PREAMBLE

This Agreement made between the State of New Jersey, hereinafter referred to as the "State" and the The State Supervisory Employees Association affiliated with the New Jersey Civil Service Association/New Jersey State Employees Association (CSA/SEA), hereinafter referred to as the "Association", covering employees in the Primary Level Supervisors Unit, has as its purpose the improvement and promotion of harmonious employee relations between the State and its employees represented by the Association, the establishment of equitable and peaceful procedures for the amicable resolution of all disputes and grievances, and the determination of the wages, hours of work and other terms and conditions of employment.

Now, therefore, in consideration of the mutual promises of this Agreement, the parties agree as follows:

ARTICLE I

RECOGNITION OF RIGHTS AND DEFINITIONS

A. Recognition of Association and Unit

1. The State by the Office of Employee Relations in the Governor's Office hereby recognizes the Association as the exclusive representative for collective negotiations for wages, hours of work and other terms and conditions of employment for all its employees in the state-wide Primary Level Supervisors Unit. The State will not negotiate with nor grant rights afforded under terms or provisions of this Agreement to any other employee organization in connection with the employees in this unit.

2. a. Included are all full-time permanent, classified, unclassified and provisional employees and all permanent full-time ten (10) month employees (classified, unclassified and provisionals) and permanent part-time employees (classified, unclassified and provisionals) who are employed a minimum of twenty (20) hours per week and who are included in the classifications listed in Appendix II.

b. Whenever new classifications of employees are created, the State shall assign to such classification a unit designation, if appropriate. The State will notify the Association in writing of such designation to or elimination of title from this negotiations unit thirty (30) days prior to the effective date of amending such listing. If requested in writing, the State will discuss any such designation with the Association. In the event the parties can not reach agreement following such discussions, the dispute may only be submitted to the Public Employment Relations Commission for resolution consistent with its rules and regulations.

3. Excluded are:

- a. Managerial Executives
- b. Non-Primary Level Supervisors
- c. Confidential employees
- d. Policemen

- e. Craft and (non-primary level supervisory) Professional employees
- f. Classifications designated within other recognized and appropriate units
- g. Classifications within the Department of Higher Education except those in the State College System and at the Department Central Office which are included.

h. All other employees of the State of New Jersey.

B. Management Rights

1. The State, its several Departments and subordinate functions retain and may exercise all rights, powers, duties, authority and responsibilities conferred upon and vested in them by the laws and constitutions of the State of New Jersey and of the United States of America.

2. Except as specifically abridged, limited or modified by the terms of this Agreement between the State and the Association, all such rights, powers, authority, prerogatives of management and responsibility to promulgate and enforce reasonable rules and regulations governing the conduct and the activities of employees are retained by the State.

C. Definitions

1. All references to employees in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

2. The term "holiday" means any day so designated under Article XV or a day especially designated by the Governor.

3. The term "work unit" refers to a group of employees whose activities are closely related and whose conditions of work are governed by a single element of managerial activity. "Organizational Unit" is an institution or a functional activity of one of the departments of State government as from time to time may be designated by the State. Each employee will be informed by his appropriate departmental authorities of the work unit and organizational unit in which he is employed.

4. An unfair practice is any action of either party so defined in Amendments to Chapter 303, Laws of 1968.

D. Comprehensive Employment and Training Act (CETA)

1. Employees who are within the classifications included in this unit but appointed under the CETA Program are considered to be subject to all provisions of this Agreement as provisional employees except that the Federal legislation and regulations concerning this program and any agreement between the State and any local government prime sponsor which is involved shall be in effect and modify the provisions of this Agreement which would otherwise be operable.

2. Any grievance as to whether or not the provisions of the Agreement conflict with Federal legislation or regulations or any agreement with a local government prime sponsor shall be considered to be governed under A.2. of the Grievance

Procedure or if relating to any matter within Paragraph C, Section 1., of the Grievance Procedure, then directly to the Civil Service Department.

ARTICLE II

POLICY AGREEMENTS

A. Non-Discrimination

The State and the Association agree there shall be no discrimination against any employee because of age, sex, marital status, race, color, religion, national origin, physical handicap, political affiliation or Association membership, or legal Association activity permitted herein.

B. Dues Deduction and Membership Information

1. Dues Deduction

a. The State agrees to deduct from the regular paycheck of any employee dues of the Association, provided the employee submits an authorization for dues deductions in writing and in proper form to the responsible payroll clerk. On receipt of the form, the payroll clerk shall forward it within three (3) working days to the centralized payroll section, Department of the Treasury. Dues deduction will be reflected in the paycheck for the current pay period, provided the form is received in centralized payroll at least seven (7) calendar days prior to the end of the pay period otherwise to be reflected in the next pay period. If violations of these time frames are brought to the attention of the State, the State will review the matter and solve the problem prospectively forthwith.

b. Dues deductions for any employee in this negotiating unit shall be limited to the Association. Employees shall be eligible to withdraw such authorization only as of July 1 of each year provided the notice of withdrawal is filed timely after May 15 with the responsible payroll clerk.

c. Dues so deducted by the State shall be transmitted to the designated officer of the Association together with a listing of the employees included.

d. The Association shall certify to the State the amount of Association dues and shall notify the State of any change in dues structure thirty (30) days in advance of the requested date of such change. The change shall be reflected in payroll deduction at the earliest time after receipt of the request.

e. Whenever an employee's dues deduction is discontinued, the Association shall be provided with the State's reason for the discontinuation on a quarterly basis.

f. It is understood and agreed in the event that legislation is enacted authorizing the "agency shop" concept for public employees in the State of New Jersey, the State will, upon thirty (30) days notice, meet with the Association and reopen the Agreement for the purpose of negotiations of such subject.

2. Membership Information

The State agrees to provide to two (2) designated representatives of the Association on a semi-annual basis a complete up-to-date listing of all employees covered by this Agreement together with their addresses as they appear on the records of the State. Such list shall also include the coded payroll location and dues deduction status of each employee. The Association shall disclose such information only to its officials and representatives whose duties require access to such information.

C. Policy Agreements, Strikes and Lockouts

1. During the term of this Agreement, the Association agrees not to engage in or support any strike, work stoppage, slowdown, or other similar action by employees covered by this Agreement.

2. No lockout of employees shall be instituted or supported by the State during the term of this Agreement.

3. The Association recognizes its responsibility as exclusive collective negotiations agent and agrees to represent all employees in the unit without discrimination.

4. These agreements are not intended to limit the freedom of speech or demonstration of the Association or its members.

5. It is agreed that the State and the Association shall refrain from the commitment of any unfair practice and it is further agreed that the requirements of negotiability as set forth in Chapter 303, Laws of 1968 and as amended, shall guide the conduct of the parties during the terms of this Agreement.

D. Administration of Agreement

1. A committee consisting of State and Association representatives may meet for the purpose of reviewing the administration of the Agreement and to discuss problems which may arise therefrom.

2. Said committee meetings shall be scheduled some time during the second week of March, June, September and December. For the purpose of this Agreement, these meetings are not intended to bypass the grievance procedure nor to be considered collective negotiation meetings but rather are intended as a means of fostering good and sound employment relations through communications between the parties.

3. Either party may request a meeting and shall submit a written agenda of topics to be discussed seven (7) days prior to such meeting.

4. A maximum of five (5) employee representatives of the Association, exclusive of Association staff or Attorney representative, may attend such quarterly meeting and, if held during regular work hours, they shall be granted time to attend without loss of pay.

ARTICLE III

CIVIL SERVICE RULES

The administrative and procedural provisions and controls of Civil Service Laws and the Rules and Regulations promulgated thereunder, are to be observed in the administration of this Agreement, except and to the extent that this Agreement pertains to subjects not therein contained or where this Agreement is contrary to, or in conflict with such provisions and controls. Where the terms of this Agreement specifically indicate an understanding contrary to, or in conflict with any such provisions and controls, the parties agree, if necessary under law, to jointly seek modification or amendment of the particular rule or statute to be then consistent with the terms of the Agreement by appeal to the Civil Service Commission or the Legislature. Nothing herein shall be construed to deny any individual employee his rights under Civil Service Laws or Regulations.

ARTICLE IV

GRIEVANCE PROCEDURE

A. Grievance Definition

A "Grievance" is:

1. A claimed breach, misinterpretation or improper application of the terms of this Agreement (contractual grievance); or

2. A claimed violation, misinterpretation, or misapplication of rules or regulations, existing policies, orders, administrative decisions, or laws, applicable to the agency or Department which employs the grievant which establish terms and conditions of employment and which are not included in A.1. above (non-contractual grievance).

B. Purpose and Employee and/or Association Rights

1. The purpose of this procedure is to assure prompt and equitable solutions of problems arising from the administration of the Agreement, or other conditions of employment by providing the exclusive vehicles set forth in this Article for the settlement of employee grievances, except that a grievant may request that the Civil Service Commission agree to review any matter as defined in A.2. above which by the terms of this grievance procedure may not be processed beyond Step Three, provided that such matter is within the jurisdiction of the Civil Service Commission. Nothing herein can be construed to require the Commission to review such matter but any declination will be made in writing to the grievant and to the Association if a request to Civil Service is made by the grievant.

2. It is agreed that the individual employee is entitled to use this grievance procedure and to be represented by the Association upon his request in accordance with the provisions hereof. He shall not be coerced, intimidated or suffer any reprisal as a direct or indirect result of such use.

3. Nothing in this Agreement shall be construed as compelling the Association to submit a grievance to arbitration or to represent an employee before Civil Service. The Association's decision to request the movement of any grievance at any step or to terminate the grievance at any step shall be final as to the interests of the grievant and the Association.

4. No grievance settlement reached under the terms of this Agreement shall add to, subtract from or modify any terms of this Agreement.

C. Scope of the Grievance

1. Unless specifically provided for elsewhere in this Agreement, where the grievance involves an alleged violation of individual rights specified in Civil Service law and rules for which a specific appeal to Civil Service is available, the individual must present his complaint to Civil Service directly, provided however, where allegations of violations of other employee rights which derive from this Agreement occur, it is intended that the provisions of this grievance procedure are to be utilized.

2. A claim of improper and unjust discipline against an employee shall be processed in accordance with Article V of this Agreement.

3. Reference by name or title or otherwise in this Agreement to laws, rules, regulations, formal policies or orders of the State, shall not be construed as bringing any allegation concerning the interpretation or application of such matters within the scope of arbitrability as set forth in this Agreement.

D. General Rules and Procedures

1. Any member of the collective negotiating unit may orally present and discuss his complaint with his immediate supervisor on an informal basis.

2. Where the subject of a grievance, or its emergent nature, suggests it is appropriate, and where the parties mutually agree, which agreement shall not be unreasonably withheld, such grievance may be initiated at or moved to any step of the procedure without hearing at a lower step.

