The purpose of this chapter is to outline, identify and establish the eligibility requirements, policies and procedures

for the entitlement programs and services authorized for provision to New Jersey resident veterans by the State.

## SUBCHAPTER 2. POST-TRAUMATIC STRESS DISORDER/READJUSTMENT COUNSELING PROGRAM

### 5A:6-2.1 Scope

The New Jersey Post-Traumatic Stress Disorder/Readjustment Counseling Program (PTSD/R) has been established to provide assistance in the form of clinical counseling and continuity of care to veterans discharged other than dishonorably from the Armed Forces of the United States and their families. The New Jersey program is intended as a supplement to similar United States Department of Veterans Affairs or other government sponsored programs or when such assistance is exhausted.

### 5A:6-2.2 Eligibility

Eligibility for the PTSD/R Program is limited to New Jersey resident veterans who have an other than dishonorable discharge from the Armed Forces of the United States and who suffer mental or emotional disorders as a result of combat related experiences. Family members of such veterans whose problems date to the veteran's emotional/mental disorder are also eligible.

### 5A:6-2.3 Definitions

The following words and terms, as used in this subchapter, shall have the following meanings, unless the context clearly indicates otherwise.

"Client" means a veteran or family member with a veteran participating in the PTSD/R Program.

"Family member" means the veteran's immediate family and includes significant others.

"Resident" means a veteran living in New Jersey as verified by a current:

1. New Jersey driver's license;
2. New Jersey property tax bill or New Jersey resident income tax return;
3. Utility bill with the veteran's name and New Jersey address appearing thereon;
4. A New Jersey Voter's Registration Card; or
5. A Photo ID card issued by the New Jersey Motor Vehicle Commission.

"Significant other" means a person who is cohabiting with the veteran in the manner of a spouse as defined by current New Jersey statute.

### 5A:6-2.4 Scope of service

(a) The PTSD/R Program consists of an initial evaluation period covering four visits after which the provider will recommend the level of additional services. Additional services will be based on a quarterly evaluation and determination will be made by the provider.

(b) Services will be provided for a period of two years. After two years, fees paid to contract clinicians by the Department for client counseling sessions will be reduced on an annual basis until at the end of six years the clinicians will be compensated at a rate of five percent of the standard cost per hourly session.

### 5A:6-2.5 Procedures

(a) Application for services will be made directly to a Veteran Service Officer (VSO) of the Division of Veterans Programs (DVP). The VSO shall conduct an interview and make an initial evaluation of eligibility.

(b) If the applicant meets the criteria established in N.J.A.C. 5A:6-2.2, the VSO shall contact the DVP Program Manager, to determine current status of the program.

(c) Referral to a provider shall be made on DMAVA Form 50, Contract Services Authorization (see Appendix A incorporated herein by reference) which is filled out by the VSO. The VSO shall give the form to the DVP Program Manager. The VSO shall give copies of the form to the provider and the individual. One copy shall be retained by the VSO for the individual's file.

(d) All individuals applying for services must be seen by a VSO. Providers shall not assume the responsibility of taking on clients under the auspices of this program without following the procedures outlined in N.J.A.C. 5A:6-2.6. Any clients accepted by a provider without proper referral shall be the responsibility of the provider.

(e) A veteran shall exhaust all avenues of counseling through the Federal system before making an application to the Department of Military and Veterans' Affairs program. However, the DVP Program Manager, upon recommendation of the VSO, may make exceptions when the DVP Program Manager feels that it is in the best interest of the veteran.

### 5A:6-2.6 Responsibilities

(a) The responsibilities of a VSO are as follows:

1. The VSO will be the PTSD/R contact person conducting initial screening interviews and giving authorization for services.

2. The VSO will coordinate with the clinician when the veteran is accepted into the program. DMAVA Form 50, Contract Services Authorization (Appendix A), shall be utilized to refer a client to a clinician by the VSO.

