payphone providers and public interest, Board specifically relied on fact that rates for calls which required intervention of a live operator could be increased an additional \$1.00 to \$5.25, and Board concluded that the \$1.00 raise would serve to further mitigate any charges or other costs that might be incurred. In the Matter of the Regulation of Operator Service Providers, 778 A.2d 546 (2001).

Changes regarding the Board of Public Utilities' assumptions underlying proposed rule did not render Board's adoption of rate caps on alternate operator service (AOS) providers in telecommunications industry arbitrary, capricious, and an abuse of discretion. In the Matter of the Regulation of Operator Service Providers, 778 A.2d 546 (2001).

To determine whether re-proposal of rule is required, the court must focus on whether changes in text of rule which occurred after initial publication and before adoption of final rule destroyed value of original notice. In the Matter of the Regulation of Operator Service Providers, 778 A.2d 546 (2001).

When material changes in the text of a proposed rule occur after initial publication and before adoption of final rule, agency must issue and publish further notice seeking comments prior to adoption of final version of rule. In the Matter of the Regulation of Operator Service Providers, 778 A.2d 546 (2001).

Agency provided sufficient notice and opportunity to comment on proposed regulations to trade organization where changes favorable to organization were made in response to organization's comments. Matter of Adoption of Amendments to N.J.A.C. 7:27-16, 244 N.J.Super. 334, 582 A.2d 824 (A.D.1990).

Regulation definition as adopted was not so substantially different from version proposed as to require agency to hold new hearings with opportunity for new public comment. Appeal of Adoption of N.J.A.C. 7:7A-1.4 (Definition of "Documented Habitats For Threatened and Endangered Species" and "Swale"), 7:7A-2.5(b)(2), and 7:7A-2.7(f), 240 N.J.Super. 224, 573 A.2d 162 (A.D.1989), reversed 118 N.J. 552, 573 A.2d 143.

Rule adopted differed so substantially from proposal as to violate Administrative Procedure Act. Matter of Adoption of Regulations Governing Volatile Organic Substances in Consumer Products, N.J.A.C. 7:27-23, 239 N.J.Super. 407, 571 A.2d 971 (A.D.1990).

Rules regulating smoking in public places adopted for the state sanitary code by the public health council were invalid. Atty.Gen.F.O.1978, No. 7.

Public health council could extend effective date of invalid rules regulating smoking in public place by filing an order with the division of administrative procedure amending its order of adoption. Atty.Gen.F.O.1978, No. 7.

1:30-6.4 Expiration date for adopted rule

(a) Every chapter in the Administrative Code in effect as of January 16, 2001 shall expire on July 1, 2006, unless a different expiration date has been established for the chapter in accordance with (f) below or no expiration date is required pursuant to (c) below. Every chapter adopted or readopted on or after July 1, 2001 shall expire five years after the chapter's effective date, unless a sooner expiration date is established in accordance with (f) below or no expiration date is required pursuant to (c) below. Every chapter first effective from January 17, 2001 through June 30, 2001 shall, pursuant to Executive Order No. 66(1978), expire five years after the chapter's effective date, unless a sooner expiration date is established for the chapter or the chapter is readopted in accordance with (f) below, or no expiration date is required under that Executive Order. All notices of adoption filed with the OAL shall include the expiration date(s) of the rules affected by the adoption.

(b) Expiration dates shall be fixed at the chapter level. An adopted new chapter shall have an expiration date no more than five years from the chapter's effective date.

(c) No expiration date need be included where the adopting agency establishes in writing that the rules in a chapter are exempt from the expiration date requirement under (c)1 or 2 below:

1. The provisions of the rules are prescribed by Federal law, so that the agency exercises no discretion as to whether to promulgate the rules and as to what is prescribed by the rules, in which case the Federal law shall be cited in the notice of adoption; or

2. The expiration of the rules would violate any other Federal or State law, in which case the Federal or State law shall be cited in the notice of adoption.

(d) The Governor may, upon the request of an agency head, and prior to the expiration date of the rule, continue in effect an expiring rule for a period to be specified by the Governor.

(e) An expiration date shall remain effective, irrespective of any subsequent amendments to the rules, short of a complete repeal and promulgation of the whole chapter.

1. Any notice of adoption of an amendment to a chapter shall include the expiration date which has been established for the chapter.

(f) In order to maintain the effectiveness of a chapter of rules, the rules must be duly proposed for re-adoption, adopted and filed on or before the chapter expiration date. Upon the filing of a notice of proposed re-adoption, the expiration date of the subject chapter shall be extended for 180 days, if such notice is filed with the Office of Administrative Law on or before the chapter expiration date. If the chapter expiration date falls on a Saturday, Sunday or legal holiday, the 180-day expiration date extension shall take effect if the filing of the notice of proposed re-adoption occurs no later than the next business day after the expiration date. The readopted rules are effective upon filing with the Office of Administrative Law.

1. The new expiration date resulting from the completion of the re-adoption process shall be calculated from the date of filing of the re-adoption notice of adoption.

2. Any amendments to readopted rules are effective upon publication of the notice of adoption.

(g) Any re-adoption of rules which is proposed and could be adopted prior to their expiration date under (f) above, but is not filed for adoption with the OAL until after the rules' expiration date, shall be considered new rules which are effective upon publication of the notice of adoption in the Register. The new expiration date shall be calculated from the date of publication.

(h) Any proposed re-adoption of rules which expired before filing of the notice of proposal shall be considered proposed new rules.

1:30-6.5 Emergency rule adoption and concurrent proposal

(a) Any agency adopting an emergency rule pursuant to N.J.S.A. 52:14B-4(c) shall comply with the requirements of the adoption procedure. The documents to be filed for an emergency rule adoption shall include:

1. A Certificate of Proposal, Adoption and Promulgation (form OAL APF-[date]) signed by the agency head adopting the emergency rule;

2. A written summary of the subject matter of the emergency rules, which includes a finding that there is an imminent peril which necessitates emergency proceedings; the basis for the finding; and social and economic factors which bear upon the finding;

3. A signed statement from the Governor concurring as to the existence of an imminent peril which justifies the emergency rulemaking proceeding; and

4. The text of the emergency rule.

(b) An emergency rule is effective upon filing with the OAL.

(c) Upon filing with the Office of Administrative Law, the OAL shall transmit the Certificate of Proposal, Adoption and Promulgation, the Governor's signed statement, and a copy of the emergency rule to the President of the Senate and the Speaker of the General Assembly.

(d) To continue the provisions of an emergency rule beyond the statutory 60-day period of emergency (see N.J.S.A. 52:14B-4(c)), the agency may propose the provisions of the emergency rule in a notice of proposal which is filed with the OAL at the same time that the emergency adoption is filed. The notice of emergency adoption shall state that the rule is being proposed concurrently. The concurrent proposal shall comply with N.J.A.C. 1:30-5.1 and may be adopted after the comment period. The adoption of the concurrent proposal shall be effective upon timely filing of the notice of adoption with the OAL. As used in the preceding sentence, "timely" means on or before the expiration date of the emergency rule. Any changes to the re-adopted rule shall be effective upon publication of the notice of adoption.

(e) An adoption of a concurrent proposal filed after the expiration of the emergency rule shall be effective upon publication in the Register.

(f) The provisions of an emergency rule shall not be re-adopted as an emergency rule.

Case Notes

Public health council could extend effective date of rules regulating smoking in public place as part of the state sanitary code which were invalid due to procedural defect of lack of a hearing, by filing an order with the division of administrative procedure amending its order of adoption and thereby allowing additional time for it to submit a new proposal in a procedurally correct manner.