3. a. Where a grievance directly concerns and is shared by more than one (1) grievant, such group grievance may properly be initiated at the first level of supervision common to the several grievants. The presentation of such group grievance will be by the appropriate Association representative(s) and one (1) of the grievants designated by the Association. A group grievance may only be initiated by the Association.

b. Where individual grievances concerning the same matter are filed by several grievants, it shall be the option of the State to consolidate such grievances for hearing as a group grievance provided the time limitations expressed elsewhere herein are understood to remain unaffected.

c. Where a group grievance affecting employees in one (1) or more departments results from the application of an order or policy imposed by a level

higher than the departments affected and which results in an alleged violation of this Agreement, the Association may submit such grievance in writing to the Office of Employee Relations instead of initiating it at another level as though such submission were being filed at Step Three and with all procedural conditions set forth herein pertaining, except that the fifteen (15) days for hearing shall be twenty-five (25) days. A refusal to hear the grievance by the Office of Employee Relations shall not affect the timeliness of the filing.

4. In the event that the grievance has not been satisfactorily resolved on an informal basis, then an appeal may be made on the grievance form specified below.

5. All grievances shall be presented in writing to the designated representative of the party against whom it is made on "Grievance Forms" to be provided by the State. Such forms shall make adequate provision for the representative of each of the parties hereto to maintain a written record of all action taken in handling and disposing of the grievance at each step of the Grievance Procedure. The form shall contain a general description of the relevant facts from which the grievance derives and references to the sections of the Agreement, if any, which the grievant claims have been violated. The grievance form must be completed in its entirety. A group grievance initiated by the Association may be presented on the above form, or in another format provided that the grievance is fully set forth in writing and contains all the information called for by said form. Reasonable supplies of Grievance Forms shall be available at local offices of the State to employees or representatives of the Association.

6. Should the grievant elect to present his grievance without Association representation, he shall so indicate on the grievance form at Step One.

7. The Association shall be given a copy of the final disposition of all grievances. A copy of the decision of the State at each step shall be provided to the grievant and to the Association representative involved.

8. Grievance resolutions or decisions at Steps One through Three shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made in writing by the Office of Employee Relations and the authorized representative of the Association.

9. Where a grievance is filed in which a member of this unit is alleged to have violated obligations to the grievant with respect to supervisory responsibilities or misconduct, the unit member shall be notified and shall be permitted to respond to the allegation in writing, which response shall become part of the record in the grievance subject to challenge as to accuracy.

10. If a grievance is appealed to the Third Step and a determination is made by the Department Head or his designee that a resolution of the grievance is not within the authority of the department, the grievance may be forwarded to the Office of Employee Relations wherein a determination shall be made relative to the appropriate disposition of such grievance.

a. In the event the Department Head or his designee determines that the grievance is not within the authority of the department, and decides not to hear the grievance, the Association only may submit such grievance to the Office of Employee Relations within seven (7) days from the receipt of such departmental decision. Should the department decide to hold a hearing and in the course of such hearing the department determines that a resolution of the grievance is not within its authority, the Association only may submit the grievance to the Office of Employee Relations within seven (7) days from the receipt of such determination. A determination by the Association not to pursue the grievance shall be final.

b. Within twenty (20) days from the receipt of the grievance, the Office of Employee Relations, or its designee, will respond relative to the appropriate disposition of the grievance. Such disposition may involve:

- (1) Assignment of the matter to a designated Department or Agency,
- (2) Hearing of the grievance by the Office of Employee Relations,
- (3) A determination by the Office of Employee Relations without hearing,
- (4) Redirection to the Department in which the grievance was initiated requiring a substantive answer to the grievance or,
- (5) Other disposition determined by the Office of Employee Relations to be appropriate.

If the Office of Employee Relations determines a hearing is necessary, such hearing will be scheduled within thirty (30) days from the receipt of the grievance. Decisions shall be rendered as provided in section E. 3. If the grievance involves a non-contractual matter as defined in A. 2., the decision of the Office of Employee Relations, or its designee, shall be final except that the provisions of B.1. pertaining to Civil Service Commission review shall not be denied. If the grievance involves a matter as defined in A. 1. above, such grievance may be appealed to Step Four Arbitration, provided all of the conditions and time limits detailed in Step Four are met. Time limits referred to in Step Four are applicable to the circumstances in 10 b, 1-5. Where the Association makes no timely and appropriate request to utilize this procedure, it is understood the conditions concerning the arbitration procedure (Step Four) shall be unchanged.

E. Grievance Time Limits and Management Responses

1. A grievance must be filed initially within twenty-three (23) calendar days from the date or any date on which the act which is the subject of the grievance occurred or twenty-three (23) calendar days from the date on which the grievant should reasonably have known of its occurrence. Other references to days in this article are working days of the party to which they apply.

2. Where a grievance involves exclusively an alleged error in calculation of salary or other money payments, the grievance may be timely filed within thirty (30) days of the time the individual should reasonably have known of its occurrence.

3. Hearings shall be scheduled and decisions after the scheduled hearing shall be rendered in writing within established time limits as set forth herein. The decision will be considered timely if rendered within the following limits or within three (3) days after the conclusion of the hearing at Steps One and Two and fifteen (15) days after the conclusion of the hearing at Step Three, whichever is later.

- a. at Step One within five (5) days of the receipt of the grievance;
- b. at Step Two within ten (10) days of the receipt of the appeal from the Step One decision;
- c. at Step Three, within fifteen (15) days of the receipt of the appeal from the Step Two decision.

4. Should a grievance not be satisfactorily resolved, or should the employer not respond within the prescribed time periods, either after initial receipt of the grievance or after a hearing, the grievance may be appealed within seven (7) working days to the next step. The lack of response by the State within the prescribed time periods, unless time limits have been extended by mutual agreement, should be construed as a negative response.

5. When a grievance appeal is to be filed, the State representative at the last hearing shall inform the grievant of the name and position of the next higher level of management to whom the appeal should be presented.

6. Time limits under this Article may be changed by mutual agreement and requests for extensions of time limits will not be unreasonably denied.

7. If, at any step in the grievance procedure, the State's decision is not appealed within the appropriate prescribed time, such grievance will be considered closed and there shall be no further appeal or review.

8. No adjustment of any grievance shall impose retroactivity beyond the date on which the grievance was initiated or the twenty-three (23) days provided in E.1. above except that payroll errors and related matters shall be corrected to date of error.

F. Grievance Investigation-Time Off

1. When a grievance has been formally submitted in writing and the Association represents the grievant, and where the Association Steward or other representative Officer requires time to investigate such grievance to achieve an understanding of the specific work problem during working hours, the Steward or Officer will be granted permission and reasonable time, to a limit of one (1) hour, to investigate without loss of pay. It is understood that the supervisor shall schedule such time release, providing the work responsibilities of the Steward or Officer and of any involved employee are adequately covered, and providing further there is no disruption of work. Such time release shall not be unreasonably withheld and upon request could be extended beyond the one (1) hour limit for specified reasons, if to the supervisor, the circumstances warrant an exception to this limit. Where an Association Steward serves a mutually agreed upon grievance district encompassing

two (2) or more geographically separate work locations, and where the circumstances require it, a supervisor may authorize a maximum of two (2) hours for any appropriate investigation of grievances.

2. Such time release shall not be construed to include preparation of paperwork record keeping, conferences among Association officials nor preparation for presentation at a grievance hearing.

G. Time Off for Grievance Hearings

1. An employee and his designated employee representative shall be allowed time off without loss of pay:

a. as may be required for appearance at a hearing of the employee's grievance scheduled during working hours;

b. for necessary travel time during working hours.

If the hearing extends beyond the employee's normal working hours, compensatory time equal to the additional time spent at the hearing shall be granted but such time shall not be considered time worked for the computation of overtime.

2. Where the employee or the Association requests employee witnesses, permission for a reasonable number of witnesses required during the grievance proceedings will be granted. A witness at such proceedings will be permitted to appear without loss of pay for the time of appearance and travel time as required if during his normal scheduled working hours.

3. At Steps Two and beyond in the grievance procedure, witnesses may be heard and pertinent records received.

4. The Association representative may have the right directly to examine or cross-examine witnesses who appear at any step of this procedure.

H. Grievance Steps and Parties Therein

Step One

In the event the matter is not resolved informally, the grievant may submit his grievance in writing to the first level of supervision designated to hear the grievant. The grievant may be represented by the Association Steward who is an employee.

Step Two

1. If the grievant is not satisfied with the disposition of the grievance at Step One, he may appeal to the highest operational management representative. He or his designee shall hear the grievance. The appeal shall be accompanied by the decisions at the preceding levels and any written record that has been made part of the preceding hearings.

2. The grievant may be represented by the Steward and/or the Association's designated local or field representative(s) who is not an employee, provided, however, that only one person shall act as spokesperson for the grievant.

Step Three

1. If the grievant is not satisfied with the disposition of the grievance at Step Two, he may appeal to the Department Head or his designee. The appeal shall be accompanied by the decisions at the preceding levels and any written record that has been made part of the preceding hearings. The grievant may be represented by the Steward and/or the Association's Executive Director or his designated representative(s) who is not an employee, provided however, that only one person shall act as spokesperson for the grievant. Either party may make a verbatim record through a certified shorthand reporter. Such record is to be made at the expense of the party who makes it. However, if both parties want a copy of the transcript, the cost of the transcript and the reporter shall be shared equally.

2. If the decision involves a non-contractual grievance as defined in A.2, or if the grievant has presented his appeal without Association representation, the decision of the Department Head or his designee shall be final except that the provisions of B.1 pertaining to Civil Service Commission review shall not be denied, and a copy of such decision shall be sent to the Association.

Step Four - Arbitration

1. In the event that the grievance has not been satisfactorily resolved at Step Three, and the grievance involves an alleged violation of the Agreement as described in the definition of a grievance in A.1 above, then arbitration may be brought only by the Association, through its designee within fifteen (15) calendar days from the day the Association received the Step Three decision or from the date on which the Step Three decision was due, by mailing a written request for arbitration to the Public Employment Relations Commission and sending a copy to the Office of Employees Relations. In the event the Association deems it necessary to use an additional period beyond the fifteen (15) days provided herein the time to appeal may be extended by the Association to not more than ten (10) additional calendar days. Should the Association use any of these additional days, it is understood that the time used in computing the extent of the State's liability shall not exceed ten (10) days from the day the Association received the Step Three decision or from the date on which the Step Three decision was due. If mutually agreed, a pre-arbitration conference may be scheduled to frame the issue or issues. All communications concerning appeals and decisions at this Step shall be made in writing. The request for arbitration shall contain the names of the department or agency and employee involved.

2. Arbitrators shall be selected on a case-by-case basis under the selection procedures of the Public Employment Relations Commission.

