NEW JERSEY STATE LIBRARY • 185 West State Street/CN 520 • Trenton, N. J. • 08625 - 0520

October 25, 1989

The New Jersey State Department of Education has established new procedures for extending contracts beyond the ending date. If you think you will not be able to complete your project by the ending date on your contract, you must contact Brian Goldsmith, Business Manager at the State Library, (609) 984-6714, at least **two months** before the ending date to request an extension. You will be required to submit a statement explaining why the contract should be extended and a Board Resolution authorizing the request for an extension. These documents, along with a new page one of the contract, must be submitted to the Department two weeks **before** the ending date of the contract. If these procedures are followed, there should be no problem extending the contract. **No requests for extensions initiated after the ending date will be approved.**
