## Welcome to the NJ Resiliency Coalition Community!

[KELLY WATSON](#) · 4/10/23 @ 11:21 AM

The NJ Resiliency Coalition is an online community where people living and working in New Jersey can come together to help lean into positive childhood experiences (PCEs) and help mitigate adverse childhood experiences (ACEs) to create a healthier and happier state. This public online learning group was created by the NJ ACEs Collaborative , the Office of Resilience , the Center for Health Care Strategies , and the New Jersey Education Association . This platform will be made stronger by the...