3. The arbitrator shall conduct a hearing to determine the facts and render a decision in writing to the parties. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement or laws of the State,

or any written policy of the State or subdivision thereof not inconsistent with this Agreement, or to determine any dispute involving the exercise of a management function which is within the authority of the State as set forth in Article I.B., Management Rights, and shall confine his decision solely to the interpretation and application of this Agreement. He shall confine himself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him, nor shall he submit observations or declaration of opinions which are not essential in reaching the determination. The decision or award of the arbitrator shall be final and binding consistent with applicable law and this Agreement. In no event shall the same question or issue be the subject of arbitration more than once. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of this Agreement. The fees and expenses of the arbitrator and recording of the procedure shall be divided equally between the parties. Any other cost of this proceeding shall be borne by the party incurring the cost.

4. The arbitrator shall hold the hearing at a time and place convenient to the parties within thirty (30) calendar days of his acceptance to act as arbitrator and shall issue his decision within thirty (30) days after the close of the hearing. In the event a disagreement exists regarding the arbitrability of an issue, the arbitrator shall make a preliminary determination as to whether the issue is arbitrable under the express terms of this Agreement. Once a determination is made that such a dispute is arbitrable, the arbitrator shall then proceed to determine the merits of the dispute.

ARTICLE V

DISCIPLINE

A. The terms of this Article shall apply to permanent classified employees. Unclassified, provisional with no permanent status or probationary with no permanent status (probationary meaning employees serving their working test period) employees shall only be covered where such is specifically provided for.

B. Discipline of an employee shall be imposed only for just cause. Discipline under this Article means official written reprimand, fine, suspension without pay, reduction in grade or dismissal from service. Dismissal from service or reduction in grade based upon a layoff or other operational judgment of the State shall not be construed to be discipline.

C. Just cause for discipline up to and including dismissal from service shall include those causes set forth in N.J.A.C. 4:1-16.9. This list of causes set forth in N.J.A.C. 4:1-16.9 is not exclusive and discipline up to and including dismissal from service may be made for any other combination of circumstances amounting to just cause.

D. Where an appointing authority or his designee imposes or intends to impose discipline pursuant to paragraph C, written notice of such discipline shall be given to the employee. Such notice shall contain a reasonable specification of the nature of the charge, a general description of the alleged acts and/or conduct upon which the charge is based and the nature of the discipline.

E. The name of any employee who is notified of suspension or dismissal or intended suspension or dismissal, pursuant to paragraph D, shall be transmitted to the Association as soon as is feasible and not to exceed seventy-two (72) hours after such notice.

F. Any appeal relating to the involved disciplinary matter must be filed by the employee within fourteen (14) calendar days of notice of discipline to the employee involved. The Department or Agency Head, or his designee, who was not personally involved in the facts of the dispute, will convene a hearing within twenty (20) calendar days after receipt of such disciplinary appeal. The Department or Agency Head, or his designee, shall render a written decision within twenty (20) calendar days from the date of such hearing. The employee may be represented at such hearing by the Steward and/or a non-State employee representative of the Association, and/or legal counsel and/or the Executive Director; however, only one shall serve as the spokesperson. The decision rendered herein shall be final except where the disciplinary grievance involves a penalty as set forth in paragraph G. below. Where the matter involves a disciplinary penalty as set forth in G.I.e. below, Civil Service may review the matter if timely presented in accordance with its discretionary jurisdiction.

G. 1. In the event the appeal has not been satisfactorily settled or otherwise resolved and involves the following contemplated or implemented penalties:

- a. Suspension of more than five (5) days at one time;
 - b. Suspensions or fines more than three (3) times in one calendar year or suspensions or fines which in the aggregate are more than fifteen (15) days pay in one calendar year;
 - c. Demotion;
 - d. Discharge;
 - e. Suspension of up to five (5) days or for fines of less than six (6) days pay;
- then,

2. The Association may appeal the disciplinary action through the disciplinary arbitration process as herein provided; or

3. Except where the penalty is as described in G.I.e. above, the individual may request or petition the Civil Service Commission for a hearing which request, pursuant to Civil Service Rules, must be received by the Civil Service Commission within twenty (20) days after the date of receipt of the decision rendered in

paragraph F. The Civil Service Law and the Rules and Regulations promulgated thereunder shall govern the disposition of such a request or petition.

4. a. In the event the employee involved elects the Civil Service procedure as provided in G.3. above, such election will be deemed final and binding and constitute an absolute waiver of the option to appeal as provided in G.2., the disciplinary arbitration process.

b. The Association may elect to appeal the matter to disciplinary arbitration provided that such an appeal is joined in by the employee in writing. The employee shall not be denied the right to appropriate representation. Such election will be deemed final and binding and constitute an absolute waiver of the employee's option to appeal under the Civil Service procedure as provided in G.3. above.

c. All such waivers or elections will be made in writing by the employee involved on a form to be provided by the State for such purpose.

H. An appeal to disciplinary arbitration may be brought only by the Association through its Executive Director or Attorney, or State President, by mailing a written request for disciplinary arbitration by certified or registered mail to the Director of the Office of Employee Relations, which must be postmarked within eighteen (18) calendar days from the decision rendered in paragraph F. A request for disciplinary arbitration shall contain the name of the department or agency and the employee involved, a copy of the original appeal, the notice of discipline and any written decisions rendered concerning the matter.

I. Within thirty (30) days of the execution of this Agreement, the parties shall mutually agree upon a panel of not less than five (5) disciplinary arbitrators. Each member of the panel shall serve in turn as the sole arbitrator for a given case. Where a member of the panel is unable to serve, the next member in sequence shall then serve. In the event the parties are unable to agree upon a panel of arbitrators within thirty (30) days, arbitrators shall be selected, on a case-by-case basis under the selection procedure of the Public Employment Relations Commission, until such time as the parties agree upon a panel. The disciplinary arbitrator shall hold a hearing at a place convenient to the parties as soon as possible after the request for arbitration but not later than thirty (30) days after the arbitrator accepts the case.

J. Arbitrators in disciplinary matters shall confine themselves to determinations of guilt or innocence and the appropriateness of penalties and shall neither add to, subtract from, nor modify any of the provisions of this Agreement by any award. The arbitrator's decision with respect to guilt, innocence or penalty shall be final and binding upon the parties. In the event the arbitrator finds the employee guilty, he may approve the penalty sought or imposed, or modify such penalty as appropriate to the circumstances, in accord with discipline as set forth in paragraph B. above. Removal from service shall not be substituted for a lesser

penalty. In the event the arbitrator finds the employee innocent or modifies a penalty, he may order reinstatement with back pay for all or part of a period of an imposed suspension or reduction in grade or period that the employee was dismissed from service. The arbitrator may consider any period of suspension served or the period that the employee was dismissed from service in determining the penalty to be imposed. Should the arbitrator's award provide reinstatement with back pay for all or part of a period of suspension, termination of service or reduction in grade, the employee may be paid for the hours he would have worked in his normally scheduled work week, at his normal rate of pay, but not exceeding forty (40) hours per week or eight (8) hours per day, less any deductions required by law or other offsetting income, for the backpay period specified by the arbitrator. The arbitrator's decision shall contain a short statement of the nature of the proceedings, the positions of the parties and specific findings and conclusions on the facts. In addition, the arbitrator's decision shall discuss any of the testimony, evidence or positions of the parties which merit special analysis or explanation. The arbitrator should not substitute a more severe penalty than has been imposed by the State.

In exception to these provisions, in a disciplinary arbitration concerning a penalty as set forth in G.I.e., the sole issue to be determined by the arbitrator shall be the guilt or innocence of the employee and he shall, therefore, sustain the penalty imposed or vacate it by his determination, however, the arbitration decision rendered shall be complete as set forth above.

The fees and expenses of the arbitrator and the recording of the procedure shall be divided equally between the parties. Any other cost of this proceeding shall be borne by the party incurring the cost.

K. General Provisions

1. In the event a formal charge of misconduct is made by the State against an employee and if he so requests, he shall be entitled to a representative of the Association only as a witness or as an advisor during any subsequent interrogation of the employee concerning such charge. No recording of such procedure shall be made without notification to the employee and there shall be no presumption of guilt. The employee and/or the Association, if present, may request and receive a copy of such recording. Where an employee is interrogated during the course of a formal investigation and when there is a reasonable likelihood that the individual being questioned may have formal charges preferred against him, the nature of those contemplated charges shall be made known to the employee who shall then, if he requests, be entitled to a representative of the Union, only as a witness or as an advisor, during subsequent interrogation concerning the charge provided that the interrogation process shall not be delayed and/or the requirement to expedite any official duty not be impaired.

2. Where criminal charges are initiated, the right of the employee to representation by his attorney shall not be violated.

3. An employee shall not be disciplined for acts which occurred more than one (1) year prior to the service of the notice of discipline, except those which would constitute a crime. The employee's whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed.

4. Nothing in this Article or Agreement shall be construed to limit the right of the State to implement any disciplinary action notwithstanding the pendency of any grievance proceeding.

5. The burden of proof in disciplinary procedures involving penalties as set forth in G. I. a, b, c, d and e, shall be upon the State.

6. The Association recognizes the State's right and obligation to impose and implement disciplinary suspensions and the parties agree that prior to implementation of suspensions of not more than five (5) days as a matter of general practice and intent and, where in the judgment of the State such suspension is not directed at the immediate need to maintain safety, order or effective direction of work assignments, such suspensions will not be implemented until after a three (3) day period of notification within which time, the Association, representing the involved employee, may undertake informal discussion with an appropriate level of management. Reasonable advance notice will be given to the employee.

L. The following shall constitute the disciplinary appeal procedure rights for unclassified and provisional employees who have been employed in such capacity for a minimum of six (6) months. Upon request of the employee, the employee may be represented by the Steward, or a non-State employee representative of the Association, or legal counsel, in the following hearings and/or conferences.

1. In all disciplinary matters, except dismissal from service, such employees shall be entitled to utilize the provisions of this Article up to the Departmental hearing level.

2. In disciplinary matters involving dismissal from service, such employees, upon written request, shall be entitled to a conference with the Department or Agency Head or his designee to discuss the matter. The Department or Agency Head or his designee may conduct an administrative investigation of the matter.

3. In no event shall the provisions of this Article apply where the employee is being removed as a result of the certification of a Civil Service eligible list.

4. Nothing in this Article shall be construed as a waiver of any rights any employee may have under the Civil Service Statute or the Civil Service Rules and Regulations or waiver of rights concerning tenure under Title 18A. Where a remedy is available under Title 18A involving tenure or reappointment, the procedure to be followed is as set forth in "Grievance Procedure", Article IV, paragraph B.5.