3. In the event that the veteran is placed on a waiting list, the VSO will maintain personal contact with the veteran at a minimum of once every 30 days advising him or her of his or her status on the waiting list.

(b) The responsibilities of the DVP are as follows:

1. To oversee the funding of the program and the services provided by the clinician to eligible veterans;

2. To contract only with licensed mental health professionals in the State of New Jersey and Mental Health Agencies approved by the State of New Jersey under the certificate of need process and staffed in accordance with N.J.S.A. 30:9A-1 to 30:9A-11 and who have or are willing to gain experience with combat/military related Post Traumatic Stress Disorder (providers); and

3. To make all efforts to seek out funding sources.

(c) The responsibilities of providers are as follows:

1. After the initial evaluation, the provider shall make recommendations as to the course of therapy for the client through the VSO to the DVP Program Manager.

2. Providers shall provide quarterly evaluations of the client outlining the continued level of service required through the VSO to the DVP Program Manager, utilizing DMAVA Form 51, Quarterly Review (see Appendix B, incorporated herein by reference).

3. At the completion of each counseling session, verification of the service provided shall be prepared by the clinician and presented to the client for signature.

4. Monthly expenditure reports will be submitted to the DVP, Department of Military and Veterans' Affairs by clinicians on the tenth of each month following the close of the reporting period.

5. A client who temporarily leaves the State program for at least 90 days shall be readmitted at the rate of reimbursement that was in effect when he or she left the program. The provider shall notify the Department of Military and Veterans' Affairs DVP within 90 days of inactivity in order to receive time credit for the client from the date of his or her last treatment session. Within 30 days of the client's reinstatement into the PTSD program, the provider shall send a letter explaining the reinstatement to the Department of Military and Veterans' Affairs. From the date of admittance, reimbursement shall be as indicated below:

i. For individuals who have been enrolled in the program from 0 to 24 months (two years), the Department shall reimburse the provider for services at 100 percent of the negotiated contract rate for each session.

ii. For individuals enrolled in the program from 25 to 36 months (three years), the Department shall reimburse the provider 50 percent of the negotiated contract rate for each session.

iii. For individuals enrolled in the program from 37 to 48 months (four years), the Department shall reimburse the provider 30 percent of the negotiated contract rate for each session.

iv. For individuals enrolled in the program from 49 to 60 months (five years), the Department shall reimburse the provider 20 percent of the negotiated contract rate for each session.

v. For individuals enrolled in the program from 61 to 72 months (six years), the Department shall reimburse the provider 10 percent of the negotiated contract rate for each session.

vi. For individuals enrolled in the program from 73 to 84 months (seven years), the Department shall reimburse the provider five percent of the negotiated contract rate for each session.

(d) The responsibilities of veterans/veterans' family member(s) (client)s are as follows:

1. The client will make the contact with the clinician within five business days of being contacted by the VSO that he or she has been accepted into the program.

2. Any client who has been terminated or ceased attending sessions, will have the right to appeal within 30 days to the DVP through the VSO.

**5A:6-2.7 Waiting list**

(a) When the program reaches its client capacity, as determined by funding, the provider shall maintain a waiting list with a copy furnished to DVP.

(b) The date service was requested is the primary factor used to determine when clients are admitted into the program.

(c) At the time of the initial interview, if the veteran is placed on the waiting list he or she will be advised of the status.

(d) The VSO will maintain personal contact with the veteran at a minimum of once every 30 days advising him or her of his or her status on the waiting list.

**5A:6-2.8 Funding**

Funding will be determined annually by the State budget appropriation.

**5A:6-2.9 Confidentiality**

(a) The personal data of both the veteran and family members in the program and on the waiting list will not be disseminated to any other agency, department or entity on the Federal, State, county or municipal level without the approval of the individual veteran and/or family member.

(b) Statistical data compiled without reference to the individual may be used for presentation to all parties who require such for evaluation in support of funding or research.

**5A:6-3.5 Full-time course requirements**
