

# LLNJ Fall 2025 Connection Conference - Program Proposal Form

**LibraryLinkNJ Virtual Fall Connection Conference**  
**Tuesday, September 30th 2025**  
**9AM - 4PM**

## **Conference Description:**

LibraryLinkNJ invites you to explore the power and value of *connection* at our Fall 2025 Virtual Conference. At this time of uncertainty and apprehension, join us to examine and uplift the connections and networks that support, enhance, and affirm the work New Jersey's libraries do every day.

We seek to examine both the connections libraries are entrusted to uphold, like our relationship to the law and the rights of our patrons, as well as those we elect to build, like partnerships with our community institutions, colleagues, and fellow libraries. From understanding our responsibilities and rights within the larger systems we're part of, to celebrating the collaborations and cooperation that keep us growing and succeeding day-to-day, we hope you'll join us for this opportunity to learn about and celebrate the connections that help our libraries thrive.

## **Call for Proposals:**

What do you have to share about the power of connection in the library world? Whether it's a presentation of your academic research into the value of connection, or an opportunity to share real-life tips for building connections in your library, community, or institution - there just may be a spot for you as a presenter at our fall virtual conference! We're seeking presentations on all types of connections from all types of organizations. Fill out and submit the call for proposals form *no later than Friday, July 18th* to be considered!