ARTICLE VI

COMPENSATION PLAN AND PROGRAM

A. Special Salary Program July 1, 1979 to June 30, 1981

1. It is agreed that during the term of this Agreement for the period July 1, 1979-June 30, 1981 the following salary and fringe benefit improvements shall be

provided to eligible employees in the unit within the applicable policies and practices of the State and in keeping with the conditions set forth herein.

a. Subject to the State Legislature enacting appropriations of funds for these specific purposes, the State agrees to provide the following benefits effective at the time stated here or, if later, within a reasonable time after enactment of the appropriation.

(1). There shall be a five and one-half (5.5) percent increase across-the-board for all employees effective in the first pay period of fiscal year 1979-1980 and another six and one-half (6.5) percent increase across-the-board for all employees effective in the first pay period of fiscal 1980-1981. The State Compensation Plan salary schedule shall be adjusted in accordance with established procedures to incorporate these increases for each step of each salary range. Each employee shall receive the increase by remaining at the step in the range occupied prior to the adjustments.

(2). Each full-time employee with one (1) year or more of service as of November 30, 1979 and whose base salary rate, exclusive of overtime, is \$15,000 per year or less, shall be entitled to a one (1) time cash payment of \$50.00 to be paid on or about December 1, 1979. Such payment shall not constitute a modification of the State Compensation Plan.

(3). Each full-time employee with one (1) year or more of service as of November 30, 1980 and whose base salary exclusive of overtime, is \$15,000 per year or less, shall be entitled to a one (1) time cash payment of \$50.00 to be paid on or about December 1, 1980. Such payment shall not constitute a modification of the State Compensation Plan.

(4). Permanent part-time employees shall be entitled to one-half (½) of the one-time cash payments under the conditions described in section (2) and (3), above. Salary level eligibility of permanent part-time employees shall be determined by annualizing the employee's salary on a full-time basis.

(5). Normal increments shall be paid to all employees eligible for such increments within the policies of the State Compensation Plan during the term of this Agreement.

b. Eye Care Program

It is agreed that an Eye Care Program shall be continued during the life of this agreement and include all eligible full-time employees and their eligible dependents (spouse and children under 19 years of age or under 23 if resident in the household or a full-time student and not employed in a full-time job). The coverage shall provide for a \$20.00 payment for regular prescription eyeglasses and \$25.00 for bifocal glasses or more complex prescriptions. The extension of benefits to dependents shall be effective only after the employee has been continuously employed for a minimum of sixty (60) days.

c. Dental Care Plan

Full-time employees and eligible dependents shall be eligible for the State-administered Dental Care Program which shall be continued during the life of this Agreement.

Participation in the Program shall be voluntary with a condition of participation being that each participating employee authorize a bi-weekly salary deduction not to exceed fifty (50) percent of the cost of the type of coverage elected, e.g. individual employee only, husband and wife, parent and child or family coverage.

Each employee shall be provided with a brochure describing the details of the Program and enrollment information and the required forms.

Participating employees shall be provided with an identification card to be utilized when covered dental care is required.

d. Deferred Compensation Plan

(1) It is understood that the State shall make a good faith effort to initiate a program which will permit eligible employees in this negotiating unit to voluntarily authorize deferment of a portion of their earned base salary so that the funds deferred can be placed in an Internal Revenue Service approved Federal Income Tax exempt investment plan. The deferred income so invested and the interest or other income return on the investment are intended to be exempt from current Federal Income Taxation until the individual employee withdraws or otherwise receives such funds as provided in the plan.

(2) It is understood that the State shall be solely responsible for the administration of the plan and the determination of policies, conditions and regulations governing its implementation and use.

(3) The State shall provide literature describing the plan as well as a required enrollment or other forms to all employees when the plan has been established.

(4) It is further understood that the maximum amount of deferrable income under this plan shall be fifteen (15%) percent or \$7,500 whichever is less.

e. Clothing Maintenance Allowance

(1) Full-time employees serving in the titles Cottage Training Supervisor and Head Cottage Training Supervisor or in a nursing title eligible to receive a cash clothing maintenance allowance in fiscal year 1978-1979 and who will have completed a full year of service on or before July 1, 1979 shall receive a cash clothing maintenance allowance of \$100.00. Each employee serving in the titles Cottage Training Supervisor and Head Cottage Training Supervisor or a nursing title who will have completed a full year of service on or before July 1, 1980 shall receive a cash clothing maintenance allowance of \$125.00. Additionally, each full-time employee serving in the titles Head Cook I, II, III or Head Butcher who will have completed a full year of service on or before July 1, 1980 shall receive a cash clothing maintenance allowance of \$125.00.

(2) The clothing maintenance allowance shall be paid to those full-time employees serving in positions in which the employees are required to wear special clothing or a uniform and which positions received a cash clothing maintenance

allowance in fiscal year 1978-1979. Each employee serving in the position described above who will have completed a full year of service on or before July 1, 1979 shall receive a cash clothing maintenance allowance of \$100. Each employee serving in the position described above who will have completed a full year of service on or before July 1, 1980 shall receive a cash clothing maintenance allowance of \$125.

B. Salary Program Administration

The parties acknowledge the existence and continuation during the term of this Agreement of the State Compensation Plan which incorporates in particular, but with specific limit, the following basic concepts:

1. A system of position classifications with appropriate position descriptions. Copies of current position descriptions will be made available to the Association.

2. A salary range with specific minimum and maximum rates and intermediate merit incremental steps therein for each position.

3. Regulations governing the administration of the plan including the Employee Performance Evaluation and Improvement System.

4. The authority, method and procedures to effect modification as such are required. However, if the State makes major changes in the Compensation Plan or changes which have a negative effect on the earnings of employees, it is understood that the impact of these changes will be negotiated with the Association and such negotiations shall commence within thirty (30) days of the date upon which the Association requests negotiations of the matter.

5. No employee covered by this Agreement shall suffer a reduction in rate of pay as a result of a reduction of salary range for the job class in which he is employed and any such change in salary range shall be negotiated with the Association prior to implementation. This is not intended to reduce the right of appeal of any individual.

C. Cooperative Effort

The parties to the Agreement understand that the public services provided to the citizenry of the State of New Jersey require a continuing cooperative effort particularly during this period of severe fiscal constraints. They hereby pledge themselves to achieve the highest level of service by jointly endorsing a concept of intensive productivity improvements which may assist in realizing that objective.

ARTICLE VII

POSITION CLASSIFICATION REVIEW

A. The Association may request a reevaluation of a position (job classification), on the basis of job content change and relationship to other titles. The State will review such a request and will reevaluate the position and provide an opportunity for the Association to present its views. The determination of the State shall be properly presented to the Association and reduced to writing if requested.

B. Implementation of any resulting reclassification of position shall be made consistent with present normal Civil Service procedures and its Rules and Regulations.

C. This provision shall not be abused.

ARTICLE VIII

HOURS AND OVERTIME

A. Hours of Work

1. The number of hours in the workweek for each job classification within the unit shall be consistent with its present designation in the State Compensation Plan.

2. Hours of work for "NL" employees may be adjusted by the responsible agency official in keeping with existing regulations and procedures.

3. Where practicable the normal workweek shall consist of five (5) consecutive work days.

B. Rest Period

1. The work schedule shall provide for a fifteen (15) minute rest period during each one-half (½) shift.

2. For the purpose of this provision a shift shall constitute the employee's normally scheduled work day. For example, an employee working from 9 a.m. to 5 p.m. will be entitled to a rest period in the forenoon and in the afternoon as determined by the appointing authority.

3. The normal schedule shall include a provision for an unpaid lunch period during the mid-portion of the work day. There shall be a minimum of one-half(½) hour provided for the lunch period. This is not intended to suggest that existing lunch periods of longer than one-half (½) hour must be changed.

C. Overtime

1. Employees covered by this Agreement will be compensated at the rate of time and one-half (1½) for the overtime hours accrued in excess of the normal hours of the established workweek. These compensation credits shall be taken in compensatory time or in cash.

2. When a work shift extends from one (1) day to the next it is considered to be on the day in which the larger portion of the hours are scheduled and all hours of the scheduled shift are considered to be on that day.

3. All holiday hours and hours of leave not worked for which an employee is compensated shall be regarded as hours worked for the computation of overtime in the workweek.

4. Hours worked on a holiday are not considered hours worked for the computation of regular overtime in the workweek but shall be compensated at time and one-half (1½) in addition to the holiday credit.

5. "Scheduled overtime" means overtime assigned prior to the day on which it is to be worked. Ordinarily scheduled overtime is planned and assigned in advance.

6. "Non-scheduled overtime" means assigned overtime made on the day on which it is to be worked.

7. "Incidental overtime" is a period of assigned non-scheduled overtime work of less than fifteen (15) minutes.

8. Overtime shall be scheduled and distributed by seniority on a rotational basis by occupational classifications within each functional work unit without discrimination provided it does not impair operations. Employees within their functional work unit who are qualified and capable of performing the work without additional training shall be called upon to perform such overtime work. To the extent that it is practical and reasonable to foresee, the State shall give the employee as much advance notice as possible relative to the scheduling of overtime work.

9. It is agreed that overtime work shall be shared by all employees in an occupational classification within any work unit without discrimination. The opportunity to work overtime shall be extended to each employee on a rotational basis provided the employee is capable of performing the work.

10. Each employee is expected to be available for a reasonable amount of overtime work. An employee who refuses an overtime or on-call assignment with a reasonable excuse will not be subjected to disciplinary action.

11. a. On a semi-annual basis commencing with the implementation of this provision, the distribution of overtime shall be evaluated and assignments of overtime made thereafter shall reflect the approximate equalization of overtime for each employee in the work unit by job classification.

b. For the purpose of determining approximate equalization of overtime, any overtime assignment offered, whether worked or not worked will be considered as if it were worked.

c. To the extent that a disproportionate distribution of overtime exists because of special ability or inability to perform the work assignments, those hours will not be considered in the semi-annual equalization. This provision will not be abused.

12. A list showing the rotational order and the overtime call status of each employee and a record of the total overtime worked and refused by each employee shall be maintained in the work unit. Such records shall be made available for inspection on request to Association officers, stewards and employees concerned.

13. The State will give advance notice of all scheduled overtime to each employee concerned. Such scheduled overtime will be assigned minimally in units of one (1) hour and in hourly or half hourly increments thereafter when such overtime is to be performed contiguous to the employee's scheduled work shift. When overtime is scheduled not contiguous to the employee's work shift, it will be assigned minimally in units of two (2) hours and in hourly or half hourly increments thereafter.

14. An employee who is assigned non-scheduled overtime in excess of fifteen (15) minutes will be guaranteed a minimum of one (1) hour's work and will be assigned overtime thereafter in one-half (½) hour increments. An employee who is

called in for non-scheduled overtime shall be guaranteed a minimum of two (2) hours of compensation whether or not the two (2) hours are worked except when the end of the call-in period coincides with the beginning of his regularly scheduled shift.

