NJBPU and Utility Co-Administered Programs

Save money while saving the planet! New Jersey's Clean Energy Program is a statewide program that offers incentives, programs, and services that benefit New Jersey residents, businesses, educational and non-profit entities, and government entities to help them save energy, money, and the environment.

Energy Assistance

The Comfort Partners Program is a free program that helps income-eligible customers reduce their utility bills through cost effective measures which save energy and money while improving their home's safety and comfort at no cost to them.

[LEARN MORE](#)

Commercial Buildings

NJCEP encourages energy efficient new construction of commercial facilities and offers financial incentives for building owners, designers, and architects to adopt cost-effective, energy efficient design choices in new construction and substantial renovation projects.
