

Summer Electronic Benefits Transfer (Summer EBT) Program for Kids

The NJ Summer EBT Program provides low-income families with a one time \$120 EBT card per eligible child to help purchase groceries during the summer when kids might not have access to school meals.

REMINDER: Summer EBT benefits are available for four months. Summer EBT benefits expire 122 days from the date the benefits were first loaded onto your Summer EBT card. Federal regulations do not allow benefits to be replaced after they have been expunged. More information can be found in the following pages.