15. Where incidental overtime assignments are made, records of such time worked shall be kept and accumulated at straight time in exception of the provisions of C.I. Such accumulations may be scheduled on an hour-for-hour basis as compensatory time.

16. The State agrees to issue supplemental checks for cash paid overtime on a monthly basis for the preceding overtime reporting period. Further, the State agrees to make a good faith effort to convert from a monthly to a bi-weekly issue of supplemental checks for overtime for the preceding overtime reporting period for employees.

D. Policy on Lateness

1. a. Whenever an employee is delayed in reporting for a scheduled work assignment, he shall endeavor to contact his supervisor in advance, if possible. An employee who has a reasonable excuse and is less than fifteen (15) minutes late is not to be reduced in salary or denied the opportunity to work the balance of his scheduled shift and he shall not be disciplined except where there is evidence of repetition or neglect. A record of such lateness shall be maintained and may be charged against any compensatory time accrual or vacation balances. An employee may choose to use either of these balances or alternatively to be reduced in salary.

b. Lateness beyond the fifteen (15) minute period above shall be treated on a discretionary basis. However, this provision is not intended to mean that all lateness or each incidence of lateness beyond fifteen (15) minutes shall incur disciplinary action or loss of opportunity to complete a work shift or reduction of salary.

2. Lateness or absence due to weather conditions

a. When an employee is unable to get to his assigned work because of weather conditions, his absence may be compensated if he has a sufficient compensatory time balance or if none is available a charge may be made against vacation balance or administrative leave balance if requested by the employee. Such absence will alternatively be without pay.

b. Employees late for duty due to delays caused by weather conditions and who made a reasonable effort to report on time may be given credit for such late time at the discretion of the appointing authority.

E. Other Benefits

Employees who are required to work beyond their regular quitting time to the next shift, shall receive a fifteen (15) minute rest period when the period of scheduled work beyond their regular shift exceeds two (2) hours. Such employees may also be entitled to meal allowances as provided by the regulations of the State.

F. Policy on Unexcused Absence

Absence without notice and approval for five (5) days or failure to return from any leave of absence shall be considered a resignation.

ARTICLE IX

COMPENSATORY TIME BALANCES

A. When employees accumulate compensatory time balances, the appointing authority will provide administrative procedures to assure the employee that such compensatory balances will not be taken away but will be scheduled as time off or alternatively paid in cash.

B. Employee requests for use of compensatory time balances shall be honored. Priorities in honoring requests for use of compensatory time balances will be given to employees:

1. Where an emergency exists
2. Where scheduled one (1) month in advance
3. Where shorter notice of request is made

Requests for use of such time under 2 and 3 will be honored except where emergency conditions exist or where the dates requested conflict with holiday or vacation schedules.

C. Ordinarily, a maximum of sixty (60) hours of compensatory time may be carried by an employee. Where the balance exceeds sixty (60) hours, the employee and the supervisor will meet to amicably schedule such compensatory time off.

D. 1. An employee may be required to take compensatory time off in keeping with the needs within the unit.

2. An employee may request the use of this compensatory time off which shall be scheduled with the immediate supervisor in keeping with the needs within the work unit.

3. Whenever compensatory time off is to be scheduled, reasonable advance notice for the request or requirement will be given.

ARTICLE X

OUT-OF-TITLE WORK

A. The State and the Association agree that employees should be assigned work appropriate to and within their job classification.

B. The practice of regularly assigning out-of-title work to employees shall be discontinued. Instances of out-of-title work identified by the Association and formally brought to the attention of the State shall be corrected immediately or by phasing out such assignments at the earliest time which shall in any case be no later than three (3) months from the time of notification by the Association. Any dispute as to whether the work is within the job classification of the employee(s) involved shall be resolved by Association or employee appeal to Civil Service where

the matter will be heard within twenty-one (21) days and a decision rendered within (10) days of that hearing. Any dispute concerning the phasing out period will be resolved through the grievance procedure.

C. Where out-of-title work assignments are made for longer than thirty (30) days, permanent (classified) employees in the work unit from the next lower promotional title in the series, deemed capable of performing the work, and where available, shall be given the opportunity to assume such higher out-of-title work in the work unit and shall have the right to refuse such assignments based on job classification seniority. Where such assignments are readily identifiable by the State, the eligible employees concerned shall be notified and a copy of the notification shall be given to the Association.

ARTICLE XI

PROMOTION

Promotion qualifications and procedures for permanent classified employees are governed by the Department of Civil Service pursuant to Statute and Rules and Regulations promulgated thereunder.

A. Promotion means the advancement of an employee to a job classification within the unit at a higher salary range.

B. Upon promotion of a permanent employee, all sick leave and vacation and administrative leave balances shall be retained by the employee.

C. Upon promotion, an employee shall be informed of his new rate of compensation at least one (1) week in advance of the effective date.

D. Provisional promotional appointments shall be made only in cases of emergency or when no complete employment list exists. Where such appointments are made, the Department of Civil Service will take the necessary steps to promulgate a list appropriate to the position in keeping with its rules and regulations as soon as possible.

If requested by the Association, but not more frequently than quarterly, the State agrees to provide a list of then current provisional appointments.

E. When an employee is given an opportunity on a trial or provisional basis to qualify for promotion by serving in a new classification, his permanency in his regular permanent job classification shall be continued during such trial or provisional period and he shall have the opportunity to return to such permanent classification in the event the promotional opportunity shall not become permanent provided there is no discharge action for cause.

ARTICLE XII

JOB POSTING AND ANNOUNCEMENTS

A. Job Posting

1. To provide advancement opportunities for employees within a department or organizational unit, existing or planned job vacancies shall be posted prominently for seven (7) days. The posting shall include a description of the job, any required

qualifications, the location of the vacancies, the salary range, the hours of work and the procedure to be followed by employees interested in making application.

2. A copy of each notice posted will be forwarded to the appropriate Association Office.

3. Where a provisional or permanent promotion or a reassignment is consummated as a result of the job posting procedure, the appointing authority will post the name of the individual appointed on the bulletin board.

B. Announcements

Unless a good reason to the contrary exists, announcements which describe available educational programs or State scholarships, shall be posted prominently at approximately the same time in order that interested employees may have an equivalent opportunity to be informed and apply for such educational programs and State scholarships. Copies of these items will be sent to the Association.

ARTICLE XIII

CIVIL SERVICE EXAMINATIONS

Employees who are scheduled to take open competitive examinations for the position in which the employee is provisional or promotional examinations administered by the Civil Service Department of the State of New Jersey for positions in the State service shall be granted time off with pay including necessary travel time to take such examinations if they are scheduled during the work shift of the employee. Such privileges may not be abused.

ARTICLE XIV

EMPLOYEE PERFORMANCE EVALUATION AND IMPROVEMENT SYSTEM

I. Sections A through H below shall apply only to employees in the classified service covered by this Agreement.

A. 1. The State will maintain a performance evaluation and improvement system for all employees, except those on trainee status, covered by this Agreement. The system will include a formal process whereby the employee and his designated supervisor mutually formulate performance and improvement goals and work standards appropriate to the job performed, which shall be a basis for measuring the employee's performance during a rating period.

2. During the normal probationary period of four (4) months, the employee will be informed of the standards of performance to be achieved and will be advised of the specific deficiencies in his progress, immediately in writing, at the end of the second and third months. Should the State extend the probationary period to a maximum of six (6) months, the employee will be similarly advised at the end of the fifth month.

B. 1. There shall be a formal written evaluation and rating of each employee completed annually which shall be the basis for granting a normal merit increment

to eligible employees. More frequent evaluations may be made where circumstances such as promotion, assignment change, transfer, change of supervisor or other reason may warrant. In such cases the annual rating shall be a function of all such evaluations.

2. Employees who are eligible and whose performance is satisfactory shall be granted a normal merit increment if such is provided for in Article VI of this Agreement.

3. It is understood that workload should be a relevant consideration in determining an employee's overall performance evaluation.

C. Performance Evaluation Conference

1. At least every six (6) months the employer shall have a conference with the employee in connection with performance evaluation and improvement goals and work standards. Ratings and conferences ordinarily shall be given by or conducted by the immediate supervisor. A written record of such conference shall be provided to the employees within three (3) weeks of the conference.

D. Unsatisfactory Rating

1. a. Where the performance of an employee is unsatisfactory, the designated supervisor will confer with such employee not less frequently than every three (3) months and shall set forth the deficiencies and improvement goals required to achieve satisfactory or better performance.

b. A record of such conferences shall be made and a copy given to the employee within two (2) weeks of the conference.

c. Grievances which evolve from the inability of the employee and designated supervisor to reach agreement on performance and improvement goals and work standards shall not be processed beyond Step Three of the grievance procedure provided herein.

2. Where a normal merit increment has not been earned due to an unsatisfactory rating and the performance of the employee improves to the point which warrants granting of the normal merit increment, such increment may be granted effective on any of the three (3) quarterly action dates which follow the anniversary date of the employees, and subsequent to the improved performance and rating which justifies such action.

3. The normal anniversary date of such employee shall not be affected by this action.

4. Where a normal merit increment has been denied, the performance ratings concerned with the issue of restoration, as provided in D.2. shall not be grievable.

E. The required signature of the employee on the annual evaluation form, or on any other related form, shall be acknowledgment but shall not be construed to mean agreement with the content unless such agreement is stated thereon by the employee.

F. Orientation Material

The State will use a variety of communications media, which may include booklets, pamphlets, publications, letters and announcements, to keep employees informed on the current status of the Employee Performance Evaluation and Improvement System. All new employees at the time of hire shall receive an orientation booklet describing the objectives of the evaluation system. Such material will be distributed to employees through their appropriate personnel function. Additional copies of such communications shall be supplied to the Association at its request.

G. In the event of a proposed modification or change in part or all of the Performance Evaluation System, the State agrees to discuss such changes with the Association prior to its introduction and/or adoption, except that no changes shall be made as to the elements of the Performance Evaluation System as incorporated herein without negotiating with the Association.

H. For purposes of determining eligibility for an increment, the only ratings to be used shall be satisfactory or unsatisfactory.

II. Sections A through B below shall apply only to employees in the unclassified service covered by this Agreement.

A. The performance evaluation systems for unclassified employees covered by this Agreement that are operative on the effective date of this Agreement shall remain operative for the duration of the Agreement provided that if a department changes its system, the employees affected will be given reasonable notice to prevent any hardship and the department will either adopt the system described in this Article under Section I, A. through H. above, or if another system is to be adopted, the change shall be subject to negotiations if requested by the Association.

Specific requests for vacation utilization which do not conflict with operational considerations shall not be unreasonably denied.

