CHRIS CHRISTIE
GOVERNOR

May 1, 2012

Dear Friends:

As Governor, it is my privilege to recognize May as Military Spouse Appreciation Month. I have no more solemn responsibility than that as Commander in Chief of the NJ National Guard and know the critical role the spouses and families of our soldiers play in service to our state and nation.

Military spouses embody the courage, spirit and sense of duty that inspire every one of us. You are tireless sources of support and strength for our military families and are the backbone of the families on which our troops rely. Your commitment doesn't end there – you are advocates for the armed forces, serve your local communities, and help and support other military families.

Military spouses are often referred to as “the force behind the force” and I can think of no more fitting description. On behalf of a grateful state, I thank you for what you do each and every day. It is an honor to serve as your Governor.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Christie".

Veterans Retraining Assistance Program

In an effort to reduce veteran unemployment, the VOW to Hire Heroes Act of 2011 was passed and signed into law last November. Included in this new law is the Veterans Retraining Assistance Program (VRAP) for unemployed 35 to 60 year old veterans, which will begin on July 1, 2012 – VA will begin accepting applications on May 15, 2012.

VRAP offers 12 months of training assistance to 99,000 unemployed Veterans who are at least 35 years old but no older than 60. Eligible participants will receive up to 12 months of training assistance at the full-time payment rate under the Montgomery GI Bill—Active Duty program (currently \$1,473 per month). DOL will offer employment assistance to every veteran who participates or applies to the VRAP program. You can learn more about VRAP at <http://benefits.va.gov/vow/education.htm>.

Please visit: http://gibill.va.gov/benefits/other_programs/vrap_email_signup.html.