2. a. Vacation leave is credited in advance at the beginning of the calendar year in anticipation of continued employment for the full year and may be used on that basis and in accordance with established State policy. Vacation allowance must be taken during the current calendar year at such time as permitted or directed by the Department Head unless the Department Head determines it cannot be taken because of pressure of work; except that an employee may request a maximum of one (1) year of earned vacation allowance be carried forward into the next succeeding year. The request shall be made in writing to the appropriate appointing authority and may be approved for good reason and providing the employee and his supervisor have scheduled the use of such vacation allowance. Requests for permission for such postings shall be granted by the departmental or appropriate subordinate level of management.

4. The State may, upon request of the Association, undertake to make specific postings of authorized materials on behalf of the Association.

5. The State will provide space in central locations and areas frequented by employees in the unit where Association newspapers, circulars and literature may be placed so that employees may pick up copies during non-work time provided that such material for distribution is consistent with Item 2 of this provision. It is further agreed that the Association will assure that all undistributed literature is removed from the distribution points after a reasonable time.

A copy of specific written material which is derogatory or adverse to an employee and is in the possession of the State or its representatives, and which has not been previously transmitted to the employee, shall be provided to the employee when such written material is to be relied upon in any adverse personnel action resulting in disciplinary proceedings, or in any evaluation report rendered under the EPEIS program, and a reasonable time provided for response.

ARTICLE XXVI

SENIORITY

I. Definition

- A. State seniority is the accumulated period of service of a permanent employee of the State.
- B. Job classification seniority is the accumulated period of service of a permanent employee of the State in a particular job classification.

II. Permanent Employee

- A. Employees shall be considered to have State seniority upon successful completion of the probationary period (working test period) for any permanent position, effective on the first day worked following such successful completion but computed from the date of initial hire. Such State seniority is accumulable unless there is or has been a break in service as set forth below.
- B. Employees shall be considered to have job classification seniority upon successful completion of the probationary period (working test period), for the job classification effective on the first day worked following such successful completion but computed from the date of initial hire or promotion to the particular job classification. Such job classification seniority in the job classification to which the employee is assigned is accumulable unless there is or has been a break as set forth below or where the employee is appointed to another job classification.
- C. A break in continuous service occurs when an employee resigns, is discharged for cause, retires or is laid off; however, employee State and job classification seniority accrued prior to layoff shall be continued upon recall and reemployment and the provision of Article XXVII shall apply.
- D. In the case where an employee is promoted but does not successfully complete the probationary period (working test period), he may be returned to his previous job classification in his most recent location or his then current location if practicable, without loss of job classification seniority and such job classification

seniority shall be construed to have continued accumulation in the permanent position provided the positions are in the same or appropriately related job class series as determined by Civil Service.

E. The State agrees to supply current seniority lists to the Association on a semi-annual basis.

F. This Article shall not apply to the computation or application of seniority in determination of individual rights administered by Civil Service, such as layoff and promotional rights. In such circumstances, seniority determinations and applications shall be determined by Civil Service. The terms and conditions of seniority pertaining to layoff and promotions are fully set forth in statutes and in the Civil Service Regulations and are intended to be observed in this administration of this Agreement. The provisions above are not intended to vary the application of the seniority provisions under rule or law as they pertain to layoff and promotional matters.

III. Provisional and Probationary Employees

A. Provisional and probationary employees (serving working test period), who have accrued State and job classification seniority under Section I above in another permanent position shall be considered to have the State and job classification seniority previously accumulated and shall continue to accumulate such State and job classification seniority as long as such previous permanent status is maintained, subject to any break in service and provided that with reference to job classification seniority the continuation of accumulation is predicated on the determination of Civil Service that the positions are in the same or appropriately related job class series.

B. Except as provided in paragraph A. above, provisional and probationary employees (serving working test period) shall be considered to be without seniority in their provisional or probationary job classification. The absence of seniority shall not be construed to diminish the assignability of any employees to overtime or emergency work.

C. Provisional appointments will not be made except in the case of an emergency as provided in N.J.S.A. 11:10-3 and 11:11-2. Where an examination is required, such will be scheduled at the earliest possible time.

ARTICLE XXVII

LAYOFF AND RECALL

A. When it is necessary to lay off employees, the Association shall be notified at once and as far in advance as possible of the notice referred to in C. below and be supplied with relevant data concerning the layoff and procedures discussed and the conditions outlined below and the established protections administered by the Department of Civil Service shall be observed.

B. Permanent employees within a department will not be laid off before any emergency appointments, temporary appointments to temporary extra positions, provisional appointments to permanent positions or employees serving in working test period within the classification affected. These non-permanent employees will be given minimum notice of at least two (2) weeks of any reduction in force.

C. The State will provide a minimum of forty-five (45) calendar days notice of layoff to any permanent employee to be affected.

D. Job classification seniority shall be a determining factor to be considered when identifying which permanent employees are to be laid off.

E. Whenever possible, the State will try to identify all employment opportunities and to avoid layoff by transferring, reassigning or offering to demote employees to available vacancies within the authority of the appointing authorities concerned.

F. Permanent employees affected by layoff requirements may exercise bumping rights within their job classification or to equated or lower rated job classifications as provided.

G. The name of the permanent employee who is laid off shall be placed on a special reemployment list. Persons on such a list will be given preferential consideration over any other type of applicant for appointment to the job classification or equated job classification and no new employee shall be hired until all employees on layoff status desiring to return to work shall have been recalled, provided such employees on layoff status are capable of returning to work. The employee must provide the employer with any address change while waiting for recall.

H. Permanent employees will be recalled to work in the reverse order in which they were laid off by the appointing authority, subject to the limitation that those permanent employees who were laid off first for reason of an unsatisfactory performance rating shall be placed on a special reemployment list in accordance with their seniority credits. Notice of recall will be made in writing by mail to the employee's home address of record.

I. 1. An employee who is recalled must respond within five (5) calendar days of the date of receipt of the notice of certification for recall or within ten (10) days of the date of mailing or be considered to have abandoned his recall rights.

2. An employee recalled to his former or equated job classification must report for reinstatement or be considered to have abandoned his recall rights.

3. An employee recalled to a job classification with a lower salary rate than his previous job classification may refuse such position and remain eligible for recall.

4. An employee who is demoted in accordance with the regulations of Civil Service during a layoff shall be continued on a previously established promotional list during its existence.

J. An employee on layoff accrues no additional sick leave or vacation credits. When an employee is recalled from layoff and reinstated, he is considered to have continuous service credit for computation of future earned vacations.

K. Layoff in Unclassified Service: In the event there is a layoff affecting the unclassified employees in this unit it is agreed that the terms and conditions surrounding the definition and application of seniority by Civil Service regulation shall be applied to those employees affected as though the regulations were applicable.

L. It is recognized that the provisions of paragraph H through J above are illustrative portions of the layoff and recall rights established under Civil Service Statutes and Regulations and that the overall system is administered by the Department of Civil Service.

ARTICLE XXVIII

LIABILITY CLAIMS INDEMNIFICATION

I. Employees covered by this Agreement shall be entitled to defense and indemnification as provided in N.J.S.A. 59:10-1 et seq. and N.J.S.A. 59:10A-1 et seq.

II. For informational purposes only, the following paragraphs generally describe the provisions presently contained in the aforesaid statutes.

A. Defense of Employees

1. Except as provided in paragraph 2. below, the Attorney General shall, upon a request of an employee provide for the defense of any action brought against the employee on account of an act or omission in the scope of his employment. The Attorney General's duty to defend shall extend to a cross-action, counterclaim or cross-complaint against an employee.

2. The Attorney General may refuse to provide for the defense of an action referred to in paragraph 1. above if he determines that:

a. the act or omission was not within the scope of employment; or

b. the act or failure to act was because of actual fraud, willful misconduct or actual malice; or

c. the defense of the action or proceeding by the Attorney General would create a conflict of interest between the State and the employee.

d. In any other action or proceeding, including criminal proceedings, the Attorney General may provide for the defense of an employee if he concludes that such representation is in the best interest of the State.

e. Whenever the Attorney General provides for the defense of an employee, the Attorney General may assume exclusive control over the representation of such employee and such employee shall cooperate fully with the Attorney General's defense.

f. The Attorney General may provide for a defense by an attorney from his own staff or by employing other counsel for this purpose or by asserting the State's right under any appropriate insurance policy which requires the insurer to provide the defense.

B. Indemnification

1. If the Attorney General provides for the defense of an employee, the State shall provide indemnification for the employee. Nothing in this section authorizes the State to pay for punitive or exemplary damages or damages resulting from the commission of a crime.

2. If the Attorney General refuses to provide for the defense of a State employee, the employee shall be entitled to indemnification if he establishes that the act or omission upon which the claim or judgment was based occurred within the scope of his employment as an employee of the State and the State fails to establish that he acted or failed to act because of actual fraud, actual malice or willful misconduct. If the employee establishes that he was entitled to a defense, the State shall pay or reimburse him for any bona fide settlement agreements entered into by the employee, and shall pay or reimburse him for any judgments entered against the employee, and shall pay or reimburse him for all costs of defending the action, including reasonable counsel fees and expenses, together with costs of appeal, if any.

Nothing in this section authorizes the State to pay for punitive or exemplary damages or damages resulting from the commission of a crime.

3. An employee shall not be entitled to indemnification unless within ten (10) calendar days of the time he is served with any summons, complaint, process, notice, demand or pleading, he delivers the original or a copy thereof to the Attorney General or his designee. Upon such delivery the Attorney General may assume exclusive control of the employee's representation and such employee shall cooperate fully with the Attorney General's defense.

III. The provisions of this Article shall not be subject to the Grievance Procedure as set forth in Article IV.

ARTICLE XXIX

TRAVEL REGULATIONS

A. Transportation Allowance

1. Whenever an individual employee is authorized and required to use his privately owned vehicle or as a condition of his employment uses such vehicle, the State will be responsible for indemnification pursuant to appropriate legislation for such sanctioned use and shall reimburse the employees at the applicable rate provided by law for each mile of such use. Authorization for such use is predicated on the individual maintaining basic automobile insurance as specified in the New Jersey Travel Regulations and current registration.

2. Employees who do not hold a valid and current driver's license shall not drive.

3. During such authorized use of his privately owned vehicle, the State requires each individual accepting such authorization to maintain insurance for personal liability in the minimum amounts of \$25,000 for each person and \$50,000 for each accident and \$10,000 property damage for each accident. The State will provide insurance coverage where such privately owned vehicles are used in the authorized business of the State covering the excess over the valid and collectible private insurance in the amount of \$150,000 for each person and \$500,000 for each accident for personal liability and \$50,000 property damage for each accident unless and until legislation is passed which requires the State to indemnify and hold harmless their employees for personal injuries and property damage caused by the negligence of said employees while operating their privately owned vehicles on the authorized business of the State.

4. The requirement to utilize a privately owned vehicle shall not be imposed where it causes undue hardship on the employee.

B. Reimbursement

1. Employees shall be reimbursed for travel expenses while on the authorized business of the State in keeping with the conditions set forth in the Travel Regulations of the State.

2. a. Expenses incurred for necessary parking and tolls directly related to the authorized use of a vehicle on official State business are allowed and reimbursable by the State. All such expenses require documentation and may require advanced authorization. An exception to the requirement of documentation of an expense may be authorized for such circumstances where receipts for payments are not available; for example, the payment of parking meter expenses.

b. Vouchers, inclusive of required supplemental documentation, shall be submitted on a monthly basis when travel expenses are incurred. Such vouchers presented for reimbursement on or prior to the last day of the month shall be processed promptly through local authorization procedures and, if approved, submitted to the Division of Budget and Accounting to assure receipt prior to the tenth (10) day of the following month.

3. Payment where warranted under the Travel Regulations shall be made promptly providing the voucher is complete and accurate and received within the time schedule outlined herein.

4. In exception to these conditions, whenever an employee accumulates authorized expenses of one hundred dollars (\$100.00) or more, that employee may exercise an option to submit an appropriate voucher with documentation for payment without regard to the ordinary monthly schedule. Further, where authorized monthly expenses are less than ten dollars (\$10.00), the State may exercise an option to accumulate such expenses to include other monthly periods

until there is an amount in excess of ten dollars (\$10.00) but such accumulation shall not be continued beyond three (3) successive months.

C. An employee who is authorized to use a privately owned vehicle for State business may elect not to transport other employees of the State except that this election must be communicated in advance of any travel assignment thus providing sufficient time notice for planning purposes.

D. When the State requires an employee to be medically examined by a State designated doctor or medical facility, travel expenses, not inconsistent with the Travel Regulations of the State, shall be paid in the same manner and under the same conditions as other travel expenses. An employee attending such examination shall do so without loss of pay for necessary time of such attendance and necessary travel time appropriate thereto if during normal working time.

E. 1. In order to provide continuity of scheduled work by an employee who is regularly authorized to use a privately owned vehicle for State business and in the event such vehicle is damaged or otherwise inoperable and undergoing major repairs, such employee may request temporary use of a State owned vehicle from those vehicles in the motor pool servicing the particular function. The request if endorsed by the appropriate supervisor shall be presented to the State official in charge of those vehicles for approval and authorization. Such vehicles may be assigned for up to three (3) days and such period may be extended if required.

2. All such use of State vehicles must conform to the regulations pertaining thereto.

3. Employees authorized to utilize State owned vehicles shall obtain gasoline and related services and products at State facilities unless otherwise authorized.

4. Employees may request the issuance of State credit cards when circumstances seem to warrant. Such requests if endorsed by appropriate management and approved by the State official at the local motor pool will be forwarded to the Central Motor Pool for authorization. The issuance of credit cards shall be within conditions and criteria established by the supervisor of the Central Motor Pool.

5. Grievances concerning these matters shall be considered non-contractual.

ARTICLE XXX

SAFETY

A. The State shall continue to make reasonable provisions for the safety and health of its employees during the hours of their employment. The State will discharge its responsibility for the development and enforcement of occupational safety and health standards to provide a safe and healthful environment. The State will set up necessary job safety and health programs for all employees covered by this Agreement and shall provide a reasonably safe and healthful place of employment for all employees.

B. The parties agree to cooperate in maintaining and improving safe working conditions and health protection for the employees consistent with established safety standards and in the promotion of safety, safe working habits and good housekeeping throughout the work environment. Where reasonably possible each employee will comply with all safety rules and regulations.

C. Employee complaints of unsafe or unhealthful conditions shall be reported to the immediate supervisor and shall be promptly investigated. Corrective action shall be initiated as soon as practicable to remedy the condition within safety guidelines.

D. Employees shall not be required to work under conditions of work which are unsafe or unhealthful. An employee, whose work is temporarily eliminated as a result of the foregoing, may be promptly assigned on an interim basis to other comparable work for which the employee is qualified to perform.

E. A designated and duly authorized member of the Association shall serve on the State Safety Committee.

F. If an employee incurs an on-the-job injury during regular hours of employment requiring professional medical attention, the State will expedite such medical treatment by calling for an ambulance, if required, or providing transportation to a recognized medical facility when the injured employee can be moved.

G. The State and the Association shall establish a Joint Safety and Health Committee consisting of three (3) members appointed by each party. Regular meetings will be scheduled as required to discuss safety and health problems or hazards and programs and to make recommendations concerning improvement or modification of conditions regarding health and safety.

H. Where reasonably possible, all committee meetings shall take place during working hours and employees shall suffer no loss of pay as a result of attendance at such meetings.

I. References to safety are intended to include a concept of reasonable personal security and protections which shall be maintained to assure employees against physical harm.

ARTICLE XXXI

CLAIMS ADJUSTMENT

Where a loss or damage to personal property is sustained as a result of an action taken in the performance of the assigned duty of an employee, such loss will be adjusted. A claim for such loss must be filed within thirty (30) days of the time when the loss occurred. The claim must be filled out on the forms provided, including the requested adjustment, and submitted to the State for this action. The State shall provide the forms and any instructions which may be necessary for the completion or processing of the forms.

ARTICLE XXXII

TUITION REFUND AND EMPLOYEE TRAINING

A. Tuition Refund

Where a department or organizational unit of the State has established a tuition refund program, said department or organizational unit shall provide the Association with published description of such program, if available.

B. Employee Training

1. The State shall continue to offer training programs of proven worth which are aimed at skills development and improvement in order to afford employees greater opportunity for performance improvement and promotional growth. Such offering may be regulated or limited by availability of funds or other factors.

2. When in-service or out-service training programs are available to a group of employees, the selection of the employee(s) to be trained shall be predicated on the needs of the State, the potential of an employee to benefit by the training and to contribute to the operational program in which he or she is employed, and with due regard to a principle of fair opportunity for all eligible employees within the group.

ARTICLE XXXIII

SUBCONTRACTING OF WORK

It is recognized and agreed that the Association and the State share an interest in protecting the opportunity for continuing employment for employees covered by this Agreement; therefore, if during the term of the Agreement, the State contracts out or subcontracts work normally performed by employees covered by this Agreement and such action results in layoff or job displacement, employees affected will be given every opportunity available to continue employment within their classification or any other position available for which they are qualified prior to layoff or similar action. An employee thus affected will be protected by the provisions of this Agreement and by any relevant laws, rules and regulations. The State shall meet with the Association to negotiate all incidents of contracting or subcontracting whenever it becomes apparent that a layoff or job displacement might result.

ARTICLE XXXIV

EMERGENCY WORK (NEW PROGRAM)

A. Unit employees (except those employed in the Department of Transportation where the current approved program will continue) shall be eligible for the special emergency rates if called in to work under the following specific circumstances:

1. Employees in the unit must be called in outside of scheduled work shifts; and
2. The work involved must be for emergency maintenance, replacement or repair of equipment or mechanical devices which are vital to the operation of an institution, agency or other function of the State; and

3. Such work must be necessitated by damage or failure resulting from storm, flood, explosion, sudden unexpected catastrophe or like causes; and

4. Such conditions must constitute unreasonable safety hazard to the public employees, other persons or property of the State.

B. It is clearly understood that all of the foregoing elements or criteria must be met for an employee to be entitled to payment at the emergency rate. The following special project pay rates shall apply during fiscal year 1979-1980:

1. Employees who are engaged in manual or unskilled work as by use of shovels, picks, axes, choppers, etc., the rate of \$8.10 per hour is authorized and known as a Group VI Emergency Rate (Code 6).

2. Employees who perform semi-skilled work including the operation of mechanized equipment such as trucks, plows, light-graders, back-hoes, etc., a rate of \$10.36 per hour is authorized and known as a Group V Emergency Rate (Code 5).

3. Employees who perform skilled work including the operation of heavy equipment or those employees who are assigned to be in charge of or supervise either semi-skilled or unskilled workers or both, the rate of \$12.59 per hour is authorized and known as a Group IV Emergency Rate (Code 4).

4. Employees who supervise skilled workers or mixed teams of skilled, semi-skilled and/or unskilled employees, the rate of \$13.87 per hour is authorized and known as a Group III Emergency Rate (Code 3).

5. Supervisors who are in charge of a local area or district emergency operations, the rate of \$16.05 per hour is authorized and known as a Group II Emergency Rate (Code 2).

6. Supervisors who have charge of statewide or district operations, including both force accounts and contractor operators as well as electrical operations, the rate of \$18.59 per hour is authorized and known as a Group I Emergency Rate (Code 1).

C. The emergency rates described in B. above, shall be adjusted during fiscal year 1980-1981 by approximately six and one-half (6.5%) per cent in accordance with Article VI.

D. The requirement of each employee to respond, if called when such emergency conditions are present, constitutes a condition of State employment. An employee who refuses an assignment because of a reasonable excuse will not be subjected to disciplinary action. However, any absence or repeated absence or refusal to respond without good and sufficient reason, may be cause for such action.

E. When an employee is called in and reports for an emergency work assignment, he shall be paid for all hours actually worked outside his normally scheduled work shift and shall be entitled to a minimum of two (2) hours pay at the appropriate special project rate whether or not such two (2) hours are actually worked,

providing the employee remains available for any work assigned. No emergency hours compensated at special project rates, which are agreed to be equivalent to premium rates, shall be counted as hours worked for the purpose of computing normal overtime.

F. Lists showing the rotational order of each employee and the total hours worked and refused by each employee shall be maintained in the work unit. Such lists shall be made available for inspection on request to Association Officers.

G. An emergency overtime assignment is subject to all appropriate rules and regulations of the State and the Department.

H. In exception to the requirement that employees be called in outside of regular work shifts, employees assigned to Snow and Ice Control Emergency Overtime will receive the appropriate special project rate after the end of the employee's regular work shift during the time prior to the next regular work shift.

ARTICLE XXXV

PRESENTATION OF AGREEMENT TO EMPLOYEES

A. Printing of Agreement

The cover of the Agreement shall include the seal of the State of New Jersey and the insignia or other appropriate designation of the unit representative.

B. Membership Packets

The Association representative may supply membership packets which contain information for distribution to employees in the unit, including the role of the Association representative, the membership application and a copy of this Agreement as well as other material mutually agreed to by the State and the Association representative. The State agrees to distribute such membership packets to all employees in the unit at the time such employees receive the copies of this Agreement and to new employees during the initial phases of employment which shall not ordinarily exceed twenty (20) days from the date of employment.

ARTICLE XXXVI

A. All employees in this unit are covered under the State Unemployment Compensation Plan under the current Laws of the State of New Jersey.

B. The State agrees to include employees in this unit in the State of New Jersey Temporary Disability Plan. The plan will become effective upon completion of the necessary legislative action and administrative planning.

ARTICLE XXXVII

MAINTENANCE OF BENEFITS, EFFECT OF AGREEMENT AND COMPLETE AGREEMENT

A. Maintenance of Benefits

The fringe benefits, which are substantially uniform in their application to employees in the unit, and which are currently provided to those employees, such as the Health Benefits Program, the Life Insurance Program and their like, shall remain in effect without diminution during the term of this Agreement unless modified herein or by subsequent agreement of the parties.

B. Effect of Agreement

Regulatory policies initiated by the various institutions and agencies where these employees are working which have the effect of work rules governing the conditions of employment within the institution or agency and which conflict with any provision of this Agreement shall be considered to be modified consistent with the terms of this Agreement, provided that if the State changes or intends to make changes which have the effect of elimination in part or in whole such terms and conditions of employment, the State will notify the Association and, if requested by the Association within ten (10) days of such notice or of such change or of the date on which the change would reasonably have become known to the employees affected, the State shall within twenty (20) days of such request enter negotiations with the Association on the matter involved, providing the matter is within the scope of issues which are mandatorily negotiable under the Employer-Employee Relations Act as amended and further, if a dispute arises as to the negotiability of such matters, that the procedures of the Public Employment Relations Commission shall be utilized to resolve such dispute.

C. Complete Agreement

The State and the Association acknowledge this and any Memoranda of Understanding attached hereto to be their complete Agreement inclusive of all negotiable issues whether or not discussed and hereby waive any right to further negotiations except as may otherwise be provided herein or specifically reserved for continued negotiation by particular reference in memorandum of understanding pre-dating the date of signing of the Agreement and except that proposed new rules or modifications of existing rules governing working conditions shall be presented to the Association and negotiated upon the request of the Association as may be required pursuant to Chapter 303 of the Laws of New Jersey, as amended.

ARTICLE XXXIX

EFFECT OF LAW

A. Legislative Action

1. If any provisions of this Agreement require legislative action, or require adoption or modification of the Rules and Regulations of the Civil Service Commission to become effective, or require the appropriation of funds for their implementation, it is hereby understood and agreed that such provisions shall become effective only after the necessary legislative action or rule modification is enacted, and that the parties shall jointly seek the enactment of such legislative action or rule modification.

2. In the event that legislation becomes effective during the term of this Agreement which has the effect of improving the wages and fringe benefits otherwise available to eligible employees in this unit, this Agreement shall not be construed as a limitation on their eligibility for such improvements.

B. Savings Clause

1. If any provision of this Agreement shall conflict with any Federal or State law or have the effect of eliminating or making the State ineligible for Federal funding, that specific provision of this Agreement shall be deemed amended or nullified to conform to such law. The other provisions of the Agreement shall not be affected thereby and shall continue in full force and effect. Where a conflict of a provision of this Agreement with Federal or State law would result in the amendment or nullification of the language of this Agreement as provided above, the modification shall be made only to the extent required to preclude any unlawful provisions.

2. Upon request of either party the State and the Association agree to meet and renegotiate any provision so affected.

MEMORANDUM OF UNDERSTANDING I

NL STATUS

A. It is agreed that, for a period of six (6) months ending January 31, 1980, the existing policies of agencies which prescribe the conditions of employment peculiar and universally applicable to employees in NL status and which are in conformity with the Rules and Regulations of Civil Service and departmental policies on the matters therein contained shall not be modified if such modification would worsen the circumstances of employment of individuals affected by the change without first submitting those proposed changes to the Association for their review.

Upon written request by the Association within ten (10) calendar days of the submission, the State shall enter into negotiations with regard to those matters which are mandatorily negotiable. Disputes as to the negotiability of such matters shall be resolved in the manner prescribed by the New Jersey Employer-Employee Relations Act, as amended.

B. Not later than November 30, 1979, the Association shall present to the Office of Employee Relations suggestions for amendment of the regulations of the State governing the terms and conditions of NL employees. Following joint discussion of these suggestions, they will be presented to proper authority as requests for amendment. If accord can be reached, the Office of Employee Relations shall support the presentation and coordinate and expedite the proceedings.

C. Not later than November 30, 1979, the Association shall present a list of harsh and inequitable actions taken against NL employees which suggest that some limitations or guidelines as to these policies be established. If there is accord, the Office of Employee Relations will take the initiative in presenting joint proposals to proper authority for establishment of such guidelines or limitations. For example: (1) daily change in required work schedule, (2) long and extensive work schedules followed by insufficient breaks before additional work shifts are scheduled.

D. It is agreed that the Association shall have access to public information and documents it may need in conducting the review which are available from the Department of Civil Service or other departments of the State.

When the Association meets with the State during normal working hours to present its recommendations, it shall be without loss of pay. Other time requested for Association activity shall, if reasonable, be authorized and charged to leave of absence for Association activity as provided herein.

MEMORANDUM OF UNDERSTANDING II

The State hereby agrees to seek a reevaluation of the titles listed below in accordance with the procedures of the Department of Civil Service and to implement any resulting change effective in the first pay period in January 1980. These reevaluations shall be for one (1) range increase.

MEMORANDUM OF UNDERSTANDING IV

MILEAGE REIMBURSEMENT

The State agrees to seek legislation to become effective on or about November 1, 1979 which will provide for a change from 16 to 18 cents in the mileage allowance made to employees for authorized use of their privately owned vehicles on the business of the State and for a formula for future change in the allowance which shall be a one cent (1¢) adjustment for each eighteen cent (18¢) change in the price of gasoline or ½¢ for a ten cent (10¢) or greater change. The basis for price change shall be the price paid for regular gasoline by the State. A computation shall be made based on the price payable on the first business day of January and the first business day of July in each year of the contract after the legislation is passed. The base period for change shall begin with the price in effect on the first business day of July 1979.

APPENDIX I

The following provision(s) are set forth herein for informational purposes only. These matters as they apply to individual employees affected shall be grievable within the provisions of the Grievance Procedure in the Agreement as defined in Article IV, Section A.2.

If as a result a subsequent legislative enactment or litigation these matters are determined to be negotiable, then it is agreed that they will be reincorporated into the Agreement as then set forth in the Appendix.

TRANSFER AND REASSIGNMENT

A. Transfer

1. Transfer is the movement of an employee from one job assignment to another within his job classification into another organizational unit or department.

2. An employee shall not be transferred without the approval and consent of the appointing authority from and to whose unit the transfer is sought nor without the consent of the employee, or the approval of the Department of Civil Service, except that:

a. The consent of the employees shall not be required when the employee movement is the result of a transfer or combining of functions of one unit to or with another;

b. When a temporary transfer is made, the consent of the employee shall not be required; but if the employee objects, he shall have the right to have the transfer reviewed by the Department of Civil Service.

c. Any special hardship that may result will be given due consideration.

d. The rights of an employee who has voluntarily transferred shall not be adversely affected except that he shall not retain any rights in the unit from which he has transferred.

e. The rights of an employee who has involuntarily transferred shall not be adversely affected but he shall retain no rights in the unit from which he has been transferred except that if he is on a promotional list, his name shall be retained on the promotional eligible list for the unit from which he has been transferred until he has had an opportunity to take a promotional examination in his new unit and the resultant list has been promulgated.

f. Transfer shall not affect the accumulation of an employee's State or job classification seniority.

3. Upon any transfer of a permanent employee, all sick leave and vacation balances shall be transferred with the employees, except that:

a. Upon voluntary transfer, all accrued compensatory time will, at the discretion of the State, be transferred with the employee, taken as time off prior to transfer or paid in cash at the employee's current rate of pay.

b. Upon involuntary transfer of a permanent employee, all accrued compensatory time balances shall be transferred with the employee.

c. When accepted for transfer by an organizational unit or Department the request for transfer shall not be unreasonably withheld by the organizational unit or Department where the individual is employed.

4. An employee may request a transfer through his Personnel Officer. In accordance with the procedures outlined in Civil Service Personnel Manual Subpart 15-1.101, if there is no opportunity for reassignment or lateral title change within the employee's present organization unit or department, the employee may complete a transfer request form and forward it to the Department of Civil Service, which retains such form for six (6) months and sends to the Personnel Officer of each department on a monthly basis a list of individuals by title and code number who are interested in transfer.

B. Reassignment

1. Reassignment is the movement of an employee from one job assignment to another within his job classification and within the work unit, organizational unit or department.

2. Reassignments of employees may be made in accordance with the fiscal responsibilities of the appointing authority, to improve or maintain operational effectiveness, or to provide employee development and job training or a balance of employee experience in any work area. Where such reassignments are not mutually agreed to, the appointing authority will make reassignments in the inverse order of the job classification seniority of the employees affected, given the above conditions, providing the employees are capable of doing the work and it is agreed that special qualifications of a personal nature or special hardships which may result will be given due consideration.

3. When temporary reassignments (ordinarily of less than six (6) months duration) are made to achieve any of the objectives in B.2. above, employees to be affected will be given maximum possible notice. The consideration of seniority otherwise applicable in reassignments will not apply. The utilization of the concept of temporary reassignments will not be used unreasonably.

4. When personnel changes in a work unit provide opportunities for shift or schedule changes, interested employees may apply for desired assignments to the work unit supervisor. Such changes in assignment will be made on the basis of the job classification seniority of employees requesting the change, except that priority is given to the assignment of individual employees as provided in B.2. above.

5. When a vacancy is filled by an employee from outside a work unit, the employee joining that work unit shall be assigned the open position on the shift and work schedule which were appropriate to the opening.

6. a. Where the principles in B.2. above are observed, requests for voluntary reassignment within the organizational unit or department shall be given consideration.

b. An employee desiring reassignment to any job in his organizational unit or department may submit an application through his supervisor in writing to his personnel officer stating the reasons for the request. Employees who are capable of performing the work and who apply for such reassignments will be considered and reassignments will be made on the basis of these requests. Where more than one request for reassignment from qualified employees deemed capable of performing the work in such a job is on record, any assignment(s) will be made on the basis of the job classification seniority of employees having recorded such a request.

7. An employee may have on record no more than two (2) requests for reassignment in 6.b. above.

8. When an employee is granted a voluntary reassignment, under provisions of 4,5, or 6 above, he shall then be eligible for only one additional voluntary reassignment in the succeeding twelve (12) month period. Consideration will be given to a request for additional reassignment where special circumstances exist.

9. Salary steps, seniority or like substantive rights shall not be adversely affected by reassignment unless otherwise specifically set forth herein.

10. Permanent employees shall be given preference for consideration for voluntary reassignment as contrasted to provisional or probationary employees.

C. Special Requests

Requests for transfer or reassignment predicated on extreme personal hardship will be given priority consideration where positions are available which the employee is capable of performing.
